How happy are the flowers which lend their
fragrance for my master piece, Parfum Djer-Kiss
—Kerhoff, Paris

For Beauty's Boudoir

Parfum Djer-Kiss. Just a drop here and there lends a fragrance which breathes, indeed, the romantic charm of France. How charmingly French they are — all those Djer-Kiss spécialités — each fragrant with this Parfum Djer-Kiss. To be charmed with one is to be charmed with all; to employ all is to possess, in the toilette, a harmony most fashionable.

PRAY'S ORIENTAL RUGS

Warp and woof of the ancient East are these choice Oriental Rugs, rich in the legend, the poesy, the mystery of immutable Asia, their emblems linking the present with the "morning of the world," older even than the civilization in the Valley of the Nile.

For gifts to the Spring Bride nothing so combines luxury, utility and artistic expression as a Bokhara woven in some windswept hut in the pillared Afghan mountains, a Sarouk hand-loomed in a rose-scented Persian garden, or an exquisite rose and blue carpeting from the land of Confucius.

—Measured by the life of the rug, by the joy of the giver and the pleasure of the recipient, the price of a PRAY Oriental is small indeed, for in economy of pricing, as well as in variety, perfection of design and beauty of coloring, the collection at PRAY'S is unsurpassed.

They are made of 12 strand pure silk (*pure dye*). The lisle garter top, sole and heel mean longer wear, of course.

THE REASON that this stocking is one of our most popular is (1) that it fits perfectly, (2) it is made in a good weight that not only looks well but wears through exceptionally long and hard usage, and (3) it comes in shades that match the vogue—

Silver, light gray, medium gray, dark gray, cordovan, beige, otter, light brown, champagne, green, white, black. Sizes 8½ to 10.

The **Wearplus** is all silk—
*double quantity and double
quality*—cut and folded the
exclusive **Wearplus** way
to make a full-bodied
four-in-hand.

It ties neatly into a tight,
snug-setting knot that does
not slip down. Always
holds its shape, wears for
months and presses out
