**Fukushima Prefectural Office**
Reparation Section

23 December 1947

SUBJECT: Foreign Works of Art

TO : Major Gilbert W. King
Fukushima Mil Govt Team

With reference to above subject, an intermediate report was submitted to you on 8 Dec. 1947, and I hereby report that no article was found within this prefecture until the time limit of 15 Dec. 1947.

For your information, following measures were taken for the investigation of the matter.

By the way I may add that an article was found likely to have been looted though not of art, and it is now under investigation.

1. For 3 days from 24 to 26 Nov. 1947 -
Officials in charge from county offices, police stations and city offices as well as the heads of such organizations as deemed the object of this investigation(namely, all the organization under the control of police station, repatriates leagues, etc.) were called to the police stations of the four cities, i.e. Fukushima, Koriyama, Wakamatsu and Taira, and they were given full instructions regarding the matter.

2. Every town and village master and police-man stationed in towns and villages were given instruction through county offices or police stations respectively to make thorough and prompt investigation.

1) Method of investigation taken:

1) Method of investigation taken:

For your information, following measures were taken for the investigation of the matter.

By the way I may add that an article was found likely to have been looted though not of art, and it is now under investigation.

1. For 3 days from 24 to 26 Nov. 1947 -
   Officials in charge from county offices, police stations and city offices as well as the heads of such organizations as deemed the object of this investigation(namely, all the organization under the control of police station, repatriates leagues, etc.) were called to the police stations of the four cities, i.e. Fukushima, Koriyama, Wakamatsu and Taira, and they were given full instructions regarding the matter.

2. Every town and village master and police-man stationed in towns and villages were given instruction through county offices or police stations respectively to make thorough and prompt investigation.

   1) Method of investigation taken:
      The purpose and extent of this investigation, kind and type of articles in question, etc. were shown on the notice-boards demanding report of any object coming under this category.

   2) To the general lovers of art, investigations were made through special cooperation of policemen.

   3) In some towns and villages this purport was printed and given to all repatriates.

## 6. FUKUSHIMA OIL DEPOT

A. Location : No. 44 Satsuki-cho, Fukushima City.

B. Name of Company : Standard Oil Company, Ltd.

C. Description of property : ~~As per attached sketch.~~ *

D. Use of property :

The Petroleum Joint Sales Company, Ltd., borrowed various equipments and fixtures from the custodian of the Standard Oil Company on 8 April 1942 which is still being used by the company concerned at present. The name of the Petroleum Joint Sales Company was changed to the Petroleum Distribution Control Company, Ltd., in April 1944; to the Petroleum Distribution Company, Ltd., in October 1946 and later, on 2 June 1947, to the Fukushima Branch of the Petroleum Distribution Corporation. The various equipments and fixtures are placed in the custody of Yasuji Sakuma, who is residing within the Oil Depot.

The following removals of facilities were made since the transference of business.

(1) 1 set of Oil supplying pipe for tank lorry use ( gasoline use ) was transferred to the Sendai Oil Depot.

(2) 79 drums for gasoline ( of which 16 drums with hoop ) were transferred to the Sendai Oil Depot.

(3) Due to the Metal & Hardware Collection in April 1944, the 332 ft. long and 6 ft. high wire fence was delivered and made into wooden fence.

7. FUKUSHIMA OIL DEPOT

A. Location : 2-50 Satsuki-cho, Fukushima City.

B. Name of Company : Rising Sun Petroleum Company, Ltd.

C. Description of property :

(1) Building lot : 2-50 Satsuki-cho ..... 59.11 tsubo
" " : 4-50 Satsuki-cho .....225.84 "
" " : 5-50 Satsuki-cho ..... 25.23 "
TOTAL .....310.18 "

(2) Building :

Old cans repairing shed ..... 1
Soldering shed ..... 1
No. 1 Warehouse ( 30 tsubo ) ..... 1
No. 2 Warehouse ( 13 " ) ..... 1
Latrine ..... 1
Office and residence quarters ..... 1
Remarks : Nos. 1 & 2 warehouses were destroyed by fire which broked out from the northern neighboring Briquette Factory at about 13:15 on 3 June 1942. On the very day persons were despatched from the Sendai Office of the Rising Sun Petroleum Company and investigation was completed.
Due to force-evacuation, the remainding 4 buildings were pulled down in July 1945 . ~~At preeent there is no building~~ ; only the lot is left.

D. Use of property :

Since 16 September, 1930, the Rising Sun Petroleum Company was managed by the Fukushima Branch of the Sato Shoten K.K., commonly called the Boki Shoten, of No. 8 Nakamachi, Fukushima City, at the request of the company; but on 16 February 1943, the lot and building was taken over from Kuniki Itagaki, the Enemy Property Custodian of the Rising Sun Petroleum Company, of No. 58 Yamashita-cho, Naka-ku, Yokohama City. Sato Shoten became the owner of the property on 9 April 1943 by obtaining a purchasing approval (No. 11570) from the Minister of Finance on 31 March 1943.

E. Sketch :

~~As per attached.~~

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 775013

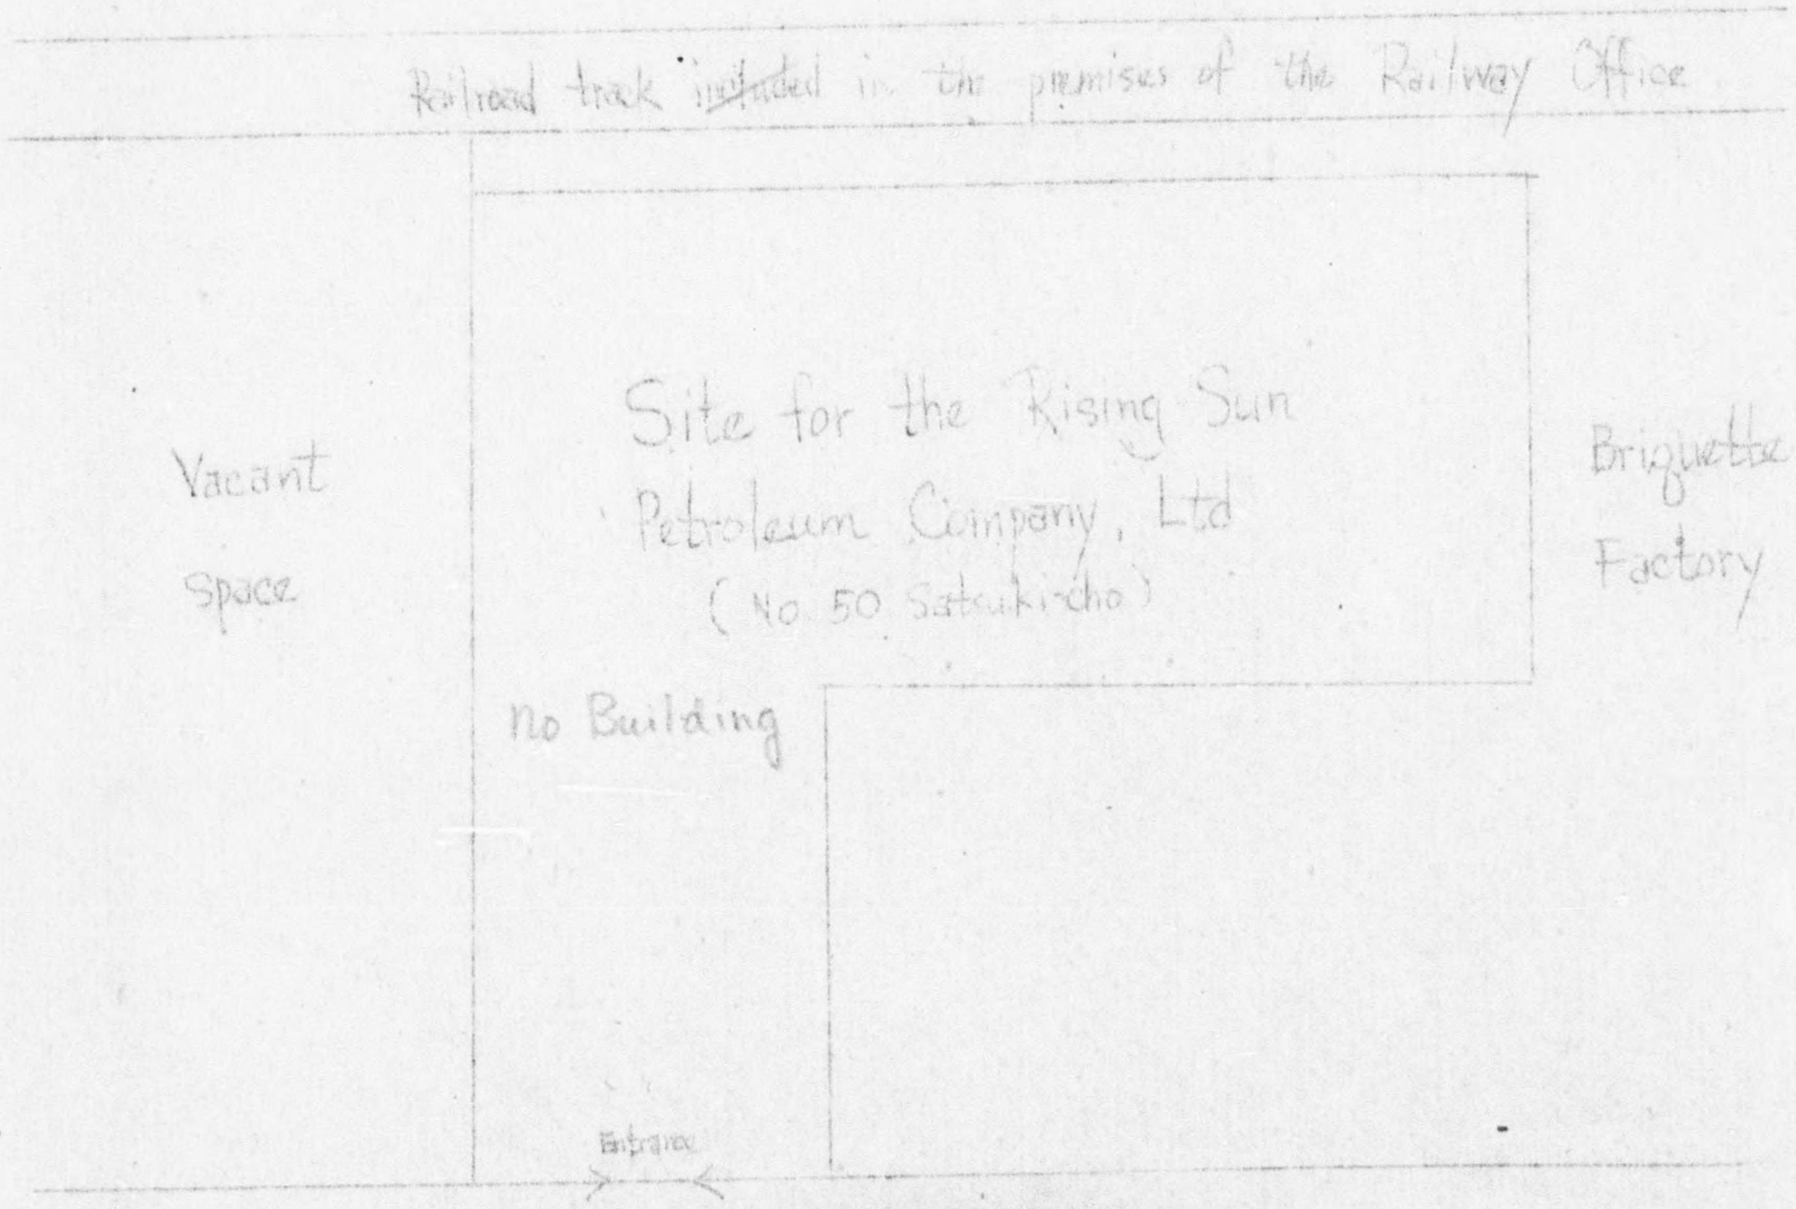
# Sketch



8. A. Name of owner : Betsy McKim.

B. Nationality : American.

C. Address of owner : No. 1915 Anapuni Street, Honolulu, T.H.

D. Name and address of: Hideji Yamamoto,
property custodian Tateshita, 2 Baba, Wakamatsu City.

E. Name and address of: Kakichi Tsuchiya,
acting-custodian No. 181 Aza Shida, Oaza Yamagata, Tsukinowa-mura,
Yama-gun.

F. Description of property :

Building { Floor space ..... 19.25 tsubo
Aggregated space ..... 29.25 "

Building lot ..... 70 "

G. General condition of property :

Ever since Betsy McKim returned to her home country, the property was kept in custody by Kakichi Tsuchiya, the agent to the custodian, Hideji Yamamoto, to the present.

H. Use of property :

The house was rented to Tomoe Furukawa and his family of 12 who had evacuated from Tokyo, for a year from 1943.
The same house was next rented to Hiroshi Saito (family of 5) who had also evacuated from Tokyo. from April 1945 to December 1946.

I. Preservation of property :

The roof of the house was painted with coal-tar oil once. Minor repairing of the house was made by the renters.

J. Present condition of property :

There is no damage to the lot & building, but the shutter, 'tatami', paper sliding-door and kitchen etc are badly damaged.

K. Sketch :

As per attached.
