[15th December 1900.]

Most Gracious Sovereign,

WE, Your Majesty's most dutiful and loyal subjects, the Commons of the United Kingdom of Great Britain and Ireland, in Parliament assembled, towards raising the necessary supplies granted to Your Majesty, have resolved that sums not exceeding eleven million pounds be raised in manner provided by this Act; and do therefore most humbly beseech Your Majesty that it may be enacted; and be it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

1.—(1.) In addition to the sums authorised to be raised by the War Loan Act, 1900, and by the Supplemental War Loan Act, 1900, any further sums required for raising the supply granted to Her Majesty for the service of the year ending on the thirty-first day of March nineteen hundred and one, or for paying off any security issued under this Act, may be raised up to an amount not exceeding eleven million pounds, by all or any of the following methods, namely, by means of the issue of a further Supplemental War Loan or by means of the issue of Treasury Bills or Exchequer Bonds.

Further borrowing for purpose of supply for year 1900-1. 63 & 64 Vict. c. 2. 63 & 64 Vict. c. 61.

(2.) The further Supplemental War Loan under this Act shall be raised in the same manner as the Special War Loan under the War Loan Act, 1900, by the issue of War Stock or War Bonds as provided by that Act, and that Act shall apply with respect to the further Supplemental War Loan under this Act as it applies with respect to the Special War Loan.

(3.) The Treasury may fix the date from which dividends are to be payable on any War Stock or War Bonds issued for the purpose of the further Supplemental War Loan under this Act, and the date so fixed shall, as regards any War Stock or War Bonds so

issued, be substituted in section four of the War Loan Act, 1900, for the sixth day of April nineteen hundred.

(4.) The principal of and the interest on any Exchequer Bonds issued under this Act shall be charged on and payable out of the Consolidated Fund of the United Kingdom, or the growing produce thereof.

CHAPTER 2.

An Act to apply a sum out of the Consolidated Fund to the service of the year ending on the thirty-first day of March one thousand nine hundred and one, and to appropriate the Supplies granted in this Session of Parliament. [15th December 1900.]

Most Gracious Sovereign,

WE, Your Majesty's most dutiful and loyal subjects, the Commons of the United Kingdom of Great Britain and Ireland, in Parliament assembled, towards making good the supply which we have cheerfully granted to Your Majesty in this session of Parliament, have resolved to grant unto Your Majesty the sum herein-after mentioned; and do therefore most humbly beseech Your Majesty that it may be enacted; and be it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

Grant out of Consolidated Fund.

Issue of
16,000,000*l.*
out of
Consolidated
Fund.

1. The Treasury may issue out of the Consolidated Fund of the United Kingdom of Great Britain and Ireland, and apply towards making good the supply granted to Her Majesty for the service of the year ending on the thirty-first day of March one thousand nine hundred and one, the sum of sixteen million pounds.

Power for
Treasury to
borrow.

2. The Treasury may borrow from any person, and the Bank of England and the Bank of Ireland may advance to the Treasury on the credit of the said sum, any sum or sums not exceeding in the whole the sum of sixteen million pounds, and the Treasury shall repay the moneys so borrowed, with interest not exceeding five pounds per centum per annum, out of the growing produce of the Consolidated Fund at any period not later than the next succeeding quarter to that in which the said moneys were borrowed.

Any moneys so borrowed shall be placed to the credit of the account of the Exchequer, and shall form part of the said Consolidated Fund, and be available in any manner in which such fund is available.

Appropriation of Grants.

3. All sums granted by this Act out of the said Consolidated Fund towards making good the supply granted to Her Majesty, amounting, as appears by Schedule (A.), in the aggregate, to the sum of sixteen million pounds, are appropriated and shall be deemed to have been appropriated as from the date of the passing of this Act, for the services and purposes expressed in Schedule (B.) annexed hereto.

Appropriation of sums voted for supply services.

The abstract of schedules and schedules annexed hereto, with the notes (if any) to such schedules, shall be deemed to be part of this Act in the same manner as if they had been contained in the body thereof.

4. If a necessity arise for incurring expenditure not provided for in the sums appropriated to military services by this Act, and which it may be detrimental to the public service to postpone until provision can be made for it by Parliament in the usual course, the department entrusted with the control over the said service shall forthwith make application in writing to the Treasury for their authority to defray temporarily such expenditure out of any surpluses which may have been or which may be effected by the saving of expenditure upon votes within the same department, and in such application the department shall represent to the Treasury the circumstances which may render such additional expenditure necessary, and thereupon the Treasury may authorise the expenditure unprovided for as aforesaid to be temporarily defrayed out of any surpluses which may have been or which may be effected as aforesaid upon votes within the same department; and a statement showing all cases in which the military department has obtained the sanction of the Treasury to any expenditure not provided for in the respective votes aforesaid, accompanied by copies of the representations made to them by the said department, shall be laid before the House of Commons with the appropriation accounts of army services for the year, in order that such proceedings may be submitted for the sanction of Parliament, and that provision may be made for the deficiencies upon the several votes for the said services in such manner as Parliament may determine.

Treasury may, in certain cases of exigency, authorise expenditure unprovided for; provided that the aggregate grants for army services be not exceeded.

The Treasury shall not authorise any expenditure which may cause an excess upon the aggregate sums appropriated by this Act for army services.

5. This Act may be cited for all purposes as the *Appropriation Act, 1900, Session 2.* Short title.

CHAPTER 2.

An Act to provide, during Twelve Months, for the Discipline and Regulation of the Army.

[29th April 1901.]

WHEREAS the raising or keeping of a standing army within the United Kingdom of Great Britain and Ireland in time of peace, unless it be with the consent of Parliament, is against law :

And whereas it is adjudged necessary by His Majesty and this present Parliament, that a body of forces should be continued for the safety of the United Kingdom and the defence of the possessions of His Majesty's Crown, and that the whole number of such forces should consist of four hundred and fifty thousand, including those to be employed at the depôts in the United Kingdom of Great Britain and Ireland for the training of recruits for service at home and abroad, but exclusive of the numbers actually serving within His Majesty's Indian possessions :

And whereas it is also judged necessary for the safety of the United Kingdom, and the defence of the possessions of this realm, that a body of Royal Marine forces should be employed in His Majesty's fleet and naval service, under the direction of the Lord High Admiral of the United Kingdom, or the Commissioners for executing the office of Lord High Admiral aforesaid :

And whereas the said marine forces may frequently be quartered or be on shore, or sent to do duty or be on board transport ships or vessels, merchant ships or vessels, or other ships or vessels, or they may be under other circumstances in which they will not be subject to the laws relating to the government of His Majesty's forces by sea :

And whereas no man can be forejudged of life or limb, or subjected in time of peace to any kind of punishment within this realm by martial law, or in any other manner than by the judgment of his peers and according to the known and established laws of this realm ; yet nevertheless it being requisite, for the retaining all the before-mentioned forces, and other persons subject to military law, in their duty, that an exact discipline be observed, and that persons belonging to the said forces who mutiny or stir up sedition, or desert His Majesty's service, or are guilty of crimes and offences

to the prejudice of good order and military discipline, be brought to a more exemplary and speedy punishment than the usual forms of the law will allow :

And whereas the Army Act will expire in the year one thousand nine hundred and one on the following days : 44 & 45 Vict.

(2.) The Army Act, while in force, shall apply to persons subject to military law, whether within or without His Majesty's dominions.

(3.) A person subject to military law shall not be exempted from the provisions of the Army Act by reason only that the number of the forces for the time being in the service of His Majesty, exclusive of the marine forces, is either greater or less than the number herein-before mentioned.

3. There shall be paid to the keeper of a victualling house for the accommodation provided by him in pursuance of the Army Act the prices specified in the schedule to this Act. Prices in

- (b.) It must be kept free from effluvia arising from any drain, watercloset, earthcloset, privy, urinal or other nuisance;
- (c.) It must not be so overcrowded while work is carried on therein as to be dangerous or injurious to the health of the persons employed therein;

(d.) It must be ventilated in such a manner as to render harmless, so far as is practicable, all the gases, vapours, dust or other impurities generated in the course of the manufacturing process or handicraft carried on therein, that may be injurious to health.

(2.) The provisions of section ninety-one of the Public Health Act, 1875, with respect to a factory, workshop or workplace not kept in a cleanly state, or not ventilated, or overcrowded, shall not apply to any factory to which this section applies. 38 & 39 Vict. c. 55.

(3.) For the purpose of securing the observance of the requirements in this section as to cleanliness in factories, all the inside walls of the rooms of a factory, and all the ceilings or tops of those rooms (whether those walls, ceilings or tops are plastered or not), and all the passages and staircases of a factory, if they have not been painted with oil or varnished once at least within seven years, shall (subject to any special exceptions made in pursuance of this section) be limewashed once at least within every fourteen months, to date from the time when they were last limewashed; and, if they have been so painted or varnished, shall be washed with hot water and soap once at least within every fourteen months, to date from the time when they were last washed.

(4.) Where it appears to the Secretary of State that in any class of factories or parts thereof the provisions of this section with respect to limewashing or washing are not required for the purpose of securing therein the observance of the requirements of this Act as to cleanliness, or are by reason of special circumstances inapplicable, he may, if he thinks fit, by Special Order grant to that class of factories or parts thereof a special exception that the said provisions shall not apply thereto.

(5.) A factory in which there is a contravention of this section shall be deemed not to be kept in conformity with this Act.

2.—(1.) (4.) If the person to whom notice is so given fails to comply therewith within the time therein specified, he shall be liable to a

fine not exceeding ten shillings for every day during which he continues to make default, and the council may, if they think fit, cause the workshop or part to be limewashed, cleansed, or purified, and may recover in a summary manner the expenses incurred by them in so doing from the person in default.

(2.) Provided that the Secretary of State may, by Special Order, modify this proportion for any period during which artificial light other than electric light is employed for illuminating purposes, and may, by like order, as regards any particular manufacturing process or handicraft, substitute for the said figures of two hundred and fifty and four hundred respectively any higher figures, and thereupon this section shall have effect as modified by the order.

(3.) Where a workshop or workplace, not being a domestic workshop, is occupied by day as a workshop and by night as a sleeping apartment, the Secretary of State may, by Special Order, modify the proportion of cubic feet of space prescribed by this section and substitute therefor any higher figures, and thereupon this section shall have effect as modified by the order.

(2.) An inspector authorised in pursuance of this section shall, for the purpose of his duties thereunder, have the same powers with respect to workshops and workplaces as he has with respect to factories, and he may, for that purpose, take the like proceedings for enforcing the provisions of this Act or of the law relating to public health, or for punishing or remedying any default, as might be taken by the district council; and he shall be entitled to recover from the district council all such expenses in and about any proceedings as he may incur and as are not recovered from any other person.

42. In the case of creameries in which women and young persons are employed, the Secretary of State may, by Special Order, vary the beginning and end of the daily period of employment of those women and young persons and the times allowed for their meals and allow their employment for not more than three hours on Sundays and holidays: Provided that the order shall not permit any excess over either the daily or the weekly maximum number of hours of employment allowed by this Act.

(2.) Before the service of the notice on the inspector, the special exception shall not be deemed to apply to the factory or workshop and, after the service of the notice on the inspector, it shall not be competent in any proceeding under this Act for the occupier to prove that the exception does not apply to his factory or workshop, unless he has previously served on the inspector for the district notice that he no longer intends to avail himself of the exception.

(3.) The notice so served and affixed must, except as otherwise provided by this Act, specify the hours for the beginning and end of the period of employment and the times to be allowed for meals to every woman, young person and child, where they differ from the ordinary hours or times.

(4.) An occupier of a factory or workshop shall enter in the prescribed register and report to the inspector for the district the prescribed particulars respecting the employment of a woman, young person or child in pursuance of a special exception; and, in the case of employment overtime, he shall also cause a notice containing the prescribed particulars respecting the employment to be kept affixed in the factory or workshop during the prescribed time, and he shall send the report required by this subsection to the inspector not later than eight o'clock in the evening on which any woman, young person or child is employed overtime in pursuance of the exception.

(5.) Where the occupier of a factory or workshop avails himself of a special exception made by or in pursuance of this Act and a condition for availing himself of that exception (whether specified in this Act, or in an order of the Secretary of State made under this Act) is not observed in that factory or workshop, then

(a) If the condition relates to the cleanliness, ventilation or overcrowding of the factory or work-shop, the factory or

workshop shall be deemed not to be kept in conformity with this Act; and

(b) In any other case a woman, young person or child employed in the factory or workshop, in alleged pursuance of the exception, shall be deemed to be employed contrary to the provisions of this Act.

(6.) Where an occupier of a factory or workshop has served on an inspector a report, in pursuance of this section, of his intention to employ any persons overtime by virtue of a special exception, the report shall, unless withdrawn, be *prima facie* evidence, in any proceedings under this Act, that the occupier has in fact employed persons overtime in accordance with the report.

(iii.) *Fitness for Employment.*

Prohibition of employment of women after child-birth.

61. An occupier of a factory or workshop shall not knowingly allow a woman or girl to be employed therein within four weeks after she has given birth to a child.

Prohibition of employment of children under twelve.

62. A child under the age of twelve years must not be employed in a factory or workshop unless lawfully so employed at the commencement of this Act.

Certificates of fitness for employment of young persons under 16 and children in factories.

63.—(1.) In a factory a young person under the age of sixteen years or a child must not be employed for more than seven or, if the certifying surgeon for the district resides more than three miles from the factory, thirteen work days, unless the occupier of the factory has obtained a certificate, in the prescribed form, of the fitness of the young person or child for employment in that factory.

(2.) When a child becomes a young person, a fresh certificate of fitness must be obtained.

(3.) The occupier shall, when required, produce to an inspector at the factory in which a young person or child is employed the certificate of fitness of that young person or child for employment.

Regulations as to grant of certificate of fitness.

64. With respect to a certificate of fitness for employment for the purposes of this Act, the following provisions shall have effect:—

(1.) The certificate shall be granted by the certifying surgeon for the district.

(2.) The certificate must not be granted except upon personal examination of the person named therein.

(3.) A certifying surgeon shall not examine a young person or child for the purpose of the certificate or sign the certificate elsewhere than at the factory where the young person or child is or is about to be employed, unless the number of young persons and children employed in that factory is less than five, or unless for some special reason allowed in writing by an inspector.

(4.) The certificate must be to the effect that the certifying surgeon is satisfied, by the production of a certificate of birth or other sufficient evidence, that the person named in the certificate is of the age therein specified, and has been

personally examined by him and is not incapacitated by disease or bodily infirmity for working daily for the time allowed by law in the factory named in the certificate.

- (5.) The certificate may be qualified by conditions as to the work on which a child or young person is fit to be employed and, if it is so qualified, the occupier shall not employ the young person or child otherwise than in accordance with the conditions.
- (6.) A certifying surgeon shall have the same powers as an inspector for the purpose of examining any process in which a child or young person presented to him for the grant of a certificate is proposed to be employed.
- (7.) All factories in the occupation of the same occupier and in the district of the same certifying surgeon, or any of them, may be named in the certificate, if the surgeon is of opinion that he can truly give the certificate for employment therein.
- (8.) The certificate of birth (which may be produced to a certifying surgeon) shall either be a certified copy of the entry in the register of births, kept in pursuance of the Acts relating to the registration of births, of the birth of the young person or child (whether that copy is obtained in pursuance of the Elementary Education Act, 1876, or otherwise), or be a certificate from a local authority within the meaning of the Elementary Education Act, 1876, to the effect that it appears from the returns transmitted to that authority in pursuance of the said Act by the registrar of births and deaths that the child was born at the date named in the certificate. 39 & 40 Vict. c. 79.
- (9.) Where the certificate is to the effect that the certifying surgeon has been satisfied of the age of a young person or child by evidence other than the production of a certificate of birth, an inspector may, by notice in writing, annul the surgeon's certificate if he has reasonable cause to believe that the real age of the young person or child named in it is less than that mentioned in the certificate, and thereupon that certificate shall be of no avail for the purposes of this Act.
- (10.) Where a certifying surgeon refuses to grant a certificate for any person examined by him, he shall, when required, give in writing and sign the reasons for his refusal.

65. In order to enable occupiers of workshops to better secure the observance of this Act and prevent the employment in their workshops of young persons under the age of sixteen years and children who are unfitted for that employment, an occupier of a workshop may obtain, if he thinks fit, from the certifying surgeon for the district, certificates of the fitness of young persons under the age of sixteen years and children for employment in his workshop, in like manner as if that workshop were a factory, and the certifying surgeon shall examine the young persons and children, and grant certificates accordingly. Power to obtain certificates of fitness for employment in workshops.

66.—(1.) Where it appears to the Secretary of State that, by reason of special circumstances affecting any class of workshops, it Power to require

certificates of fitness for employment in certain workshops.

is expedient for protecting the health of the young persons under the age of sixteen years and of the children employed therein to extend thereto the prohibition in this section mentioned, he may, by Special Order, extend to that class of workshops the prohibition in this Act of the employment of young persons under the age of sixteen years and children without a certificate of the fitness of the young person or child for employment, and thereupon the provisions of this Act with respect to certificates of fitness for employment shall apply to the class of workshops named in the order in like manner as if they were factories.

(2.) If the prohibition is proved to the satisfaction of the Secretary of State to be no longer necessary for the protection of the health of the young persons under the age of sixteen years and the children employed in any class of workshops to which it has been extended under this section, he may, by Special Order, rescind the order of extension, without prejudice to the subsequent making of another order.

Power of inspector to require surgical certificate of capacity for work.

67. Where an inspector is of opinion that a young person under the age of sixteen years or a child is, by disease or bodily infirmity, incapacitated for working daily for the time allowed by law in the factory or workshop in which he is employed, he may serve written notice thereof on the occupier of the factory or workshop, requiring that the employment of that young person or child be discontinued from the period named therein, not being less than one nor more than seven days after the service of the notice, and the occupier shall not continue, after the period named in the notice, to employ that young person or child (notwithstanding that a certificate of fitness has been previously obtained for the young person or child), unless the certifying surgeon for the district has, after the service of the notice, personally examined the young person or child and has certified that the young person or child is not so incapacitated as aforesaid.

PART III.

EDUCATION OF CHILDREN.

Attendance at school of children employed in factory or workshop.

68.—(1.) The parent of a child employed in a factory or workshop shall cause that child to attend some recognised efficient school (which school may be selected by the parent), as follows :—

- (ii.) The non-attendance of a child shall be excused on every day on which he is certified by the teacher of the school to have been prevented from attending by sickness or other unavoidable cause, and when the school is closed during the ordinary holidays or for any other temporary cause :
- (iii.) Where there is not within the distance of two miles, measured according to the nearest road, from the residence of the child a recognised efficient school which the child can attend, attendance at a school temporarily approved in writing by an inspector, although not a recognised efficient school, shall for the purposes of this Act be deemed attendance at a recognised efficient school until such recognised efficient school as aforesaid is established, and with a view to such establishment the inspector shall immediately report to the Board of Education every case of the approval of a school by him under this section.

(2.) A child who has not in any week attended school for all the attendances required by this section must not be employed in the following week until he has attended school for the deficient number of attendances.

(3.) The Board of Education shall, by the publication of lists or of notices or otherwise as they think expedient, provide for giving to all persons interested information of the schools in each school district which are recognised efficient schools.

69.—(1.) The occupier of a factory or workshop in which a child is employed shall on Monday in every week (after the first week in which the child began to work therein), or on some other day appointed for that purpose by an inspector, obtain from the teacher of the recognised efficient school attended by a child a certificate (according to the prescribed form and directions) respecting the attendance of the child at school in accordance with this Act.

Obtaining of school attendance certificate by occupier.

(2.) If a child is employed without such certificate being obtained as is required by this section, the child shall be deemed to be employed contrary to the provisions of this Act.

(3.) The occupier shall keep every such certificate for two months after the date thereof, if the child so long continues to be employed in his factory or workshop, and shall produce the same to an inspector when required during that period.

70. The persons who manage a recognised efficient school attended by a child employed in a factory or workshop or some person authorised by them may (if fees for children may be charged in that school) apply in writing to the occupier of the factory or workshop to pay a weekly sum specified in the application, not exceeding threepence and not exceeding one-twelfth part of the wages of the child, and after that application the occupier, so long as he employs the child, shall be liable to pay

Payment by occupier of sum for schooling.

to the applicants, while the child attends their school, that weekly sum, and the sum may be recovered as a debt, and the occupier may deduct the sum so paid by him from the wages payable for the services of the child.

Employment as young person of child of 13 on obtaining educational certificate.

71.—(1.) When a child of the age of thirteen years has obtained from a person authorised by the Board of Education a certificate of having attained such standard of proficiency in reading, writing and arithmetic, or such standard of previous due attendance at a certified efficient school as is mentioned in this section, that child shall be deemed to be a young person for the purposes of this Act.

(2.) The standards of proficiency and due attendance for the purposes of this section shall be such as may be from time to time fixed for the purposes of this Act by the Secretary of State, with the consent of the Board of Education, and the standards so fixed shall be published in the London Gazette and shall not have effect until the expiration of at least six months after such publication.

(3.) Attendance at a certified day industrial school shall be deemed for the purposes of this section to be attendance at a certified efficient school.

Definitions of "certified efficient school," and "recognised efficient school."

72.—(1.) In this Act—

The expression "certified efficient school" means a public elementary school within the meaning of the Elementary Education Acts, 1870 to 1900, and any workhouse school in England certified to be efficient by the Local Government Board, and any elementary school which is not conducted for private profit and is open at all reasonable times to the inspection of His Majesty's inspectors of schools and requires the like attendance from its scholars as is required in a public elementary school and keeps such registers of those attendances as are for the time being required by the Board of Education and is certified by the Board to be an efficient school; and

The expression "recognised efficient school" means a certified efficient school, and any school which the Board of Education have not refused to take into consideration under the Elementary Education Act, 1870, as a school giving efficient elementary education to and suitable for the children of a school district and which is recognised for the time being by an inspector under this Act as giving efficient elementary education.

33 & 34 Vict. c. 75.

(2.) An inspector shall immediately report to the Board of Education every school recognised by him as giving efficient elementary education.

74. If, in a factory or workshop where grinding, glazing or polishing on a wheel or any process is carried on by which dust or any gas, vapour or other impurity is generated and inhaled by the workers to an injurious extent, it appears to an inspector that such inhalation could be to a great extent prevented by the use of a fan or other mechanical means, the inspector may direct that a fan or other mechanical means of a proper construction for preventing such inhalation be provided within a reasonable time; and, if the same is not provided, maintained and used, the factory or workshop shall be deemed not to be kept in conformity with this Act.

(3.) Notice of the prohibition in this section shall be affixed in every factory or workshop to which it applies.

(4.) Where it appears to the Secretary of State that, by reason of the nature of the process in any class of factories or workshops or parts thereof not named in this section, the taking of meals therein is specially injurious to health, he may, if he thinks fit, by Special Order, extend the prohibition in this section to the class of factories or workshops or parts thereof.

80.—(1.) Before the Secretary of State makes any regulations under this Act, he shall publish, in such manner as he may think best adapted for informing persons affected, notice of the proposal to make the regulations and of the place where copies of the draft regulations may be obtained and of the time (which shall be not less than twenty-one days) within which any objection made with respect to the draft regulations by or on behalf of persons affected must be sent to the Secretary of State.

(3.) The Secretary of State shall consider any objection made by or on behalf of any persons appearing to him to be affected which is sent to him within the required time, and he may, if he thinks fit, amend the draft regulations, and shall then cause the amended draft to be dealt with in like manner as an original draft.

(4.) Where the Secretary of State does not amend or withdraw any draft regulations to which any objection has been made, then (unless the objection either is withdrawn or appears to him to be frivolous) he shall, before making the regulations, direct an inquiry to be held in the manner herein-after provided.

If one or more of a set of regulations are annulled, the Secretary of State may, if he thinks fit withdraw the whole set.

85.—(1.) If any occupier, owner or manager, who is bound to observe any regulation under this Act, acts in contravention of, or fails to comply with, the regulation, he shall be liable for each offence to a fine not exceeding ten pounds and, in the case of a continuing offence, to a fine not exceeding two pounds for every day during which the offence continues after conviction therefor. - (i.) the cleanliness, freedom from effluvia, overcrowding and ventilation of factories, contained in section one of this Act, including, so far as they relate to any engine-house, passage or staircase or to any room which is let to more than one

tenant, the provisions with respect to limewashing and washing of the interior of a factory ;

- (ii.) the fencing of machinery and penal compensation for neglect to fence machinery in a factory, except so far as relates to such parts of the machinery as are supplied by the occupier ;
- (iii.) the notices to be affixed in a factory with respect to the period of employment, times for meals and system of employment of children ;
- (iv.) the prevention of the inhalation of dust, gas, vapour or other impurity, so far as that provision requires the supply of pipes or other contrivances necessary for working the fan or other means for that purpose ; and
- (v.) the affixing of an abstract and notices in a factory.

Provided that any occupier may affix in his own tenement the notice with respect to the period of employment, times for meals and system of employment of children, and thereupon that notice shall, with respect to persons employed by that occupier, have effect in substitution for the corresponding notice affixed by the owner.

(2.) The provisions of this Act with respect to the power to make orders in the case of dangerous premises shall apply in the case of a tenement factory as if the owner were substituted for the occupier.

(3.) In the case of any tenement factory or class of tenement factories used wholly or partly for the weaving of cotton cloth, the owner shall, if the Secretary of State by order so directs, be substituted for the occupier for the purpose of the requirements of section seven and section ninety-four of this Act or of any order of the Secretary of State with respect to ventilation.

(4.) Where, by or under this section, the owner of a tenement factory is substituted for the occupier with respect to any provisions of this Act, any summons, notice or proceeding, which for the purpose of any of those provisions is by this Act required or authorised to be served on or taken in relation to the occupier, is hereby required or authorised (as the case may be) to be served on or taken in relation to the owner.

Regulations as to grinding of cutlery in tenement factory.

88.—(1.) Where grinding is carried on in a tenement factory, the owner of the factory shall be responsible for the observance of the regulations set forth in the Third Schedule to this Act.

(2.) In every such tenement factory it shall be the duty of the owner and of the occupier of the factory respectively to see that such part of the horsing chains and of the hooks to which the chains are attached as are supplied by them respectively are kept in efficient condition.

(3.) In every tenement factory where grinding of cutlery is carried on, the owner of the factory shall provide that there shall at all times be instantaneous communication between each of the rooms in which the work is carried on and both the engine-room and the boiler-house.

(4.) A tenement factory in which there is a contravention of this section shall be deemed not to be kept in conformity with

this Act, but, for the purposes of any proceeding in respect of a provision for the observance of which the owner of the factory is responsible, that owner shall be substituted for the occupier of the factory.

(5.) This section shall not apply to a textile factory.

89. A certificate of the fitness of any young person or child for employment in a tenement factory shall be valid for his similar employment in any part of the same tenement factory.

Certificate of fitness in tenement factory.

(ii.) *Cotton Cloth and other Humid Factories.*

90. In every room, shed or workshop or part thereof in which the weaving of cotton cloth is carried on (in this Act referred to as a "cotton cloth factory"), the following provisions shall have effect:—

Temperature and humidity.

- (1.) The amount of moisture in the atmosphere must not at any time be in excess of such amount as is represented by the number of grains of moisture per cubic foot of air shown in column I. of the table in the Fourth Schedule to this Act opposite to such figure in column II. as represents the temperature existing in the cotton cloth factory at that time:

Provided that the temperature shall not at any time be raised by any artificial means whatsoever (except by gas used for lighting purposes only) above seventy degrees, except in so far as may be necessary in the process of giving humidity to the atmosphere.

- (2.) The fact that one of the wet-bulb thermometers in the factory gives a higher reading than the figure shown in column III. of the said table opposite to such figure in column II. as represents the temperature existing in the factory shall be evidence that the amount of moisture in the atmosphere exceeds the limit prescribed by this section.

91. The Secretary of State may by order repeal or vary the table in the Fourth Schedule to this Act, and substitute any new or amended table therefor:

Power to alter table of humidity.

Provided as follows:—

- (a.) The varied or substituted table shall be laid in a complete form before both Houses of Parliament if Parliament is sitting or, if not, then within three weeks after the beginning of the next ensuing session of Parliament; and, if the table is disapproved by either House of Parliament within forty days after having been so laid before Parliament, the table shall be void and of no effect:

- (b.) The table shall not come into operation until it has been laid before Parliament for forty days; but, after the expiration of those forty days, if the table has not been disapproved of as aforesaid, the Secretary of State shall cause a copy thereof to be published in the London Gazette and to be given to every occupier of a cotton cloth factory who, in pursuance of this Act, has given notice of humidity

of the atmosphere being artificially produced in that factory ; and, after the expiration of fourteen days from the first publication thereof in the London Gazette, the varied or substituted table shall be deemed to be the table in the Fourth Schedule to this Act.

Employment

BE it enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

1.—(1.) Where the Congested Districts Board have, whether before or after the passing of this Act, purchased an estate and the tenants of holdings thereon to the extent of not less than three-fourths in number and rateable value so request, the Board may serve a notice on any tenant thereon which shall have the effect of determining his tenancy in his holding as from the date mentioned in the notice, not being less than six months from the service thereof.

Provision for
facilitating
resales of land
by Congested
Districts
Board.

(2.) Every such notice shall contain an undertaking by the Board that they will, within the period mentioned in that behalf in the notice or so soon thereafter as practicable, provide the tenant with a new holding on the same or an adjacent or neighbouring estate, subject to a rent not exceeding that payable by him for his original holding, and of not less value, in respect of the land comprised in the new holding and the buildings and improvements thereon, than the value of the land comprised in the former holding and the buildings and improvements thereon respectively at the date of the purchase of the estate by the Board.

(3.) If any such tenant is dissatisfied with his new holding or refuses to enter into possession thereof, he may, within four months after he has been served with a notice stating that the Board are prepared forthwith to put him into possession thereof, apply to the county court within the jurisdiction of which the estate is situate, and that court may, subject to rules of court, hear and decide upon the application.

(4.) If, where the tenant is dissatisfied with the new holding, the Court decides that the value thereof is, in respect of any of the matters aforesaid, less than the value of the former holding, the Court may, after taking into account, in connexion with such inferiority in value, the rent payable for the new holding and every circumstance which the Court considers material, order such compensation as it may deem fit to be paid by the Board to the tenant and, in addition or as an alternative, may order the Board to erect such buildings or make such other improvements on the holding as the Court may think reasonable.

(5.) Where a tenant refuses to enter into possession of the new holding, the Court may order the payment to him by the Board of such sum as, in the opinion of the Court, is equal to the value of his interest in his former holding.

(6.) The county court may, upon application, order that such charges, liabilities and equities as affect the tenant's interest in his former holding shall either continue to affect that holding or be transferred to his new holding.

(7.) Any decision of the county court under this section shall be final, and any notice under this section determining a tenancy may be enforced by a writ of possession of the county court, but no such writ shall be executed in pursuance of this section in the case of any tenant until the Board certify to the sheriff that they are prepared forthwith to put such tenant into possession of his new holding.

(8.) Where a matter requiring the cognizance of the Court under this section arises in respect of an estate situate within the jurisdiction of more than one county court, the county court within the jurisdiction of which the greater part in rateable value of the estate is situate shall take cognizance of the matter.

(9.) Every notice under this section shall be served on the tenant affected thereby either personally or by leaving the same at his residence or by transmitting the same by registered letter to his last known address.

(10.) The Court may award costs to or against any party to any proceedings under this section and, in addition to any other power, may, where of opinion that a reasonable offer for the payment of compensation or the execution of any works has been made by the Board, order a tenant to pay any costs incurred by the Board after the date of the offer. Any costs ordered to be paid by a tenant under this section may be deducted from any compensation payable to him thereunder.

(11.) Rules of court may regulate the practice and procedure under this section.

(12.) In this section the expression "estate" includes part of an estate.

c. 49. s. 5 (5)
in case of
land purchased
by the Board.

2. The right to enter upon a holding during the continuance of a statutory term conferred on a landlord by subsection (5) of section five of the Land Law (Ireland) Act, 1881, for the purposes therein specified, is hereby conferred on the Congested Districts Board and any person authorised by them in that behalf, in respect of any holding, not subject to a statutory term, which is situate upon land purchased by that Board; and, for enforcing the right conferred by this section, the Board shall have the like remedies as in the case of a holding subject to a statutory term.

Provision for
exercise of
powers by
Board in
respect of
certain lands.

3. Where the Congested Districts Board have, whether before or after the passing of this Act, purchased land elsewhere than in a congested districts county, the Lord Lieutenant may, if he thinks fit, on the report of the Board by Order in Council, declare that for the purposes of this section the land shall be treated as part of such congested districts county as he may determine, and the Board shall thereupon have, with respect to that land, all the powers conferred on them by the Congested Districts Board (Ireland) Acts as amended by this Act.

(2.) This Act shall be construed and may be cited with the Congested Districts Board (Ireland) Acts.

CHAPTER 35.

An Act to grant Money for the purpose of certain Local Loans out of the Local Loans Fund and for other purposes relating to Local Loans. [17th August 1901.]

BE it enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

1.—(1.) For the purpose of local loans there may be issued by the National Debt Commissioners the following sums, namely:— Grants for public works.

(a.) For the purpose of loans by the Public Works Loan Commissioners any sum or sums not exceeding in the whole the sum of seven million pounds ;

(b.) For the purpose of loans by the Commissioners of Public Works in Ireland any sum or sums not exceeding in the whole the sum of eight hundred thousand pounds.

(2.) The sums so issued shall be issued during a period ending on the day on which a further Act granting money for the purposes of those loans comes into operation and in accordance with the provisions of the National Debt and Local Loans Act, 1887.

50 & 51 Vict.
c. 16.

2. Whereas it is expedient that the principal of the several local loans specified in the schedule to this Act should, to the extent specified in the last column of that schedule, not be reckoned as assets of the local loans fund established under the National Debt and Local Loans Act, 1887; therefore the principal of the said loans shall, to that extent, be written off from the assets of the local loans fund, and the provisions of section fifteen of the said Act shall, so far as applicable, apply thereto.

Certain debts not to be reckoned as assets of local loans fund.

50 & 51 Vict.
c. 16.

3.—(1.) Whereas, in the years one thousand eight hundred and eighty-five and one thousand eight hundred and eighty-six, the sum of twenty-five thousand pounds was advanced by the Public Works Loan Commissioners to the Eyemouth harbour trustees on the security of the harbour revenues, with the collateral security of a charge on the police rate of the burgh of Eyemouth, and the principal sum outstanding in respect of the loan is twenty-four thousand eight hundred and fifty-two pounds eight shillings and twopence, and it has been arranged by the Public Works Loan Commissioners, with the consent of the Treasury, that the sum of one thousand five hundred pounds should be received in full satisfaction of the claim of the Commissioners in respect of the said loan ;

Remission of certain claims against Eyemouth harbour trustees.

Therefore the said arrangement is hereby confirmed, and on payment of the said sum of one thousand five hundred pounds the balance, namely, twenty-three thousand three hundred and fifty-two pounds eight shillings and twopence, shall be deemed a free grant from Parliament.

(2.) Whereas, pursuant to an agreement made in the year one thousand eight hundred and ninety-two, the sum of ten thousand pounds was advanced by the Public Works Loan Commissioners to the Eyemouth harbour trustees on the security of the harbour revenues, with the collateral security of the Fishery Board for Scotland, and it has been arranged by the Public Works Loan Commissioners, with the consent of the Treasury, that, on payment of the sum of five hundred pounds to the Fishery Board for Scotland, the Eyemouth harbour trustees should be released from their liability in respect of the said loan of ten thousand pounds, without prejudice to the liability of the Fishery Board for Scotland to repay that loan ;

Therefore the said arrangement is hereby confirmed, and, on payment of the said sum of five hundred pounds, the liability of the Eyemouth harbour trustees in respect of the said loan shall be extinguished.

Remission of
certain loans
and penalties
under 54 & 55
Vict. c. 1.
and 58 & 59
Vict. c. 2.

4.—(1.) Whereas, under the Seed Potatoes Supply (Ireland) Act, 1890, the Commissioners of Public Works in Ireland have advanced to the board of guardians of the poor law union of Belmullet the sum of three thousand eight hundred and fifty-three pounds seven shillings, and the board of guardians have repaid the sum of three thousand and eighty-seven pounds nine shillings and fivepence, and it is expedient, regard being had to the circumstances of the case, that repayment should not be required of the debt still outstanding, amounting to seven hundred and sixty-five pounds seventeen shillings and sevenpence ;

Therefore the said debt shall be extinguished, and the amount thereof shall be deemed a free grant from Parliament.

53 & 59 Vict.
c. 2.

(2.) Whereas the unions of Swineford and Belmullet, in the county of Mayo, by not repaying when due the instalments of certain loans made to them under the Seed Potatoes Supply (Ireland) Act, 1895, became liable to pay receiver's fees to the amount of forty-one pounds sixteen shillings and sixteen pounds ten shillings and twopence respectively and interest to the amount of one hundred and twelve pounds four shillings and sevenpence and sixty-two pounds eleven shillings and eightpence respectively, amounting altogether to two hundred and thirty-three pounds two shillings and fivepence, and it is expedient to remit the said sum ;

Therefore the said sum is hereby remitted.

Remission of
balance of
loan under
29 & 30 Vict.
c. 44.

5. Whereas, under the Labouring Classes Lodging Houses and Dwellings Act (Ireland), 1866, in the year one thousand eight hundred and eighty, the sum of one thousand five hundred pounds was advanced to Gerard Irvine, and the sum of one thousand two hundred and eighty-six pounds five shillings and sevenpence has been repaid in respect of the said loan, and it is expedient, regard being had to the circumstances of the case, that repayment should not be required of the debt still outstanding, amounting to two hundred and thirteen pounds fourteen shillings and fivepence ;

Therefore the said debt shall be extinguished, and the amount thereof shall be deemed a free grant from Parliament.

6. This Act may be cited as the Public Works Loans Act, 1901. Short title.
