We have a greater national constituency, with more new members outside Metro Manila.

In 2012, Wikimedia Philippines handled a budget of close to ₱850,000 (around \$20,730/€16,350). We are planning for our first million-peso budget this year.

*We have managed to **contain** our administrative expenses.*

# The Future of WMPH

A major challenge for Wikimedia Philippines is the drafting of our 2013–2018 strategic plan, which is still ongoing.

The draft Strategic Plan has five long-term objectives:

***SUSTAINING THE EXISTING ONLINE PROJECTS***

***DIVERSIFICATION OF PROJECTS***

***LEVERAGING OUR RELATIONSHIPS WITH THE GREATER MOVEMENT***

***PROPAGATION OF NEW WIKIMEDIA PROJECTS***

***STANDARDIZATION AND COMPLIANCE***
