1. First request for clearance of John Carroll to enter Japan was from CG, Nanking in rad 170832-Z dated 17 October 1946, "Request Clearance for John Carroll, Colliers Magazine Correspondent, Entry Japan on or about 1 November."

2. Ourad Z-22079 dated 19 October 1946 cleared Carroll. PRO concurred inasmuch as Carroll is a recognized correspondent.

3. Rad from Washington, WCL 25492 dated 30 October 1946, "John Francis Carroll American now in Shanghai desires proceed Japan as representative Collier's Magazine for business purposes, not as accredited correspondent. State Dept representative Shanghai informed Washington Carroll has clearance from your HQ. No record of clearance in this office. Views requested."

4. Ourad CX 66807 dated 31 October 1946 stated that original clearance had been granted based on premise that his presence in Japan would be as a correspondent. Information contained in WCL 25492/30 October 46 indicates that his status will be that of a business man, and as such is not favorably considered.

5. Current Washington rad WCL 26143 dated 1 Nov 46 is from PRD and reiterates fact that Carroll's status will be that of a business man, and inquires if original clearance was based on status as correspondent or business man.

6. This rad answered by referring to ourad CX 66807 dated 31 October 46 which is outlined in paragraph 4 above.

Commercial Radio from Mr. Bogdan
Re Bank of America Representative.

G-1 ESS 2 November 1946

(2) 1. In view of the position held by Bank of America and influence which it exerts, it is suggested that the proposed radio prepared by Finance Division, ESS, is too final in its disapproval and is not entirely based on current policy.

2. It is recommended that a refusal in substance as follows be dispatched:

"RESTRICTED OUTGOING MESSAGE

FROM: CINCAFPAC

TO : WARTAG (PLEASE PASS TO MR NORBERT BOGDAN, METROPOLITAN CLUB, WASHINGTON, D. C.) . . . ROUTINE

In reply to formal application through Joint Chiefs of Staff in September, Bank of America was informed that the only commercial banks operating in Japan or contemplate operation are those under Joint Chiefs of Staff directives of 20 March 46. If Bank of America prepared to operate under these terms suggest they apply as provided in current War Department regulations. Reply further stated if Bank of America is not rpt not prepared to operate under these terms their request to send a representative must be viewed in same light as other business interests and as such can not be favorably considered under existing policies.

The foregoing reply to formal request outlines best method for Bank of America entrance to Japan; therefore it is believed that discussions with Mr Smith proposed in your radio would be inappropriate and serve no purpose in accomplishment of Bank of America objectives.

Allied Use of Rest and Recreation Facilities

G-1 G-2 5 Nov 1946

1. Policy has been established whereby the French and Dutch Missions will receive a quota of 3 spaces for a 6 day period each month in a U. S. Army rest center. Instructions have been issued to the Missions concerned to notify G-2 of the names of the individuals whom they wish to send to these rest centers. It is requested that these names be transmitted to the Adjutant General immediately upon receipt in order that invitational travel orders may be issued. The Adjutant General will forward these invitational travel orders to you for dispatch to the Missions concerned.

2. It is possible that from time to time you will receive requests from other Allied and Neutral Missions requesting use of U. S. Army rest and recreation facilities. These requests should be forwarded to G-1 for action.

Allied Use of Rest and Recreation Facilities

G-1 AG 5 Nov 1946

Policy has been established whereby the French and Dutch Missions have been allocated a quota of 3 beds in U. S. Army rest centers for a 6 day period each month. These quotas will be allocated from the quota for this Headquarters as received from Eighth Army. No limitation has been placed on the Missions as to when their quota must be used except that it must be used on a monthly basis and that no credit will accrue from month to month. G-2 Foreign Liaison will notify you in advance in order that you may issue invitational travel orders. In addition to the usual instructions in these orders, they should direct the individual concerned to report to the Special Service Officer, Headquarters and Service Group, to pay for his meals in advance from dollar credits and to present his receipt for such payment at the designated hotel together with copies of his orders. Upon publication of these orders, they should be forwarded to G-2 for dispatch.

Allied Use of Rest and Recreation Facilities

G-1 Hdq. Comdt. 5 Nov 1946

1. The policy has been adopted whereby certain Allied Missions may use Eighth Army rest centers on a revenue basis. Inasmuch as the numbers involved will be very small and Eighth Army hotels have no system for collecting for meals, it is requested that you make necessary arrangements to make collections for the meals to be consumed by such Allied personnel prior to their visiting hotels concerned. In accordance with telephone conversation between Headquarters Commandant (Col Thompson) and G-1 (Lt Col Hudgins) invitational orders for this personnel will direct them to the Special Service Officer, Headquarters and Service Group, to make appropriate payment and receive a receipt for such payment. Such payments must be from dollar credits.
