Project No 40 : Coast Guard Training.

The Japanese Govt has never before had a Coast Guard and it is therefore impossible for officials to visualize or establish a proper and efficient organization. The two individuals on this project act in the United States completely their own and when they return to Japan they will be utilized as follows:

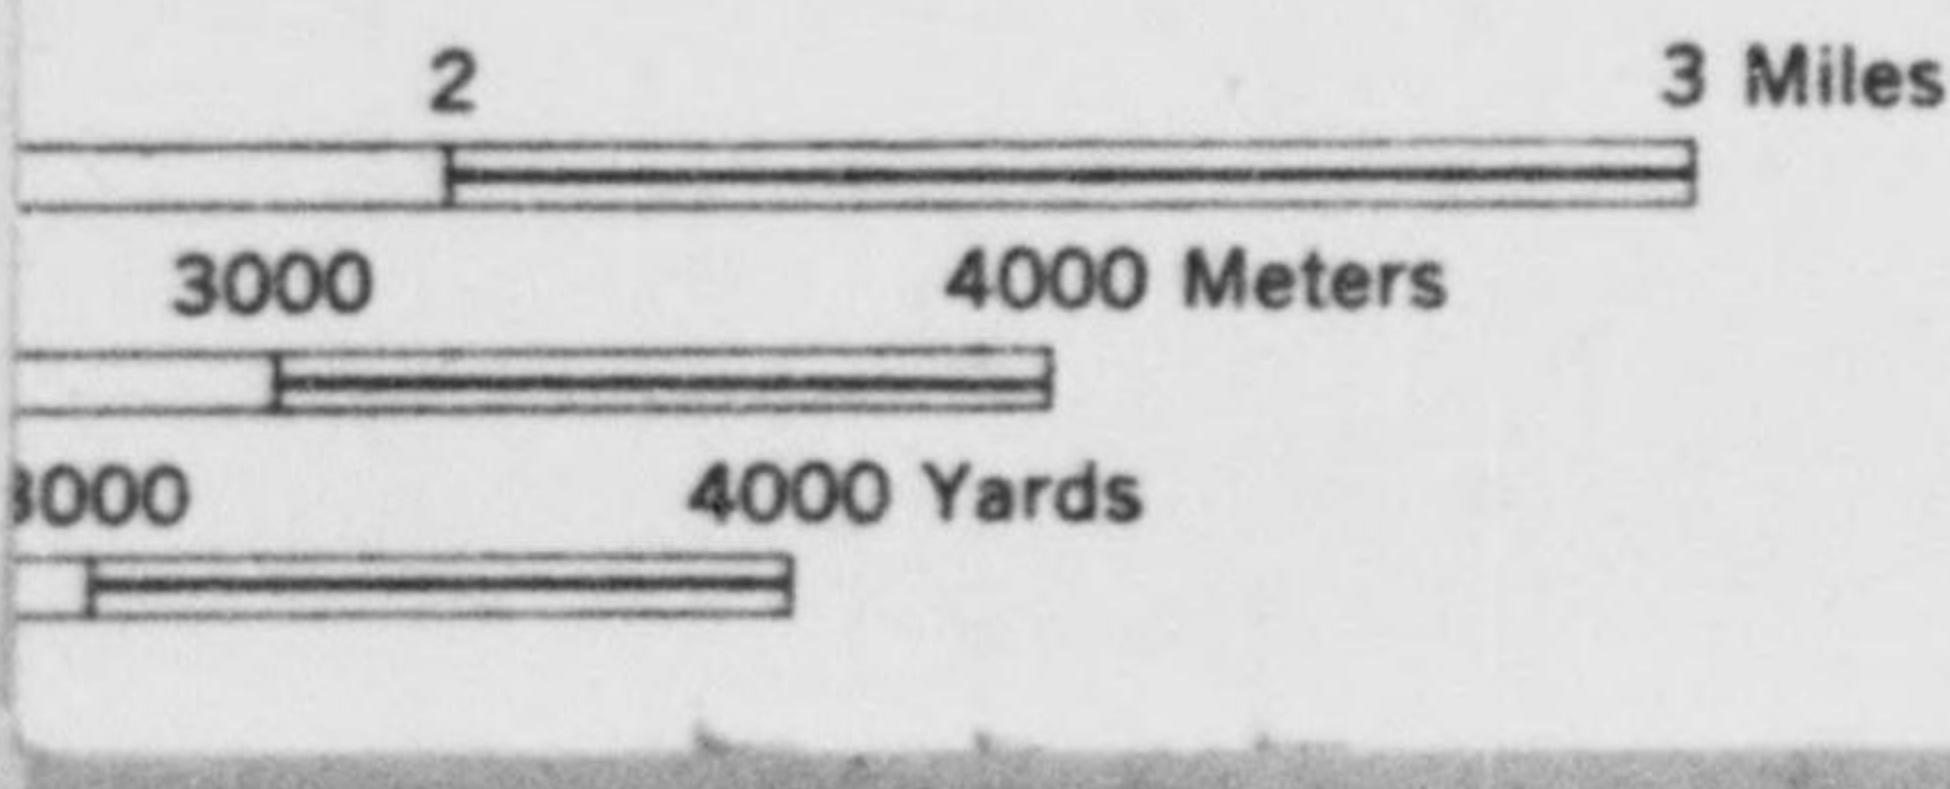

MITA, Kazuya - will be Asst. Dir. MSA and in charge of Sg Division and Ship Division. Responsible for promotion of programs of Law enforcement and rescue functions assigned to MSA.

ITO, Kunihiko - will return to the post of Director of MSA Academy and in that capacity will be responsible for all MSA training.

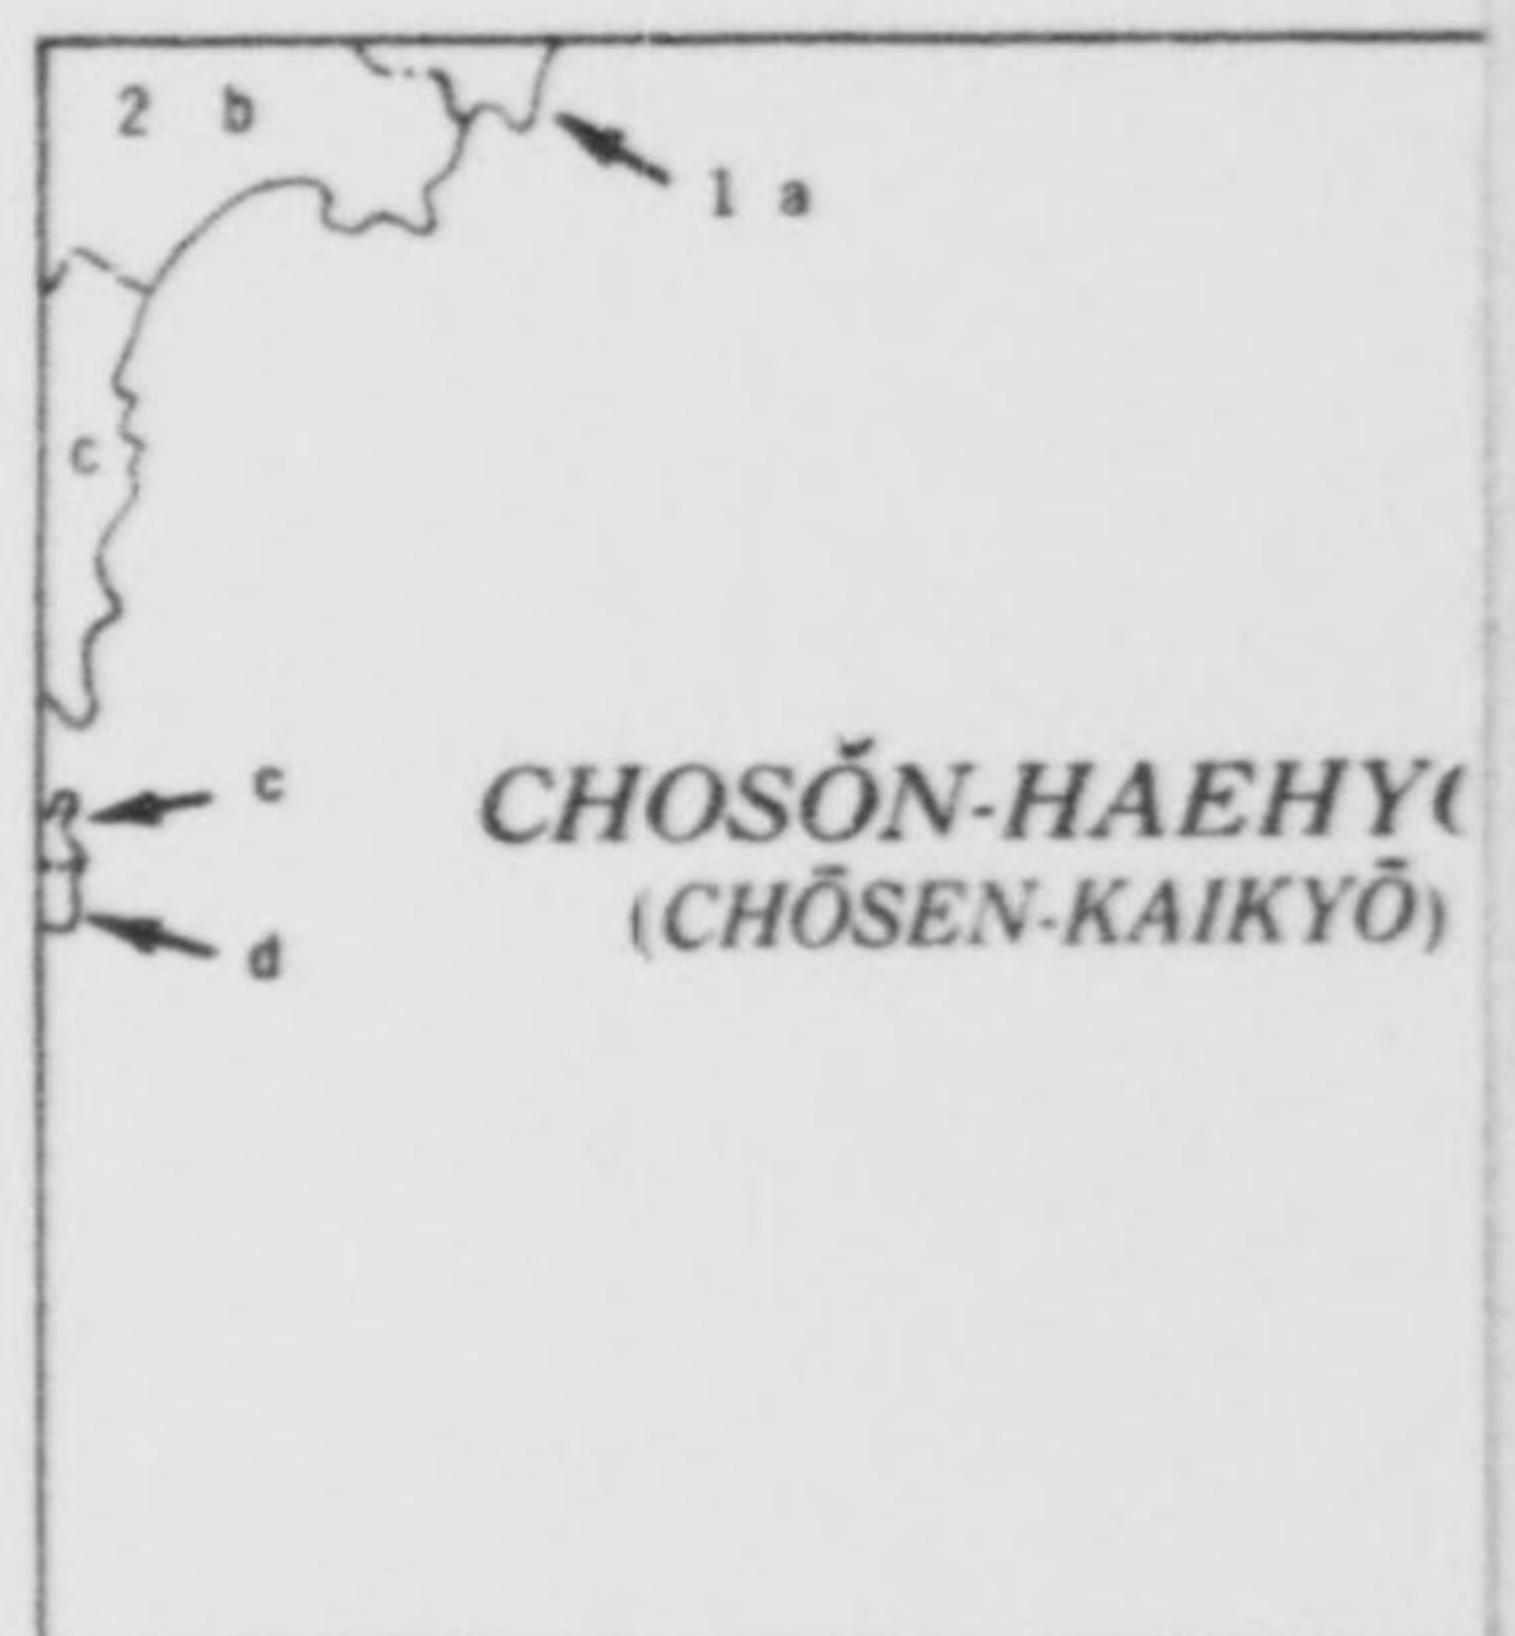

Project No 67: (closely related to Project 40)
