

## MONTGOMERY COUNTY HIGH SCHOOL TEACHERS' ASSOCIATION TO MEET HERE

Will Be Held in the Narberth School This Saturday—Public Cordially Invited

This Saturday, January 15, the Montgomery County High School Teachers' Association will hold its regular winter meeting in the Narberth School. President McCarter, of the Board of Education, will welcome the Montgomery County teachers, after which there will be a round table conference on practical and vital school problems. The Faculty and Board of Education will entertain the association at luncheon. The afternoon will be devoted to an address by Dr. Jones, from the University of Pennsylvania.

The public is cordially invited to attend. This will be a splendid opportunity for teachers residing in Narberth and who are not connected with our local school system, to come to the building and become acquainted with the faculty.

The forenoon session begins at 10 o'clock.

### P. R. R. PATRONS ASKED FOR CRITICISM OF LINES.

Company Displays Posters Inviting Suggestions for Improvements.

In order to bring about a better understanding between the general public and the managers and officials of the railroads of the country regarding their operation and the service they are rendering, the Pennsylvania Railroad inaugurated Thursday a movement, believed unique in railroad annals in this country, of asking its thousands of patrons for suggestions regarding improvements that might be made in its system for the welfare of those who ride on its trains. During the day several thousand posters were displayed in all waiting rooms, ticket and freight offices and in other public places along its system, asking for such information.

"What causes lack of confidence in the railroads?" is the question at the head of the poster. It is printed in large type and is the one question which the Pennsylvania Railroad wants its patrons to answer so that the officials of the road and those whom they cater to may be brought on closer terms.

"The management of this railroad wants to get at the causes, wherever they exist, and remove them," says the poster. "The starting point is to get the people who do lack confidence in this railroad to say so and tell why."

Dr. Levi P. Mengel will deliver his lecture on "Egypt, Its Monuments and Antiquities," in the High School Auditorium, Friday evening, January 28th, at 8.15 sharp.

Dr. Mengel is one of the best scientists in this country. He was sent out with the Peary Expedition by the Academy of Natural Sciences in 1891.

It will be an opportunity for the Narberth public to enjoy a most delightful and profitable evening.

### UNIQUE.

The Imperial Grocery Company of Narberth, one of our leading enterprises, sends out this week to all residents of Narberth a neat card announcing that in recognition of the interest now displayed in pure foods they have made arrangements for a special representative of H. J. Heinz Company, makers of the "57 Varieties" and leaders in the pure food movement, to spend a week in their store so that their customers may have an opportunity to taste some of the Heinz products, including a few of the newest varieties.

You are cordially invited to visit their store.

### GEORGE M. COLESWORTHY ADDRESSES MEN'S CLUB.

Gives Interesting Talk on Legal and Counterfeit Money and Methods of Making Each.

The January meeting of the Men's Club of the Presbyterian Church was held on Monday evening despite the inclement weather. After a short social hour, George M. Colesworthy, president of the club, spoke on the subject of "Legal and Counterfeit Money and How It Is Made."

Mr. Colesworthy has, through his many years of experience as paying teller in the Penn National Bank of Philadelphia, acquired a rare knowledge of the currency system of the United States. In his talk he traced the making of specie from the bars of metal to the finished product, ready for circulation. Following this he took up the subject of paper money and explained in the minutest detail, as it is only possible for one fully informed on the subject to do, the many marks, numbers, diagrams, letters, signatures, engravings and silk threads of the bank and Government notes.

Branching off from the subject of "good money," Mr. Colesworthy told of the work of the counterfeit. He had with him for the occasion sample counterfeit half dollars and quarters, five, ten and twenty dollar notes, and counterfeit bank notes. By comparison with lawful money the points which only the trained eye could detect were shown. He had in the collection a ten-dollar counterfeit gold note, which was made by the use of three separate sheets of very thin paper, pasted together with the greatest of care.

The many evolutions through which the United States currency have passed were enumerated and discussed at great length. The work of the Government officials in detecting counterfeit money and running down the dishonest parties was also outlined.

## NARBERTH RESIDENT IN PECULIAR ACCIDENT

Charles I. Armstrong Meets Instant Death Through Electric Shock—Community Mourns Loss

Charles I. Armstrong, electrical engineer engaged in the electrification of the Chestnut Hill Branch of the Pennsylvania Railroad, was electrocuted last Wednesday morning when a steel tape with which he was taking measurements came in contact with a high power electric wire in the vicinity of Twenty-fifth street and Hunting Park avenue, Philadelphia.

Mr. Armstrong had been sent out with his gang to ascertain the proximity of high power and other wires to the Chestnut Hill Branch, preliminary to the electrifying of that portion of the railroad. He was using a steel tape, and to make the measurement, threw one end of the tape over an electric wire. Through the tape the electric current was carried to his hand and on to his body. He was immediately taken to the Samaritan Hospital, where it was announced that death was practically instantaneous.

Mr. Armstrong was in the employ of the firm of Gibbs & Hill, electrical engineers of New York City. He was one of their experienced men, having assisted in the electrification of the Main Line to Paoli. He was thirty-eight years of age and had moved to Narberth several years ago. He resided at No. 231 North Essex avenue. His home was in Altoona, Pa., where interment was made on Saturday. He is survived by his wife and one son.

The Men's Club of the Presbyterian Church, of which Mr. Armstrong was an active member, have sent the following letter to Mrs. Armstrong:

"The Men's Club extend to you their most heartfelt sympathy for the great loss which you have had. We share this loss with you, as the club always held Mr. Armstrong in the highest esteem. His place in the club, as well as in the church and Bible Class, is one which cannot be filled, and the good impressions which he left on the members will be, we are sure, lasting and of great good."

"There is One who guides our destinies at all times, and even though now we may not be able to realize the meaning of it all, with faith in Him we may some day understand."

### POST OFFICE NOTES.

Are you having your mail directed to your box number?

Advise your correspondents and publishers of your post office box number.

Until Narberth has free carrier service or a more modern post office where a combination lock-box can be provided for all who would have them, the General Delivery is going to be crowded. It requires some time to look through a large pack of letters and paper mail to see if there is anything there while the next fellow behind you (or perhaps half a dozen or twenty-five) may be waiting to have mail handed out. The more people we have in the General Delivery the more waiting in line at the window will be required. The supply of lock-boxes is exhausted, but we have at present a number of call boxes which could be rented to persons who now get their mail in the General Delivery. This would help matters, and it is the only available method of relief we can suggest at this time.

Edward S. Haws, Postmaster.

### MERION CLUB CADDIES' EARNINGS

It is good to be a caddie. According to an announcement made at the Merion Golf Club, the total earnings of 235 boys who work for the club members amounted to \$3612.50 during the first eleven months of 1915. Of these eighty "Class A" boys earned \$5363, and the remaining 155 Class B boys earned \$2749.50. The Class A boys are the ones most frequently in attendance, and who can be depended upon most.

## COUNTY OFFICIALS ARE SWORN IN

New Men Head Various Departments, But Old Assistants Are Retained—Appoint Assistants

On Monday there occurred an almost complete new administration in the Montgomery County Court House, at Norristown, in that the county officers chosen at the November elections formally assumed office for their respective terms. Notwithstanding that there are so many changes of terms, there will not be many new faces brought into the court house, in that some of the officials have been re-elected while several of the deputies of retiring administrations are raised to chieftaincies.

The new officials of the county to assume office are:

Judge—John Faber Miller, Springfield.

Sheriff—Louis Nagle, Glenside.

Recorder of Deeds—T. Darlington Buckwalter (re-elected), Pottstown.

Register of Wills—Robert C. Miller (former Commissioners' clerk), Norristown.

Clerk of Courts—James Stretch, re-elected, Lower Merion.

Coroner—Grant R. McGlathery (re-elected), Norristown.

Controller—William D. Heebner, Lansdale.

County Treasurer—George Anders, former Deputy Treasurer, Norristown.

County Commissioners—Roy Hatfield, Norristown; George Sullivan, Lower Merion; Harman Y. Bready, re-elected, Moreland.

District Attorney—J. Aubrey Anderson, former assistant, Upper Merion.

Poor Directors—Jacob Elst (re-elected), Gilbertsville; Samuel Yeakle, Port Washington.

County Engineer—James Crosson (re-elected), Norristown.

There will be a few changes in the deputies and staff of the various offices, bringing but a very few new faces into the working departments of the court house.

The new County Commissioners, Messrs. Hatfield, Sullivan and Bready, held their first meeting, organized and transacted considerable important business.

George Sullivan, of Lower Merion, was elected president.

The commissioners selected Daniel Stout, of Upper Dublin, as chief clerk, and Amandus Snyder and Stanley Drake as assistant clerks, and Miss Edith Boutcher as stenographer. This will be an increase of two in this office. Mr. Stout has been connected with the Auditing Department of the Pennsylvania Railroad for a number of years and is regarded as an expert bookkeeper. Mr. Snyder is reappointed and while he will look after the clerical work in the office, Mr. Drake, a son-in-law of Insurance Commissioner Charles Johnson, and an experienced structural man, will look after the contract work of the office. The advent of a stenographer and typewriter in the office will mark a new era in the business affairs of the office.

Controller Heebner has appointed former Deputy Prothonotary William Irvin, of Ambler, as Deputy Controller, with Joseph Jervis, of Norristown, re-appointed as bookkeeper.

County Treasurer George Anders has named former County Treasurer William Hagginbotham, of Mont Clare, as Deputy Treasurer, and Dr. R. Weber, of Green Lane, as the

other Deputy. Mr. Anders was deputy when Mr. Hagginbotham was treasurer, four years ago.

Register of Wills Robert C. Miller has renamed all of the present staff of the office, without exception: Assistant clerks, Harry Akins, Norristown, and Abram Hunsberger, West Point; Deputy Register, A. Lincoln Sexton, North Wales; assistants, William VanSkite, Jeffersonville, and William Graham, West Conshohocken; typewriter, Mrs. Effie Lewis, Conshohocken.

Clerk of the Courts James Stretch has renamed as his deputies his former assistants, Charles V. Finley and Maurice Clayton, both of Norristown.

Coroner Grant M. McGlathery will not name any deputy coroners, this practice having been omitted for some years past.

Sheriff Louis Nagle has renamed as his deputies, Captain W. W. Owens and William Fox, of Skippack.

Recorder of Deeds T. Darlington Buckwalter has renamed Joseph C. Moore, of Conshohocken, as deputy, and William Buckwalter, as index clerk, and with few exceptions, renamed all of the former staff of transcribers.

District Attorney J. Aubrey Anderson has reappointed A. H. Hendricks as first assistant and has named Attorney Frank X. Renninger, of Glenside, as second assistant.

The County Engineer has no appointments to make.

The Poor Directors re-elected Attorney H. Wilson Stahnecker, of Flourtown, as their clerk and solicitor. By reason of the resignation of Dr. Joel Brown, no selection of steward and matron was made at the reorganization.

### Y. M. C. A. CLASSES FOR MECHANICS.

Announcement has been made by the Lower Merion Young Men's Christian Association, Ardmore, of the organization of extension classes for the study of shop arithmetic, electricity, shop sketching, advanced mechanical drawing, strength of materials and gas engine. The classes will begin studies on January 10, and the Y. M. C. A. will co-operate with the Pennsylvania State College in conducting them.

### Y. M. C. A. Board of Directors.

H. S. Hopper, president; C. E. Kreamer, vice president; R. L. Beatty, secretary; D. D. Stickney, treasurer; G. M. Henry, J. S. Harris, E. S. Haws, Dr. R. C. Hoffman, W. D. Smedley, E. E. ### Board of Managers.

Monday Night—H. C. Gara, financial manager.

Tuesday Night—A. G. MacKenzie, religious and educational work manager.

Wednesday Night—House manager.

Thursday Night—F. W. Stites, social work manager.

Friday Night—F. R. Rainear (re-signed), membership manager.

Saturday Night—R. G. Savill, athletic manager.

O. L. Hampton, executive secretary.

#### EDITORIALS

##### WHAT IS NEWS?

One of our newspapers has worked out a unique plan of calling its readers' attention to what's news. It carries this advice regularly on its editorial page:

##### If Anybody Has—

- Died,
- Eloped,
- Married,
- Divorced,
- Left Town,
- Embezzled,
- Absconded,
- Had a fire,
- Sold a farm,
- Had a baby,
- Been arrested,
- Came to town,
- Cracked a safe,
- Bought a home,
- Killed an officer,
- Robbed a house,
- Been assassinated,
- Committed suicide,
- Fallen from an aeroplane,

That's news—write us.

We think this plan a very good one. Often, when talking to some people, they will say, when asked if anything happened over their way, No, nothing whatever; don't know a thing. But if you talk a few minutes you will find they know a number of things which, if they had thought worth telling, would have been news to the rest of us. So don't be afraid to jot it on a postal and send it to us.

Narberth has a way of showing off a rare day to great advantage. Surely a beautiful day in Narberth is a joy forever.

Our new comers should be welcomed and heartily received in one or more of our progressive organizations.

Short local items of interest concerning Narberth, and Narberth people, are needed in our news columns. Just write your items on a postal and send them to the editor. They will be appreciated.

With the deepest regret we announce the sad and untimely death of Mr. Charles I. Armstrong. He was well known in our county, and was greatly respected by a large number of friends and acquaintances. His death is to be lamented and is very sad indeed.

## PERTINENT FACTS REGARDING THE PENNSYLVANIA RAILROAD COMPANY.

To the Editor of Our Town.

The Pennsylvania Railroad Company's conciliatory poster, recently issued, is an innovation in railroad circles and should be highly commended. It appeals to its patrons under the title "What Causes Lack of Confidence in Railroads?" and invites the opinion of its patrons, so that the management can improve anything that needs changing for the betterment of its service.

The Pennsylvania Railroad is to be highly praised for its excellent service. A noticeable feature since the installation of the electric system is the absence of all jars and jolts in starting and stopping at stations, as was formerly the case with steam power. The Main Line towns have the best service in their history. Narberth is especially fortunate. It has half hourly service from 6.29 A. M. until late in the evening, with quarter hour service between 7.29 and 8.28. The only improvement would be to have an express train from Broad Street Station pressed into service in the rush hour between 5.15 and 6.15 P. M., and then Narberth would be content.

This suggestion for a change will be treated with general satisfaction. There are no trains on the Main Line from 12.15 until 6.10 in the morning. Of course, there are not many patrons between these hours, but the untoward circumstances would be greatly accommodated by not having to rush at breakneck speed in order to catch the 12.15 A. M. Could it not be arranged that people missing the last train could be accommodated on the 4.21 A. M. express, stopping only on signal? Any official of the company would probably think it worthy of consideration could he have been at Broad Street Station at 4 o'clock on New Year's morning and seen the crowd gathered there waiting for the morning trains, as all the waiting rooms were crowded. The first year or two of Hammerstein's grand opera season the company condescended to favor its rich patrons by scheduling an "opera train" at 12.45, but it did not pay, as very few used it. The Main Line lovers of opera used their limousines, stopped at hotels or their city residences. But we poor, ordinary, common, everyday mortals "not blessed with worldly goods" either have to hoof it or sleep at the station to wait for the first train out—the 6.10 A. M. It is a significant fact that, notwithstanding the Main Line road carries hundreds of thousands of passengers yearly, it has the worst service after 12.15 A. M. of any of its suburban lines. It is hoped the management will act in the matter.

The announcement of the railroad's policy on issuing annual passes to its employees requesting them to give up their seats when cars are overcrowded is another innovation, and will meet with the approval of all passengers paying their fares, but it will be a hard proposition to carry out. Suppose, for instance, Jangling Johnsing or Dinah Jackson were standing, and the president, general manager, or superintendents of divisions were comfortably seated perusing newspapers (the supposition is all officials and directors are recipients of annual passes), does anyone for a moment imagine that any conductor or brakeman would have the temerity to ask them to vacate their seats, as there were passengers standing who were entitled to them? Excuse the slang, but, as our friend Billy Sunday so fervently ejaculates, "Not on your tin horn." Probably the high officials, to show that they were willing to abide by the ruling of the company, would be the most complaisant; but you can rest assured that the majority of free riders would not feel in that mood after a hard day's work. Even with the rank and file of the company's employees the trainmen will be averse to enforce the rule. The new departure will be watched with much interest.

"I wish riders paying their fares on trains could realize how much extra work they are giving to the conductors and brakemen," an obliging and accommodating conductor remarked the other day. "It works hardships for us in two ways: In the first place, we must always carry plenty of change, very few passengers having the exact amount, some often tendering \$5; and, secondly, in the time consumed in issuing the du-

plex strips, we have all we can handle. I have been on this run only six week and in that time I have used 5800 duplex tickets. You know a great many of the stations are closed after 8 P. M., and people not having tickets, of course, must pay their fares on the trains. We do not mind that—it is expected that time of the night. But the most cash fares are collected in the middle of the day, when all ticket offices are open for business. Why, the other day I received sixty cash fares on one round trip, in the middle of the day. I wish something could be done to relieve us of this uncalled-for work, as we, naturally, are responsible for all shortages, and it causes a lot of additional work."

In conversation with a Pennsylvania Railroad official the above was related to him. He stated the reason for people paying fares on trains was due to the fact that so many of the ticket offices were on the opposite side of inward bound trains, and people bound for the city would not take the time to cross to the station in the tunnels when fares were the same on the trains as at the station. Formerly there was a difference in price in buying tickets at the station in favor of the patron. The only way to discontinue the practice of cash fares on trains was to compel such passengers to pay increased rates, but the State laws prohibit it in this Commonwealth.

## KING'S DAUGHTERS HOLD BIG MEETING

Regular Monthly Meeting Largely Attended—To Give a Supper on Washington's Birthday

The regular monthly meeting of the Evangel Circle of King's Daughters was held in the community room of the Y. M. C. A., Wednesday, January 5. Lunch was served, the hostesses being Mrs. Faries, Mrs. Jacoby and Miss Laura Hopper. After which the business meeting was opened with Scripture reading and prayer by the president, Mrs. Fred. Derby. Mrs. Wm. Chase acted as secretary in the absence of Mrs. A. Meredith.

The report for the fair held in November gave a balance of over one hundred dollars cleared, which was used in our Christmas work. Some of the good done with this money being: Five dollars to the Door of Blessing; two barrels packed with vegetables, candy, fruits, nuts and a turkey sent to the Door of Hope, Philadelphia; twenty dollars to the Travelers' Aid Society, Philadelphia; two tons of coal to a widow with a family of five children; a mother ninety-two years old and her daughter, seventy-six years old, living together, were sent a ton of coal and to be paid a dollar a week for an indefinite time; three dollars given to buy clothing for two small children; six dollars to buy shoes for another family; seven dollars toward helping a deserving family with their rent and to pay this month's rent of twelve dollars. We also voted to pay the Y. M. C. A. twenty-four dollars this year. This is only a few of the many helped.

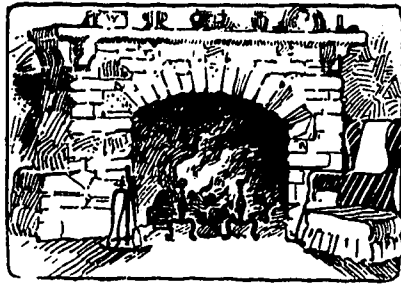

Our Shut-In Committee were very busy sending out their Christmas cards and remembering the Shut-Ins' birthdays, sending them useful presents and magazines and many things to brighten their lives. This committee's work is not only close to home, but sending their to Maine and some down to Alabama. This organization is non-sectarian; there being among the members Presbyterian, Lutheran, Methodist, Baptist and Episcopalian, and we are ever ready to extend the helping hand in His name to any deserving one.

The ladies are busy now making preparations to give a supper on Washington's Birthday, February 22.

The Ladies' Community Club will be delighted to have Narberth and her friends as their guests on Friday night, January 14, at the Y. M. C. A. Building, at 8 o'clock.

7 P. M. Young People's meeting; Ralph E. Beatty, leader.

8 P. M. Evening worship. Sermon theme: "Having the Spirit of Christ."

At the largely attended Communion service of last Sunday morning eleven new members were welcomed into the fellowship of the church.

This church feels keenly the loss of another faithful member, Mr. Charles I. Armstrong, who was suddenly called to his eternal home on the morning of January 5th.

#### ALL SAINTS' P. E. CHURCH.

Rev. Andrew S. Burke, Rector.

The services at All Saints P. E. Church, Montgomery and Wynnwood avenues, for next Sunday, are as follows:

8.00 A. M. Holy Communion.

9.45 A. M. Sunday School.

11.00 A. M. Morning Prayer with Sermon.

4.00 P. M. Evening Prayer.

If there are any members of the Church who have not received a set of the Duplex Envelopes, they may be obtained by applying to the rector or any member of the vestry.

The postponed meeting of the Church Guild was held at the residence of the Misses Shand on Narberth avenue last Monday afternoon.

If you know of any children who do not attend a Sunday school, ask them to come up to All Saints' next Sunday morning at 9.45.

The church was well filled last Sunday and it is hoped that every seat will be occupied next week. The bus leaves Narberth station at 10.40 A. M.

#### EVANGEL BAPTIST CHURCH.

Emerson L. Swift, Pastor.

Sunday, 9.45 A. M., Bible School. The temperance committee have arranged with Mr. H. C. Gara to speak on the subject of temperance.

11.00 A. M. Morning worship. Mr. Harry V. Meyer, business manager of the American Baptist Publication Society, will speak.

7.00 P. M. Young People's service. Group Three, of which Emma Mueller is captain, will be in charge. Miss Bessie Fletcher will speak. These are excellent meetings.

7.45 P. M. Evening worship. The sermon is the last in the series on "Kingship." Mr. and Mrs. E. B. Stanley will sing. Everybody invited.

Monday, 8.00 P. M. Dr. Edgar T. Shields will give his illustrated lecture on "Travel on the Upper Yangtzi River and Life on the West China Frontier." Dr. Shields will dress in Chinese costume. For the people of Narberth who have met and heard Dr. Shields there is no need of an invitation, but to them and all others we say, come and enjoy the evening. The meeting is under the auspices of the Ushers' Association.

Tuesday, 2.30 P. M. The Woman's Mission Circle will meet at the home of Mrs. Charles R. Jones, 403 N. Narberth avenue.

Gospel Team No. 1 of the Pennsylvania Railroad Department of the Y.

M. C. A. will have charge of the service Sunday evening, January 23. The team consists of nine cornetists and speakers, a manly lot of men who have an interesting story to relate. Speak to your friends; remember the date.

#### GRIP ON THE MAIN LINE.

Ardmore, Narberth and Bryn Mawr Worst Afflicted Towns.

With Ardmore leading as the worst afflicted town, the Main Line and Bala-Cynwyd sections are barely beginning to see signs of an ending of what has proved, according to physicians and druggists, the worst grip epidemic in their history. Estimates of the number of persons in Ardmore suffering from the disease range from 1,000 to 1,500. Narberth is next with about 600 to 700 persons still suffering.

Ardmore and Narberth are the two towns most closely built up on the Main Line. The Bryn Mawr-Rosemont district, not quite so thickly inhabited, is third in the number of sick, in proportion to population, the towns having 600 to 700 between them.

Most seriously affected have been the Lower Merion township schools, which take in Villa Nova, Rosemont, Bryn Mawr, Haverford, Ardmore, Wynnwood, Merion on the Main Line, Gladwynne and Bala and Cynwyd.

#### EGYPT, ITS MONUMENTS AND ANTIQUITIES.

Dr. Levi P. Mengel, Director of the Public Museum and Art Gallery, of Reading, Pa., has been secured to deliver his lecture on "Egypt, Its Monuments and Antiquities," in the Narberth High School Auditorium, Friday evening, January 28th, at 8.15 o'clock sharp.

Dr. Mengel is one of the foremost scientists of this country; he has traveled extensively in the interests of the Academy of Natural Sciences, and on one of his recent expeditions took some rare photographs of some of the most interesting phases of Egyptian life. These slides have been highly colored, and will help to make vivid the most interesting story of his trip to this wonderful country.

The Board of Education of Narberth, ever mindful of the child's future, has taken this means to make broad the education of the youth of this community, and while this lecture is to be of special benefit to them, it is intensely interesting and instructive to the general public.

All are cordially invited to attend and be the guests of the schools.

"Beginners" will be admitted to first grade up to the end of this week. Children who will become six years of age before the first of June are entitled to admission at this time. Please consult with Miss Nellie Wetherill or Principal Melchoir.

Silas S. Neff, Ph. D., president and founder of Neff College, will address the High School this coming Thursday afternoon at 1.50, on "Life's Greatest Opportunity."

Part of the opening exercises on Monday morning were devoted to the poet Milton, his birthday having fallen on the 9th. Miss Turner, our English teacher, gave us an instructive address on his life and works.

Joan of Arc was the subject of much interest and discussion last week. The regular Literary Society program consisted largely of this heroine. We as students certainly greatly appreciate these additional features of interest in our daily program.

Tuesday, the 11th, being the birthday of Francis Scott Key and Bayard Taylor, the opening exercises included songs and poems written by these two.

Someone recently asked, "Why do you like to go so much?" There are several reasons, but one reason is that school is made interesting and instructive not only through regular class work but through the efforts of the faculty to present what we might safely term valuable educational innovations. For this reason we work the harder at our book subjects and yet enjoy school.

We wish to make several additions to the notes of last week as to the list of those enrolled in the State Educational Association. Miss Wilson and Miss Read should have been added. We should not have overlooked the fact that Miss Cooper remained at the close of the Christmas exercises to help in the work of wrapping and distributing Christmas gifts.

Keep your eyes open for the date of the senior play.

Don't forget on February 5th the Mandolin and Glee Club of Haverford College will be at the school to give us a real treat.

Last week our team defeated the Norristown H. S. second team by the

**THE NARBERTH ATHLETIC CLUB.**

We did not play last week, but one of the best basket ball games of the season is in prospect, that with the strong Haddington A. C. team, which is to be played next Saturday night. Everybody come out. Our team will be there in full force and if you never did see a good game come Saturday evening and you certainly will see one and you will enjoy yourself. Don't forget, it will be played in the Y. M. C. A. gymnasium.

**COMMUNITY CLUB.**

The Community Club tea was well attended last week notwithstanding the fact that some of the members were being entertained at five hundred, several at a bridge party and others at a church sewing society.

It was very gratifying to the manager and instructor of the "gym" class to see the renewed interest taken in the work last Wednesday morning. Some of last year's class have come back and several new members have enrolled. Let us try and make this the biggest class ever. You will get a great deal of benefit from it besides having lots of fun.

Come around next Wednesday morning and look on. You may want to join before the following week.

Everybody in Narberth will be at the club room on Community Night, Friday, January 14th, to hear Dr. and Mrs. Cameron give a talk on the habits and customs of the inhabitants of the Andaman Islands. So interesting you cannot afford to miss it. Come and bring a friend.

Mrs. Thomas Bell, a noted soloist of Merion, is on the musical program. A treat is in store for you. Remember the date, January 14th, at 8 P. M.

**Community Night.**

Follow the crowd Friday night and you'll spend a most pleasant evening. The community room of the Y. M. C. A. will be the centre of attraction. An unusual program has been prepared. Dr. and Mrs. Cameron will speak on "Habits and Customs of the Inhabitants of the Andaman Islands," and a rare musical treat will be in store for all who attend.

You are cordially invited. Come and get a sample of Narberth's community spirit.

**Men's Meeting.**

This is an announcement that ought to be of interest to every man in Narberth, because we invite every man in Narberth.

Sunday afternoon, at four, January 23, in the Narberth Theatre, we are going to have a big men's meeting. We have been fortunate in securing Hon. W. H. Berry to speak at this meeting. Mr. Berry needs no introduction, and those who have heard him before are anxiously awaiting the arrival of the 23d. Mr. Berry is a most pleasing and interesting speaker, and with such a subject as this, "War, What For?" every man in Narberth ought to turn out to hear him.

Special music will be rendered by a quartet from the Glee Club, composed of Messrs. Rudolph, Dennis, Climenson and Witherow. This attraction alone will be a treat. Don't forget January 23, at 4 P. M. You are cordially invited.

**Glee Club Notes.**

A meeting of this organization was held last Thursday night at the Y. M. C. A. The main purpose of this meeting was to elect a president and secretary. The election resulted as follows: President, I. T. Ward, and secretary, Earl Dickie. Mr. W. A. Cole is vice president of this organization.

There will be a meeting of this club this Thursday night. Members, please note this announcement.

**Basket Ball—Narberth vs. Brookdale. Narberth vs. Brookdale A. C.**

Narberth, the former champions of the Main Line League, opened its 1916 season with a victory over the strong Brookdale team by the score of 44 to 22. The features of the game were the playing of Davis for Narberth, and Campbell, for the visitors, Davis caging ten field goals, and Campbell, fourteen foul goals.

The Brookdale forwards couldn't do a thing against such guards as Fleck and W. Humphries, they managing to score only one field goal, when toward the end of the game Kiley got away from Hump and slipped one across.

Mellville, for the visitors, scored three field goals, but this is attributed to the fact that Davis was too busy guarding almost half of our points to guard him very closely. Captain Durbin played his usual fine game, being all over the floor at all times and scoring two field goals and ten fouls.

Next Saturday night we play the Olympic A. C., of Philadelphia, and as this team is composed of former High School stars a very good game is looked for: so come out and encourage the boys by your presence.

**Bowling Quintet Defeated—Narberth Team Drops Three Games to Ardmore Rivals.**

While it is distressing, nevertheless it is true. While it is hard to relate, it can only be accounted for as a mistake. Since it happened our best hope is it will not happen again. This gaff applies to our own local Y. M. C. A. bowling quintet of the Main Line Bowling League, who last week journeyed to the neighboring town of Ardmore to bowl a scheduled match with the Y. M. C. A. of that burg, and from the outcome it seems some one, while we were enroute, slipped the skids under our representative five. To say the least, we dropped all three games much to the delight of the Ardmore friends. Our opening game was poorly rolled and had its usual effect, but we came back strong, especially in the last game, when the team rolled for a total of eight hundred, only to be defeated by Ardmore made a record for single game total of the league, this season, by totaling 826 pins. Anchor Man Bob Savill came through strong, and Big Bill had a single game score for the week of 198 pins, with Scanlin making a good showing, but the remaining forces were not strong enough to land a victory. This loss had the result of dropping the team into third place and two games away from the rival Narberth quintet. The latest wireless from headquarters indicates that practice is to be held behind barracks of solid steel and we must approach the enemy in better preparedness in the future.

The league leaders, the Wayne Club, added to their lead and percentage standing by taking all three games from the Rosemont Men's Club, and they now hold a seven game advantage. The other teams will have to get busy if they expect to head this club off in their mad rush for the championship, and the Austin silver trophy, which, by the way, has now been secured and is a handsome cup. The newly elected manager of Rosemont M. C. toppled the pins for the high individual weekly average of 177.

**Pocket Billiard Tournament.**

A tournament of unusual interest has been in progress during the past week at the Y. M. C. A. This feature has interested not only those who are expert with the billiard cue, but also those who enjoy this sport, which has increased to quite a number.

Frank Winne, who was one of the youngest contestants marched off with the honors, and receives as a token of reward, a handsome billiard cue, presented by the Brunswick-Balke Company. A prize that any follower of the sport might envy.

Space will not allow us to enlarge on the high spots of the tournament, so we will just give the scores of the various matches played as follows:

First Round—Lawrence Davis, 32; Walter Humphreys, 50. Irvin Ward, 35; Ray Jones, 50. Earl Dickie, 54; Wm. Jefferies, 55. J. G. Foote, 50; J. G. Scanlin, 30. Frank Winnie-Stearly Kriebel, Winnie by default. Dan Lacey, 55; Wm. Humphreys, 19. Wm. Harris, 55; W. Anderson, 42.

Second Round—Walter Humphreys, 44; Frank Winne, 55. Ray Jones, 55. Wm. Harris, 40; Wm. Jefferies, 55. J. G. Foote, 50; Dan Lacey, 22.

Semi-final—J. G. Foote, 50; Wm. Jefferies, 26. Franke Winne, 55; Roy Jones, 34.

Final—Frank Winne, 55; J. G. Foote, 25.

Note—A tournament of doubles is being arranged. If you want to get into it, do it now. Entrance fee is fifty cents per team. Give your name to J. G. Foote or Secretary Hampton.

**Bowling Y. M. C. A. League.**

Interest in the league has not abated, the fact is, several of the teams, who are not in the running in the present series of games, are very anxious for the second series to start, which will be a handicap affair, whereby all matches should be very close.

To date there has not been a postponed game. The captains of the different teams have been conscientious about getting their teams together when scheduled. This has been a factor in maintaining interest. You have probably noticed how local scores and Main Line League scores compare with some of the scores that you see in Philadelphia papers. It must be admitted that there are a number of leagues in the city that will outclass local teams; but the alleys and conditions which these teams bowl under are superior to ours. To illustrate this point, Hotz, of the Wayne team, recently bowled 634 for three games on the Tuxedo alleys—an average of 211. In the Main Line League, Savill and Hotz are about tied for high individual average. Again, the Narberth team can average over 800 on the Keystone alleys, while along the Main Line, the leading team has not this average. Recently several of the men of the Narberth team were around 200, while Capt. Ward hit them for 203.

In the local league, three teams, evenly balanced, were having a great race of it, until Essex was eliminated by the Plugs.

The outcome will be in doubt until the very last game, January 17, when "Bob" Saville's "Plugs" meet Allan Kirk's, Narbrook team. Narbrook, by taking one game, will cause a tie between the Plugs and Narbrook team. Be on hand and see the finish of the first series.

Next game, January 17, Plugs vs. Narbrook.

Last week, the Plugs took three straight games from Essex, and Southside won two out of three from the Colts. Savill and Orr being high men in these matches.
