

**Thank you for
attending the
WikidataCon 2023!**

During the conference, we had...

- a hybrid program broadcasted from **Taipei and online**
- 2 days of almost non-stop sessions, and discussions
- **35 speakers** joining from all around the world
- 40 participants onsite in Taipei
- 100+ participants online

What about you?

- What were your highlights of the event?
- Most enlightening discussions, surprising presentations, cheerful interactions?
- Feel free to **share your highlights** and some thank you messages in the chat :)

Many thanks for supporting this conference

- Organizers from the Wikidata Taiwan community, Wikimedia Taiwan and Wikimedia Deutschland
 - Allen, Dennis, Yucheng, Joyce, Penny, T-Monk, Reke, Alan, Simon, Laura, Louisa...
- Speakers who created content and enabled discussions
- Program committees who designed the program
- Facilitators, tech support
- People who organized satellite events and birthday celebrations

And thanks to you all for being here!

- For being here, engaged and motivated
- For friendly, constructive and mind-opening discussions
- For supporting each other during the event
- For tolerating the little bugs and glitches with humor
- For your ideas, statements, wishes, that help us move forward and improve Wikidata
- For the awesome mood, as usual <3

Documentation of the event

- **Video replay** on Wikidata Taiwan's Youtube channel
- **Blog posts**, press articles: feel free to add them to [[Wikidata:WikidataCon 2023/Documentation]]
- **Speakers**: please **upload your slides** on Commons [[Category:WikidataCon 2023 presentations]]
- Help us adding the highlights of the event to **Wikidata's newsletter**: [[Wikidata:Status updates/Next]]

Post-event survey

- It's already in **your mailbox!**
- Requires 10-15min to fill out
- Available in English and Traditional Chinese
- Please fill it out before **November 12th**
- It will help us improve our future events formats, understand better who attended the conference and what you took away from it
- It also contains questions about Wikidata engagement and how the Movement could support you

Open discussion: What could the future of Wikidata engagement and events look like?

- What kind of **support** would you need to develop local initiatives around Wikidata?
- How would you like to **stay in touch** with the international Wikidata community?
- How could the Wikimedia movement organizations help you create or maintain a **thriving Wikidata group** in your region?

If you are interested in talking in details about your ideas, please contact me at lea.lacroix_ext@wikimedia.de

Thank you so much for attending, and see you soon on Wikidata!
