

8-HOUR AMENDMENT

WE SHOULD NOT LEGISLATE THAT MAN CAN WORK ONLY A SPECIFIED TIME

It is not at all likely that the eight-hour amendment to be voted on at the election November 3 will carry, but those who oppose it should see to it that it is snowed under with a vote that is sufficiently large to be an eye-opener to its supporters.

An eight-hour day is all right, but when we come to legislate that a man shall not work more than eight hours any one day, nor more than 48 hours in a week, that is not just to the employer or the employee.

A Pasadena man explains how the eight-hour law would affect him as follows:

As a working man, I would like to know what possible good I can get from the universal eight-hour law, to be voted on this election. I am a gardener in charge of a moderate-sized place, where I am able to do most of the work alone. If I am allowed to work only eight hours, this means that I will have to lie around and do nothing from 11 a. m. to 2 p. m., as I have to milk the cow and clean up around the barn before breakfast, and again the last thing before supper. In the rest of my eight hours I could not do the work necessary to keep up the place.

My employer tells me that like about everyone else, his income is cut down by the general business depression, and that he cannot possibly pay more money for this work. This means that my pay will have to be cut down or part of the garden will have to be abandoned. It certainly does not mean more jobs for the working man.

I can't see, anyway, why I should be made to divide my work or job with some lazy fellow who doesn't want to work more than eight hours. Even if my wages are not lowered I can see that I will have to pay more for everything I live on, and I don't see how I am going to do it, as I have all I can do now to make both ends meet and lay by a little, although I receive good pay, with house rent free. If the law for an eight-hour day, there might be some sense to it. But for a working man to vote to only work eight hours, and only forty-eight hours in a week for his employer, is asking too much of me. Why should we vote away our rights and liberty to earn more money by working a few more hours? California is a glorious good state to live in as it is. Let us keep it so.

Dr. Kennigott has traveled extensively in Europe and is well qualified to speak on this topic. He has a large number of fine stereopticon slides which will be shown.

SPECIAL MUSIC SUNDAY

AT THE FIRST BAPTIST CHURCH—OTHER CHURCHES ANNOUNCE THEMES

Lovers of sacred music will have the opportunity of hearing a baritone and soprano of remarkable quality at the Baptist church Sunday. The richness of Mr. Cunningham's voice has been widely recognized. In Portland he had charge of a chorus of fifty male voices. Mrs. Cunningham, his talented companion, is well known for her high soprano and has taken the leading solo part in some of the most prominent churches in America. Come early to both services and secure a good seat. Miss Maud Salisbury at the piano.

Pastor Troy will preach morning and evening. "A Vision of the Christ" and "The Perfect Christ" will be his themes. To see Christ is the greatest need of the hour. Christianity is Christ. The lowest sinner can go to Christ and find a loving friend. He stands for hope to the hopeless, love to the unworthy, power to the weak, eternal life for the dying. Come and get a fresh touch of the wonderful Christ. Bring your broken heart and ruined character and Christ will make you whole. Sunday school, 9:30, under leadership of Mr. Roy Kent. REPUBLICAN MEETING

SPEAKERS ARE INTERESTING BUT SIDETRACK 1912 DICTATORSHIP

A meeting of Republicans was held in the high school auditorium, Glendale, Friday evening. A fair sized audience was present. John Robert White, chairman of the local organization, presided. In the introductory remarks, Mr. White said he is always pleased to announce that he is a Republican.

Frank C. Roberts, Republican candidate for congress from this congressional district, spoke briefly, outlining his political policies.

Mr. Roberts thinks it is time for people to get back to business. He says Uncle Sam cannot do business in a successful way with the Democrats in power. The speaker said that the conditions have been such the past two years that Republicans and Progressives have not been recognized in congress. Southern California under present conditions need not expect any favors. It makes no difference how good and how honest congressmen may be, they can do nothing so long as they have no party pull. Mr. Roberts predicts a Republican victory all over the United States and he urges that the voters see to it that Republicans are elected from the Southern California districts.

Other speakers were G. Ray Horton, R. B. Turnbull and Ex-Congressman James McLachlan of Pasadena. Mr. McLachlan reviewed party conditions since the time of the greenback excitement, up over the Populist craze, the 16-to-1 hobby. He dwelt at length upon conditions from 1893 to 1897 when the finances of the country were in bad condition under a Democratic administration. He said the Republican party came to the rescue by electing McKinley president and electing a Republican congress. Times got better under Republican rule, and continued to get better until two years ago, when people forgot about the conditions in 1896 and again put the Democrats in power.

The speaker puts the blame on the progressive element of the Republican party, but forgets that the split was caused on account of the rotten political condition of the Republicans with such men as Lorimer, Penrose and others dictating the policies of the party, and sad as it may seem, nevertheless it is true, that many of the old-line Republicans preferred the success of the Democratic party in the fall of 1912 rather than to allow the success of a party that embodied all the principles of the Republican party and more.

The editor of The News was pleased with Mr. McLachlan's address and believes he struck the keynote all along the line until he came to the 1912 campaign, and then he should have denounced the actions of the Republican convention when the Penrose-Lorimer crowd took things into their hands to rule or ruin. The editor of The Evening News believes in many principles advocated by the Republican party and stands ready to support some of the candidates at the approaching election, but he could not and did not stand for the actions of the Republicans in the campaign of 1912. If a financial depression has been brought on by a change of party administration, the men responsible for that change are those who took the position two years ago of ruling or ruining.

The principles of "home protection" as advocated by the Republican party for these many years are all right, and under judicious "home protection" principles this country always prospers, but out of every party must be kept that high-handed dictatorship.

A WORD OF THANKS

To all those who have so generously and willingly assisted me in my efforts to keep before the public the little happenings and social enjoyments of the many days I have been corresponding for the Glendale Evening News, I feel that before I desert the post of duty, I must extend to you, both individually and collectively, my most sincere thanks and appreciation for the innumerable contributions which have made my work so thoroughly pleasant and enjoyable, trusting the while that you will bestow the same favors upon my sister and successor, Miss Harriett M. Wells.

Signed, Katherine C. Wells, retiring society editor of the Glendale Evening News.

ELMER CHATMAN DEAD

FATALLY INJURED IN LOS ANGELES—DIES AT RECEIVING HOSPITAL LATER

Elmer Chatman, who has resided in Glendale off and on for the past fifteen years, was fatally injured at Arcadia and Main streets, Los Angeles, while under the influence of liquor. He was removed to the receiving hospital, where he died within a few hours.

Chatman was known in the local police circles as an habitual drunkard and had been under sentence a number of times. He resided, when in Glendale, on South Howard street. He was about forty years of age.

His father, who resides with another son, Wilbur Chatman, at 212 South Howard street, has been in failing health for some time and was not informed of his son's death on account of his precarious condition.

Chatman had no trade and was employed very little. He was married and had one child, a girl, but upon the death of the mother, the daughter was adopted and taken from Glendale.

The senior basketball five won the inter-class championship of the Glendale Union high school Friday afternoon, defeating the junior team by a score of 27-21.

Friday evening's game was one of the most exciting of the inter-class series, and only a timely rally in the last few minutes of play saved the game for the seniors. Credit must be given the juniors for leading their older opponents for more than half of the game.

The line-up was as follows:

Juniors	Seniors
Kolts	G
Francy	G
Lukins	C
Powers	F
Butterfield	F
	Latter

"LUCKY 15" GIRLS ENTERTAIN WINNERS OF BASKETBALL CHAMPIONSHIP

In honor of the afternoon victory of the senior basketball boys, who won the inter-class championship, the "Lucky 15" club, which is composed of girl members of the senior class of the Glendale Union high school, entertained with a theater party Friday night.

The evening's festivities were opened with a delicious supper served by the girls and terminated at the Majestic theater, where pleasing pictures delighted all. Besides the members of this year's team, the last year squad, together with the class teacher, Prof. A. L. Ferguson, and his wife, Miss Helen M. Darsie and Coach Wight were included in the list of guests.

Hostesses for the evening were the Misses Kathleen Dodge, Pauline Hamilton, Essie Hamilton, Merle Oliver, Esther Sinclair, Marian Monroe, Amie Miller, Gwendolyn Claffin, Maybeth Pigg, Josephine Starr, Dorothy Hobbs, Mildred Lyon, Florence Wheeler and Florence Voght, the honored guests for the occasion being Harold Latter, Wallace Cramer, Benjamin Nichols, Monte Coole, Donald Cowlin, Hasty Bidwell, Johnnie Stauffacher, Loren Litchfield, Joe Fishel, Douglas Balthis, Owen Dibbern, Willard Brown and Merlin Wilson.

MUSIC SECTION'S SPLENDID OPEN MEETING PROGRAM

About fifty local and out-of-town guests found their way into the Masonic temple Friday afternoon, where they more than enjoyed the first open meeting of the music section of the Glendale Tuesday Afternoon club.

This section, which has grown so rapidly, and the field of its work so extended, has passed the stage for own advancement, and from now on will hold these open meetings as an educational feature the second and fourth Friday afternoons of each month.

The club as a whole stands for the general promotion of the community, and the music section in particular feels that in giving these splendid open meetings they are contemplating a case for the best music in the community. The object of this year's work will be to give only the very best, to discourage the ragtime tunes and to pay particular attention to American composers.

Friday's program, which was in charge of Mrs. John R. Barrows, herself a gifted musician, was given over to Anton Arensky, the Russian composer, and Arthur Foote, an American composer. Splendid papers were given on the lives of both composers by Mrs. Frank Grosvenor and Mrs. Clarence Newcomb.

The paper on Arthur Foote, well-known American musician and composer, brought out the fact that he is the only American artist of national repute to have received his entire musical education in this country.

Two local pianists who have recently leaped into prominence because of their wonderful talent are Mrs. Webb and Miss Gertrude Champlain, both of whom displayed finished work in selections by the Russian composer Arensky. Mrs. Frank Arnold's voice never sounded better than in "The Eagle," by the same composer.

As an illustration of the work of Arthur Foote, Mrs. Greely Kolts gave an Irish folk song in a manner suggestive of triumph. Two other numbers by this "Stars and Stripes" composer were given and well received by Mrs. Bertha Neff, a professional of Los Angeles, who by no means is a stranger to Glendale audiences.

These artists, together with many others who will appear from time to time, have shown a broad spirit in assisting the music section of the club and in giving to the public the advantage of hearing splendid music and programs for a very small fee at the door.

Mrs. Freeman Kelley is chairman of this section and she, together with her interested members and workers, are doing much toward the musical development of Glendale.

Early this morning a party of eight Glendale people, among whom were Mr. and Mrs. William Goss and Mr. and Mrs. Clyde Botts, journeyed forth to Mt. Wilson to spend Saturday and Sunday on its glorious heights.

A special feature of the music to be heard at the 11 o'clock services in the Congregational church tomorrow morning is the playing of the voluntary, Morrison's "Meditation," by little Lillian Mason, a wonderful child musician.

ANOTHER SHOWER

YOUNG BRIDE-ELECT HONORED AT CARDS AND WITH LINEN SHOWER

In addition to being the honored guest at a beautiful party given on Friday evening by Miss Lillian Mills in her home, 422 South Louise street, Miss Katherine Wells, one of Glendale's near-brides, also found herself the victim of a linen shower, which added many beautiful pieces to the preparatory chest.

Card tables were arranged in the living and dining rooms, wherein gorgeous chrysanthemums, October's most favored blossom, nodded their shaggy heads from attractive encasements. Five Hundred, tallies for which were dainty cupid conceits in yellow and pink, filled the early hours with pleasure and was followed by a delicious collation and the awarding of prizes to the honored guest, Dr. M. Louise Davis and Miss Charlotte Read.

The manner in which the gifts were presented was most unique, the surprised bride-to-be having been summoned to the front door and confronted by a special messenger eager to be relieved of his burden.

Besides Mrs. C. Irving Mills and Mrs. Richard H. Wells, mothers of the hostess and honoree, Mrs. A. M. Beamon, Mrs. Joseph L. Stagner, Mrs. H. H. Faries, Dr. M. Louise Davis and Miss Christine Skenk, guests bidden to this delightful affair were St. Margaret Girls, namely, Mrs. Arline Hallahan, Mrs. Charles U. Wells, and the Misses Mattie Belle Provolt, Olga Purt, Eva Black, Clara Provolt, Irene Read, Elizabeth Lange, Harriett M. Wells, Ethel Read, Bessie Provolt, Athena Purt, Clara Read, Gertrude Champlain, Cecelia Wilson, Ethel Land, Charlotte Read, Maymie McCann, Edith Foss, Pauline Sholz, Elizabeth Russell, Amy Bowerfind, Dorothy Smith and the guest of honor.

Miss Mills was assisted in receiving and entertaining by the Misses Harriett M. Wells and Elizabeth Lange, St. Margaret officers.

BARACA CLASS ENTERTAINED

The Baraca class of the First Methodist church was entertained by the Baraca class of the Presbyterian church Friday evening. A short business meeting was held by each class, after which the members re-assembled in the athletic room, where several contests of speed and skill took place. In these the visitors easily took first honors and were heartily congratulated by the Presbyterians. Light refreshments were then served and after many mutual expressions of fellowship and good will, the visitors departed, each feeling that he had indeed spent a pleasant evening.

ENTERTAINED AT LUNCHEON

Yellow chrysanthemums were used both as table decorations and place card adornments by Mrs. Fred Volkhart when she entertained informally at luncheon in her home, 1617 Vine street, Friday.

The same flowers embellished the living-room, wherein a Victrola recital was enjoyed during the afternoon. Guests of Mrs. Volkhart were Mrs. James Manning, Mrs. Earle Bond and little daughter Leonore, Mrs. J. F. Flint of Pasadena, Mrs. R. Moreland and Mrs. H. McGee of Los Angeles.

This has been an unusually busy week in the affairs of this church. The women are working hard for the bazaar to be held Dec. 9 and 10. The men's club meeting on Wednesday evening was a decided advance in everything excepting numbers. Mr. Raybolt was elected physical director of the boys and young men of the church. He will meet the boys in the clubrooms every Friday evening and go hiking with them on Saturdays. The tennis court is to be put in order and a teacher will be there every day from 1:30 to 2:30 p. m., excepting Saturdays, to teach beginners. Mr. H. H. Faries is president of that department of the men's club.

HIS CHEST WAS WEAK

At the yards they tell of a man who was visiting an acquaintance, one of the foremen, who asked him: "Did you hear about poor Flannery?" "Niver a word; phwat about Flannery?" "Shure, the big steam hammer in the foundry dropped on his chest and killed him." "Well," said the man meditatively, "O'im not surprised, for Flannery always did have a weak chest."

Don't wait a day longer than necessary in making up your mind to come to Glendale to live. You will always be glad you made the change.

FOOTHILL CLUB

Unlike any of the previous meetings was the afternoon enjoyed Friday by members of the Foothill club in the home of Mrs. Andrew Robertson, 925 Stocker street.

This affair was in the nature of a "thimble bee," at which the afternoon was spent in preparing articles for charitable donations in Glendale and vicinity. It has been decided that the three succeeding regular monthly meetings will be of a similar nature.

Besides the industrious hours spent in rooms beautifully brightened with groups of choice chrysanthemums of pastel tints, a social hour was spent, during which time the gracious hostess, assisted by Mrs. L. C. Oliver, poured tea and served the following guests with delicious dainties: Mrs. Charles H. Toll, Mrs. Alfred Priest, Mrs. Richard L. Phister, Mrs. J. McMillan, Mrs. Wm. Stone, Mrs. W. P. Thompson, Mrs. Julius Kranz, Mrs. Elliott Wyman, Mrs. Fred J. Wheeler, Mrs. Fred W. Pigg, Mrs. George Holman, Mrs. J. Walter Elliott, Mrs. J. Penn, Mrs. Charles H. Richter, Mrs. G. K. Barnes, Mrs. Everette K. Barnes, Mrs. Menzo Williams, Mrs. William S. Porter, Mrs. Alex Mitchell, Mrs. N. C. Kelley, Mrs. Bassett and Mrs. William Murphy, all of whom, together with the hostesses, will be entertained next month in the home of Mrs. Everette K. Barnes, Brand boulevard and Randolph street.

Mrs. Edland and Miss Ellen Williams were special guests of the afternoon.

ORCHARD LANDS OF LONG AGO

The orchard lands of Long Ago! O drowsy winds, awake and blow The snowy blossoms back to me And all the buds that used to be! Blow back along the grassy ways Of truant feet, and life the haze Of happy summer from the trees That trail their dresses in the seas Of grain that float and overflow The orchard lands of Long Ago!

Blow back the melody that slips in lazy laughter from the lips, That marvel much if any kiss Is sweeter than the apple's is. Blow back the twitter of the birds—The list, the titter, and the words Of merriment that found the spine Of summertime a glorious wine That drenched the leaves that loved it so—

The orchard lands of Long Ago!

O memory! Alight and sing Where rosy bellied pippins cling And golden russets glint and gleam As in the old Arabian dream. The fruits of that enchanted tree The glad Aladdin robbed for me! And, drowsy winds, awake and fan My blood as when it overran A heart ripe as the apples grow— The orchard lands of Long Ago!

—James Whitcomb Riley.

Mistress—Jane, you must not talk to me in the rude way you do. You must learn to speak properly; you must say, "If you please, madam," and sometimes "ma'am," or for the most part "mum," and when speaking to the master you must address him as "sir."

Jane a few days after went to her mistress in a great hurry.

"If you please, madam, and sometimes ma'am, and the most part mum, sir's fell down in a fit."

Democratic Nominee FOR ASSEMBLYMAN In 61st Assembly District General Election Tuesday, Nov. 3rd.

INTER-CITY COMMISSION RECOMMENDATIONS

San Gabriel Valley Organization Issues Report on Intricate and Important Amendments and Legislative Measures to be Voted on at November 3 Election and Makes Recommendations

Many who are appalled at the complicated nature of the ballot to be presented to the voters of California in November will be pleased to read the following recommendations presented by a committee of which Seward C. Simons of South Pasadena is secretary.

The San Gabriel Valley Inter-City Commission was formed for the purpose of co-operation between the different communities wherever a number of communities were affected. In view of the fact that a number of the measures coming up at the November election vitally affect the interests of smaller communities, this commission met and made a careful and impartial study of the measures and submit their recommendations.

The commission represents Pasadena, South Pasadena, Alhambra, Monrovia, San Gabriel and Lamanda Park. The report is signed by William Hazlett, Elwood J. Thorne, C. P. Dorland and Seward C. Simons.

NO. 1 ON THE BALLOT. "CALLING CONVENTION FOR REVISION OF CONSTITUTION." There is need for a new constitution, but the provisions of our present state constitution relating to the selection of delegates to a constitutional convention, which provide for the selection by partisan choice, might result in a very unsatisfactory convention and a partisan report and proposed constitution. **VOTE "NO."**

PROPOSITION NO. 12. "CONSTITUTIONAL CONVENTIONS." This is a proposed amendment to the constitution providing that delegates to a constitutional convention shall be selected at a non-partisan primary election. This is designed to dispose of the objection to the method of selecting delegates to the constitutional convention which lie to the present method of selection, and therefore this provision should carry, and the vote should be "YES" upon proposition No. 12.

NO. 2. "PROHIBITION." This is a proposed amendment to the constitution prohibiting the manufacture, sale or giving away or the transportation within or into the state of intoxicating liquors, except for medicinal, scientific, mechanical or sacramental purposes. It permits any citizen to make complaint of known violations. The committee makes no recommendation in regard to this proposed amendment, for the reason that the resolution of the Inter-City Commission appointing the committee, expressly instructed it to make no recommendations on this subject. In justice to themselves, however, the members of the committee state that they personally favor the adoption of the amendment.

PROPOSITION NO. 39. "SUSPENSION OF PROHIBITION AMENDMENT." This provides that in the event proposition No. 2 for prohibition shall carry, that its provisions shall not take effect regarding the sale of liquor in the state until February 15th, 1915, and as to shipping liquor out of the state not until January 1st, 1916. This gives those who have money invested, or who are engaged in the liquor business, time to withdraw, if proposition No. 2 carries, and enables those who are engaged in grape culture to dispose of this year's crop. **VOTE "YES."**

PROPOSITION NO. 47. "PROHIBITION ELECTIONS." This amendment is unfair and misleading. It provides (amongst other things) that the vote of any city or county, or district, upon the question of state prohibition shall determine whether that city or county or district shall be "wet" or "dry," within its own limits. It repeals existing laws regulating the liquor traffic. It also provides that if any political subdivision shall vote "wet," either on the prohibition amendment, or at any other election, no subsequent election upon the subject shall be held within eight years, while if it votes "dry," it shall be considered "non-licensed" territory, but this provision does not state

that liquors shall not be sold in such "non-licensed" territory. Also it does not prohibit the question again being voted upon, in the latter circumstances, at ANY election, without waiting eight years. The proposed amendment is full of other "jokers" and evidently was not framed in good faith. **VOTE "NO."**

NO. 3. "EIGHT-HOUR LAW." While founded on a correct theory, this law is too broad in its application, and in its present form would seriously hamper some important industries and the labor connected therewith. **VOTE "NO."**

NO. 4. "ABATEMENT OF NUISANCES." This "red light abatement act" is moulded upon statutes of other states which have worked successfully. This act makes owners of the buildings and promoters of vice therein amenable to the law and not alone those caught in police raids. It permits any citizen to bring an action of injunction prohibiting the use of the building for such purposes and enjoining the owner and occupant from engaging in such business. **VOTE "YES."**

NO. 5. "INVESTMENT COMPANIES ACT." This act is designed to fill a pressing need for the proper control of corporations. While cumbersome in form, the committee believes that it should be adopted, and if, in its workings it is found that changes should be made, it may be amended by the legislature. **VOTE "YES."**

NO. 6. "WATER COMMISSION ACT." This creates a water commission with powers similar to those of the railroad commission and is designed to better protect the people in the appropriation, use and control of the waters of the state, and is a meritorious act. **VOTE "YES."**

NO. 7. "LOCAL TAXATION EXEMPTION." This is known as the "home rule in taxation" amendment, and would give any county, city or town power to exempt from taxation for local purposes improvements on or over land and any personal property except franchises. This would be an experiment in taxation. The majority of the committee recommends a favorable vote.

NO. 8. "EXEMPTING VESSELS FROM TAXATION." This is designed to encourage shipping on the high seas and from our California ports and is a meritorious act. **VOTE "YES."**

NO. 9. "REGULATING INVESTMENT COMPANIES." This is a measure proposed by certain corporations and conflicts with, and would make ineffective proposition No. 5, recommended by the committee. **VOTE "NO."**

NO. 10. "ABOLITION OF POLL TAX." This measure proposes that no poll tax shall be collected. If adopted a large class of our people, including unnaturalized foreigners, will pay no taxes although receiving the benefits of our government. **VOTE "NO."**

NO. 11. "UNIVERSITY OF CALIFORNIA BUILDING BOND ACT." This provides for a state bond issue of \$1,800,000 for the construction of buildings and adding to the beauty and efficiency of the state university plant at Berkeley. Our state university needs this money. **VOTE "YES."**

NO. 12. "CONSTITUTIONAL CONVENTIONS." Has been discussed in connection with proposition No. 1. **VOTE "YES."**

NO. 13. "QUALIFICATION OF VOTERS AT BOND ELECTIONS." This initiative proposition provides that no elector shall vote on the question of incurring bonded indebtedness UNLESS A TAXPAYER, and in theory, instead of being advanced legislation, in returning to the rule of property, this is retrogression to a system of government long since

abandoned, and would be class legislation. It would disqualify from voting upon such questions at least 75% of women voters. **VOTE "NO."**

NO. 14. "VOTING BY ABSENT ELECTORS." This provides a method whereby those away from home on election day may vote and send their ballot by mail. It is dangerous in that it is not sufficiently safeguarded by restrictions. It would complicate the election machinery. **VOTE "NO."**

NO. 15. "DEPOSIT OF PUBLIC MONEYS." This measure proposes that bonds of SURETY COMPANIES may be put up as security for deposit of public moneys and changes the present law to that extent. There is no necessity for such act and it is unsafe. **VOTE "NO."**

NO. 16. "CONDEMNATION FOR PUBLIC PURPOSES." This measure, sometimes called "the excess condemnation amendment," enlarges the powers of the state or any county or municipality in condemning property for public purposes for future use. This is meritorious. **VOTE "YES."**

NO. 17. "EXPOSITION CONTRIBUTION BY ALAMEDA COUNTY." This proposed amendment will PERMIT Alameda county to vote bonds, payable by taxes and assessed in that county only, in aid of the San Francisco exposition. The state at large has no direct financial interest in this. **VOTE "YES."**

NO. 18. "NON-SALE OF GAME." This act throws greater protection about the game of the state and will prevent the slaughter of game for sale upon the markets. **VOTE "YES."**

NO. 19. "CONSOLIDATION OF CITY AND COUNTY, AND LIMITED ANNEXATION OF CONTIGUOUS TERRITORY." This amendment carries a fundamental change in the existing law of the state, in providing for the assumption of bonded indebtedness, in cases of annexation, by a simple majority vote at any election instead of a two-thirds vote, as now required. The existing safeguards are proper, and conform to the general practice elsewhere. Moreover, in the formation of a consolidated city and county government, the smaller cities or unincorporated territory proposed to be annexed, do not have a chance to vote directly and separately on whether they shall join the larger city; they have no voice in framing the charter by which they would be governed, and practically no say as to what district shall be added. The measure is full of danger to the "outside" communities. There are ample laws already covering annexation when both communities desire. The alleged economies which have been urged as the excuse for this measure can be and are being obtained under existing law without territorial change. There are a number of things which make this measure in the opinion of many unbiased business men undesirable for Los Angeles, as well as the smaller cities. **VOTE "NO."**

NO. 20. "PRIZE-FIGHTS." Prohibiting prize-fights, but permitting four-round amateur boxing exhibitions, unless prohibited by ordinance. This prohibits brutal prize-fights, but allows clean, fair sport. **VOTE "YES."**

NO. 21. "CITY AND COUNTY CONSOLIDATION AND ANNEXATION WITH CONSENT OF ANNEXED TERRITORY." This proposed amendment is almost identical with No. 19, and is equally vicious. **VOTE "NO."**

NO. 22. "LAND TITLE LAW." This proposed act, known as the "Torrens law," gives the owner of real estate the option of obtaining certificates of title through the present title company method, or of having his title registered by the county recorder and insured by the state. It is not compulsory. **VOTE "YES."**

NO. 23. "ELECTIONS BY PLURALITY, PREFERENTIAL VOTE, AND PRIMARY." The preferential ballot system has been tried out successfully in other places, and as this measure applies only to local non-partisan elections, and is permissive, not compulsory, it seems to be meritorious. **VOTE "YES."**

NO. 24. "ASSEMBLY PAYROLL EXPENSES." There seems to be no pressing need for the spending of more money by the legislature or changing the present arrangements. **VOTE "NO."**

NO. 25. "ADOPTION AND AMENDMENT OF MUNICIPAL CHARTERS." This simplifies the procedure for the adoption of a freeholders' charter by a municipality. It permits the grant of general powers to any city of more than 3500 population. **VOTE "YES."**

NO. 26. "LEGISLATIVE CONTROL OF IRRIGATION, RECLAMATION AND DRAINAGE DISTRICTS." The legislature now has no right to supervise or control such districts. This would grant the legislature such right and would be an added protection to our citizens in such districts. **VOTE "YES."**

NO. 27. "COUNTY CHARTERS." This amendment facilitates the doing away with the duplication of certain city and county officials without territorial change. **VOTE "YES."**

NO. 28. "REGULATION OF PUBLIC UTILITIES." This changes the present law so that cities having once so voted lose control of their public utilities to the railroad commission and cannot regain this control. This might put the city at the mercy of a bad railroad commission without recourse. **VOTE "NO."**

NO. 29. "INCORPORATION OF MUNICIPALITIES." This proposed amendment is related to No. 27, affecting cities as that affects counties. It is in the interest of economy. **VOTE "YES."**

NO. 30. "IRRIGATION DISTRICTS CONTROLLING INTERNATIONAL WATER SYSTEMS." This amendment concerns Imperial valley and its gigantic irrigation system only. It seems to be a measure for protection and facilitates handling water and water rights in this valley. **VOTE "YES."**

NO. 31. "VALUATION OF CONDEMNED PUBLIC UTILITIES BY RAILROAD COMMISSION." This proposed amendment clarifies the existing law permitting cities to have their public utilities valued by the railroad commission in case of condemnation and when they so desire. **VOTE "YES."**

NO. 32. "ELECTION OF UNITED STATES SENATORS." If carried, makes possible the railroad of a good governor into another office, leaving a weak or bad lieutenant-governor in his place. **VOTE "NO."**

NO. 33. "PUBLIC UTILITIES IN MUNICIPALITIES." This act is designed to permit municipalities operating public utilities to extend their operations into other municipalities operating like utilities, and in competition with such other cities within their own boundaries. **VOTE "NO."**

NO. 34. "TAXATION OF PUBLIC PROPERTY." This provides for the taxation of lands held by municipalities outside of their boundaries. This is just. **VOTE "YES."**

NO. 35. "SACRAMENTO STATE BUILDING BONDS." This state needs adequate buildings in which to conduct its affairs. **VOTE FOR THE BONDS.**

NO. 36. "SAN FRANCISCO STATE BUILDING ACT." Our information is that the state does not need additional buildings in San Francisco. **VOTE AGAINST THE BONDS.**

NO. 37. "STATE FAIR GROUNDS BONDS." This is to provide for the issuance of state bonds, \$750,000, for improvement of state fair grounds at Sacramento. Our information is that the amount of money asked for is excessive and the proposition should be voted down. **VOTE AGAINST THE BONDS.**

NO. 38. "LOS ANGELES STATE BUILDING BONDS." This act provides for the issuance of \$1,250,000 of state bonds for erection and equipment of a state building in Los Angeles. This building is needed. **VOTE FOR THE BONDS.**

NO. 39. "SUSPENSION OF PROHIBITION AMENDMENT." This is discussed in connection with proposition No. 2. **VOTE "YES."**

NO. 40. "EXTRA SESSIONS OF DISTRICT COURTS OF APPEAL." This proposition is objectionable for the reason that anyone of five officials may call such extra sessions and there is no great need at this time therefor. **VOTE "NO."**

NO. 41. "MISCARRIAGE OF JUSTICE." This proposed amendment is designed to PREVENT reversals by the appellate courts in civil actions because of mere technicalities unless injustice has been done. This amendment is meritorious. **VOTE "YES."**

NO. 42. "PLACE OF PAYMENT OF BONDS AND INTEREST." This is designed to permit bonds to be made payable in foreign countries, thereby facilitating their sale. **VOTE "YES."**

NO. 43. "EXEMPTING EDUCATIONAL INSTITUTIONS FROM TAXATION." California is the only state which does not already do this. **VOTE "YES."**

NO. 44. "MINIMUM WAGE." Authorizes the legislature to provide for the establishment of minimum wage for women and children in order that a fair and living wage shall be paid to them when required to work for wages. This amendment contemplates the fixing of the minimum wage for different occupations by the state welfare commission. The proposition is meritorious. **VOTE "YES."**

NO. 45. "ONE DAY OF REST IN SEVEN." This is known as the "Sunday rest law" and carries so many exemptions as to render the law almost a farce. This appears to be class legislation. **VOTE "NO."**

NO. 46. "DRUGLESS PRACTICE." This initiative measure creates a state board of examiners for drugless physicians and fixes the qualifications for practice as such. The committee recognizes that the existing law is not in all respects equitable, but this proposed law would lower the standards for admission to the practice of medicine and while admitting some worthy practitioners, would open the door to quacks. **VOTE "NO."**

NO. 47. "PROHIBITION ELECTIONS." This initiative measure is discussed in connection with proposition No. 2. **VOTE "NO."**

NO. 48. "BONDS FOR IMPROVEMENT OF SAN FRANCISCO HARBOR." This measure provides for issuance and sale of state bonds for payment of indebtedness to be incurred by the board of state harbor commissioners for improvement of the harbor at San Francisco, in an amount not to exceed \$10,000,000, the bonds and interest to be paid from the revenue derived from the harbor, but the credit of the state is pledged as security. This bond issue was asked for by the state harbor commission. The measure was referred to popular vote or the legislature. The improvement is needed. **VOTE FOR BONDS.**
