MEMORANDUM FOR ALL AGENCIES OF THE WAR DEPARTMENT GROUPS:

SUBJECT: Separation of Officers - Desire to Continue on Active Duty

1. The purpose of this memorandum is to inform all agencies of the War Department Groups of the amended volunteer statement to be signed by officers who desire to continue on active duty regardless of eligibility for release under Readjustment Regulations.

2. Effective 30 September 1945 existing statements of desire to continue on active duty are revoked and all officers will be allowed to sign the following amended statement:

"Regardless of any eligibility which I may have now or in the future for relief from active duty under the Readjustment Regulations, I elect, unless sooner relieved, to continue on extended active duty until 30 June 1947 or for the duration of the emergency and 6 months if this occurs earlier."

3. All officers who desire retention on active duty, in accordance with the amended statement, should make known this fact at the earliest practicable date in order that the information may be available for planning purposes; however, the statement may be signed at any time up to and including the date when administrative action is started to effect release under Readjustment Regulations.

4. It will be assumed that officers who do not sign the revised volunteer statement desire relief from active duty as soon as they become eligible under the Readjustment Regulations.
