**CAUTION TO THE PUBLIC.**

BEWARE of the introduction of UDOLEPHO S. WOLFE'S SCHNAPPS. It has been known to pass through its own official duties, the most highly esteemed spirits in the market, and therefore it is not surprising that it has been IMITATED AND COUNTERFEITED.

Purchasers should use the greatest CAUTION, or they will have a STURDIOUS and CHEAPER article put off on them as the GENUINE SCHNAPPS.

Some unprincipled people are obtaining a COUNTERFEIT of their own manufacture, which they call "WOLFE'S SCHNAPPS." We therefore strongly advise parties to protect themselves and buy only Original Unopened Bottles or Cases, and thus secure the full advantages of the EXTRAORDINARY MEDICAL BEVERAGE.

Every genuine bottle bears a label with our name thereon.
