UNION HIGH SCHOOL WELFARE ASSOCIATION OFFER TO ASSIST TRUSTEES

To the Honorable Board of Trustees, Glendale Union High School.
The Union High School Welfare Association in compliance with its stated intention that immediately upon the defeat of the proposition submitted at the bond election of February 27, it would do everything in its power to assist the Board of Trustees in securing the needed increase in school facilities, does hereby submit the following suggestions:

That an election be called at once by the Trustees of the Glendale Union High School for the purpose of voting bonds in the sum of \$150,000, the application of this amount to be as follows:

1. For making additions to one or more of the present buildings and the purchasing of furniture and equipment for same, a sum not to exceed \$110,000.
2. For acquiring from ten to fifteen acres of land for a future High School site—the location of same to be chosen at a future election by a vote of the people—a sum not to exceed \$40,000.

We furthermore recommend the employment of local architects in the preparing of plans and specifications and the supervision of work.

Respectfully submitted,
The Union High School Welfare Association.

F. H. Lowe, Chairman,
Wm. L. Baker, Secretary.
Glendale, March 2, 1920.

QUARANTINES LIFTED

The influenza patients who have been seriously ill are beginning to get out again. Last Friday the quarantine was lifted on the home of Charles H. Toll on Kenneth Road. Mrs. Toll is so far recovered that she was able to attend the sessions of the District Federation of Women's Clubs at Inglewood on Tuesday, her oldest son has returned to college and the younger one is awaiting the reopening of the schools here.

The quarantine on the John Robert White home was another place on which the quarantine was lifted Friday. Mrs. White is able to be up but admits that she still feels pretty weak and has to husband her strength. She declares she has lost a lot of her "pep." Her two boys were even sicker than she was and it is taking them some time to get over it. They are not yet out, but are doing nicely, she reports.

DEATH OF RUTH LEVITT

The many friends of Ruth Levitt, the 13-year-old daughter of Mr. and Mrs. I. S. Levitt, will be shocked and grieved to learn of her death Wednesday evening, March 3, 1920, at the home of her parents at 649 North Hampton Street, Los Angeles. Mr. and Mrs. Levitt formerly resided on North Central Avenue, this city, and have a large circle of acquaintances here. Ruth was their only daughter and they are heartbroken over her passing. Her illness began with influenza and terminated in pneumonia. Funeral arrangements have not been made at this writing.

AFTERNOON TEA

MRS. WILLIAM FARLANDER ENTERTAINS FOR MRS. S. FARLANDER AND MRS. KLOPP

One of the prettiest afternoon affairs of the season took place Wednesday at the home of Mrs. William Farlander who entertained in honor of her husband's mother, Mrs. S. Farlander of Chicago, and Mrs. Edward Klopp of Falfalo, sister and house guest of Mrs. Robert Yost of this city. The attractive Farlander residence on Riverdale Drive was a veritable bower of spring blossoms. An informal musical program was given by talented guests, which included piano solos by Mrs. Le Roy Bosserman, who also furnished the piano accompaniment for vocal solo and duet numbers by Mrs. Catherine Shank and Mrs. Robert Yost. Delicious refreshments were served, Miss Scott and Mrs. Fraser presiding over the coffee and tea urns.

The ladies entertained besides the guests of honor were: Mrs. Fellows of Detroit, Mrs. Manbert of Los Angeles, Mrs. Williams and Mesdames Robert Yost, Catherine Shank, Harry Rogers, J. F. Hearnshaw, Colin Cable, Minnie Patterson, George Lyons, R. Gilbert, Mack Rogers, Stephen Packer, P. O. Lucas and her sister, Mrs. Creech of Kentucky, Merrill Russell, L. Ashton, Le Roy Bosserman and A. S. Chase.

BROADWAY SCHOOL

ROOMS ON EAST SIDE TO BE CUT OFF AND PLACED IN REAR FOR SCHOOL USE

The initial work of wrecking the old building on the Broadway School campus was begun Wednesday. After conferring with contractors the School Trustees found it would be possible to detach a tier of three school rooms on the east side of the building and move them to the rear of the lot, where they could be used for school sessions and thus obviate the necessity of purchasing tents. This plan was accordingly adopted. The rooms open onto a corridor which will be sliced off the main building. They will not therefore be open to the weather. It was estimated that the removal would require but five days. If the school opens Monday it may be necessary to have half-day sessions in those rooms for a few days.

The ungraded room, it is now planned, will be transferred to the Doran Street School where a central, well-lighted corridor can be utilized. As the pupils in this room come from all parts of the city, they will not be seriously inconvenienced by the change.

MORE NEW VALLEY RESIDENTS

Several months ago Mr. May and family arrived from Montana in search of a warmer climate than the one they had come from, and knowing that their friends, Mr. and Mrs. N. C. Gibbs, lived in Glendale at 110 North Cedar Street, they looked them up and established themselves here for several months. They were so well pleased with the San Fernando Valley that Mr. May purchased property at Burbank and sent for his son. The young man has just arrived and is as delighted as his father expected him to be. As soon as he has looked around and found a satisfactory location he will send for his wife and family. Mr. May, Sr., and N. C. Gibbs were boys together "back in Illinois," and have always kept up their acquaintance.

COWBOY FUNERAL

WM. McPHERSON, ACCIDENT VICTIM, ACCORDED RANGE HONORS

Wm. McPherson, the cowboy killed last Saturday by a Southern Pacific freight train in the northwest part of Glendale, was given a real range funeral yesterday afternoon. As early as 11 o'clock cowboys and cowgirls from all the film studios in Los Angeles and vicinity began arriving by twos and in groups. Various vehicles typical of the plains were brought out also, to bear a part in the funeral pageant and many members of film companies lent their presence. Beautiful floral pieces arrived at intervals during the forenoon, one whole truck load coming at a time. At 1:30 the plain spring wagon that was to be used as a hearse drew up in front of the Pulliam Undertaking Company parlors to receive the casket. It was drawn by four broncos, calico ponies as they are called from their patchwork coloring. The casket was carried out by six cowboys who had been McPherson's nearest friends. It was covered with a large American flag and a coiled lariat rested on the top. After it was placed on the wagon floral pieces were banked about it and others were distributed among the various wagons and autos that were to be in line. The dead man's favorite cow pony, led by a cowboy, was just behind the improvised hearse, with saddle reversed and boots in the stirrups. A wreath of sweet peas covered the saddle. The procession then started, led by two officers of the National Film Company, for which McPherson was working when killed. The hearse followed, with the pall bearers, riding three on each side on their range ponies. The lead horse and its attendants followed, then an old U. S. stage coach drawn by six horses and carrying as passengers some of the movie stars, then a plains wagon from which the canvas cover was removed to allow floral pieces to be carried in it. Cow-

H. E. Bartlett and wife of 347 N. Brand visited relatives near Ontario the first of the week and had a very enjoyable time. Mr. Bartlett says prospects for all kinds of fruit are excellent and the orange crop is bringing high prices. Many ranchers are investing in tractors to do all the heavy work and the day of the mule seems to have passed.

HUNGARIAN PEACE TREATY

ITALIAN MINISTER DEMANDS ITS REVISION BY THE COUNCIL OF PREMIERS

(Special Service to Glendale Evening News)
PARIS, March 4.—Premier Nitti of Italy has formally demanded that the Council of Premiers revise the peace treaty with Hungary, the political editor of Echo de Paris cabled from Rome today. The Italian premier, according to this editor who usually is well informed, asserted that three million Hungarians are within the borders of Switzerland, Rumania and Czecho-Slovakia not included in the new Hungarian nation.

The next meeting of the council, it was learned, will be held at San Remo simultaneously with the international conference in Rome. The council before its adjournment in London last night partially adopted Marshal Foch's report on the military clauses to be imposed upon the Turks including the inter-allied occupation of the border of the Bosphorus, Dardanelles and Sea of Marmora, according to dispatches received here.

LOS ANGELES JAIL BREAK

FIVE PRISONERS SAW THEIR WAY TO LIBERTY; FORTY-FIVE OTHERS THWARTED

(Special Service to Glendale Evening News)
LOS ANGELES, March 4.—One of the most successful jail deliveries in the annals of Los Angeles police history was effected early today when five men, three of whom were felony suspects, sawed their way to liberty from the city jail. The jail break was discovered at nine o'clock during the roll-call of prisoners. Those who escaped are: Henry L. Brenton, 20, charged with burglary; Clifford J. Walker, 41, charged with burglary; J. A. Hale, suspected of desertion; John Dutra, charged with violation of probation; Lester Blackford, a fugitive from justice. The approach of dawn, it is believed, thwarted a possible attempt of 45 other prisoners to escape. These men had access to a hole in a window through which the five men crawled. None would take a chance of escape in broad day light.

IRISH REBELLION

DARING SINN FEIN RAIDS BY ARMED AND MASKED REBELS LEAD TO ROUND-UPS

(Special Service to Glendale Evening News)
DUBLIN, March 4.—Military authorities, assisted by the police, continued today their efforts to locate leaders in the recent Sinn Fein raids which have resulted in the stealing of supplies, arms, ammunition and government mail. The most daring raid took place here yesterday when a band of armed and masked men held up a mail wagon and obtained official documents addressed to Lord Lieutenant French and Dublin Castle.

The military authorities arrested Thomas Hundtner, a member of parliament from northwest Cork and Alderman O'Brien, secretary of the Irish Trade Union, and searched many Sinn Fein homes in an effort to round up members of the Sinn Fein cabinet.

DROP IN FOOD PRICES AT CHICAGO

FEDERAL OFFICIALS SEIZE IMPURE SUPPLIES AT STORAGE HOUSES; WILL PROSECUTE OWNERS

(Special Service to Glendale Evening News)
CHICAGO, March 4.—Prices of foodstuffs dropped here today after federal officials inaugurated a campaign to confiscate all impure supplies. Goods unfit for market purposes were seized in large quantities at storage houses. Violations of the pure food act will be charged against the owners. Eggs sold around 45c a dozen today. Dealers predicted another decline shortly. Butter also fell several cents, retailing at 67c today.

RAILWAY STRIKE AGAIN IN OFFING

OFFICIALS OF UNITED BROTHERHOOD MEET TO DISCUSS IT AT CHICAGO

(Special Service to Glendale Evening News)
CHICAGO, March 4.—Officials of the United Brotherhood of Maintenance and Way employes and shop workers, went into conference here today to determine whether 400,000 railway employes will strike.

"It is a fight with the railroads to a finish," railroad union men here declared. The demands of the union for increased pay were presented to the government two months ago.

A threatened strike was held up at the request of President Wilson who asked that the new railroad bill be given a chance to work out an adjustment.

AMERICAN CONSULATE BOMBED

ANARCHISTS BELIEVED TO BE RESPONSIBLE FOR THE EXPLOSION AT ZURICH

WASHINGTON, March 4.—The American consulate at Zurich, Switzerland, was partly destroyed by a bomb explosion last night, State Department officials were advised today. It is believed that anarchists were responsible.

EXPERT FORGER

E. M. STANLEY, ARRESTED TUESDAY, MUCH WANTED CRIMINAL

E. M. Stanley, the man arrested at 1018 East Harvard Tuesday afternoon, as mentioned in yesterday's Evening News, proves to be a much-wanted man, as he and his wife had been passing bad checks in Orange county recently and were being diligently sought for by the authorities there and by the sheriff of Los Angeles county as well. Stanley and his wife came to Glendale nearly a month ago and rented the house at 1018 East Harvard, paying for a month in advance. On Tuesday morning Stanley bought a \$200 phonograph of the Glendale Phonograph and Piano Company, giving in payment a check for \$450 on a Seattle, Wash., bank. He had been in frequently looking at instruments, was a man of pleasing address and seemingly all right, so Mr. Salmacia took his check and gave him the firm's check for \$250 in change. Mr. Smith of the Bank of Glendale, to which bank Stanley took the check for cashing, hesitated about paying it, but was personally assured by Mr. Salmacia that it was all right. However, at Mr. Smith's suggestion, the Seattle bank was wired and the reply was that E. M. Stanley was unknown to them and had no funds on deposit there. This stamped the \$450 check as a forgery, so Mr. Salmacia at once notified the Glendale police authorities and the sheriff's office as well. A watch was set on the house Stanley occupied and a woman giving her name as Pearl Bell and a male companion by the name of Seaton were arrested as they entered the place. They were released shortly afterward, as nothing incriminating was found about them. A little later Stanley came over from Pasadena in a taxi and was arrested as

BIRTHDAY DINNER

MRS. SALISBURY SURPRISES HUSBAND ON HIS NATAL DAY AT THEIR NEW HOME

Mrs. Harold Salisbury was hostess at a pleasant function at which she entertained relatives at a family dinner Wednesday evening in celebration of her husband's birthday. It was a surprise for the guest of honor, who had no knowledge of what was in prospect until he reached home in the evening and found the company awaiting his arrival. It was quite informal and was followed by a social evening. Covers were laid for Mr. and Mrs. R. A. Salisbury, Miss Maud Salisbury, Mr. and Mrs. Frank Parsons, Mrs. Viola Wright, Mrs. Martha Marriott and the host and hostess, who are welcoming their friends in their new home at 377 West Milford Street purchased recently and of which they took possession about two weeks ago.

WEDNESDAY CLUB

Mrs. W. A. Gibson of 518 E. Windsor Road was hostess yesterday to members of the Wednesday Club who enjoyed their usual buffet luncheon at 12:30 o'clock and then spent a pleasant social afternoon over their fancy work. Guests of honor were Mrs. Palmer and Mrs. Thorwart of Chicago, mother and sister of Mrs. Glover, who are leaving for their home in Illinois on Saturday. The Gibson home had been beautifully decorated by the hostess with freesias and violets which centered the luncheon table and were effectively used in the living rooms. Members present were: Mesdames Roach, Hearnshaw, Sanders, Glover, Clotworthy, Frank Muhleman, Alfred Muhleman, Miss Ringert, Mrs. Freshman of Los Angeles, Mrs. Hester and the hostess.

BUTTER DROPS EIGHT CENTS A POUND

A drop of eight cents a pound in the price of butter yesterday aroused hope in the hearts of housewives that the continued rise in food prices was checked at last. Still further reductions in the near future are anticipated and the daring hope was expressed by one grocer that the low level of 40 cents a pound would be reached by midsummer.

Four new houses almost in a bunch at the west end of Hawthorne Street and another building a short distance east gives a highly prosperous appearance to that section of the city.

WEDDING IN PROSPECT

ELMER ADAMS AND MISS CORNELIA HERRON OF SUNLAND TO BE UNITED MARCH 17

Sunland will be the scene of a large wedding March 17th when Miss Cornelia Herron, daughter of Mr. and Mrs. Fred Herron of that community and niece of Mr. and Mrs. Earl E. Hitchcock of Gardena Avenue, this city, will be united in marriage to Elmer Adams, a representative of one of the old families of the district, his father being president of the Sunland Olive Factory. The bride attended the Union High School here and has a large circle of Glendale friends.

The wedding will take place at the Monte Vista Hotel and Miss Carrie Adams, sister of the groom, will be the maid of honor. Little Mildred Adams will serve as flower girl, and little Bettie Hitchcock as ring bearer.

A very Frenchy color scheme of delicate pink and blue has been selected to dominate the affair and will be carried out in the floral decorations in which wild flowers and orchard bloom will be lavishly employed, and there will be a touch of pink and blue in the gowning of the bride's attendants.

DEATH OF C. Y. SHELDON

C. Y. Sheldon of Cincinnati, Ohio, passed away Tuesday evening, March 2, 1920, at the Glendale Sanitarium. He had been in ill health for some time and accompanied by Mrs. Sheldon came to Southern California about ten weeks ago in the hope that the change of climate would benefit him. For a short time he was a guest in the home of Mrs. Sheldon's sister, and brother-in-law, Mr. and Mrs. S. S. Gihuly, at 342 El Bonito, this city. He was then taken to a Los Angeles hospital and a short time ago was transferred to the Glendale Sanitarium. Though his illness had been prolonged, his friends were not prepared for his death at this time. Funeral services are being held at the Pulliam Undertaking Parlors today at two o'clock, Masonic Lodge officials having charge. The remains will be shipped to Cincinnati for interment and Mr. Gihuly will accompany the widow on her sad errand.

HAINES FAMILY TO LEAVE GLENDALE

Rev. and Mrs. Eugene Haines and family who have been living at 1439 East California will move to Los Angeles about the 25th of the month. They leave Glendale very reluctantly, but learning that the house they have been occupying was to be put upon the market they deemed it wise to take advantage of an opportunity to secure a satisfactory dwelling in the larger city. They will be located at 5000 South Main Street.

MILFORD STREET CARD CLUB

The Milford Street Card Club was entertained Tuesday afternoon at the home of Mrs. J. H. Southard, at 341 West Doran Street. The hostess had beautifully decorated her house with yellow lilies, and dainty refreshments were served at the close of play, in which Mrs. Vinton made high score. Mrs. Humans and Mrs. Pannier substituted for Mesdames J. R. White and E. L. Young who were unable to be present.

MEXICAN QUESTION

REV. A. V. LUCERO PRESENTS IT FROM VIEWPOINT OF SPANISH-AMERICAN

Every Wednesday evening for five weeks a School of Missions is in session immediately following prayer meeting in the Presbyterian church. Last evening Rev. A. V. Lucero of the Mexican church in San Gabriel gave the address. His talk was intensely interesting and brightened with frequent touches of quaint humor. He and his wife motored down from San Gabriel for the meeting and were the special guests in the delightful social hour which followed. Miss Rose Scott of Los Angeles is the leader of the School of Missions and each week some special address will be given. Next Wednesday Mr. Harry Shaffer, who is well known among educational leaders, will be the speaker. He has a very definite message along the lines of Christian Americanization and Christian education. The attendance is doubling itself each meeting and the prayer meeting, Mission School and closing "Get Acquainted Hour" form an evening well spent.

GIVE THE YOUNG MEN AN OPPORTUNITY

Three years ago when our country was facing one of the most terrible wars that has ever been known, the heads of our nation got together and said we must enter the world war, and the men that we will place the burden of the fight upon are the young men of our country, aged from 21 to 31 years.

These young men answered the call nobly. They went forth and did their work so completely that there is no need to rehearse the story. Everybody knows it and feels proud of their achievement.

Almost 300 of these young men who took part in the world war are now residents of Glendale. Since they were recognized as being good material to defend our country in time of the world war, why may they not be considered as good material to represent our city in time of peace?

"Of course I did! Of course—of course!" fussed Mr. Toddles.

"What is missing?"

"Several odds and ends, and three complete sets of harness—brand-new, too!"

"Ah!" murmured the detective, making a note in his little book.

"And have you any idea how many thieves were in this robbery? Did the thief or thieves leave any clew—any traces behind them?"

"Traces—traces!" said Mr. Toddles. "No; they took those, too!"

Frances and Stuart Weisenheimer, the son and daughter of Captain and Mrs. Weisenheimer, now living on Louise Street, near Chestnut, are better after being very ill, their sickness having begun with whooping cough, which ran into bronchitis and pneumonia.

Friends of Mrs. Keim and Mrs. Thomas of 342 West California will be glad to know that they are now able to be out, after having been confined to their rooms for the past week. Their home was not under quarantine, as the attending physician did not pronounce their illness influenza.

Mr. and Mrs. Aaron Last are moving into a pretty new home they have just built on South Belmont Street. It adjoins the new home which Mrs. Olive I. Nelson, mother of Mrs. Last, has been building and into which she will move the last of the week. The two families have been living together on Cedar St.

Mr. and Mrs. Jack McKenzie and infant, formerly of Hollywood, moved the first of this week into their new home at 1524 Loraine Street which they bought a short time ago from Mr. Ivan A. Robinson. Mr. McKenzie, who is a cameraman connected with a Hollywood film company, is a former resident of Glendale.

Mrs. Roscoe Puffer of 452 Vine Street is giving a six o'clock dinner this evening for Walter Jones and family, their daughter, Nan, and Mrs. Jones' mother, Mrs. Betz. Covers will be laid for eight, including Mr. and Mrs. Puffer, their son, Walter, and Mrs. Puffer's mother, Mrs. Walther of Chicago, who is spending the winter here.

Miss Catherine Weising of 117 North Kenwood, who recently went back to the old home in St. Louis, Mo., to visit her two married sisters, writes that she finds the same old weather there. She will return in the late spring, accompanied by her sisters, their husbands and children, who expect to locate in California, preferably in Glendale.

Mr. and Mrs. George H. Rowe have been advised that their son, Laurence, who is a mechanic in the Motor Transport Corps of the army at San Francisco, is now in Letterman Hospital with a broken limb as a result of a collision while on a motorcycle with an automobile. The account they have received of the accident indicates that Laurence was not at fault.

Mrs. Harry Greenwalt of Oak St., who was named as one of the delegates of the Tuesday Afternoon Club to the District Federation Convention at Inglewood, states that at the sessions yesterday one of the most important actions taken was the passage of a resolution recommending all women of Southern California to boycott potatoes and refrain from their use as an article of diet and thus bring down the price.

Dallas M. Cookingham, who came here from Oregon two years ago with his wife and bought a home at 229 South Central Avenue, is exercising a general supervision over the construction of the new residence of his son-in-law, Manley M. Johnson. Mr. Cookingham is still hale and hearty, though he celebrated his seventy-fifth birthday last November, the 11th. He says he has no trouble in remembering the date, since the Allies did him the honor of choosing that day for the signing of the Armistice.

Mrs. L. B. Rambéau, who recently bought the Harry Duffield place at 122 West Lomita Avenue, is adding a number of improvements to the property, among them a new garage.

P. M. Custer of 807 East Windsor Road reported to the police yesterday that while his machine was standing in front of the place, headed east, a car driven by Mrs. E. P. Finley of 1123 East Elk Avenue, going west, collided with it, head-on, damaging the left front fender. The front axle of Mrs. Finley's car was bent and both tires damaged.

Mr. and Mrs. Richardson D. White and daughter, Helen, left Wednesday morning for the Coachella Valley. Mrs. White has been suffering from asthmatic trouble and wanted to try the effect of a change of climate, and she and Professor White also were glad to have the chance to visit a part of California in which so many Glendalians are interested.

Mr. and Mrs. H. V. Henry of 327 Patterson Avenue, who for some time have been anticipating the arrival of Mr. Henry's sister, Mrs. James Brennan, of Pittsburg, had the pleasure of welcoming her to their home today. She stopped en route to visit a brother in Texas and was detained there longer than she expected. It is her first visit to Southern California and she and the Henrys will probably do considerable sightseeing.

Mrs. Arthur C. Brown of Milford Street had the pleasure of entertaining Wednesday an old friend from Dexter, Ia., Mrs. Bluford Chambliss. They were intimate in their young womanhood, Mrs. Brown being maid of honor at the wedding of her friend. Mr. and Mrs. Chambliss are spending a short time in Southern California with which they are perfectly infatuated, especially Glendale, which they think about the most attractive town they have ever seen as a residence city. They hope some time to be able to come here to live.

Wilbur Francy of the First National Bank, who recently sold his home at 454 Ivy, is having a three-room garage for a temporary residence built on the rear end of his lot at 321 Ivy St., just a block north of his brother-in-law, Geo. H. Staub, with whom he and Mrs. Francy have been living since they gave possession of the property sold. Wilbur says he will build a residence on the front of the lot as soon as that promised 25 per cent reduction in building material comes. The cost of the garage is given as \$400 in the building permit.

The home of John A. Quackenbush of 1119 East Colorado Street has been quarantined for twelve days, their daughter, Evangeline, having been very ill of influenza. She is now very much better and is considered out of danger by her physician. She contracted the disease while caring for her married sister, who was the first member of the family to come down with it. The same day that Evangeline succumbed her brother-in-law was taken down. He is now practically recovered, however, and the quarantine has been lifted from his home.

SCHOOLS TO OPEN

AFTER ENFORCED VACATION OF THREE WEEKS, WORK TO RESUME MONDAY

Two weeks ago last Monday noon the High School and grammar schools were closed by order of the Health Officer, on account of the spread of influenza. There were many cases at that time and the number was constantly increasing, though very few were of a serious nature. Conditions have been improving steadily of late and now only two or three new cases a day are reported. In consequence Dr. J. E. Eckles, Health Officer, deems it wise to order the schools to resume their sessions Monday morning, March 8, and the formal notice to that effect is published in today's Evening News.

DEATH OF BETSY JANE NOBLE

Mrs. Betsy Jane Noble, 76 years of age, who has been a resident of Glendale for seven years in the home of her daughter and son-in-law, Mr. and Mrs. T. W. Curl, died there Wednesday morning, March 3, 1920, at nine o'clock. She had been an invalid for about ten years and was in no condition to resist influenza, by which she was attacked last Sunday. Mr. and Mrs. Curl and Walter E. Noble, son of deceased, are now confined to their beds with the same disease. Besides the relatives mentioned, Mrs. Noble is mourned by a step-son, H. E. Noble, of 327 North Jackson, and a step-daughter, Mrs. James McKeever, of 413 East Elk Avenue, this city. The remains are at the Seavern Parlor and will be taken to Alva, Okla., the former home of Mrs. Noble, for interment. Funeral services will be announced later.

COWBOY FUNERAL

(Continued from Page 1)
boys and cowgirls, 92 of the former and 18 of the latter, followed, riding two by two, all with bows of crape on their arms. Thirteen autos carrying movie directors and officials as well as a number of actors and actresses, brought up the rear. The procession moved west to Brand, then south to Forest St. and east into Forest Lawn Cemetery. Films were taken of it as the entrance was neared.

At the grave Rev. E. E. Ford delivered a beautiful eulogy of the dead man, relating tributes that had been paid to him by fellow actors and actresses. One girl said he had been a big brother to many of them and was particularly kind to new members of the company. The rough men of the plains gave their highest meed of praise in saying he was always square. Mrs. Fannie Marple Retts sang two beautiful solos. Rev. Ford referred briefly to the sad life of the deceased, how he was orphaned when a mere baby, and ran away from his foster parents when nine years old and took up the life of a cowboy in Idaho. Nine years ago he came to California to become a cowboy actor and was still following that vocation when he killed. He served during the war as a soldier and was faithful to every duty. He was 30 years of age.

Among the floral tributes were many wreaths, a cross, a horseshoe and two pieces shaped as star and crescent.

The president and treasurer of the National Film Company were present and the assistant manager, Mr. Nulty, was in charge of the ceremonies.

Mrs. A. B. Heacock of Compton is in Glendale today visiting her mother, Mrs. M. E. Timmons, and having some dental work done.

Mrs. Jennie Hewitt and daughter, Miss Helen Hewitt, and Miss Frances Gould of Elgin, Ill., are visiting in Glendale. They are old-time friends of Mr. and Mrs. Geo. H. Rowe of 216 South Orange St. Miss Hewitt has been a missionary in Old Mexico for the past seventeen years under the Methodist Board. While in Glendale they will stop at Rest Haven, South San Fernando Road.

BRANCH LIBRARY NOTES

Among the new books at the Branch is one quite unique in character, "The Young Visitors," written by Daisy Ashford at the age of nine years.

It contains a preface by J. M. Barrie vouching for the authenticity of the authorship. In spite of this many people doubt it and it has caused a great deal of discussion. Other new acquisitions are: "Betty Alden" and "Standish of Standish," two accurate and well written stories of the Pilgrims by Jane Austin; the latest edition of "Uncle Remus" stories, finely illustrated; "The Shrieking Pit," an unusually good English detective story; "Pitcher Pollock" by Christy Mathewson; "Jane Field," one of Mary (Wilkins) Freeman's delightful New England stories; "Bookkeeping and Accounting," a very recent book giving all the latest methods of accounting; "Drum-beat of the Nation" and "Marching to Victory," two Civil War books by C. C. Coffin.

The Branch is very busy these days, the circulation for last month being the largest in its history.

Commencing next Sunday, March 7, the Branch will be open every Sunday from 2 to 5 for reading only. No books will be circulated on that day. Miss Theobald and Miss Lowe from the Main Library will have charge at the Branch on Sundays alternately as well as for the supper hour on week days from 5 to 6. Mrs. Danford has agreed to re-

The jurors filed into the jury box,
and after all the twelve seats were
filled there still remained one juror
standing outside.
"If the Court please," said the
clerk, "they have made a mistake
and sent us thirteen jurors instead
of twelve. What do you want to do
with this extra one?"
"What is your name?" asked the
judge of the extra man.
"Joseph A. Braines," he replied.
"Mr. Clerk," said the judge, "take
this man back to the jury commis-

him, as we already have here twelve
men without Braines."—Tit-Bits.

"I have been using the 'J. B. L.

VOCATIONAL EDUCATION

The Federal Board of Vocational
Training announces that it has com-
pletely revised its methods of pro-
cedure so that at present it is possi-
ble for discharged service men who
have had major amputations, such
as the loss of a hand or a foot, both
hands or feet, the loss of sight, par-
tial or complete, to have their ap-
plications for vocational training
acted upon within twenty-four
hours. Heretofore all applications
for training were referred to Wash-
ington for action, which naturally
engaged many delays.

Under the new system traveling
field agents are authorized to pass
upon these applications. These
agents cover the whole country and
visit each vocational board at least
once every two-weeks. At this time
all cases which are ready for action
in the district offices are cleared up.
Only cases which require training
for more than two years need be re-
ferred to Washington. Washington
plans to act upon them within ten
days.

The field agents have the further
power of acting immediately where
men have suffered major amputa-
tions mentioned above even when
the period of training involved runs
up to four years.

A new policy has also been adopted
with regard to tuberculars. "Any
arrested case of tuberculosis," says
a bulletin of recent date, published
by the Vocational Board, "will be
considered as twenty-five per cent
'disabled' for a period of two years
from date of arrest, and the Bureau
of War Risk Insurance has agreed
that they will consider arrested
cases as twenty-five per cent dis-
abled for the first six months and ten
per cent for the following eighteen.
This decision enables the giving of
the necessary hospital and medical
treatment to men in this class."

**PREDICTS NON-STOP FLIGHT—
4340 MILES**

PARIS, Feb. 20.—(By Mail).—
Aviation has now been developed to a
point where an airplane, theoretic-
ally at least, can fly for 6950 kil-
ometers (4340 miles) without stop-
ping.

This is the conclusion which has
just been presented to the French
Academy of Sciences by Monsieur
Rataud, one of the best qualified
French scientists on the subject. Ra-
taud's report shows the possibilities
of the airplane of today as calculat-
ed from the standpoint of algebra,
engineering and every science that
enters into aviation. While the con-
clusions reached by Rataud exceed in
each instance what the airplane has
accomplished to date, yet they are
mathematically and scientifically
correct as to what today's airplane is
capable of doing.

As regards distance Rataud has
demonstrated that flying at an alti-
tude of 8,282 meters with a double
reserve of gasoline the airplane of to-
day is capable of a continuous
flight of 6950 kilometers. As a
matter of fact, of course, the longest
non-stop flight to date is 3500 kil-
ometers. Rataud's calculations imply
that no accident or other deter-
ring element enters into the flight.

Scouts With Bicycles

At five o'clock on Monday after-
noon there will be a meeting of all
Glendale Scouts who have "bikes."
Mr. Kellogg has "something up his
sleeve" that will be of interest to
every Scout who rides a bicycle.
Come and find out what it is.

Council Hike

On Saturday, March 13th, there
will be an all-day hike for all Scouts
of Glendale and any friend or visi-
tors who may wish to join the party.
It has not yet been decided as to
just where we will go, but we are
out for a bully good time. There
will also be an opportunity for the
taking of outdoor tests. Every
Scout will bring his own lunch and
if possible a canteen.

During the lunch hour, while we
are enjoying a good rest, we will
hold the presentation of Merit
Badges to the boys who have won
them.

Come one and all, ye Glendale
Scouts, and we will have a time not
to be forgotten!

"THE CAMPFIRE"

(Tune: "Suwanee River")
All seated 'round the campfire blaz-
ing,
Gaily we sing;
To starry skies our voices raising,
Making the welkin ring.

We, as Scouts, are always cheery,
Whatso'er we do;
O Comrades, let us ne'er grow
weary,
Fighting life's battles, too.

Here's where we tell our merry
stories,
All Scouts by turns;
Hiking and hunting, fishing glories,
Brightly the campfire burns.

How we love these happy meetings,
Words can never tell.
We send to all the wide world
greetings,
With the Boy Scout yell.

Troop Two

Troop Two had a very interesting
meeting last Friday night. Five sec-
ond class badges and one first class
badge were given out. There are
still several vacancies to be filled.
Last Thursday six first class Scouts
passed their Merit Badge test in Pio-
neering.

The members of the troop had a
rare treat last meeting in the fact
that Dr. W. B. Scaife visited the
troop and gave a talk on glacier
climbing and some of his experiences
in the Alps.

Initiation

Last Saturday night First Class
Scout C. G. Farrow successfully
withstood the terrors of the thir-
teenth and S. C. B. degree and be-
came a member of the First Class
Scouts Club of Troop Two.

The initiation was held at the
home of S. R. Frazee, 118 West Col-
orado. Games were enjoyed, after
which refreshments were served.

EXPERT FORGER

(Continued from Page 1)

he entered the house. It was learned
that his wife was in the latter
city and she was soon apprehended
and brought over to Glendale. In
the house were several suit cases
packed, evidently ready for the
hasty departure of the gang, which
seemed to number several persons.
In one of the suit cases and on Stan-
ley's person were found bundles of
blank check forms on banks all over
the West. He had \$68 in money and
Mrs. Stanley \$200, which she said
afterward in the presence of coun-
ty officers, was from the proceeds of
the Salmacia check for \$250. She
was released by the Glendale police
authorities, as they had no orders to
hold her and she had up to that time
made none of the incriminating
statements given out later. She and
Pearl Bell attempted to make a get-
away yesterday morning but were
captured at a ranch house near Van
Nuys by Sheriff's officers, they hav-
ing learned by this time that the
two females and Stanley were mem-
bers of the gang they had vainly
sought for days as guilty of passing
many bad checks in Orange county.
All three are now in jail.

The Messrs. Salmacia recovered
the phonograph and may recover the
most of the money lost.

This was a very fortunate arrest
all around, for this dangerous gang
of criminals had already passed sev-
eral forged checks and evidently
were prepared to extend their op-
erations in every direction.

The chief culprit's real name, it
is learned, is E. M. Stangland,
though all his operations in this part
of the state seem to have been car-
ried on under the name of E. M.
Stanley. He was bound over by
Judge Lowe in the sum of \$5000 to
appear before him next Monday, 3
p. m. for preliminary examination.

**BRAZIL PLANS BIG 1922 CEN-
TENNIAL**

Celebration of Brazil's one hun-
dredth birthday will be held on a
big scale in Rio de Janeiro in Sep-
tember, 1922, according to the Pan-
American Union here today.

The celebration will take on the
appearance of a world's fair, ac-
cording to Franklin Adams, counsel-
lor of the Union. Adams has just
returned from a tour of Argentina
and Brazil.

According to Adams, Brazil will
celebrate its centennial on an elabo-
rate scale.

To stimulate interest throughout
Brazil the government has offered
prizes for the best opera, depicting
the history of Brazil, and for the best
drama, also relating historical
events.

All countries will be invited to
send exhibits and the United States
is expected to send a big exhibition
either in painting or statuary.

Huge pageants will be held and
Rio de Janeiro will probably take on
the appearance of a carnival of gay-
ety for several weeks. Visitors are
expected from all parts of the world
for the event.

Though the Olympic games are
not scheduled to be held in 1922, ef-
forts are to be made to induce those
in charge of the games to make an
exception and allow the games to be
staged. Failing this, an invitation
will be sent out to all countries to
send their athletes to compete in an
international athletic meet.

EITHER WAY, HE WINS

After walking together from the
station, the two men paused at the
corner of the street. Then said one
of them, a newly married man:
"We are just close to my house.
Won't you come in and have a bit
of dinner?"

"Thank you," said his friend, hesi-
tatingly, "but your wife—"

"Oh, that's all right," the young
husband quickly assured him. "If
her cooking is a success, she'll be
pleased to have another to eat it;
and if it's a failure—I shall."
Chicago Journal.

SHE MEANT ALL RIGHT

A blithesome tea-drinking doughboy cheerio-ing around in
France is a pretty thought, but there weren't no such animal. Some-
how or other the Yanks failed utterly to absorb either British tea or
British war slang, and while the two English-speaking armies both
managed to stick pretty close to Shakespeare in army paper work,
their respective conversations in hours of ease would have discon-
certed over-curious philological experts who were under the impres-
sion the language was one.

Anyone in the British army who was scared "had his wind up,"
in the parlance of the Tommy. A corporal expecting to be busted
"had his wind up" in anticipation of the event. A timid man in a
raiding party "had his wind up for fair." But this picturesque ex-
pression did not move the Yankee imagination.

The British had another useful army word—"sweating." Any-
body getting ready to do anything was "sweating on it." A Tommy
might be "sweating on leave," or "sweating on promotion." A man
waiting for his call under the draft was "sweating tin hats." But
the connotation was too involved for the Yanks.

Sometimes interpreters were almost required to preserve friend-
ly relations when a British pleasantry sounded like an insult. There
was the case of one of the earliest American contingents which halt-
ed on the march in an English town. A friendly matron stopped,
look over the youthful, exuberant doughboys and remarked to a
sergeant: "All you boys seem to be nuts."

They suffered that in silence until they had a chance to express
their wrath to a Canadian. Then good humor returned. The Eng-
lishwoman had paid them a compliment. "Nut" to the English means
a delightful young "gentleman" of rather pronounced sporting tastes,
but a wholly acceptable person.—The Home Sector.

THE SOLDIERS' BONUS

All these demands for a "soldiers' bonus" are getting on the
nerves of Congress. More than 100 bonus bills have been intro-
duced, but none are near final action. The congressmen are between
the devil and the deep sea. They fear to antagonize the non-soldier
vote by giving the soldiers what they want.

Chief among these measures is the so-called "adjusted compen-
sation" bill championed by the American Legion, by which all sol-
diers and sailors would be given \$50 for every month of war service,
abroad or at home. The Legion officers maintain that this would be
nothing more than strict justice, because the sum represents the av-
erage amount that civilians were able to save while the soldiers and
sailors were in service. It is estimated that such payment would re-
quire nearly \$2,000,000,000. The prospect of granting it is naturally
disquieting to government officials and legislators who realize the
condition of the federal treasury and take it seriously—Long Beach

Y. W. C. A. HAS "STUDIO" IN SANTIAGO, CHILE

The American Y. W. C. A. has opened a recreation center for
women students attending the University of Chile in Santiago, and
for women studying in other schools in the city.

Conversation at the "studio," as the room is called, is carried
on in English two afternoons each week and in Spanish two after-
noons. Both Spanish and English are used on the other days.

The women students live wherever they can as the university
provides no dormitories for them. One of the first duties of the
secretary in charge of the Y. W. C. A. "studio" will probably be to
establish something equivalent to the rooms registries which the
Y. W. C. A. maintains in so many cities and towns in the United
States. The University of Chile draws students from all sections of
the country.
