COMMERCIAL.

OFFICE OF THE BEE,
FRIDAY EVENING, April 5, 1867.

Our general market continues to show a fair degree of animation, though in some articles operations have been checked by want of supplies. In Cotton, only a moderate business has been done, owing to the firm pretensions of holders. Tobacco and Sugar have brought full prices, while Molasses has been dull. In Flour and Grain, we have no material change to report. Provisions of most kinds have met with a fair demand at full rates. Freights have been dull and still show a drooping tendency, and Exchange shows a degree of heaviness. In Coffee, a large business has been done.

COTTON.—Received since the 27th ultimo, 29,140 bales. Cleared in the same time for Liverpool, [illegible]; Queenstown, 2,416; Genoa, 1,562; Trieste, [illegible]; Petersburg, 1,816; Bremen, 2,426; Hamburg, 2,035; Antwerp, 1,342; Rotterdam, 1,132; Havre, [illegible]; Boston, 700 bales; together, 40,334 bales, making a reduction in stock of 19,304 bales, leaving on hand, including all on compress and landing, 51,141 bales. Molasses and pickeroon not cleared, a stock of 121,141 bales.
