† ABUTILON striatum	orange and red			35
† ACACIA armata	armed			50
----- alata	winged			1 00
----- †saligna	willow leaved	50 to		1 00
----- <i>longifolia</i>				
----- †verticillata	whorl leaved			50
----- †dealbata	white leaved		1 00	
----- †suaveolens	sweet scented			50
----- †myrtifolia	myrtle leaved			50
----- †linearis	linear leaved			50
----- †decurrens	decurrent		1 00	
----- †intermedia	intermediate			50
----- conspicua	showy		1 00	
----- †augustifolia	narrow leaved			50
----- †thejonocarpa	angular podded			50
----- †lophantha	large spiked			50
----- pubescens	downy branched	1 00	2 00	
----- vestita	drooping		1 00	
----- †undulata	wave leaved			50
----- lunata	lunate leaved		1 00	
----- †farinosa	Poppanack			50
tACHIMENES coccinea	scarlet			30
t----- grandiflora	large flowered, <i>superb</i>			1 00
t----- hirsuta	hairy leaved			1 50
t----- longifolia	long flowered, <i>superb</i>	50		1 00
t----- picta	red and yellow, <i>very beautiful</i>			3 00
t----- rosea	rose-coloured			1 00
† AGAPANTHUS albidus	white flowered			75

Botanic Names		PRICE	
		d. c.	d. c.
†AGAPANTHUS umbellatus	African lily	50	1 00
————— †variegatus	stripe leaved do	50	1 00
†AGAVE Americana	great American aloe		50
————— variegata	stripe leaved do		50
ALBUCA altissima	tall		35
ALOE socotrina	socotrine		50
———— ferox	hedghegog		50
———— arborescens	tree		40
———— obscura	great soap		50
———— variegata	partridge breast	1	00
———— obliqua	tongue		75
———— plicatile	fan	2	00
———— verrucosa	pearl		30
———— margaritifera	great pearl		30
ALONSOA linearis	linear leaved, <i>beautiful</i>		30
———— elegans	large flowered		30
	<i>Hemimeris</i>		
†ALOYSIA citrodora	lemon scented verbena		30
	<i>Verbena triphylla</i>		
ALSTRÆMERIA †pelegrina	spotted beautiful		50
t———— ligtu	stripe flowered		40
t———— †flos-mar-			
	tini St. Martin's		40
t———— †pulchella	red flowered		40
t———— †aurea	golden flowered		50
t———— Hookerii	rose coloured		50
t———— †psittacina	parrot-like		40
t———— †tricolor	three-coloured		40
b†AMARYLLIS aulica	crowned	25	1 00
———— †lutea	yellow		35
———— †belladonna	belladonna lily		35
———— †Johnsoni	scarlet and white	50	1 00
———— †formosa	handsome		75
———— †vittata	striped		75
———— †fulgida	fulgid		75
———— superba	very bright		75
———— †venosa	highclere		75
———— †inversa	Shepherd's		75

---

For farther descriptions of the Rose, its growth, character and mode of culture, R. B. begs to refer every lover of roses to a work recently published by him, entitled "The Rose Manual," wherein are described about 500 varieties.\* "The increasing taste for this beautiful flower, has demanded a small volume,

\* 12mo. pp. 180, price 75 cents, to be had of the author and all booksellers.

suitable to the wants of amateur-fanciers, who need some guide to the more successful growth of many of the numerous varieties which now fill up the catalogues of nurserymen; varying oftentimes as much in their habit as they do in colour, and necessarily requiring different treatment to bloom them in equal perfection. To supply this information, is the purpose of this work, and the object has been very well accomplished by the author.”—(*Hovey's Magazine of Horticulture*, p. 181.)
