

THE FIRESIDE

Betty Baxter's Gossip.

"Happy New Year to you! and, just to help the wish come true, may you think kindly, speak kindly and act kindly every hour of your journey through the undiscovered country that we will call Nineteen Sixteen."

"Forget old things you could not do; Forget all mean things done to you; Forget all thoughts that wound the mind, But don't forget that God is kind."

The above quotations, taken from the "Special Delivery" Christmas and New Year booklet sent out by Jarvis A. Wood, seem too good to be confined to his large circle of personal friends.

Entertainments for the boys and girls home from school and college helped make the past week a very busy one socially. On Friday evening, Miss Marian Artman, who is home from Moravian Seminary for the holidays, was guest of honor at a dance given by her parents, Mr. and Mrs. James Artman, of Wynnewood avenue. WAYNE WINS MAIN LINE BOWLING MATCH

Narberth Loses to League Leaders, Who Prove Good Ten-Pin Artists

It was somewhat like a retreat from the trenches when on last Wednesday evening, the Wayne Bowling Quintet marched into town and attacked the strong fortifications presented by our local Y. M. C. A. bowling brigade. It was true Captain Ward had marshaled his forces against the Wayne aggregation in two previous battles and came through with flying colors, in fact the only troop of the Main Line to conquer the haughty leaders. This gave us a certain feeling of confidence, but our bowlers were by no means over confident. The Wayne team has been showing some remarkably fine scores in the recent weeks and we had our work cut out for us; but their attack was just one too strong. The first game went 753 to our 724 pins and we vacated our first line of trenches to the enemy. A score of 718 to 713, but a five pin margin, shows that the enemy was forced to "do their darn'est," but their bowling had the effect of using hand grenades and we gave up our second line of defense. The third attack, close to the midnight hour resulted in another bitter contest, and Wayne again copped the long end of a 758 to 725 game, and along with it the third game and line of trenches and the entire match went to their winning laurels. This gives the Wayne quintet a six game advantage, which to say the least, is just "some" advantage. Our own Y. M. C. A. bowlers were again led in the games by Big Bill Humphries, who held high individual honors with 168 average, and Anchor Men, Robt. Savill and Hotz both rolling in good form.

Ardmore Y. M. C. A. forfeited to the Rosemont Men's Club on the games scheduled at Rosemont Alleys, and this brings the Men's Club in a tie away with Ardmore for cellar position. Some close three cornered race with a dismal hope that someone will overtake the Wayne team in their mad rush to the championship; but, say boys, they are good and you have to hand it to them, but we will give them a good battle yet.

A WORD FROM POSTMASTER HAWS

What is the number of your post office box? This is a question that a great many people could not answer if you were to ask them. Is it any wonder they fail to have their mail directed to their box in the post office? We have in Narberth an unusual condition at this time practically every box in the post office is rented, numbering almost 600; of this number probably 150 to 200 renters endeavor to have their mail addressed to their box number. It is not so essential that the box number be used by the business people of the town, as they are well known and their mail can be cased up without delay; but it is a different matter in respect to private families and maids or servants they employ. Unless the letter comes marked in care of the name of the box renter or the box number it often requires a search through the telephone directory or a reference to the street directory if street number should be given or inquiry by the postal employes of persons whom they have reason to think may know the party in question, all of which requires time and delay. Until Narberth is fortunate enough to secure carrier service, which will then require the street and house number to be placed upon all mail, the box renters should endeavor to co-operate with the post office force in this matter. In case of persons of the same name, such as Smith, Jones, Brown, Johnson, etc., and we have many families of each of these names living in Narberth, it becomes a serious matter to determine in whose box to put the mail unless the box number is given. We have no object in miscasting mail; our endeavor is to put it where it belongs. Box renters are urged to give this matter attention. Advise your correspondents and publishers of your box number.

Edward S. Haws, Postmaster.

NARBERTH COW MAKES NEW WORLD'S RECORD

Milk-Giving Honors Claimed for Percival Roberts, Jr.'s Bovine

Garclauth May Mischief, prize-winning cow of Percival Roberts, Jr., of Penhurst Farm, near Narberth smashed the world's record, according to her caretaker, when, rounding out her last day of a year's test, she had averaged in that time six pounds more of milk a day than the previous record-holder, which was raised on the same farm.

Miss Mischief's record for the year was 25,328 pounds of milk, or nearly 69½ pounds average for each day. Measured in quarts, her record day was marked when she delivered 48 quarts within a period of twenty-four hours.

This valuable bovine was selected by Mr. Roberts himself in Scotland, and is an Ayrshire. She is now seven years old.

The previous high record is claimed for the same farm and was established in 1913, when another of Mr. Roberts' cows gave 23,022 pounds of milk in a year, or an average of a little more than 63 pounds per day.

COMMUNITY CLUB.

The Community Club teas have been resumed, the first one being last Tuesday afternoon, from 3 until 5 in the Community Club House. These teas take place every Tuesday afternoon from 3 until 5 o'clock, and every lady in Narberth is invited to drop in and get acquainted and spend a sociable hour or so with the members of the club.

There are several strangers in Narberth, and we hope they will avail themselves of this opportunity to meet their neighbors and other residents of the borough at these pleasant afternoons in the Community Club Rooms.

Do not forget Community Night, Friday, January 14th, when Dr. and Mrs. Cameron will give a short talk on the habits and customs of the people who live in the Andaman Islands. The ladies of the Community Club are famous for their entertaining, so you will have one of the best evenings ever if you are present on Community Night. Mrs. Thomas Fell, of Merion, will be one of the soloists, and a musical treat will be in store for all who attend.

SCHOOL EDITOR'S WEEKLY NEWS ITEMS

School Motto.

Without halting, without rest, Lifting better up to best.

The school editors thought that they were entitled to a Christmas vacation along with the other school folks. Therefore, if these notes prove to be rather lengthy to the reader it is due to the fact that we are making up for lost time—

Some may work til the setting sun, But the editor's work is never done.

The student body is looking forward with great pleasure to the coming year. Many feel that the past year has been one of the happiest in their school life, and hope to make this one even better. Contrary to what is generally thought to be the case, principal, faculty and pupils were delighted to return to their work. This happy spirit was felt throughout the building, and the opening day of school was just as pleasant as the closing day.

The Monday morning exercises were rendered especially interesting by the helpful talk which Principal Melchoir gave.

Let us now revert to the activities of the week preceding the Christmas vacation. One of the greatest events of the week was the game between the Narberth High School Girls' basketball team and the strong faculty team. Strange to say, the High School won by a score of 41 to 14. The feature of the game was the shooting of Helen Wilson, making five field goals.

"Tough luck" that the faculty lost their duck dinner.

The Christmas exercises were a great success, the attendance of patrons and friends was unusually large. President McCarter presided; Directors Downes and Dohard gave short speeches, while Directors Ridge and Coggeshall telephoned their regrets. As for the part which the pupils took—well—ask any one who was here.

After the Christmas exercises, patrons enjoyed a social hour with the faculty and children. The senior class acted as a reception committee.

All these Christmas activities were more significant because of the spirit of giving which prevailed from the High School students to the tots of the First Grade. Children in the lower grades for some weeks prior earned money so that they might send it to their less fortunate brothers and sisters. The following are some of the remarkable ways in which they earned this money: Drying dishes, paying attention to Miss Wetherill, studying Chinese, taking a nap every afternoon, hanging up coat when he came in.

Through the generosity of Mrs. Hopper the donations were conveyed to the city in her car, which never carried a bigger load. The cash dropped in the Christmas cup amounted to \$7.

For several hours after the majority of the faculty and student body had left, the office force, assisted by Miss Wetherill and two of the High School girls, were busily engaged in wrapping the gifts and distributing them in Narberth.

Be it known that the sophomores are very indignant at being called the beginning German class. Hereafter they wish to be designated as the "Sophomore" German class.

The senior class expects to have the Mandolin and Glee Club of Haverford

CAN IT BE DONE?

A resident of Narberth has made the following resolutions, which he proposes to abide by, if possible, during the coming New Year:

1. Not to play lawn tennis, croquet, baseball, etc., on Sunday; to absolutely refrain from playing cards or shooting crap on this day, as it sets a bad example to the rising generation, and not to do any unnecessary work on the Sabbath, as it creates a deprecatory impression on a Church-going community, neighbors and visitors.
2. Not to use cigarettes, as they are detrimental and injurious to health, and the vile habit might be imitated by the boys.
3. Not to pass any disparaging remarks or criticism or "gawk" at strangers at the station or public places, as it would convict me of the lowest depth of ill-breeding.
4. Not to give strangers the stony stare if they ask for information, but to obligingly give them all the possible directions they require to help them in their quest. It will create a grateful feeling and probably induce comparative strangers to take up their residence in this lovely town.
5. Not to take up more than necessary space on any narrow pavements (of which we have a few), and monopolize it by walking three abreast and compelling other pedestrians to walk in the street in order to pass.
6. Not to use any profane language and eschew slang as much as possible, as the latter in many cases is almost as bad as profanity.
7. Not to pry into your neighbor's affairs, but to treat them civilly and be on the best terms possible with them.
8. Not to knock the home, but as a town to make a borough, as it is under all circumstances as the ideal place for all classes, there not being a more desirable, prettier or more convenient suburban place on the Main Line for people in moderate circumstances.
9. Not to accept any invitation to drink intoxicating liquor, but to absolutely abstain from using all spirituous liquors.

If the Narberth resident accomplishes the almost impossible task he has set for himself he will certainly show a spirit of reform that will be a credit to the borough and worthy of emulation. But, will he accomplish it?
Resident.

AN INTERESTING MEETING

Mr. William H. Cobie, the president of the Main Line Liars' Club—Fishing Club we should say—entertained a few friends, including some of the piscatorially inclined fraternity, at his home on the evening of December 30.

While this was not a meeting of the Fishing Club, the matter of the presidency of the club for the year 1916 was discussed, and it was the trend of opinion that Mr. Charles Verna would wear the mantle of authority for the ensuing twelve months. Mr. Verna is a fishing nut of the first water, both salt and fresh, but that is not his only qualification for the high office mentioned. It is rumored that he has bought an automobile. The principal duties of the president are to provide the refreshments and place of meeting for the annual gathering, to say nothing of furnishing frequent transportation to Fortescue for the other members. As no such duties devolve on the other officers, it is a matter of indifference to the members whom the former are. Mr. Verna was so delighted at the prospect of his new job that he retaliated by singing a song, but it was too late to make up a new slate, and he will probably be forgiven and allowed to hold office.

The utmost harmony prevails among the members, as each freely concedes and admits his own superiority as an angler.

Old Bill Cummer recited some adventures of his boyhood days on the Great Lakes, his stories impressing his hearers deeply with the dangers to which a guileless country boy is exposed when far from home. However, do not worry, Willy is now well able to look after himself.

H. S. Bradly sang continuously and enthusiastically a ditty entitled, "Next Time I Want You At My House."

L. B. Southerland introduced and executed a new dance, called "The Cadillac Glide," which can be rendered only to the tune of "Watch Your Step."

With so many deep-sea navigators assembled in one place, the atmosphere seemed to be surcharged with brine, but no one seemed to suffer the

slightest from mal-de-mer, although the boat did rock some.

Before the party broke up it was decided to suggest to the club that a prize be given the member catching the largest fish during 1916—the fish to be actually landed and not allowed to escape like most of the big ones were in 1915—the prize to be a certificate of stock of the Narberth Athletic Association.

COMMUNITY BIBLE CLASS BEGINS JANUARY 11

The Community Bible Class will re-assemble in the Y. M. C. A. Building on Tuesday evening, January 11, at a quarter before eight. We are fortunate to have secured as leader the Rev. W. W. Rugh, director of the Philadelphia branch of the National Bible Institute and a widely known teacher. He will give a series of twelve lessons on "The Tabernacle," and all who are interested in Bible study are earnestly requested to attend.

NOTICE

The Narberth branch of Queen Mary's Guild is very much indebted to Mrs. William J. Feidler for a large and useful donation, consisting of prepared gauze bandages for the hospital division. As the great European struggle carries with it untold suffering, donations of this type are timely and much appreciated.

Business Men's Gym Class.

"I'd rather die than take exercise," said a man of forty-five, who had just been turned down by an insurance company. Physically lazy he balked at dumb-bells, wands and parallel bars, because he did not see the recreation element in them. Finally a friend persuaded him to get into a class made up of jolly business men. The result was the insurance company accepted him; he felt better and did more work and he made other people feel better all along the line. Now, you may draw your own conclusions.

Our Business Men's class meets every Friday night, at eight. We have a jolly time. Drop in.

Boys.

Don't forget that Gym class on Saturday mornings. We are planning to have a group of leaders under the direction of Secretary Hampton, direct this class.

We are also going to start our Bible Study for boys in the near future. We want some young men to teach these classes. Here is a chance for some real service. How about you? Stop in and see Secretary Hampton.

Boy Scouts.

Our new scout organization, under the leadership of W. A. Cole, Scout Commissioner, is progressing in fine shape.

The following boys have passed the "Tenderfoot Test": Herbert Krell, Paul Braden, John Wilson, Philip Witherow, Roscoe Smedley, C. Taylor Faries, Wm. J. Jones, Jr., James Artman and George E. Stanley.

Troop No. 1, was organized, consisting of six boys—Paul Braden was elected troop leader. We hope to have a flourishing organization before the spring months strike us.

Glee Club Notes.

The Glee Club held at the association last Wednesday evening. One hundred dollars was turned over to the Y. M. C. A. at this time—this being part of the proceeds of the Glee Club Minstrel Show.

Next Thursday the club will hold an election at the association. The officers of president and secretary-treasurer, formerly held by Mr. Fred Rose and Earl Smith being vacant.

The Glee Club will furnish the music at the Big Men's meeting, January 23, in the Narberth Theatre. A quartet from the club will be as follows: Tenors, S. A. Rudolph and W. W. Dennis; basso, A. J. Clemenson and J. P. Witherow.

We are very glad to hear that Bill McCargo has returned after spending six months in Texas. We missed Bill in the past show. Director Dennis was all smiles when he heard of Bill's return.

Prof. A. G. MacKenzie, of Chestnut avenue, expects to find some time to spend with the Glee Club. We gladly welcome him. He has had considerable Glee Club experience while at college.

We are glad to note that most all of our members have joined some of the church choirs.

We feel that the club has been a big help to the boys and we encourage our members in this church work. Very glad to hear that Bob Mueller has taken up the work as musical director of the Young People's Meeting at the M. E. Church.

Greet your old friends and meet new ones, Friday night, January 14, 1916, Y. M. C. A. Building. The ladies of the Community Club invite you to be their guests. Keep this date open.

The following teachers, although unable to be present, were enrolled in the association: Misses Kemery, Turner, Cooper, Wetherill, Melchoir, Mr. Kehler and Mr. Eshelman.

On Friday afternoon, Miss Turner entertained the senior class and some of the teachers at her home on Grayling avenue. Those present were Miss Marion Trotter, Miss Agnes Rose, Miss Jean Justice, Miss Madeline McCoy, Miss Hilda Smedley, Miss Marion Haws, Miss Estelle Cohic, Miss Anna B. Sailor and Mr. Carroll Downes, Jr.

ENJOYABLE WATCH MEETING.

One of the very interesting incidents of an unusually enjoyable evening was the filing in of ten or twelve members of the "Kappa Phi" sorority to the "watch meeting" at the Presbyterian Church last Friday evening.

The young ladies came in with their week-end hostess, Miss Dorothy Beatty and filled up a space clear across the middle block of pews. Among them were the Misses Martin, Misses Havens, Miss Emily Gamber, Miss Gretchen Van Meter, Miss Adelaide Harvey, Miss Pearl Rice, Miss Marion Fell, et. al. all of whom with the scores of others seemed to enjoy greeting the New Year in the quietness of a pleasant church service.

SPECIAL NOTICE

At the open community night, on January 14, Dr. and Mrs. W. M. Cameron will give a short talk on their personal impressions of the Andaman Islands. While there they were guests of the British Government.

On these islands the British maintain a penal settlement for murderers and political prisoners from India, Burma and Ceylon. The islands are also inhabited by the native Andamanese, the most primitive man alive today, and living now as they have from time immemorial. The Andamanese are presumed to be relics of the Negro race, that in very ancient times, some 7000 years ago, occupied the southeastern portion of the Asiatic continent. In this view they are of extreme interest, as preserving, owing to an indefinite number of centuries of complete isolation, in their persons and customs the last pure remnant of the oldest kind of man in existence. Their strange dress and hunting weapons will be shown, as also carvings made by the prisoners on the islands.

Mrs. W. H. Cameron, who has spent many years in India, will tell of the habits, life and civilization of that wonderfully interesting country. Mrs. Thomas Bell, of Merion, will be one of the soloists. You will be the guests of the ladies of the Community Club. A good, wholesome, entertaining event is in store for you.

The ladies' of the Community Club will entertain you and your friends Friday night, January 14th, 1916, Y. M. C. A. Building. Don't make any other engagement for this date. A delightful evening. All are welcome.

Protection From Contagion

Owing to its antiseptic properties, 20 Mule Team Powdered Boric cannot be too highly recommended for liberal use in the care of the person wherever and whenever exposed to any contagious disease. It may be applied as a powder or with water as a solution.

It may be used with absolute freedom and safety in all the natural cavities of the body; physicians almost always prescribe it as an eye water, mouth wash, etc., and wherever introduced the antiseptic action is certain, but there is no danger from its use as there is with some other disinfectants. Insist upon having the original package of 20 Mule Team Powdered Boric and then you know that you have the real article full strength. All leading druggists.

KNEW ALL ABOUT IT.

Dr. J. M. Buckley, the well-known editor and divine, addressing a New York City Sunday School, related an incident that greatly interested the children. He told of meeting a ragged, hungry-looking little girl in the street on a wintry day, and when he questioned her she recited a pitiful tale of a sick mother and younger brothers and sisters without food. After giving her a silver dollar, the good doctor followed at a safe distance to see what she would do with the money.

"Now, children, what do you suppose was the first thing she bought with that dollar?" said Dr. Buckley. "Hands up!"

Up went the hands, and one child after another ventured a guess, but none proved correct. Finally a little boy, whose upraised hand alone remained, was asked for his answer to the question.

"A basket," he sang out. "Correct!" said the doctor. "There's a boy who thinks! Now, son, come up here on the platform and tell us why you think it was a basket."

After considerable coaxing the boy reached the platform, but seemed unwilling to talk.

"Go on!" urged the doctor. "I want these boys and girls to learn to think too."

The boy still hesitated, and Dr. Buckley took from his pocket a quarter. "I'll give you this," he said, "if you'll tell us what makes you think the little girl bought a basket first." "Be-be-cause," stammered the youngster, at last, moved by the sight of the money, "I was over in Hoboken last Sunday and heard you tell the story there"

BOIL IT DOWN.

"I will take your novel," announced the heartless publisher, "if you will cut it down by half."

The budding Hall Caine cast up his hands. "Cut it?" he cried. "Impossible, Every word is vital."

"Indeed?" replied the publisher. "Just listen to this passage: 'Outside the wind moaned unceasingly, its voice now that of a child which sobs within itself in the night, now that of a woman who suffers great pain alone, as women have suffered since life began. And, mingled with the wailing of the wind, rain fell—fell heavily, intermittently, like tears wrung from souls of strong men.'"

"Well?" said the author. "Well," retorted the publisher, "why not say simply, 'It was raining!'"

Round centrepieces may be dried by laying them when wet on a sheet of clean glass, kept for the purpose. See that the linen is placed smoothly and then set the glass in the sun.

COUNCILS ORGANIZE FOR NEW YEAR

Newly Elected Members Take Oath of Office

Monday night was the annual organization meeting of Councils, and aside from the formalities incident thereto, no business was transacted. The meeting was called to order by Burgess Henry. Messrs. Redifer, Stokes and Henderson, whose term of office had expired and who were re-elected last November to succeed themselves, presented their credentials, and the oath of office was administered to them by Mr. Henry. The following officers were then chosen to serve for the current year: President of Councils, Chas. E. Humphreys; Borough Secretary, Chas. V. Noel; Street Commissioner, W. S. McClellan; Building Inspector, J. Howard Smedley; Borough Treasurer, Edwin P. Dold.

Mr. Henry then referred briefly to the many improvements made in the highways during the past year, complimented the Highway Committee on their good work, and expressed the hope that Haverford avenue would receive attention at an early date, especially the sidewalk along the north side of Haverford, and eastward from Narberth avenue.

WALKING TIMEPIECES.

Most of the ancient Spanish customs have long since died out, but one is still maintained in the village of Los Arenas, near Bilbao. All light-sleepers will consider that this could be very well done without.

The custom consists of the serenoes (night policemen) calling out the hours and state of the weather every night, commencing at midnight and finishing at five o'clock A. M. We said "calling," but shouting would really be more correct. One is roused by one of these loud-voiced policemen singing out beneath the bedroom window, "Las doce, sereno!" (Twelve o'clock, fine weather.)

By four o'clock the weather has probably changed, and it may be raining and blowing a regular hurricane, a state of things in itself enough to wake any man up. Yet you are cheerfully informed of the fact by the policeman shouting, "Las cuatro, lloviendo!" (Four o'clock, raining.)

Many inhabitants have tried in vain to get this stopped, for no useful purpose whatever is served by the custom, except perhaps to the Spanish Bill Sikes, who considers it a very useful guide to the whereabouts of the police.

Not far from Bath a certain villager went to a lady who kept poultry to purchase a sitting of eggs. The lady, not having many on hand, inquired: "Have you got your broody hen?" "Well, no," replied the villager, "but our old hen has broke her leg, and I thought she might as well spend her time hatching out some eggs as sit about in the run doing nothing!"
