Wikipedia Education Program, WMF

# #TrendingTopics

# Phd focused programs

## PhDs and Science Communication

- More than 90 PhD students in 2016.
- Usually embedded in courses on Science communication where focus on contributing with expertise on complex issues.
- PhD candidates are topic experts, communicators and educators.

## Open Science Fellows Program

- 10 Fellows & 5 Mentors in 2016
- Higher education (PhD, Post-docs)
- Focus: Training for young academics on principles and practices of Open Science
- Theory of change: The fellows will incorporate Open Science into their own work, and will then in turn act as ambassadors for Open Science in their scientific institutions
