What is planned ?

Georges Fodouop | georges@wikiloveswomen.org | [@geugeor](https://twitter.com/geugeor)

-
- To be more present in order to reach the maximum of regions
 - Initiate and build relationships with administrative authorities for the development of the project (collect informations and sources)
 - Build new partnerships
 - Keep and maintain the motivation of different volunteers
 - Create user group

Georges Fodouop | georges@wikiloveswomen.org | [@geugeor](https://www.instagram.com/geugeor)

What is still to be done ?

Georges Fodouop | georges@wikiloveswomen.org | [@geugeor](https://twitter.com/geugeor)

-
- Preserve the achievements in terms of presence, trainings, sensitization, and relationships with women associations, NGO and authorities
 - Strengthen the links with photograph's associations to obtain sources
 - Approach other women's associations and administrative authorities to raise awareness and collect sources
 - Closeness with women members of parliament, women senators, networks for women mayors
 - Spread through the country to raise awareness, promote the project
