Pursuant to 2 U.S.C. 437f(c) and the procedures reflected in Part 112 of the Commission's Notice of Proposed Rule-making, published on May 26, 1976 (41 FR 21590), advisory opinion requests 1976-90 through 1976-94 have been made public at the Commission. Commission. Persons requiring additional time in which to respond to any advisory opinion requests will normally be granted such time upon written request to the Commission. All timely comments received by the Commission will be considered before the Commission issues an advisory opinion.
