REPARATIONS SECTION

11 Jan. 1949

SUBJECT: Applications for Temporary Use and Partial Withdrawal of Authorized Use of Reparations Equipment

THRU : Kyoto Liaison Office

TO : Commanding Officer of Kyoto M.G.T.

Miyako Sangyo K.K. has submitted to us their application for permission of temporary use and partial withdrawal of authorized use of reparations equipment, as attached sheets.

We also think that the turret lathes are more efficient than the lathe and the bench-type lathe now in use for their production of bicycle parts. So we hope you'll kindly take the permission of temporary use into your consideration.

Since we got the convertion from wartime facilities product to peace-time use, we have done our best to produce the civilian commodities, and also we are producting "Bicycle Parts" at present.

We are conceived that "Turret Lathe" are more suitable than "Lathe" on our present production, therefor, we applicate toyou use "Turret Lathe" in stead of cancellate "Lathe".

(We are applicating cancellate a part of our "Use" machine by annexed note)

We entreate to you, you will kindly grant us the permission to use our applicated machineries)
