GENERAL HEADQUARTERS  
SUPREME COMMANDER FOR THE ALLIED POWERS

APO 500  
17 September 1946

MEMORANDUM:

SUBJECT : Information of General Application Pertaining to Directive Number (SCAPIN- 1206 ), File AG 311.3 ( 17Sept 46)CCS, Subject: "Establishment of Expeditionary Force and Sender Composition Message Service Between Japan and All Points in the British Commonwealth Over the Osaka - London Radiotelegraph Circuit".

1. With reference to subject memorandum the following is published for the information of all concerned.

2. The purpose of this directive is to confirm inauguration of Expeditionary Force Message (EFM) service between Japan and all telegraph points in the British Commonwealth, and to extend Senders Composition (SCM) service, formerly available only between Japan and Great Britain, to all points of the British Commonwealth. These services cover only messages sent and received by military and accredited civilian personnel of the Occupation Forces stationed in Japan and will be handled over the Osaka - London circuit.

3. Under this directive rates for messages outgoing from Japan are quoted in Japanese yen, at 60 Japanese yen to the British pound sterling, which are equivalent to the charges made within the British Commonwealth for EFM and SCM messages. The effect of the new schedule is to reduce the word rates for SCM messages between Japan and Great Britain as follows: Ordinary, by forty-five sen; Half rate, by twenty-two and one half sen; and NLT and VLT by fifteen sen.

4. The directive specifies points where messages may be filed in Japan, also points where incoming messages of the BCOF will be delivered by the Ministry of Communications, and specifies that incoming messages which cannot be delivered to an addressee within 15 days by the United Kingdom Liaison Mission, or British Commonwealth Forces Units, will be returned to the Osaka Central Telegraph Office for notifying originating office of non-delivery.

5. Surveillance by the Occupation Forces will consist of making checks to ascertain that the provisions of the directive are complied with by the Ministry of Communications.

BASIC: Memo, GHQ, SCAP, dtd.17 Sept 46, Subj: "Establishment of EFM and SCM Service Between Japan and All Points in the British Commonwealth Over the Osaka-London Radiotelegraph Circuit".

6. Command instructions pertaining to execution of surveillance are being released simultaneously with this memorandum.
