at 78 degrees.

MEMPHUS MAY S.—The river is rising rap-dily. The Uncle Sam and Falls City passed up to day, and the Woodford passed down. NEW YORK COTTON MARKET.

NEW YORK COTTON MARKET.

New York May 8.—Cotton is very active, ie sales to day amounting to 20,000 bales, rices have advanced jo. Middling Orleans quoted at 14 p.

is Lock.—We learn from the last drawing of the Georgia Lottery that fortune has again favored New Orienne, as the \$5,000 prize came here, and was distributed among our citizens, being promptly paid by the spent. Among the winners, we hear, is a fair lady on Conde street. We would say to the mana cers, Swas & Co., that there is room in our city yet for a few more of the same kind, and even prices a little larger would find plenty of takers. The drawn number was 20,625, and seld on St. Charles street.

MURDER IN KEMPER.-We learn from the ail awaiting his trial.

Stephens, in his remarkable tiring the last session of Congress oredocted that the laws of population would make Kaisas a free State. The following paragraph, from the Augusta Constitutional-

ing items:

We regret to learn that a German of this city, engaged in the manufacture of mattresses, has become insane from apprehensions of danger from the approaching comet. He whole time is occupied in religious exercises of an extraordinary character.

TRASS CATTLE FOR CALIFORNIA.—The Belton Independent are that a drove, consisting of some 780 to 800 head of cattle, passed that section of country some week or ten days ago, on their way to the land of gold. They were under the charge of Mr. George Materier, of Williamson country.

TRINITY RIVER.—The Liberty Gazette, of May 4, asps:

point.

The Palestine Advocate learns from a private letter that teninches of snow fell at Tarrant, Hopking county, on the 11th o April.

toria, where it had been dropped by the drunken rider.

Moss.—The Age of Commerce says that, at Houaton, moss is in great demand at present, and 75,000 pounds might be sold there in the course of a year to supply the demand of the legitimate trade of the city. Mr. F. A. Rice sells about 500 mattreases in the course of a year, which would require 50,000 pounds, and Mr. Jaseph Rhodes, who uses perhaps 25,000 pounds per annum.

Distances and Mr. Jaseph Rhodes, who uses perhaps 25,000 pounds per annum.

Distances and Mr. Jaseph Rhodes, it appears that, in drawing water, he fell in, and no ene being present, he thus lost his life. He was between six and seven years of age. His bereaved parents have the sympathy of the

der.

The Corpus Christi Valley notices the departure of Major Chapman, who has long occupied the post of Quartermaster at that place. He has been redered to California. The citizens of Corpus Christi very much regret to lose him and his amiable family from their midst.

their midst.

We learn from the Intelligencer that the body of a negro belonging to Judge Wofford, of DeWitt county, was found mutilated and concealed a few days since, and that suspicion is entertained that he was murdered by his overseer, who has been arrested.

An affray occurred at La Grange last week, in which a youth named James Nettes was fatally stabbed by an old man named John Wilhams. The Tyne Isaur learns that Nettles, while intexicated, had frightened or offended Wilhams's daughter, and that when the rencounter took place both parties were under the influence of spirituous inquor.
