SUBJECT: Purchase of Vehicle by Wakayama Prefectural Government

TO: Commanding Officer
Kinki Civil Affairs Region
APO 25

1. The attached letter from the Wakayama Prefectural Government is submitted for your consideration.

2. The Packard mentioned in the attached letter has been used continuously ever since the Wakayama Military Government Team was activated. About a month ago the vehicle was exchanged and in its place a small 1937 Buick has been furnished by Wakayama Prefectural Government. The tires on the Packard were completely worn out and tires were of odd size and could not be obtained. The Governor drives a 1937 Cadillac.

W.F.A.S.No. 341

SUBJECT : Soliciting of Assistance in the Purchase of Newly-imported Automobile for Wakayama Prefectural Gov't.

TO : Economic & Scientific Section Chief, G.H.Q.

THROUGH : Wakayama Military Government Team, APO 25

FROM : Wakayama Prefectural Government

1. Procurement Demand of a big-sized automobile for use by Wakayama Military Government Team Commander was issued under JPNO-822 on June 1, 1947. And to meet this demand, the Sedan Packard (1932 year production) which had been exclusively used by Wakayama Prefectural Governor has been furnished to Wakayama Military Government Team.

2. Other automobiles owned by Wakayama Pref. Government, being of superannuation type, are apt to be out of order and always becoming a cause of trouble due to dire inconvenience and high cost of frequent repairs. We are afraid what shall we expect for these almost useless vehicles in case of disaster relief or other public peace maintenance works. Such being the case, we are in dire need of a newly-imported automobile of high efficiency.

3. You are cordially solicited to assist us in purchasing a newly-imported automobile for Wakayama Prefectural Government.
