INSTRUCTIONS FOR USE OF GPA FORM 1
(Local reproduction of this form is not authorized)

1. This form will be used for the procurement of all Japanese supplies and facilities except labor, enemy surrendered facilities, equipment held for reparations, and facilities of United States, Allied and Neutral nationals.
2. ~~The procurement demand number assigned this demand will be used for subsequent receipts and releases~~ of the supplies and facilities hereon and will consist of a three-group letter and number combination as follows: First group—A four letter code to indicate the prefectural area and administrative region wherein the demand is prepared (not necessarily where processed to the Japanese), see Incl 4**. Second group—A single consecutive numerical sequence starting with one, covering all procurement demands irrespective of approving or using agency, for a particular prefectural area. Third group—A consecutive letter sequence for amendments to a particular procurement demand starting with the letter A for the first amendment. Illustration: KYTE-5 or KYTE-5-A.
3. Limit a particular procurement demand to a single approving staff section, to a single prefecture, and to supplies and facilities of either a total (outright) or monthly (rental) relative value.
4. Describe as completely as possible including, if known, Japanese name, type, quality, grade, model, rated capacity, and other descriptive nomenclature of the item. Include complete address in case of real estate or construction work. Construction demands will be cross-referenced to real estate demands which procured the site.
5. In describing items desired, use nomenclature equivalent to that listed in Incls 7 to 10**.
6. Indicate, when appropriate, materials, equipment, labor, and supervision furnished by the occupation forces to the Japanese in the fulfillment of the demand.
7. If a single account code is not applicable to all items on the demand, enter after each item described, the proper account code given in Incl 5**.
8. Detach the lower half of all except the last page, if more than one page is required.
9. Under "Suggested Source", indicate names and addresses of possible Japanese suppliers, contractors, or service companies.
10. Under "Deliver To", indicate the name of the officer who will have direct contact with the Japanese property owner or contractor in the case of real estate, construction work, or services.
11. Under "Remarks and Instructions", include the following, if appropriate:
 - a. Packing and shipping instructions.
 - b. "Delivery already made", and reason for necessity of issuing such confirmation demand.
 - c. Reference to any attached statements, sketches, plot plans, maps, overlays, drawings and specifications.
12. All copies of the procurement demand will be signed.
13. If the military government unit preparing and processing the demand is the same, only the second of the two "Military Government Unit" blocks will be completed.
14. List of papers in connection with procurement, number of copies and by whom prepared:

a. Procurement demand, GPA Form 1	6 copies	Military government unit
b. Unit requisition	3 copies	Requesting unit
c. Plot and building plans	5 copies	Requesting unit
d. Specifications as to rehabilitation and operation desired	5 copies	Requesting unit
e. Construction drawings	2 copies	Appropriate staff section
f. Construction specifications	2 copies	Appropriate staff section
15. Distribution of papers and number of copies:

a. Central Records	1 copy	of 14a above
b.* Military government unit	1 copy	of a, b, c and d
c. Appropriate staff section	1 copy	of a, b, c, d, e and f
d. Requesting Unit	1 copy	of a, b, c and d
e. Japanese Liaison Office	1 copy	of a, c and d
f. Japanese supplier	1 copy	of a
g. or Japanese property owner	1 copy	of a, c and d
h. or Japanese contractor	1 copy	of a, e and f
16. Amended demands will be prepared and distributed in the same manner.
17. Military Government will forward Central Records copy directly to Military Government Section, Headquarters Eighth Army, APO 343, attention Procurement Division.
18. Japanese Liaison Office will enter name and address of Japanese supplier, contractor, or service company under "Suggested Source", if none is indicated.
19. Changes in the source (delivery point) and date and method of delivery will be coordinated with the military Government unit and will be corrected on the form by the Japanese Liaison Office before signature and return.

* When demand is prepared by one military government unit and forwarded to another military government unit for processing on the Japanese, extra copies of each paper must be made for the files of the processing unit.

** Inclosure references are to Eighth Army Operational Directive.
