THE BEE

PERTEL AND PUBLICAND DAILS BY MCIAL BASETTE OF THE STATE AND CITY. THEONING mad be priverved." MEN BORNING AUGUST 16, 44

needstandand removed that Many had gay pinted, ar every arms with Min accept his came when he well-Bothy Mr Bright: for when searched immediately after his degrb, be the proprietor of thin paper and Lieutehant Morpes of the city guard, authing was found on bins to pagese and mency. Mr Bright has been ad-

e'desk, at Bunks' Areada, for the purpose of adopting the perthern abolitionists.

aggested or can be adopted; or plane to enferce efficiently the existing faure on the uniport of slave property. Holden beiding states have no just greands for approbancion of in a direct or indirect on the part of the general go inde if of any active interference on the part of the masherners. Slaves are property a and are subject to present in his any other spenies of property. If it is affected in any mancan only be by the volition of its owners, publicly seneral in the logislature, or privately resolved at home tion from without-the owners of slaves have exclusive je risdiction over them, subject to the laws they themselve take in general assembly convened. And perhaps it weed sound policy that no notice should be taken, no measure looted, but by the legislatures of the elaveholding states : ite a degree of consequence is given to the conduct of rekless shelltheists, to which their individual and divided

But an applie meeting is contemplated, at might be well fidence in the integrity of stave property; that it seasest be effected by any laws, resolutions or sermoning summer not amanating immediately and directly from local legislatures ; and that every efficient method will be taken to prevent any external interference with such property, in conufficient to answer all purposts required; and we cannot It would not be amies that the meeting seriously consid-

olered population in the suighboring state of Ternaulipasshirt may move a recort for runngate slaves; and it migh by the residence in the state of free persons of color would Interior. A license of residence should be allowed

in the interest in the continuence of the state of the st ex-spine information. As the attorney-general would not receive the bell, ner permit the prisoner a temporary entergenent, the gist of the argument before the crimal courts was whether the crime of Weed was or will not a bailable or a capital offence. Judge Canonige decided that the affence was capital not bailable. But lest we should appear to misunderstand or misrepresent his decision, we give the raport

"M. le juge Canonge, avec cette lucidité et cette imparticulate qui lui sont propres, a résumé en fort peu de de mois ces longs débate, en reconnaissant qu'ils s'étaient.

de mois ces longs débats, en reconnaissant qu'ils s'étaient un peu toutée de la question préalable; en effet, a.s. ai dit, je ne suis point appelé a décider ici la nature du crime dent Wood s'est rendu coupable; c'est devant le crime dent Wood s'est rendu coupable; c'est devant le jury seul que cette preuve doit être faite. Is ne suis appelé a display of tender generative bellow.

The difference is—this bombast perlahes—General Les' display sure!!

After such a display of tender generative be Mr CaldRepartes.—A New Yest lady it a public table in Nove. nent. Pun a'appuvant sur un texte de Blackstone, qui gone contre cette personne, il a ajouté : er, un crime capital a étà commis, nul ne le centente, pas même l'accuse; les dépositions que le Ceur a entendues sont plus que de forta souppose que l'accusé à la barre est l'auteur décerte que le capital a étà comment ne peut ètre admin, et que l'accusé deit être gardé en prison jusqu'an jugement qui pronencem définité pent sur son sort. En consequence, l'accusé deit être person jusqu'an jugement qui pronencem définité pent sur son sort. En consequence, l'accusé des terre recquique en prison pour y attende la récovertue des Curses nevembre prochain."

True American! and avowedly and efficiently support the politique support the politique des des possesses of the pecude American sessociation!!

It is however consolatory to learn that even the young fines who gave in their names as members of the association that the highest classe of ludies in Mississippi, sever went from are already disguested with the chicamery displayed; and the subterfuges resorted to, to enjels them. Mest d'a ginard—beil and swallow it, and it all my wealth consign's.

I once had tounch'd a little burk, And it all my wealth consign's.

he nature of the crime; but the admissibility of the bail. This is a distinction without a difference : for the law nitively that every esime not a conital offence in bestable. To detide therefore that an offence is not bailable of the crops in that part of the state, in consequence of the r screets to determine the nature of the crime—that it is continued heavy rains. The cotton erop is not expected to murder; a capital offence requiring the highest penal malic. average more than half the estimate. The Matchitoches There is no other alternative resognized by the law . killing in outer murder with premeditation; and therefore not bailghin, but punishable with death : or it is marder withhitation, that is menolooghter, and therefore build-

Now see the awkward predicament in which the decision of Judge Canonge has preceduled by the assembling magnetrators beliefully payer anchology to the assembling magnetrators the assignance and the amount of heil being left wholly at mose and vigiliance between the Blands of Masora Van murm his discretion, in conformity with the clauser in the state constitution that dear between challes bound by sufficient field and Colonel Createst forwarding the pretentions of the lefter. We have find no returns. of Judge Cononge has placed all parties. The law gives the stitution, 'expossive bail shall not be required.' Well, by the propositings in the case of Wood, the attorney general the precordings in the case of Wood, the atterney general nich of the river, Sir apparatus of both same. She will fer.

well, and of condescension to naturalized citizens through them, it would be manifestly illiberal on the part of every ladies from all parts of the Union, enquired why the naturalized citizen act immediately to subscribe to his True American! and avowedly and efficiently support the valley, and added that she presented those of the higher dit que teune personne accusée d'un crime capital peut him, it would be manifestly illiberal en the part of every être admise à donner caution, sauf le cas où la preuve naturalised citizen act immediately to subscribe to his

Can such things be; and overcome as like A summer's elevel, without our special warning?

The Vermillionville Sentinel gives a melancholy accoun journal makes similar complaints.

The elections have commenced in the states of Alabanta Tennessee and Kentucky. The Mobile papers live as seen returns of the elections there received-from which it appears that Mr C C Clay has a majority over his opposent Parsons, for governor of Alabama. But the returns are ently

power of appollute jurisdiction to determine the built; but the has the power of determining the nature of the crime without the insurvention of dispersion for process which we can be proceed the great and direct interest which we can git to the great and direct interest which we can git to the come applicable of the interest which we can git to the come applicable of the come of a rail roal. Such a constant of the absence of the state; and that he cannot be tried a second time for the cannot be tried a second time for the cannot be tried a second time for the cannot make for our products. We wish the applied for the come of the cannot be tried a second time for the cannot be tried as second time for the cannot be tried as a second t

I once had bunch'd a little burk,
And it all my weeth consign'd.
Nor thought alast of billowe dark,
Nor of the angry, feithless wind:
But soon 'twas dashed upon a rock,
And subt—to ree eggin! no never—
Too weak to bear the storm's rude sho ky
"Twas lost forever.

That little batk was o'en my maant, Which on the rea of life I cost,
Which on the rea of life I cost,
With pride I saw it then depror,
The sterm was disappointment's blast.
My every hope my feary dealed,
I put on board, return they'll sever,
The sack was rarm on which 'swas wresh'd,
And less ference.
