ARRIVAL OF THE AMERICA AT HALIFAX.

DECLINE IN COTTON. LATER FROM CHINA. FIVE PORTS BESIEGED THE ITALIAN TREATY NULL INTERESTING FROM WASHINGTON THE MENICAN TREATY REJECTED.

The Pennsylvania Senatorship. teamship America, from Liverpool on the fiternoon of the 28th ultimo, has arrived a The Alps and City of Manchester arrive COMMERCIAL INTELLIGENCE.

COTTON.—The business of the week amounted to 44,000 bales, speculators taking 6500, and exporters 6500. Our circulars quote a section of 1 124. and experiers 5590. Our circulars quote a decline of 1 15d.
The sairs on Friday amounted to 7600 baies, the market closing steady.
The whole sir-ck in port amounts to 330,000 baies, of which 234,000 baies are American.
BREADSTUFFS.
The market is heavy. Flour and Wheat closed duil. Corn steady.
PRIOVISIONS. PROVISIONS.

The tone of the market is losed buoyant at an advance. GENERAL NEWS.

GENERAL NEWS.

We have batter advices from China which report that five of the routs open in Europeans have been placed of the properties. The Paris Constitutional explains that the treaty exhibits between France and Austria in guaranteeing the Italian possessions find become a dead letter, as Austria was bound by that treaty to render assistance to the Allies against Russia, and during the war she remained a passive spectator.

LOUISIANA LEGIMLATURE.

BATON ROUGH, March 12.—Senate.—In the
Senate to-day the New Orleans Election bill
was passed by a vote of 18 to 10.

House.—In the House the bill for the object
of extending the Citizens Bank bonds was
defeated.

CONGRESSIONAL AND POLITICAL. CONGRESSIONAL AND POLITICALS WASSISSTERN, March I.O.—The Serante has added commerced treaties with thit, Herica and Venezuela.

The Judiciary Committee will report that new lack substent testimony in the case of violatio warrant a decided opinion. In the axe of Concrete that one of the Constitution of the

meeting with these awaiting you at your homes, and for your prosperity and welfare in Me.

It remains only to declare that the Senate stands adjourned without day.

Soon after the adjournment, the Senate assembled in pursuance of the produmation of the President. The Vice-President elect was introduced by the Committee of Arrangements, and the ceath of elico was administered to him; whereupon he took the chair, and addressed the Remate as follows:

MR. SERCHENDER'S REFERE.

M. SERCINSHOUS STREET.

M. SERCINSHOUS'S SYEEG.

M. SERCINSHOUS'S SYEEG.

Sension: In assuming the duties of this station, I am quite conscious that I bring to their discharge few ether qualifications that a deep sense of the importance of this bedy in the scheme of the government and a feeting of respect for its members.

Happily, my duties are o-emparatively few and simple; and I am sure they will be made easy by a prevailing sense of propriety-which will of itself be sufficient on all occasions to preserve the dignity and decorum of the Sensie.

In administering the rules which you have adopted for the convenience of your proceedings, I shall often need your kind industries and I anticipate with condinence your lorbearance towards the errors that spring from heat perfect. Cherishing the hope that our official and personal intercourse will be marked by mutual condence and regard, I look forward with pleasure to your association in the performance of public dates.

ceedings, I shall often need your kind indicates, and I anticipate with conditions and in the performance of processing the large state of the lar ALEDICTORY ADDRESS OF MR. SPEAKER BANES. Before the adjournment of Congress, the peaker of the House of Representatives ad-ressed that body as follows:

Speaker of the tiouse of Representatives and drossed that body as follows:

Gentlemen of the Jone of Representatives:
I solicit that indulgence which is usually accorded to these who stand in the position which I occupy.
I should fail to perform an imperative duty did I sever our cifficul connection without acknowledging my obligations to the officers with whom I have been associated, and to the House itself, for that generous and unwavering support which has been given to me in my sphere of service.
The congressional term which now closes will bear in the history of legislation no ordinary character. The unexampled energy of the American people, and the rapid extension of their theartest of action and enterpresentation of the ordinary business of legislation.

The have been onlied under such circum-
