Dear Husband i wite these
few lines to you hopeing
to find you better than it
leaves us at present i have
been very uneasy since you did
not wite my children cried
when we got no letter Mrs Bone
has got two letters since i got
one will you please to wite to
me and send me word how
you are getting on i have bit
myself up thinking i shall get

to you some time or another
My Mother sends her best love
to you she has been very ill
but she is better at present
we all send her kind love
to you we all regret very much
for you i hope their will be a
lighting for you yet Woodhouse
has been for giving hisself up
several times when he has been
in drink i hope he will your
John and Emma send their
love to you we have wished scores

of times you was coming in to the
house we should sryuse you ^{to} deeth
foa we could like to see that
Thon ward lives next door to
us he sends his respects to you
his Wife his pius womman
she talks about you very
often Joshua Lykes has sent
word for me to go to their
house but i have not had
time to go you must not delay
witeing if you can it will ease
my mind if you can

if ever it lays in your power
to send for us when you get
abroad i would freely sell
all up to come to you if i
possibly could for health

~~Dear~~ Dear father do please
