COL. W. H. HOLABIRD

COL. W. H. HOLABIRD FOR CONGRESS

With a profound sense of duty, we present the name of Col. W. H. Holabird to the colored voters of this, the Tenth Congressional District for their suffrage. In so doing we are serving the best

interest of the district, while performing a sacred duty not only to the Negroes of this state, but the whole country.

The strongest argument in favor of the election to Congress men of the Holabird type, is the position taken by Col. Roosevelt relative to the Negroes' constitutional

rights. If telegraphic reports are true he is willing to disfranchise the Southern Negroes permanently if by so doing he can get office. In a speech delivered to the colored voters last week at Ninth and Santa Fe Ave. Congressman Stephens who is candidate for re-election unblushingly justified Col. Roosevelt's revolutionary attitude toward the war amendments. Mr. Stephens justifies Col. Roosevelt's attempt to disfranchise the Negroes by stating that he lived four years in the South, and is convinced that in spite of the Negro's phenomenal, moral, material and intellectual advancement that the Southern Negroes are not entitled to the rights vouchsafed to them by the federal constitution. Colored voters, think of it. Your brethren in the South whom Mr. Stephens would disfranchise, own land by the million acres, own and operate many banks, own and conduct thousands of business houses of every kind, supporting many schools of higher education, and are led onward and upward by thousands of professional men of their own production, having reduced their illiteracy sixty per cent in less than fifty years—these he would strike down with one fell blow in the morning of their upward struggle if by that sacrilegious stroke he and his progressive party could get control of this government. Which will you vote for Mr. Stephens or Col. Holabird? Mr. Stephens by his own words, is a man of small caliber and exceedingly narrow views. Col. Holabird is a big, broad man of affairs. And regarding the question of manhood rights he stands with Lincoln, Sumner, John Brown and Foraker. In the dark days of the sixties when Lincoln called for volunteers to rescue the nation from the clutches of rebellion, he was one of the million brave young men who responded to that

call. He was a member of that grand army which loyally supported the patriots, who made the war amendments a part of the constitution thus transforming you from chattel to men. With you he feels the same keen resentment toward the men who would at this late day under the guise of Republicanism attempt to destroy the results of the war and again make chattel of men.

From the standpoint of the highwaymen, Mr. Stephens' position is a logical one. The highwaymen who would rob a bunch of men of their valuables, knocks down the strongest first. Once the Southern Negroes of the country, are shown of their political rights, the enslavement of the Northern and Western Negroes will have been completed.

As a business proposition it is to the interest of every voter in this district that Col. Holabird be elected to Congress. He has been more largely identified with the phenomenal development of this city and suburbs than any other single man. It was through his ingenuity that the water of the Colorado River was turned into the far famed Imperial Valley, transforming what was a sun burned treeless desert, into the richest agricultural section on the globe, capable of sustaining a population of two million souls.

Col. Holabird stands for the freedom of the Negro, Mr. Stephens stands for his enslavement. On the question of the tariff Col. Holabird is right. Mr. Stephens is "nil." Vote for Holabird.

C. C. Flint, Esq., will speak at the People's Lyceum, Cor. 12th and Central Ave., Sunday at 4:30. All are invited.

Mr. Albert Hall, son of Mr. I. B. Hall, the well known painter and decorator, will leave shortly for San Francisco to study in the Nason Paint Factory. Mr. I. B. Hall, his father, is the leading colored painter and decorator in the city.

THE JUDICIARY THE BULWARK OF LIBERTY

Of the three co-ordinate departments of our government, the Judiciary is by far the most important to the average citizen. It is indeed the bulwark of the people's liberty. Corruption and mal-administration may exist in the other departments of the government, but if the judiciary is pure, free and untrammelled, all citizens, regardless of conditions, will in a large measure enjoy their inalienable rights. On the contrary, if the judiciary is weak and vacillating, the rights of the people are insecure, no matter how strong the other departments. Therefore in selecting judges, it is of the utmost importance that great care be taken that only strong, capable, upright men are chosen. In the selection of judges no one has more at stake than the poor people whose rights are frequently thrown in the balance with those of the rich. In the matter of the judiciary, all classes of people in this country have been exceedingly fortunate for the judiciary as a whole has been above reproach. In this edition we present the cuts of four judges who have served the people so satisfactorily that they have been endorsed for re-nomination by the people throughout the County. They also have the endorsement of the entire County bar. This being one of the wealthiest counties in the United States, the courts are called upon to handle a vast and varied amount of business representing many and diverse interests. In spite of this fact the lawyers representing these interests are unanimous in their support of the judges whose names are presented in this edition.

Mr. R. McDowell, a well known contractor and father of Mr. Afue McDowell, a popular young attorney-at-law, died last week after a long illness. We extend our sympathy to the family of the bereaved.

Judge George H. Hutton

Judge George H. Hutton is well known and popular with the taxpayers throughout the county and will doubtless be handsomely indorsed for re-nomination at the primaries. Aside from his other judicial duties, all of which have been well performed, to him was assigned the handling of the feeble minded people of the county. Upon assuming these duties he immediately instituted reforms which means the restoration of many feeble minded people to their homes. This reform, alone, entitles him to the vote of every woman in the county for the reason that suffering from feeble minds fall heaviest upon mothers and home-keepers. Regardless of sex, lovers of home and justice will vote for Judge George H. Hutton.

Every Negro voter both male and female should go to the polls Tuesday and cast their ballot. The Negro voters are on trial today as never before. Each Negro voter must become a committee of one to see to it that his neighbor is urged to go to the polls and vote. If the Negro does not go to the polls and stand by those who stood by him it will be used against him in the future.

JUDGE PAUL J. McCORMICK

Among the able and brilliant men on the bench, Judge Paul J. McCormick holds a high rank and his popularity with the people is county wide. His re-nomination by a handsome vote is everywhere conceded. This is due to the ability he has displayed and the large number of cases he has handled, his wise probation system and absolute fairness.

JUDGE FREDERICK W. HOUSER

Judge Frederick W. Houser needs no introduction to the voters of the county. His services on the bench have served that purpose long ago. As we have previously said: "You will get justice in Judge Houser's court, whether it sets you free or sends you to jail." There is a class of criminals who deliberately violate the law and when hailed into court expect to escape through technicalities. In Judge Houser's court this class has been grievously disappointed, and learned to their cost that they must pay the penalty for the laws infraction. If such a course was adopted by the judiciary of the

Judge Frederick W. Houser

country at large, it would prove a powerful deterrent that would everywhere lessen crime, raise the morality of the people and reduce the cost of court proceedings. Judge Houser's record has been such that he will be among the winners at the primaries.

ATTORNEY JOHN M. YORK

Among the attorneys who aspire to the position of Superior Judge, few are better known or more popular than Attorney John M. York. Enjoying a lucrative law practice together with his long association with his father, who is a well known jurist of distinction, Mr. York comes before the people eminently fitted for the position to which he aspires. He is a popular member of the bar and is highly spoken of by the colored attorneys of the city. Mr. York ought to make an excellent judge. His ancestors on both sides being eminent lawyers.

Mrs. W. H. Joyce of 1522 W. 35th Place, has returned from Memphis, Tenn., where she spent two months with relatives. She reports a pleasant trip.

JUDGE JAMES C. RIVES

Judge James C. Rives ranks as one of the ablest probate judges in the country and holds a unique position of having distributed several of the largest estates that ever passed through a probate court in this country. Property belonging to widows and orphans amounting to \$50,000,000 pass through his court annually. It is the safe guards that Judge Rives has thrown around the property of widows and orphans that makes his re-nomination at the head of the judicial ticket as certain as things human can be.

MR. HENRY H. LYON

The nomination of Mr. Lyon in the 39th senatorial district is practically conceded. He is universally popular and will poll his usual big vote.

MR. FRANK R. PITNEY

Mr. Frank R. Pitney who is candidate for the assembly from the 74th assembly district has been making a quiet but successful campaign in his district. He expects to be the winner of the nomination as the people throughout the district are supporting him loyally. He says if elected he will represent his entire district regardless of race, color or creed. He solicits your vote.

UP TO THE COLORED VOTER

Colored voters must keep open the door of hope. In the present supervisorial fight the Negroes clearly have the balance of power, it is therefore up to the colored voter to say whether or not that the right of colored girls to enter the nurse training department of the County Hospital shall be denied them. That this unfortunate question is an issue in the present fight is entirely due to Messrs. Pridham, Butler and Manning. When the matter was first made public the editor of this journal called upon the three gentlemen named and asked them to settle the whole matter quietly by admitting the colored girl-applicant to the training school. He stated that all that was necessary in the premises was for them to take a firm stand for the right; that there was no danger of the resignation of any subordinate at the County Hospital on account of the admission of a Negro girl. He told them further that by virtue of their election they, and not the nurses, were the managers of the County Hospital. He reminded them that the threat to resign from office or public position if Negroes were given their rights, was a very common bluff and never materialized when the bluffer was given a chance. Capt. Manning promised to give the Negroes a square deal when the matter came up; but Messrs. Pridham and Butler stated that they did not propose to make politics out of the matter. To this the Editor replied that that was the reason he appealed to them and that it would be impossible to keep the matter out of politics unless the Negro girls were given their rights before the opening of the campaign. Over the protest of Messrs. Nellis and McCabe, Pridham, Butler and Manning refused to put the matter to a vote as to whether or not the Negro girls should be admitted, and by thus dodging the issue forced it into politics.

The matter of course is still under advisement, and, is up to

the colored voters to join hands with the white friends of justice and take the matter out from under advisement by defeating Pridham in the Fifth District and re-nominate McCabe in the Second District and Nellis in the Fourth District. This they have decided to do.

JAMES McLACHLAN Republican Candidate for Congress

Twelve Years Practical Experience in the House of Representatives

During that time he was the special champion of every California Industry.

He was always the able and effective defender of the orange, lemon, walnut, sugar beet, olive and raisin growers.

He secured over \$6,000,000 for harbor improvements and public buildings for Los Angeles County.

He was the author of the Bill for a Pacific Coast Steamship line that if established, would free us of Railroad domination.

If returned, he would continue fight along the same lines.

Vote for him at the Primaries Sept. 3, 1912.

The colored voters attention is called to the fact that Mr. Chas. W. Bell, the opposing candidate has the endorsement of the Lissner Good Government forces, and boast that he is proud of that endorsement.

Our voters are aware of what the Lissner Good Government has done in not losing an opportunity to close "the door of hope" against us.

Mr. McLachlan's record shows that he is opposed to such a policy and will work for a square deal for all.

We urge the colored voters throughout the District to go to the polls and vote for Mr. McLachlan, especially those living in Pasadena, Monrovia, Duarte, Azusa and Pomona.

CHARLES WELLBORN

Mr. Chas. Wellborn is another of the able and popular candidates for Superior Judge. His candidacy is attracting wide support throughout the county. The *Claremont Courier* speaks of him editorially as follows:

Charles Wellborn

One of the very best of the many good men asking for the position of superior judge in this county is Mr. Charles Wellborn. He is a lawyer of magnificent attainments, a man of splendid public record, a man of high ideals and strength of character. In fact, being the son of such a distinguished and able man as Judge Wellborn of the United States court, is a guarantee of his fitness for the position he seeks.

Mr. Wellborn has for some time been in the service of the county. He has been appointed by Mayor Alexander on different boards and in every case he has exhibited his fitness for public trust and has recognized the wishes of the people.

The Courier considers him personally as one of the best men in public life and this paper would like very much to see him elected, assuring the public that he will fully demonstrate when on the

bench, the confidence imposed in him.

Strongly Backed by Members of the Los Angeles Bar Association.

At the solicitation of 30 of the leading members of the bar of Los Angeles county, as well as of heads of departments and other officials of the city, Charles Wellborn, member of the public service commission, has announced his candidacy for the superior bench of the county.

The members of the bar association, including such men as W. J. Hunsaker, T. E. Gibbon, Oscar A. Trippet, L. H. Valentine, John W. Kemp, Judge Wheaton L. Gray, John D. Pope, Sheldon Borden, E. W. Britt, Geo. H. Smith, John C. North, Lucius K. Chase, G. C. De Garmo, John G. Mott, Charles Cassatt Davis and others, in the communication which they all signed and sent to Mr. Wellborn said: We are vitally interested in the election of honest, able and conscientious superior court judges. The volume and importance of the business transacted by our superior court require that these positions be filled by lawyers of known ability, experience and integrity. We are convinced that you possess all these qualifications, and are especially well qualified for a judicial position, and therefore urge that you become a candidate at the coming primary election." The signers also promised to give Wellborn active support in the campaign.

Many Sign at City Hall

About the same time a petition was circulated at the city hall, headed by Mayor Alexander and signed by C. H. Hance, Walter Mallard, W. M. Humphreys, John S. Meyers, Lorin A. Handley, Geo. W. McDill, Geo. B. Anderson, Roland Bishop, W. T. Bishop, Frank F. Schumacher, Percy F. Schumacher, Richard M. Bishop and others, asking Wellborn to run. To both he gave a favorable answer.

Mr. Wellborn is the oldest son of Judge Olin Wellborn, United States judge in this district. He was born

in Atlanta, Ga., in 1867, and lived for a short time in Texas, where his father was elected to congress, and took his family to Washington. There the son received most of his education and attended Columbian university, being graduated from the law department. He came to California in 1887 and settled in San Diego, where he was admitted to the bar, and entered the offices of a firm composed of Judge Wellborn, John D. Works and John T. Jones. He came to Los Angeles in 1896 and has lived here since and practiced law continuously.

"Drafted" for Police Board

In 1911 Mr. Wellborn was one of those "drafted" by the mayor to serve on the police commission. He made an excellent record and at the end of a year was promoted by the mayor to the public service commission, formerly the water board. He is still serving that commission. He was a member of the charter amendment committee appointed by the council in 1909 and is now serving as a member of the city board of freeholders and the county board of freeholders, which are preparing new charters for the city and county, respectively. During his service on these boards he has devoted a great deal of time to the study of municipal charters and has become a recognized authority on such subjects.

Put This In Your Hat.

A number of colored janitors who are in the pay of the County have been putting in their time among the colored voters working for Pridham. This is not only an insult to colored voters but inflicts a wrong upon the taxpayers. The colored voters must resent this kind of business at the polls.

If they do their rights will be respected after the election.

Master Elbert R. Winters, the young son of Mr. and Mrs. R. Winters of Santa Monica, was christened Sunday morning by Rev. J. A. Stout at the Phillips Chapel C. M. E. Church.

**MR. C. J. NELLIS CANDIDATE
FOR SUPERVISOR FROM
THE FOURTH DISTRICT**

The re-nomination of Mr. C. J. Nellis from the Fourth Supervisorial District is conceded on every hand though by a small plurality. This is not enough; if the colored voters in the Fourth District do their duty and they will, Mr. Nellis will come out of the contest with at least 1000 plurality. Every colored voter male and female should become a committee of one to pass the word down the line that every colored voter in the District be on hand at the primaries next Tuesday, September 3rd and vote for C. J. Nellis. Mr. Nellis' white friends, who represent the best people in the district, are putting forth supreme efforts to secure his nomination. The Negroes to a voter, will do the same thing.

MR. H. D. McCABE

In the Second Supervisorial District the sentiment in favor of the re-nomination of Mr. McCabe has overwhelmed everything. Mr. McCabe is exceedingly popular with all classes in the district and will increase his former vote.

The candidacy of Rev. D. R. Jones which for a while threatened to divide the colored vote is now no longer a factor. Rev. Jones who is a thorough race man will not urge the colored voters to vote for him since he sees such a

H. D. McCABE

course will give the nomination to Mr. Horton a Pridham candidate. Mr. Horton has the secret indorsement of the Lissner machine and therefore is in full sympathy with Pridham, Butler and Manning. Mr. McCabe will poll the full colored vote and be nominated.

MR. CHAS. E. PATTERSON

The whole Progressive machine has decided that Mr. Pridham will be defeated in the Fifth District. It is conceded that the rich people in North and South Pasadena will vote for Mr. Pridham, but the 1st and 8th wards of this city which are inhabited wholly by working people together with the country precincts will wipe the North and South Pasadena vote off of the face of the earth, nominating Mr. Patterson by a large majority. The foundation for the magnificent roads that the country people now have and which have enhanced property values everywhere were laid very largely by Mr. Patterson the country people have not forgotten this. Mr. Patterson is well known and popular with the colored people of his district due to his manly stand for absolute justice to all. The attempt of the Pridham people to use this against him has proven a boomerang. Every colored voter in the Fifth District will turn out and help nominate him.

FRANK H. MOUSER

In the Seventy-fourth Assembly district, the leading candidate for the Republican nomination is Frank H. Mouser, the representative of the Progressive element. Mr. Mouser is making an active and strenuous campaign, of the kind that appeals to the average American citizen. His friends believe that at the primary election he will win the nomination easily.

Mr. Mouser is a champion of the plain people. He believes in the laboring man and is not afraid to say so. He stands upon a platform which includes the eight hour day, employer's liability, compensation for men and women injured in the industries, a minimum wage law and strict sanitary regulations to protect the health of the toilers.

Mr. Mouser is a good friend of all of the people, and as such has long been recognized. He has never failed to extend favors and courtesies to the colored folks whenever opportunity presented itself. His father, A. C. Mouser, is attorney for the Colored Colonization Company of San Diego and has the respect and affection of the entire colored population of that city. The son is a "chip off the old block."

Mr. Mouser is a Roosevelt man and will support Roosevelt electors. He has the endorsement of the Roosevelt Progressive League

and will stand with the Progressives in the legislature.

STEPHENS CHALLENGED TO DEBATE

Los Angeles, California
August 26th, 1912.

Mr. Maximillian Ihmsen
Los Angeles Examiner
City.

Dear Mr. Ihmsen:—

Mr. Wm. D. Stephens, today by accepting the presumed honor of presiding at a public meeting where the candidate for the Vice President of the new Political Party called "Progressive," is to speak, has allied himself publicly and openly with the new party and by so doing has deserted, seceded from, and played traitor to the Republican Party, who elected him to his high office.

I challenge the right of Mr. Stephens to one solitary vote by any person registered, according to the laws of the State of California, as a Republican.

The Primary Laws of the state were presumed to purify politics, not to deliberately plan and execute corrupt practices.

It is an outrage and a political crime for Mr. Stephens to ask, expect or accept a vote from any person registered as a Republican for him as a member of Congress representing the Tenth District, as a Republican and I now challenge Mr. Stephens to a public debate at any time and in any place as to the political honesty of this, his public action.

Yours very truly,
W. H. Holabird.

NELLIS ENDORSED

At a big rally at the Furlong Tract on Tuesday evening 400 voters turned out and unanimously endorsed Taft, Holabird and Nellis. That precinct will give Supervisor Nellis a solid vote.

Dr. Leonard Stovall passed the state board of medical examiners with an average of 89 per cent.

MEETS AT MRS. LEWIS

The Booker T. Washington Art Club met at the residence of Mrs. Lewis of Pico Heights, Thursday, August 22nd.

The event was well attended. During the afternoon a very interesting topic was discussed. The subject: "Why Our Boys Lose Interest in Schoolwork."

Quite a few visitors were present and made some very good points on the subject.

Refreshment of fruit, salad, cream jells and cakes were served. The next meeting will be at the residence of Mrs. Vaughn on 35th Place.

THE COLORED INDEPENDENT POLITICAL LEAGUE REPUDIATED

The organization (?) of the colored Independent Political League that was announced in the last Saturday's *Times* has been denounced as the rankest fake of the campaign. And stands on a par with the Negro Good Government Club which did violence to the good names of every prominent Negro preacher in the city during the late municipal campaign. This colored Political League (?) was organized by the "Rev. Dr. Gordon McPherson," who broke into the city from God knows where and led the fight for the Socialist ticket during the late municipal campaign.

In the early part of the summer this same "Dr. McPherson" organized a Roosevelt Club, which died on his hands long before Roosevelt and Johnson kicked the Negroes out at Chicago.

The rapidity with which "Dr. McPherson" changes his politics, and organizes political clubs and the loose manner with which he uses men's names without their consent, is undoubtedly due to

dull times in the preaching business. Without their knowledge and consent, the names of Messrs. C. C. Flint, J. G. Edmonds, and the Editor of this journal were used in connection with that fake club. To use men's names in this manner, without their consent, is dangerous business. It is a violation of the law, which unless stopped at once, will result in landing some of these eleventh hour Negroes in jail. The scandalous position the Negro ministers were placed in by the leaders of the Negro Good Government organization, in the last municipal campaign is still fresh in the memory of citizens of this city. They made the Negro ministers parties to the statements that were absolutely vicious and untrue and put the Negro voters and their ministers in such a ridiculous position that the Good Government officeholders have been enabled to treat them with contempt. The tricky officeholder is always on the lookout for just such a loophole as the Negro Good Government Club made for them.

We are in receipt of the following letters from two gentlemen whose names were falsely used by the

organizers of the fake Independent Political League.
