WIKIMEDIA
CONFERENCE

General information:

- When did we start to join the local community & When do we know the local community have started: Three major projects: Start as a chapter since 2007(then THE WIKIMANIA), exhausted, revive from 2011 until then.
- What project(s) and language(s) are your community focus now:Wikiwoman, WikiMED, WikiEdu and other region-based communities in Taiwan. Chinese mainly, but we also focus on Taiwanese and some minor languages in some special projects.
- What things are we doing, we think successful, in Wikimedia world now: We've add many contents on zh-TW wikipedia, and we still keep rolling with international wikipedians.
- What is the biggest challenge we are facing: We need to think about the future of wiki movement in Asia and build a regional collaboration between countries.
