A la Asamblea general y senada formada para la eleccion de la Capital de California

Justicia de un pueblo soberano el considerar el estado en que miembros de la asamblea mencionada se espone, pues acabamos de ver que los hombres en que el estado debe tener su confianza nunca ha sido merecido la confianza de este infeliz pais se infelices pues se alia susfeta no al Gobierno de los estados unidos si no a ~~una~~ ^{una} horda de ~~unos~~ ^{unos} hombres que solo aspiran al bien de sus bolsos enriquezarse a costa de los sacrificios y trabajos de los hijos de este suelo lo acabamos de ver patente mente i el Sen Supremo nos llamaban algun dia a que voluemos de nuestro pais y de nuestros bienes i hombres que siempre han sido la curria y la hez de sus pais natos.

Alas aborrazas que algun dia o talvez pronto es toales como negros de las costas de africa que han sido suumbido al interes y bienes o fines particulares. Sen Pallejo sus esclavas pues el es mandado y se desion la desion en la ultima hora de su vida la comprado el Gov. de Cal estableciolo en este pais en de los estados unidos pero vivimos convenidos que esto es su testimonio y que pronto si tal vez pronto veriamos a sangre i tormentos y se combertira esta California en un teatro de desgracias hasta que termine a llegue a p nense al verdadero estado de bien que es al que aspiran sus verdaderos Ciudadanos

My dear General,
If the weather is not too bad, and yourself not more pleasantly engaged, will you favor us with your company to night? - The young ladies do (as usual not study this evening) and will I know - be much delighted to your agreeable society. The Dr. joins me in the pleasant anticipation of seeing you until which time believe me,

Sincerely Yours,

Mi Señor Mio

Hace dos dias que fui a "Valley", por primera
vez despues del dia de bautismo, quando V. me
hizo el honor de convidar me; el adelanto y proveyencia
que ha tomado, en tan poco tiempo me extraña mucho, y
como en el tiempo de mi primer visita he un bocu-
jo para V. me parecia que su dibujo tomado del
mismo punto devia de tener cierto interes, para V.
hice los dos que se encuentran adentro de este que
espero que V. me hara el favor de aceptar, y creo
que seria bien de hacer litografias los. lo que se
pueda hacer muy bien por un frances, ahora en San
Francisco. porque puedo asegurar a V. que el publico
no tiene idea alguna de las obras que han sido
ejecutadas con tanto empeño en dicho pueblo.

General.

no quiero enfadar a, porque yo la que
lo está ya bastante, por las preguntas
que se le hacen diariamente, pero quiero también
hablar en sus intereses como en los nuestros.

No se puede materialmente acabar de
arabiar la tierra con los tres arados que
tenemos, lo que está en gran verdad.

Si sembrando todo el pedazo, alcanzara a más
de doscientos quintales, el trigo que se labra
en tierra. Uno quintal, multiplicándole 30 veces
dará una cosecha de 3000 quintales, multipli-
cándole 23 veces no más, será de 7000 quintales,
su parte será entonces de 2000 a 1666 pesos.
Vendidos a dos centavos, lo que está bastante
bueno, sacará a. muy fácilmente, de 4000
pesos a 3333. Eso no está en sueño, sino,
ni una quimera tampoco, pero la más clara
Verdad.

Mr. D. Martin V. Cooke

Mi amigo y Sr.

En primer lugar mucho me alegra celebrar hoy la memoria de su salud y lo felicito por ello; y en segundo lugar le recomiendo mucho cuidado y dieta regular para no exponerse a una recaída que siempre es muy peligrosa.

Miles y millones de cosas han ocurrido en los dos meses y medio que estoy aquí; pero no es el tiempo aun de que U. lo sepa todo por escrito. Sin embargo el tiempo llega y lo sabrá minuciosamente. Yo me creía con bastante experiencia en el negocio en ocho años de práctica; pero amigo mío, en estos dos meses he conocido que no paraba mi sabiduría de los límites de lo de mi pequeño Napoleón. ¡O Dios mío!

A pesar de todo, y de mi espanto y sorpresa, hemos batido en campo abierto, con iguales armas y creo que venceremos.

Lafayette ha tenido tantas visitas que no sé si podremos estar en honor el martes. Hoy comencé en casa del Conde Francis, y mañana con Mr. Judah en donde (by de by) estamos presentes a un bautismo, luego a la Iglesia de S. M., y si acabamos bien estaremos en honor el martes.

Sea de U. att. Sr. D. M. V. C.

The Committee in Charge of Indian Affairs
^{and respectfully report}
~~that~~ ^{that} after a very deep examination,
believe it ~~concerns~~ ^{proper} to recommend to the House
of Delegates, that until other laws can be
established relative to this object, that
the former laws be strictly observed, with
the following additions -

- 1st All Indians having masters, shall not
be permitted to leave the farms, or where em-
ployed by said masters, without a ^{written} passport.
~~such farms or masters~~
- 2nd Each master, shall have a right
to prosecute, his Indian servants, as have
deserted without just cause; It shall be
the duty, of every owner of Indians, to assist
in apprehending every such deserter - wherever
he may find him - and compel ~~the~~ said de-
serter to return to his lawful ^{master} ~~owner~~ -
- 3rd No person shall buy from an Indian
any horses, or cattle, without a written permission
from his master - and in violation of the above
article, he shall forfeit the animal bought, & pay a
fine of \$150 - & the Indian shall be punished with 150 lashes.

0098

4. Any Indian without a Master, or a fixed residence, shall be Compelled to give a Satisfactory account of the manner in which he gains his living - & should ~~the~~ ^{he not} ~~Said~~ Indian be ~~not~~ ^{asked} to give a Satisfactory account of himself to any Competent Magistrate ^{be authorized} ~~to~~ ^{to} ~~visit~~ ^{visit} him in charge. I find him to a proper Master - but should the number of vagrant Indians be so great as to render it impracticable to bind them to masters as aforesaid - then the Court or other local Authorities, to designate some ^{Convenient} ~~place~~ ^{place}, in the vicinity of the Town, for the confinement or Employment of Said Indians -

5. Any person who shall vend, or connive at the Sale of intoxicating liquors to Indians, shall upon Conviction of the Same, be fined as by the Proclamation, of the present Governor of Cal: (Col. Mason.) is provided -

6. As at present the District is destitute of the necessary goal or goals, the Committee, would respectfully recommend to the House of Delegates, the adoption of immediate measures, for the erection of the same -

7. The Committee would respectfully recommend the Appointment of Agents, authorized to ^{be authorized} ~~summon~~ ^{summon} the Chiefs of the different Civilized Tribes, together with Farmers, having in their employ Indians, in order ^{fully} to explain to them these provisions, and object thereof - that in no case, can a plea of ignorance be urged in extenuation, or mitigation, of a violation of the Same -

8. All persons, having a surplus number of Indians, upon their farms, or in their employ shall report the Same to the nearest or next convenient Agent, whose duty it shall be upon receiving such report, to bind said Indians to a proper Master -
