

UNITED STATES NAVY

MEDICAL NEWS LETTER

Editor - Captain L. B. Marshall, MC, USN

Vol. 16

Index

INDEX

for

MEDICAL NEWS LETTER

Volume 16, Numbers 1-11

from

14 July 1950 through 15 December 1950

NOTE: Figures indicate number and page of Volume 16. For example: Abdominal emergencies, acute, 3:2 indicates that this item will be found on page 2 of No. 3.

- ABDOMEN, acute, hemophilia simulating, 6:22
 Abdominal emergencies, acute, 3:2
 Abdominoperineal resection, 4:6
 Abortion, therapeutic, control of, 6:4
 Accidents, prevention of, 10:27
 ACTH:
 in acute lupus erythematosus, 11:26
 in cardiac edema, 1:22
 in clinical medicine, 6:15
 in eye diseases, 6:12
 in glomerulonephritis, 2:13
 See also: Cortisone
 Addiction, drug, 5:16
 Adrenal cortex, cardiac edema role, 1:22
 Adrenocorticotrophic hormone. See ACTH
 Aircraft dials, luminous paint hazard, 3:15
 Airsickness. See Motion sickness
 Allergy, chlor-trimeton maleate in 1:13
 See also: Anaphylaxis
 Allergy-arthritis, residency open, 1:41
 ALNAV:
 89-Immunization Procedures, 5:36
 96-Authority to Award the Purple Heart, 6:39
 98-Dried Plasma; Use of, 6:39
 101-Additional Pay, Career Compensation Act 1949, 6:40
 108-Annual Physical Examination, 8:27
 127-Written Professional Examinations Cancelled, 10:40
 135-Medical Officers Professional Training Record, 11:34
 138-Form NavPers 340 for Reserve Officers, 11:34
 141-Transfer of Combat Evacuee Patients, 11:39
 Aluminum hydroxide gel, aureomycin affected by, 1:15
 Amberlite, duodenal ulcer therapy, 8:14
 Amebiasis, antibiotic therapy in, 4:3
 American College of Physicians, 3:25
 American Heart Assn.:
 applications accepted, 3:24
 penicillin dosage recommendations, 3:24
 American Urological Assn. Award, 2:26
 Amniotic fluid, maternal embolism agent, 9:16
 Amphibious medicine, course in, 2:25
 Amputation, for vascular diseases, 9:10
 Analgesics, addiction to, 5:16
 Anaphylaxis, experimental, D-catechin in, 2:24
 penicillin causing, 3:10
 Anemia, hemolytic, 10:19
 Anemia, sickle-cell:
 in white race, 7:8
 surgical problem, 7:5
 Anesthesia:
 ether drip, in psychoses, 5:18
 intravenous pentobarbital, 10:18
 intravenous tetracaine, 1:2
 labor, intradermal infiltration, 10:8
 Anesthesiology, course in, 10:22
 Angina pectoris, 6:19
 Antibiotics:
 comparative study of, 2:11
 in amebiasis, 4:3
 in otitis externa, 6:8
 in typhus and typhoid, 1:24
 in x-irradiated mice, 2:14
 See also: Antimycin A; Chloramphenicol;
 Penicillin; Streptomycin
 Anticholinesterase compounds:
 in chemical warfare, 9:2
 in glaucoma, 8:19
 uses and hazards, 1:30
 Antihistamines:
 chlor-trimeton maleate, 1:13
 D-catechin, 2:24
 in common colds, 10:6
 Antimycin A, 5:21
 Aortography, 10:2
 Arterial segments, freeze-drying of, 11:
 Arteriography, renal, 10:2
 Arteriosclerosis, amputation in, 9:10
 Arthritis therapy:
 ACTH and cortisone, 6:15
 HPC, 4:17
 tetracaine intravenously, 1:2
 Artificial respiration, 9:5
 Asthma, intravenous tetracaine in, 1:2
 Atabrine, 8:17
 Atomic explosion, lectures, 4:23
 Atomic warfare:
 burn problem in, 5:6
 first aid in, 11:3
 burn shock, saline treatment, 8:2
 See also: Radiation
 Aureomycin:
 absorption and excretion, 2:11
 aluminum hydroxide effects on, 1:15
 in amebiasis, 4:3
 in leprous eye sequellae, 4:19
 in neurosyphilis, 7:19
 in rickettsial diseases, 1:24
 milk controlling vomiting from, 3:12
 Aviation medicine course, 2:25; 11:32
 cancellation of, 3:24

 BACITRACIN, therapy in amebiasis, 4:3
 Barbiturates:
 addiction to, 5:16
 poisoning, therapy for, 11:13
 BCG vaccine licensure, 3:19
 Bed rest, in minimal tuberculosis, 1:6
 Biliary obstruction, diagnosis, 3:2; 4:8
 Biopsy, sponge, 6:8
 Blood:
 blood bank, NC course, 4:22
 blood donors, dangerous universal, 5:12
 blood groups, racial incidence of, 10:22
 blood plasma. See Plasma
 blood substitutes. See Plasma substitute
 eosinophils, determination of, 1:22
 rh-negative infants, 10:7
 See also: Bone marrow; Leukemia; Sple
 Bone marrow, in diagnosis, 5:8
 Brain:
 abscess treatment, 7:15
 craniotomy drill, 7:16
 transorbital lobotomy warning, 10:14
 Breast cancer, methylandrostenediol in, 3:18
 Bundle branch block, oxygen in, 9:18
 Burn shock, saline treatment of, 8:2
 Burns, radiation, 5:6
 first-aid for, 11:3

 CANCER:
 detection in surveys, 10:9
 diagnosis, sponge biopsy in, 6:8

Cancer (Cont.):

- radical surgery in, 1:8
 - viscerectomy, pelvic, 10:20
 - of breast, methylandrostenediol in, 3:18
 - of lung, detection in surveys, 10:9
 - diagnosis and treatment, 4:13
 - smoking etiology, 8:20
 - of mouth, smoking etiology, 8:20
 - of rectum, colostomy for, 4:6
 - viscerectomy for, 10:20
 - of skin, podophyllin therapy, 9:28
- Cardiac diseases and procedures: See Heart
- Catheterization, aortic, 10:2
 - cardiac, 6:2
- Chemical warfare, 9:2
- Chest, diseases of, course in, 11:33
 - See also: Thoracoplasty
- Chloramphenicol:
 - absorption and excretion, 2:11
 - in amebiasis, 4:3
 - in rickettsial diseases, 1:24
 - in trachoma, 7:17
- Chloroquine diphosphate, 8:17
- Chlorophyll in colostomy deodorization, 9:19
- Chlor-trimeton maleate, in allergy therapy, 1:13
- Cholinesterase determination in jaundice, 9:24
- Chondromalacia of the patella, 11:10
- Circular Letters:
 - 50-58 - Ration Record, NavMed-36, 1:42
 - 50-59 - Weekly Report of Enlisted Hospital Corpsmen; Cancellation of, 1:43
 - 50-60 - Report on Food Handlers Training Program, 1:43
 - 50-61 - Use of Metal Seals to Secure Patients' Gear, 1:43
 - 50-62 - Nonnaval Professional Examinations of Medical Officers; Request for Information Concerning, 1:44
 - 50-63 - National Service Life Insurance; Errors and Omissions on Applications and Related Papers, 1:44
 - 50-64 - Verification of Pay Records, Health Records, and Service Records, 1:45
 - 50-65 - Hospitalization Rates for Fiscal Year 1951, 1:45
 - 50-66 - BuMed Circular Letters, 1:46
 - 50-67 - Collection Agents, 1:47
 - 50-68 - Care of the Dead when Death Occurs Away from a Station Having a Contract, 2:27
 - 50-69 - Annual Training Duty for Naval Reserve Ensign (HP) Officers During Fiscal Year 1951; Report of, 2:28
 - 50-70 - Annual Training Duty for Naval Reserve Ensign (HP) Officers During Fiscal Year 1951; Information Concerning, 2:28
 - 50-71 - Women Members of Naval Service; Physical Examinations of, 2:29
 - 50-72 - Not printed
 - 50-73 - Not printed
 - 50-74 - Collection of Mosquito Specimens, 2:29
 - 50-75 - BuMed Circular Letters; Cancellation of, 2:30
 - 50-76 - Nonstandard Medical and Dental Material Procured; Report of, 2:30
 - 50-77 - Naval and Marine Corps Reserve Personnel being Ordered to Extended Active Duty; Submission of Standard Form 89 (Report of Medical History) in the Cases of, 2:31
 - 50-78 - Discharges from the Sick List of Individuals Waiting to Appear or Who Have Appeared Before a Physical Evaluation Board, 2:31
 - 50-79 - Nomenclature and Definitions Pertaining to Medical Treatment Facilities Not Classified as Fixed, 3:26
 - 50-80 - Computing of Capacities and Bed Status, 3:26
 - 50-81 - Social Histories Obtained by the American National Red Cross, 3:27
 - 50-82 - Liaison with Public Health Service, 3:27
 - 50-83 - Physical Evaluation Board; Monthly Report of Cases, 3:29
 - 50-84 - Deceased Army and Air Force Personnel; Reimbursement for Costs in Connection with the Preparation of Remains, 3:30
 - 50-85 - Indoctrination in the Use of the Ejection Seat; Recording of, 3:31
 - 50-86 - Reporting Requirements; Change in, 3:31
 - 50-87 - Neuropsychiatric Report, NavMed-102 (Rev. 3-50); Submission of, 3:32
 - 50-88 - Instructions for Collection of Air and Breath Samples for Radon Content, 4:25
 - 50-89 - Submission of Psychiatric Unit Report, 4:25
 - 50-90 - Medicinal Gases and Cylinders; Color Marking and Identification of, 4:26
 - 50-91 - Venereal Disease; an Agreement on Measures for the Control of, 4:27
 - 50-92 - Property Exchange and Accountability in Evacuation of Patients, 4:29
 - 50-93 - Syphilis; Annual Evaluation of Personnel with a History of, 4:31
 - 50-94 - Publication of Research Reports; Expenses in Connection with, 4:32
 - 50-95 - Implementation of Basic Policy and Procedures Concerning Ambulances Under Cognizance of This Bureau for All Navy and Marine Corps Activities, 5:29
 - 50-96 - Navy Ophthalmic Program, 5:30
 - 50-97 - Submission of Claims on NavMed-U, Report of Medical, Dental, and Hospital Treatment of the Personnel of the Navy and Marine Corps by Other than the Medical Department of the Navy, 5:31
 - 50-98 - Hospitalization, Retired Personnel, 5:33
 - 50-99 - Report of Patients, NavMed I; Reporting Action Casualties, 5:34
 - 50-100 - Section 104 of the Servicemen's Readjustment Act of 1944, 5:35
 - 50-101 - Requisitioning, Receipt Procedures, Stock Levels, and Priority Indicators for Medical and Dental Stores, 6:34
 - 50-102 - Photodensitometry Program; Modification of, 6:35
 - 50-103 - Report of Staffing Ratios at Medical Treatment Facilities (Report Symbol DDOMS-3), 6:35
 - 50-104 - Hospitalization, Retired Personnel, 6:38
 - 50-105 - Purchases of Blood During Fiscal Year 1951, 6:39
 - 50-106 - Optometric Fabrication; Establishment of Specialization Course in, 7:26
 - 50-107 - Environmental Sanitation Technic; Establishment of Course of Instruction in, 7:27
 - 50-108 - Naval Aviation Observer (Controller); Physical Standards for, 7:27
 - 50-109 - Survey of Supervisory Mechanical Service Ratings, 7:28
 - 50-110 - Fiscal Services Work Measurement Program, 7:28

Circular Letters (Cont.):

- 50-111 - Whole Blood and Blood Derivatives Program for the Navy Department, 7:30
 - 50-112 - Members Awaiting SecNav Action upon Proceedings and Recommended Findings of Physical Evaluation Boards; Interim Disposition in the Cases of, 7:31
 - 50-113 - Joint Utilization of Armed Forces Medical Laboratories and Epidemic Disease Control Units, 7:32
 - 50-114 - BuMed Circular Letters; Cancellation of, 7:35
 - 50-115 - BuMed Circular Letters; Cancellation of, 7:36
 - 50-116 - Report of Staffing Ratios at Medical Treatment Facilities (Report Symbol DDOMS-3), 8:28
 - 50-117 - Disposition of Clinical Records Arising from Joint Hospitalization, 8:28
 - 50-118 - Services for Poliomyelitis Victims, 8:29
 - 50-119 - Industrial Relations Institute, 8:31
 - 50-120 - Reporting of War Casualties on Form Nav-Med-F, 9:33
 - 50-121 - Safety Precautions in Surgical Operating Rooms Against Explosive Anesthetic Gases; Policy Regarding, 9:33
 - 50-122 - Disposition of Clinical Records Arising from Joint Hospitalization, 9:34
 - 50-123 - Professional Examinations for Promotion of Dental Officers, 10:29
 - 50-124 - New Identification Card for Hospitalization and Medical Care of Dependents of Naval and Marine Corps Personnel; Instructions Regarding, 10:35
 - 50-125 - Central Facilities Provided for Department of Defense by Armed Forces Institute of Pathology, 10:36
 - 50-126 - Naval Hospitals Designated to Receive Patients Who Require Specialized Treatment, 10:37
 - 50-127 - BuMed Circular Letters; Cancellation of, 11:34
 - 50-128 - Civilian Personnel Services Work Measurement Program; NAVEXOS-3211, Civilian Personnel Office Workload and Staffing Report (Report Symbol-NDEX-1), 11:36
 - 50-129 - Hospitalization of Army and Air Force Personnel on Active Duty, 11:37
 - 50-130 - Sanitary Reports for Calendar Year 1950, 11:38
 - 50-131 - Deceased MSTs Personnel; Care of the Remains of, 11:38
- Clinical medicine, cortisone in, 6:15
- Colds, common, antihistamines in, 10:6
- Colitis, ulcerative, surgery in, 7:9
- Colostomy:
- construction, 4:6
 - deodorization, 9:19
- Corneal scars, camouflage of, 6:16
- Coronary artery disease, 6:19
- Cortex, adrenal, in cardiac edema, 1:22
- Cortisone:
- in acute lupus erythematosus, 11:26
 - in clinical medicine, 6:15
 - in eye diseases, 6:12
- Course:
- amphibious medicine, 2:25
 - anesthesiology, 10:22
 - aviation medicine, 2:25; 11:32
 - cancellation, 3:24

- blood bank, 4:22
 - chest diseases 11:33
 - food service, 7:21
 - naval medicine, 1:40; 11:32
 - radioactive isotopes, 2:25; 8:25
 - radioisotopes research technic, 8:26
 - sanitary science, 9:31
 - sanitation, 6:33
 - special weapons, 2:25; 8:25
 - See also: Training
- Coxsackie virus disease, 5:19
- Craniotomy drill, 7:16
- Culdoscopy, diagnostic, 7:12
- Cumertilin, mercurial diuretic, 11:20
- D-CATECHIN, in anaphylaxis, 2:24
- Dental Intern Program, 2:26
- Dental surgery:
- odontectomy, 6:24
 - osteomyelitis, mandibular, 8:7
 - penicillin dosage in, 3:24
- Dermatology, insect repellents and, 5:22
- lentigo senilis, 11:24
 - skin cancer, podophyllin in, 9:28
- Dextran, plasma substitute, 4:2
- DFP:
- chemical warfare and, 9:2
 - in glaucoma therapy, 8:19
 - uses and hazards, 1:30
- Diabetes, insulin resistance and, 10:15
- psychotherapy in, 4:12
- Diabetics, vascular lesions in young, 4:12
- Diathermy for odontectomy sequelae, 6:24
- Digitalis, in cardiac disease, 1:16
- Diphtheria, infant immunization, 1:28
- Diphtheria diagnosis films, 6:33
- Diuretic, mercurial, for heart failure, 11:20
- Diverticulum, Meckel's, 9:20
- Draft eligibles, officer procurement and, 5:25
- Dramamine, in airsickness, 3:6
- on a naval transport, 2:23
- Drug addiction, 5:16
- Duodenal fistula, 10:11
- Duodenal surgery report, 8:23
- Duodenal ulcer, amberlite in, 8:14
- Dysentery, shipboard outbreaks, 11:27
- EAR:
- fenestration operation, 10:16
 - otitis externa, 6:8
- Eels, food poisoning from, 7:2
- Electrocardiogram, leads in infarction, 2:21
- Endocarditis, subacute bacterial, penicillin study, 2:16
- Enlistment rejection, 1949, 10:26
- Environmental sanitation course, 6:33
- Eosinophil levels, determination of, 1:22
- Ether drip, psychoses treatment, 5:18
- Ethyl-1-ethanesulfonyl-4-piperazine hydrochloride, 2:19
- Eyes. See Ophthalmology
- FENESTRATION OPERATION, 10:16
- First aid:
- artificial respiration, 9:5
 - in atomic warfare, 11:3
 - in barbiturate poisoning, 11:13

First aid (Cont.):

- in chemical warfare, 9:2
- in frostbite, 11:8

Food poisoning:

- eel, 7:2
- shipboard dysentery, 11:27

Food service course, 7:21

Foreign-body extraction, 11:16

Forms, NavMed-A available, 10:25

Frostbite, 11:8

GALLSTONE, solitary, 8:9

Gastric cancer operability, 1:8

Gelatin, plasma substitute, 4:2

Glaucoma, 8:19

Glomerulonephritis, ACTH in, 2:13

Glutathione, x-rayed mice studies, 8:6

Goiter. See Hyperthyroidism

Granuloma, talc, 11:18

Granuloma inguinale, streptomycin in, 4:19

Grave's disease. See Hyperthyroidism

Gynecology and obstetrics:

- diagnostic culdoscopy, 7:12
- hysterosalpingography, 11:13
- infiltration anesthesia in labor, 10:8
- maternal amniotic fluid embolism, 9:16

HAY FEVER: chlor-trimeton maleate in, 1:13

Headache, migrainoid, 6:10

Heart:

- aortic puncture, 10:2
- bundle branch block, oxygen in, 9:18
- catheterization, aortic, 10:2
- cardiac, 6:2
- coronary artery disease problems, 6:19
- disease, congenital, penicillin and oral surgery in, 3:24
- disease, digitalis therapy in, 1:16
- endocarditis, subacute bacterial, penicillin study, 2:16
- failure, congestive, adrenal cortex role, 1:22
- failure, congestive, mercumatin in, 11:20
- infarction, myocardial, ECG leads study, 2:21
- ventricular tachycardia, quinidine in, 9:16

Hemophilia, surgical problem in, 6:22

Hepatitis, See Jaundice

HETP, insecticide, 1:30

Histoplasmosis, 8:22

Hospital Corps, reading list, 7:21

- school established, Portsmouth, 10:26

Hospitals, USN, length of stay, 5:25

HPC, pharmacology, 4:16

- therapy, rheumatic fever, etc., 4:17

3-Hydroxy-2-Phenylcinchoninic Acid. See HPC

Hypersplenism, 7:11

Hyperthyroidism, iodine¹³¹ therapy in, 8:15

- treatment of, 5:14

Hysterosalpingography, 11:13

IMMUNIZATION:

- BCG vaccine licensure, 3:19
- infant, combined sera, 1:28
- USN, 1949, 6:32

Influenza virus, rapid detection, 5:20

Insect repellents, dermatology and, 5:22

Insecticides:

- antimycin A, 5:21
- organic anti-ChE, 1:30; 9:2
- parathion, 1:30; 9:2

Insulin resistance, 10:15

Intramedullary nailing, 9:13

Intussusception, irreducible, 9:20

Iodine¹³¹ in hyperthyroidism, 8:15

JAUNDICE: diagnostic problems in, 4:8

- serum cholinesterase determinations, 9:24

KIDNEY:

- glomerulonephritis, ACTH in, 2:13

- polycystic disease, 8:11

- renal arteriography, 10:2

- renal calculi, bilateral, 6:25

Kollidon. See Periston

LABOR, infiltration anesthesia in, 10:8

Lentigo senilis, 11:24

Leprosy, ocular complications of, 4:19

- registry of, 7:23

- tetracaine in, 1:2

Leukemia, ACTH and cortisone in, 6:15

- in radiologists, 6:28

- myelogenous, 10:19

Limb leads, ECG, evaluation of, 2:21

Liver. See Jaundice

Lobotomy, transorbital, 10:14

Lung:

- cancer of, detection, 10:9

- cancer of, diagnosis, 4:13

- cancer of, smoking etiology, 8:20

- thoracoplasty, pleural tears in, 9:22

- See also: Tuberculosis

Lupus erythematosus, hormones in, 11:26

Lyophilization of arterial segments, 11:21

MAGNET, in foreign-body extraction, 11:16

Malaria, modern treatment of, 8:17

Mandible, osteomyelitis of, 8:7

Meckel's diverticulum, 9:20

Medical officers, inactive reserve, pay and duty, 6:32

Medical residency training program, 1:36

Mercumatin, mercurial diuretic, 11:20

Metabolism, adrenocortical function and, 1:22

Metals, heavy, toxicity of, 3:16

Methylandrostenediol in breast cancer, 3:18

Migrainoid headache, 6:10

Milk, aureomycin dosage and, 3:12

Molluscacides, field tests of, 3:17

Morbidity, USN:

- current, 1950, 3:23

- rheumatic fever, 1940-46, 11:22

- venereal disease, current, 6:31

Morphine addiction, 5:16

Motion sickness:

- dramamine on transport, 2:23

- drug comparison, 3:6

Myocardial infarction, ECG study in, 2:21

- NAIL, intramedullary, design of, 9:13
 Naval Institute, membership in, 7:21
 Naval medicine, course in, 1:40; 11:32
 NavMed-A, forms available, 10:25
 Nephritis, ACTH in, 2:13
 Nerve gases, 9:2
 Neurologic signs in early polio, 2:4
 Neurosyphilis, oral aureomycin in, 7:19
- ODONTECTOMY, diathermy adjunct to, 6:24
 Officers, dental intern program, 2:26
 medical, reserve pay and duty, 6:32
 procurement of draft-eligible, 5:25
 Ophthalmology:
 aureomycin in leprosy eyes, 4:19
 chloramphenicol in trachoma, 7:17
 corneal scar camouflage, 6:16
 cortisone in eye inflammation, 6:12
 glaucoma, 8:19
 headache, ocular aspects of, 6:10
 Ophthalmoscope exhibit, 10:27
 Osteochondritis, spinal, 9:14
 Osteomyelitis, mandibular, 8:7
 Otitis externa, drugs in, 6:8
 Otosclerosis, fenestration operation for, 10:16
 Oxygen therapy in heart block, 9:18
- PALUDRINE, in malaria, 8:17
 Pancreas:
 acute pancreatic necrosis, 5:11
 acute pancreatitis, 3:2
 Papillomas of the larynx, 11:23
 Paralysis in early polio, 2:4
 Parathion, insecticide, 1:30; 9:2
 Patella, derangements of, 11:10
 Pathology laboratory, 3:25
 Pelvic viscerectomy, 10:20
 Penicillin, fatal reaction to, 3:10
 in bacterial endocarditis, 2:16
 oral surgery, and, 3:24
 pneumonia dosage study, 2:2
 Pentaquine phosphate, in malaria, 8:17
 Pentobarbital, intravenous, 10:18
 Periston, plasma substitute, 4:2; 11:2
 Peripheral vascular disease, amputations in, 9:10
 Pertussis, infant immunization, 1:28
 Phosphates, organic, See Anticholinesterase compounds
 Physical medicine training, 9:32
 Plague, therapy in, 11:24
 Plasma, in burn shock (saline), 8:2
 Plasma substitutes:
 dextran, etc., 4:2
 periston (kollidon), 11:2
 Pleural tears, management of, 9:22
 Pneumonia, penicillin dosage in, 2:2
 Podophyllin, skin cancer therapy, 9:28
 Poisoning:
 barbiturate, 11:13
 food, eels, 7:2
 food, shipboard dysentery, 11:27
 heavy metals, 3:16
 molluscicides, 3:17
 organic phosphates, 1:30; 9:2
 rodenticide (warfarin), 9:21
 Pollomyelitis, early, neurologic signs in, 2:4
 Polymyxin B, in amebiasis, 4:3
 Polycystic kidney disease, 8:11
 Portsmouth, Va., new HC school at, 10:26
 Procaine compared to tetracaine, 1:2
 Propyl thiouracil in hyperthyroidism, 5:14
 Psychologic aspects of diabetes, 4:12
 Psychoses, ether treatment in, 5:18
 lobotomy warning, 10:14
- Q FEVER, antibiotics in, 1:24
 Quinidine, intravenous, in tachycardia, 9:16
 Quinine, 8:17
- RADIATION, experimental:
 antibiotics in, 2:14
 glutathione in, 8:6
 thiourea in, 3:13
 vitamin P in, 3:14
 Radiation burns, 5:6. See also Burn shock; plasma substitutes
 Radiation hazard from luminous paint, 3:15
 Radiation injury, first-aid for, 11:3
 Radiation meter for disaster use, 5:2
 Radioactive iodine. See iodine¹³¹
 Radioactive isotopes, course in, 2:25; 8:25
 Radioisotopes in research, course in, 8:26
 Radiological defense, 8:4
 "Radiological Defense," lectures, 4:23
 Radiologists, leukemia in, 6:28
 Radon gas, luminous paint hazard, 3:15
 Reading efficiency, MarCorps, 1:35
 Registry of leprosy, 7:23
 Renal calculi, bilateral, 6:25
 Renal arteriography, 10:2
 Research Reports, abstracts from:
 aircraft luminous paint hazard, 3:15
 airsickness prevention study, 3:6
 lyophilizing arterial segments, 11:21
 reading efficiency study, 1:35
 rheumatic fever in the Navy, 11:22
 Note: Lists of recent research reports are presented in each issue of the News Letter
- Residency, allergy-arthritis, 1:41
 Residency training program, 1:36
 Resin, polyamine formaldehyde, in ulcers, 8:14
 Resuscitation. See Artificial respiration
 Rh-negative infants, 10:7
 Rheumatic fever, HPC in, 4:17
 Navy incidence, 11:22
 Rickettsial diseases, antibiotics in, 1:24
 Rodenticides, warfarin, 9:21
- SALINE SOLUTION, in burn shock, 8:2
 Sanitary science, course in, 9:31
 Sanitation technic, course in, 6:33
 Schistosomiasis areas, molluscicide tests in, 3:17
