NAPERVILLE NURSERIES, Naperville, DuPage County, Illinois.

Inasmuch as lining out stock must be dug in late fall and some varieties do not always grade out for quantity according to our estimates, we must reserve the right in some instances to substitute the next nearest size of some items if unable to furnish the size ordered.

VARIETIES MARKED WITH A STAR * TO THE LEFT OF THE QUANTITY WILL NOT BE SOLD SEPARATELY

Sizes in some quick growing varieties will run extra strong for height, due to the unusual growing weather we have had during the past few weeks since taking the inventory.

We never cut back tops of lining out stock unless so instructed on orders.
