14. General Remarks concerning the Establishment, as to its actual and past condition, the demand for, and sale of, its Manufactures.

Answers to the above Questions— No. 1.

In reply to the general remarks will first observe that the above answers were given me by two of the Directors of the establishment; believing their account to be rather uncertain give it in their own words. With respect to the 7th Interrogatory find that they have neglected to add two pair Bur Stones for manufacturing Flour & one pair for Indian Corn
