of Public Hearings

OFFICE OF THE SPECIAL REPRESENTATIVE FOR TRADE NEGOTIATIONS

TRADE POLICY STAFF COMMITTEE: GENERALIZED SYSTEM OF PREFERENCES

Modification of List of Articles Receiving Duty-Free Treatment; Notice of Public Hearings

I. Requests to present oral testimony, and related written briefs, should be received by Monday, December 13, 1976.

II. Hearings will begin at 10 a.m. on Tuesday, December 14, in Room 2008 of the New Executive Office Building (entrance on 17th Street between Pennsylvania Avenue and H Street, NW.), Washington, D.C., and will continue until all witnesses wishing to appear have been heard.

1. *Acceptance of petitions for review.* Notice is hereby given by the Chairman of the Trade Policy Staff Committee (TPSC) of acceptance for review of petitions for modification of the list of articles receiving duty-free treatment under the Generalized System of Preferences (GSP) as provided for in Title V of the Trade Act of 1974 (88 Stat. 2066-2071, 19 U.S.C. 2461-2465). These petitions have been submitted, and will be reviewed, pursuant to regulations codified at 15 CFR Chapter XX, Part 2007. Some of the petitions have been accepted notwithstanding the fact that additional information has been requested of the petitioners.

The list of petitions accepted for review is set forth in Annex I at the end of this notice.

2. *Articles being considered by the TPSC on its own motion.* The TPSC is also considering on its own motion certain articles for addition to the list of articles eligible for GSP. These articles are set forth in Annex II at the end of this notice.

3. *Notice of public hearings.* The TPSC will hold public hearings, at the time and place specified at the beginning of this notice, on all petitions and articles listed in Annex I and Annex II. The TPSC invites briefs and testimony on any matters covered by Annexes I or II.

4. *Requests to present oral testimony.* All requests to present oral testimony, and accompanying written briefs, must be received by the Secretary of the Trade Policy Staff Committee, Room 729, 1800 G Street, N.W., Washington, D.C. 20506, not later than the close of business, Monday, December 13, 1976. Requests to present oral testimony must conform to the regulations codified at 15 CFR Chapter XX, Parts 2001-2003, which are described below.

Pursuant to the regulations referred to in the preceding sentence, a request to present oral testimony will be granted only if a written brief is submitted before the deadline for submitting such briefs (in this instance, December 13, 1976), except that no such brief need be submitted if the party requesting to testify already has submitted a petition listed in Annex I of this notice.

The deadlines for the submission of requests to present oral testimony, and

for the submission of written briefs, may be waived by the Chairman of the Trade Policy Staff Committee for reasons of equity and public policy.

Requests to present oral testimony should state briefly the interest of the applicant in the subject matter, the position to be taken by the applicant, and whether the applicant has filed, or has joined in the filing of, a petition listed in Annex I.

In addition, requests to present oral testimony should include the following information:

(a) The name, address, telephone number, and official position (if applicable) of the party submitting the request, and the person or persons who will present the oral testimony (if different from the party submitting the request);

(b) The description and tariff item number(s) of the article or articles in which the party has an interest;

(c) The subject or subjects to be dealt with in the proposed testimony; and

(d) The amount of time requested for the presentation of oral testimony, and, if more than 15 minutes is requested, the reasons therefor.

Each person scheduled to appear before the TPSC will be notified of the date and the amount of time allotted for his presentation. If such time is inconvenient to the person requesting an appearance, the Secretary of the TPSC will consider rescheduling for that person. The Chairman of the TPSC reserves the right to restrict the time allotted for oral presentation, and to deny requests when he determines that the proposed testimony is not relevant to the subject matter of the hearings.

5. *Submission of written briefs.* Briefs must conform to the TPSC regulations codified at 15 CFR Chapter XX, Parts 2001-2003. Briefs must be submitted in 20 copies. In addition, each brief should designate clearly on the first page the name and address of the party submitting the brief, the subject matter of the brief, and the item number of the article (or articles) in the Tariff Schedules of the United States to which the brief pertains.

Every written brief must present, in nonconfidential form, a statement of the party's position and supporting arguments sufficient to inform any other party of the arguments that must be met in order to oppose the position taken in the brief.

6. *Suggestions on the preparation of written briefs and oral testimony.* While there are no formal requirements governing the format or content of the material submitted (other than those mentioned in paragraphs 4 and 5 of this notice), the TPSC suggests that parties preparing testimony or briefs include the following points:

(a) An introductory summary statement indicating the interest of the party on whose behalf the brief or testimony is submitted, and the position to be taken in the brief or testimony;

(b) A clear indication of the matters covered in Annex I or Annex II of this notice of interest to the party submit-

ting the brief or testimony, and a statement of whether that party supports or opposes the action under consideration; and

(c) Any data or arguments relevant to support the position of the party submitting the brief or testimony.

While the TPSC welcomes the full presentation of oral testimony, it is preferable that such testimony not duplicate material submitted in writing, since both will be reviewed. Instead, oral presentations should emphasize the main points of the briefs or petitions submitted, expand upon their contents when necessary, or cover any developments occurring since the briefs were submitted. Persons presenting oral testimony should be prepared to answer questions.

7. *Rebuttal briefs.* In order to assure parties the opportunity to contest the information provided by other parties, the TPSC will accept rebuttal briefs filed by any party within one week after the close of the hearings. Rebuttal briefs must conform, in form and number, to the regulations of the TPSC and the provisions of this notice applicable to written briefs. Rebuttal briefs should be limited to demonstrating errors of fact or analysis not pointed out in the briefs or testimony and should be as concise as possible.

8. *Information exempt from public inspection.* Parties are referred to 15 CFR Chapter XX, §§ 2003.6 and 2006.10, for the regulations concerning information labelled as business confidential and exempt from public inspection.

Oral testimony should contain no confidential information. Any business confidential information submitted with written briefs should be clearly identified as confidential, should be easily separable, and should be accompanied by a nonconfidential summary of the confidential material. If the Chairman of the TPSC determines that he cannot accord confidential treatment to material for which such treatment is requested, that material will be returned to the addressee.

9. *Public inspection of written materials.* Subject to the regulations of the TPSC, and except for business confidential information, all written materials filed with the TPSC in connection with these hearings will be open to public inspection, by appointment at the office of the Trade Policy Staff Committee, Room 729, 1800 G Street, NW., Washington, D.C. 20506.

10. *Transcripts of the hearings.* All oral testimony before the TPSC will be recorded and transcribed. Persons giving testimony before the TPSC may correct errors of form or expression in the testimony, but may not change substance. All corrections must be approved by the Secretary of the TPSC. The cost of making such corrections will be charged to the person requesting the corrections.

Transcripts of the hearings will be available for inspection or purchase.

11. *Attendance at the hearings.* The hearings will be open to the public. Heavy or disruptive equipment such as television equipment, will not be admitted

to the hearings except by the express permission of the Chairman of the TPSC.

12. *Communications.* All communications with regard to these hearings should be addressed to: Secretary, Trade Policy Staff Committee, Office of the Special Representative for Trade Negotiations, 1800 G Street, N.W., Room 729,

Washington, D.C. 20506. The telephone number of the Secretary of the TPSC is (202) 395-3395.

Acceptance of the petitions listed in Annex I does not indicate any opinion with respect to a disposition on the merits of the petitions accepted for review. Acceptance indicates only that the

listed petitions have been found to be formally adequate as bases for reviews by the TPSC, and that such reviews will take place.

WILLIAM B. KELLY, Jr.,
Chairman,
Trade Policy Staff Committee.
