TO : GENERAL HEADQUARTERS, SUPREME COMMANDER FOR THE ALLIED POWERS.

FROM : Reparations Agency, Tokyo.

SUBJECT: Application for Movement and Authorized Use of Reparations Equipment of Kure Naval Arsenal (Code No. 11-05(6)), Filed by Yokohama Shipyard & Engine Works, East Japan Heavy Industries, Ltd. (Former Mitsubishi Heavy Industries, Ltd.)(Code No. 19-68)

R.A.R. No. 1745 (MS)

6 December 1950.

1. The Reparations Agency hereby submits to your Headquarters an application for movement and authorized use of 3 items of reparations equipment now lying idle in the Kure Naval Arsenal (Code No. 11-05(6)), filed by the Yokohama Shipyard & Engine Works, East Japan Heavy Industries, Ltd. (Former Mitsubishi Heavy Industries, Ltd.)(Code No. 19-68), together with an application of the Ministry of Finance and a recommendation of the Ministry of Transportation as enclosed herewith.
2. The plane-miller under this application, which had neither been inventoried nor been evaluated because of its badly damaged condition caused by air-raid, was additionally inventoried as No. 11-5(6)-5287. (See attached letter of Chugoku C.A.R.)
3. Such type of equipment as is applied herein are hardly available in privately-owned sources in Japan, but are essentially needed for the operation of the applicant shipyard.
4. This application has been investigated and has been coordinated with other interested government agencies.
5. It is requested that your most favorable consideration be given to this application at the earliest practicable date.

(Y. Katsuno)  
Director, Reparations Division,  
Reparations Agency.

## Incls:

- a. Application of the Ministry of Finance.
- b. Recommendation of the Ministry of Transportation.
- c. Application of the subject shipyard.

*Incl 1*

LIST OF FACILITIES FOR APPLICATION

Code No. : 11-5  
Name of Plant : Former Kure Naval Arsenal  
Address of Plant : Miyahara-dori, Kure City  
Hiroshima Pref.  
Machinery :  
Inv. No. : 11-5(6)-5287  
Name of Machinery : Large type plane miller  
Brief Specification: Distance vertical main shaft to  
table 3,794 mm  
stroke of table 8,839 mm  
distance transverse main shaft to  
table 3,759 mm  
motor D.D. motor  
Qty. : One (1)

Remarks: Due to the air raid, many shot holes are seen  
on the machine body. And the body is covered  
with rust wholly on the surface.  
Yen 10,680,000 will be required for repair.

List of Facilities for Application

Code No. : 11 - 5 (6)  
Name of plant : Former Kure Naval Arsenal  
Address of plant : Miyaharadori, Kure City  
Hiroshima Prefecture.

| <u>Inv. No.</u>  | <u>Name</u>    | <u>Specification</u> | <u>Qty.</u> |
|------------------|----------------|----------------------|-------------|
| ✓ 11-5 (6)-3,406 | Electric motor | D.C. 60HP.           | 1           |
| ✓ 11-5 (6)-3,407 | "              | " 20HP.              | 1           |
|                  |                | Total:               | 2           |

Remark:

The electric motors are to be used for driving large type plano miller' in former Kure Naval Arsenal, which is under application for borrowing. The plano miller's main productions are bed plates for diesel engine, engine column cylinders and other large type parts.

Through: Chugoku Liaison and Coordination Office

Subject: Report on completed Removal of Reparations  
Equipment - Mitsui Shipyard, Tamano Works,  
Okayama Pref.

1. Reference is made to SCAP letter 387.6 (2 Feb. 50) ESS/IND dated 2 February 1950, subject "Application for Authorized Use of Reparations Equipment located in Kure Naval Arsenal(11-05)."

2. In the above referenced letter the movement and authorized use of the below indicated machines were approved by SCAP.

| <u>Code No.</u> | <u>Name of Machines</u>    | <u>Code No.</u> | <u>Name of Machines</u> |
|-----------------|----------------------------|-----------------|-------------------------|
| 11-5(6)-4149    | Lathe                      | 11-5(6)-1100    | Lathe                   |
| -1094           | "                          | -1095           | "                       |
| -1480           | Radial drilling<br>machine | -651            | Motor, 40H.P.           |
| -5167           | Motor, 25H.P.              | -5168           | Motor, 25H.P.           |

3. The movement of the above indicated machines from Kure Naval Arsenal, Amagasaki Area to the Mitsui Shipyard, Tamano Works, Okayama Prefecture was completed on 25 June 1950. One hobbing machine with code No. 11-5(6)-1501 which had been approved by SCAP in the above referenced letter for use at the same company was later cancelled and consequently not removed to the company.

4. The custodial responsibility of the eight (8) removed machines is now taken over by Mr. Toshio Mochitate, Chief of General Affairs Section, Tamano Works of Mitsui Shipyard K.K.

CHUGOKU  
HIROSHIMA FINANCE BUREAU

5. The completed movement has been reported to higher Japanese Government agencies for forwarding to BCAP.

To : General Headquarters, Supreme Commander for the Allied Powers.

From : Reparations Agency, Tokyo.

Subject: Application for Movement and Authorized Use of Reparations Equipment Located in Kure (11-05), Hikari (45-04), Atsuta (01-55a), and Toyokawa (01-60a) Arsenal's Filed by Chita Plant, Kawasaki Heavy Industries Co., Ltd. (Non-Reparations Plant).

RAR No. 297 (MS)

10 April 1950

1. The Reparations Agency hereby submits to your Headquarters an application for movement and authorized use of the reparations equipment located in the Kure (11-05), Hikari (45-04), Atsuta (01-55a), and Toyokawa (01-60a) Arsenal's filed by the Chita Plant, Kawasaki Heavy Industries Co. Ltd (non-reparations plant), together with an application of the Ministry of Finance and a recommendation of the Ministry of International Trade and Industry, as enclosed herewith.
2. The subject plant wishes to use 30 sets of reparations equipment now lying idle in the said 4 (four) Arsenal's for manufacturing rolls for steel plate rolling mill and ingot cases which are to be used in the Fukiai Plant, same company for producing steel plates for export and shipbuilding.
3. Most of the reparations equipment under application are hardly available in the privately-owned sources now in Japan, which is especially the case in those large-type lathe engines, lathe face, boring machines, planer, surface plate and forging machine of which specifications are stated in detail in the lists attached hereto.
4. It is requested that your Headquarters be good enough to give a most favorable consideration to this application at the earliest practicable date.

(Y. Katsuno)  
Director, Reparations Division,  
Reparations Agency.

Incls:

1. Application of Ministry of Finance.
2. Recommendation of the Ministry of I.T. & I.
3. Application of the subject plant.

KFL No. O-57

17 April 1950

To : Chugoku Civil Affairs Region  
Attn: Economic Section

Through: Chugoku Liaison and Coordination Office

Subject: Report on completed Removal of Reparations Machine  
from Kure to Tokyo - Nakahashi Roll Jyuki Seizosho K.K.

1. Reference is made to letter CCAR 386.3 (D-Kin) of your office dated 22 November 1949, subject "Application for Authorized use of Reparations Machine 11-05(6)-617.
2. The movement and authorized use of one roll grinding machine 11-05(6)-617 from Kure Naval Arsenal to Nakahashi Roll Jyuki Seizosho K.K., Tokyo was approved in the above referenced letter.
3. The movement from the Amagasaki Area, Kure Naval Arsenal to Edogawa Plant, Nakahashi Roll Jyuki Seizosho K.K., No. 1470 Minami-Shinozaki-cho, Edogawa-Ku, Tokyo-to was completed on 14 January 1950. The custodial responsibility of the machine was consequently taken over by Shichiemon Nakahashi, President of the company.
4. Action has been taken to report to the Tokyo Civil Affairs Region through the Japanese Government channel on the transfer of the said reparations machine.

PROCUREMENT DEMAND  
On Imperial Japanese Government

Page 1 of 3 Pages

Account Code (If Applicable to all Items): See below Demand No. JENS 1547  
(Read Instructions on Back of this Form)

| Item No. | Specific Description of Items Desired | Unit | Quantity |
|----------|---------------------------------------|------|----------|
|----------|---------------------------------------|------|----------|

Services of a contractor to pack, crate and ship reparation machinery located in the Kure-Hiroshima Area to United States Fleet Activities, Yokosuka, Japan.

Contractor will mark packages plainly as follows:

- Officer in Charge
- Ship Repair Facilities
- U.S. Fleet Activities, Yokosuka, Japan
- % R.T.O. Yokosuka, Japan

Contractor will make complete delivery of all machinery prior to 1 March 1950.

PAC 375-60-491-07

It will be the responsibility of both the receiving officer and the contractor to maintain complete and accurate cost records of each work order accomplished under this procurement demand. The receiving officer and the contractor will further be responsible to assure that the total cost of work orders against this procurement demand, including taxes, will not exceed the year limitation authorized for this service and expiring in the Fiscal Limitation Clause on this demand.

FISCAL LIMITATION CLAUSE

Total expenditures made to fulfill the provisions of this procurement demand will be limited to ¥476,000. When expenditures made in connection with this demand equal 80% of the sum
