New Orleans, July 2d, 1832.

A. B. ROMAN.

On the invitation of Mr. Dolbear, a Teacher of Pestmanship, in our city, upon the Carsteiriem system; we have carefully examined specimens of the writings of his pupils, whose ages range from 5 to 50 years, written through an entire course of instruction; and after having done so, it is with the highest satisfaction, that we can testify to there pid into unpersileled, progress which they have made.

From the specimens seen, and the examination of the system made, we cannot withhold the expression of a concurrent opinion, that the system is greatly superior to any hitherto taught. If to write legibly, elegently, repidly, and in good tasts, be an accomplishment, useful or desirable, it is upon the principles of this system that it is to be acquired. We therefore anxiously solicit of the public a liberal patronage in favor of an Instructor, whose qualifications are of the highest order, and whose labors promise to be so exceedingly useful to this and other communities.

A. B. Roman, Governor of the State of Louisiana; D. Priour, Mayor of the City of New Orleans; Rev. C. Maenhaut; Rev. O. L. Nash, A. Grailhe, Eeq; Rev. G. Winslow; J. W. Egnew, Eeq; Wm C. Pope, Eeq; D. Morphey, Eeq; L. Bringier, Surveyor General.
