NEW CONSTRUCTION IN THE SOUTHERN KURILES
(Quoted from newspaper "Na Rubezhe")

Much new construction is planned in the Yuzhno-Kuril'sk district, including a house of the Soviets, which will be roomy and light, with places for fifty workers. All branches of the district committee will be quartered here. Also being built is a house of culture, which will have rooms for the Communist Party, a library, a reading room, and a gymnastics hall. A communal bath and several homes will be completed soon. A special brigade of 60 men is working to supply the lumber for this new construction.
