Handwritten text in hieroglyphs, organized into columns and rows. The text is written in black ink on a light-colored background. The columns are numbered 1, 2, and 3 from left to right. The rows are numbered 1 through 13 from top to bottom. The text is arranged in a grid-like fashion, with some lines being longer than others. The characters are stylized and consistent with ancient Egyptian hieroglyphs. There are some larger symbols, possibly representing specific words or names, interspersed among the smaller characters. The overall layout is neat and organized, suggesting a formal or official document.
