

TRUSTEES' MEETING

REPORT ON PREPAREDNESS CAMPAIGN—CITY WINS FIRE AUTO CASE

The regular meeting of the Board of Trustees of the City of Glendale was held in the City Hall, Thursday evening, April 19, 1917. Present: J. D. Thompson, president of the board, and Trustees Chas. Grist, R. M. Jackson, F. L. Muhleman. Absent: G. B. Woodberry. Also present J. C. Sherer, City Clerk; T. W. Watson, City Manager; W. E. Evans, City Attorney; H. B. Lynch, Manager Public Service Department; Edw. M. Lynch, City Engineer; H. G. Herald, City Marshal; A. H. Lankford, Fire Marshal.

The minutes of the last regular meeting and of the adjourned meeting were read and approved.

Bids were ordered to be opened for the improvement of portions of Elrose avenue and Burehett street.

The following bids were opened, read and publicly declared. On motion of Trustee Grist, bids were referred to the City Engineer to check up and report.

Weekly report of the Tax Collector was presented showing receipts for the week, \$1673.55, total collected to date, \$43,488.44. Report was ordered to be filed.

A report was read from the City Tax Collector recommending that a refund be made to Mrs. B. H. Ward of all taxes paid by her on Lot 85, Houston's West Glendale Tract, for the reason that her husband is entitled to veteran's exemption. The communication recommended that the refund consist of all taxes paid, including penalties for delinquency, with the exception of the amount of 57 cents, taxes on \$50.00 in excess of the valuation exempt. On motion of Trustee Jackson, it was ordered that a refund be made of the original amount of the tax levied less the 57 cents for the tax on the valuation in excess of \$1000.00.

Demands were presented and on motion ordered to be referred to the Finance Committee.

The City Manager presented an ordinance amending the tax ordinance.

On motion, an Ordinance amending Ordinance Number 284, entitled, "An Ordinance amending Ordinance No. 14, entitled 'An Ordinance of the City of Glendale providing for the assessment and collection of city taxes,'" was taken up for the first reading. On motion, this ordinance was declared read for the first time and was taken up for the second reading. On motion, this ordinance was declared read for the second time and was laid over till the next regular meeting for the third and final reading.

The City Manager made a report in reference to the preparedness campaign to the effect that twenty-seven cities in the County had been communicated with, committees waiting upon their officials personally, all of whom had expressed their willingness to join in the movement having for its object the securing of such legislation as is necessary to enable cities of the sixth class to levy the necessary tax for the purpose of securing money to equip Home Guard organizations. The City Manager reported having conferred with the leader of the Glendale Municipal Band, and that the manager of the band had suggested that the weekly concerts for the coming season be given on Thursday evening. The members of the Board were of the opinion, however, that it would be impracticable to have these concerts on the night of the trustees' meeting, and the City Manager was authorized to arrange for the giving of the concerts on Friday evenings. On motion of Trustee Grist, the City Manager was instructed to have a band stand constructed on the lot southeast corner Louise and Broadway, provided that the owner's consent is obtainable.

The City Manager, referring to the application of George and Clarence Blanchard for permit to conduct a dairy which was presented to the Board at its last regular meeting, stated that owing to the record of Mr. Blanchard, the father of the applicants, he did not feel justified in recommending the granting of the permit. Mr. Blanchard addressed the Board on behalf of the applicants. On motion of Trustee Muhleman, the matter was laid over for one week.

The City Attorney made a report in reference to the status of the home guards. Referring to the telegram received by the President of the Board from Governor Stephens to the effect that these bodies should be organized under the law of 1911 making them amenable to the state for military service, he is of the opinion that the city has no authority to finance such a proposition under the law, he is of the opinion that

(Continued on Page 4)

HOME GUARD OFFICERS

WILL BE SWORN IN AS DEPUTY SHERIFFS FOR RIOT SQUAD DUTY

Officers of the Glendale Home Guard have recently been chosen and will be sworn in as deputy sheriffs. The Home Guard will drill Monday and Thursday evenings 7:55 to 9:30. The officers of the Guard are: Captain, H. Schenck; 1st Lieutenant, C. B. Wilde; 1st Sergeant, E. H. Wight; Supply Sergeant, W. R. Phelon; Mess Sergeant, F. B. Webster; Rank and Duty Sergeant, J. H. Badgett.

Sergeant, Ed. Yard; Sergeant, D. Jones; Sergeant, E. L. Sparr; Sergeant, H. P. Courtney; Sergeant, F. A. Conrad; Musician, Chas. Shropshire; Corporal, C. O. Smith; Corporal, Wm. McMillan; Corporal, M. J. Murchison; Corporal, W. D. Root; Corporal, S. W. Lee; Corporal, R. D. White; Corporal, R. L. Galvin; Corporal, L. J. Humiston; Corporal, J. C. May; Corporal, C. W. McFadden; Corporal, F. H. Cassell; Corporal, W. R. Lowe.

SPRING LUNCHEON

Charming in every detail was the luncheon given Tuesday by Mrs. J. F. Hearnshaw, 1458 Lomita. Covers were laid for nine at the perfectly appointed table, attractive with lace doilies and pink roses. Following the luncheon the guests enjoyed music on the Victrola as well as songs by the hostess' charming little daughter, Marie. Mrs. Lee Clotworthy, Mrs. S. C. Packer, Mrs. John Robert White, Mrs. Nash, Mrs. Charles H. Sanders, Mrs. Violi, Mrs. Frank Hester and Miss Clara Ringer were guests at this affair.

GARDEN SOCIETY CHARMS

Never was the social side of the Garden Society more emphasized than at the meeting last night, when some forty members and friends enjoyed themselves as one great congenial family. The friendly introductions, the informality of proceedings, and the congenial spirit of those present, resulted in an evening of altogether delightful co-operation. Much business was effected, details of which appear today and tomorrow under separate headings. Three distinct aspects of the social side of life were enjoyed by all. Mrs. Isabel Jordan gave a charming talk on her recent visit to the Hawaiian Islands, she brought pictures galore, a handsome painting by a Hawaiian artist of Hawaiian fruits, and many illustrated magazines dealing with these interesting countries. Also Mrs. Jordan introduced to the notice of the Society many specimens of the fruit of the spineless cactus, which she peeled, cut up, and offered as part of the refreshments, affording a novel and delightful gastronomic experience.

Dainty Dorothy McGinnis gave two beautiful dances, revealing girlish grace and sweetness altogether captivating. The punch served by Mrs. Francis Henry and Mrs. Frank Thomas tasted like the nectar of the gods. That description sounds exaggerated, but to those who tasted the concoction, no phrase could sound exaggerated. This Sierra Club punch is a creation of the firm of Henry Brown of Glendale, and is a mixture of their famous carbonated beverages, lemon and orange juices. Never was anything more delicious. Glendale hostesses could not do better than to make Glendale famous for its Sierra Club punch.

PATRIOTIC TEA

An informal tea was given by Mrs. Albert Stillman Chase at her home on Riverdale Drive Thursday. The honored guests were the newcomers in the neighborhood, Mesdames Nichols, Bridge, Fellows, Wilson, Whitton, Leahy and Barnett. Thirty-five ladies called during the afternoon and a considerable sum was raised for our auxiliary branch of the Red Cross. Piano selections were exquisitely rendered by Mesdames Bosserman, Whitton and Bryant and all joined in singing America. Spring blossoms were everywhere and in the dining room the national colors in flowers were used for decoration. Mrs. Ashton presided at the tea and Mrs. John Lyons, Mrs. George Lyons, Mrs. Earl Bryant and Miss Augusta Otto assisted Mrs. Chase in serving her guests.

SENATE TO RUSH WAR MEASURE

OPponents OF CONSCRIPTION BILL SAY PRESIDENT FEARS ROOSEVELT MAY BECOME TOO POPULAR

(Special Service to Glendale Evening News)
WASHINGTON, April 20.—Alarm lest the espionage and censorship bill opposition should block war legislation caused Senate leaders to-day to announce that they would consider Wilson's conscription bill ahead of all pending legislation. It is learned that much of the opposition to conscription is due to the supporters of the Roosevelt division plan, as conscription would eliminate this. Wilson's opponents say he fears political results "when Teddy comes marching home" after the war is over.

THE ROOSEVELT DIVISION

TEDDY WILL HAVE TWENTY-THREE THOUSAND MEN READY FOR SERVICE SOON IF OFFER IS ACCEPTED

(Special Service to Glendale Evening News)
NEW YORK, April 20.—If Roosevelt's offer is accepted he will have a completely organized division of 23,000 men ready for service in four months. A hundred thousand reserves are on the waiting list. Over 25,000 negroes are seeking to join the division. Requisitions are ready for completely equipping the troops as soon as the commission is received. Most of the men have been previously trained. James Hamilton Lewis, Gifford Pinchot and scores of other notables are ready to join the division. Officers have been chosen. Men under 25 are not accepted. Arizona, Texas and South Dakota already have tentative regiments in training.

40,000 GERMANS WIPED OUT

TEUTONS SUFFER SERIOUS LOSSES ON FRENCH BATTLE FRONT IN ATTACK ON JUGNICOURT

(Special Service to Glendale Evening News)
PARIS, April 20.—After five days continued smash the French have reconquered 377 square miles of territory, including a score of villages. Two entire divisions of German troops (40,000 men) making a counter attack at Jugnicourt were entirely wiped out by French artillery alone. Losses elsewhere are staggering.

GERMAN REVOLT GROWING

URUGUAY ADVISES SAY THERE IS FIGHTING BETWEEN GERMANS AND BRAZILIANS

(Special Service to Glendale Evening News)
BUENOS AIRES, April 20.—Uruguay reports indicate that the German revolt in Brazil is growing. Refugees from Brazil report fighting between the German rebels and the Brazilian troops.

"AMERICA DAY" IN LONDON

ROYALTY ATTENDS CEREMONIES AT ST. PAUL'S WHERE PRAYERS ARE OFFERED FOR U. S.

(Special Service to Glendale Evening News)
LONDON, April 20.—"America Day" is being celebrated and there are American flags everywhere. The ceremony at St. Paul's cathedral was attended by royalty, allied ministers and many other notables. Prayers were offered for President Wilson and the American Congress.

SPY SUSPECTED ARRESTED

(Special Service to Glendale Evening News)
LOS ANGELES, April 20.—Walter Forstner of Carnston, R. I., was arrested here as a spy suspect when he arrived on the Sunset Limited this morning. He is the son of German parents and speaks German fluently. His close questioning of passengers on the overland trip was the cause of his arrest.

CUT WESTERN UNION WIRES

OFFICIALS CONSIDER ADVISABILITY OF PATROLLING TELEGRAPH LINES IN ISOLATED DISTRICTS

(Special Service to Glendale Evening News)
WASHINGTON, April 20.—That wire tappers are making copies of telegrams sent east from Los Angeles is suspected. Deputy sheriffs are making investigations to-day. Western Union wires were cut for three hours this morning. Officials are considering the advisability of establishing a patrol for all telegraph lines through districts that would afford opportunities for wire tapping.

POPE HORRIFIED AT INHUMANITY

(Special Service to Glendale Evening News)
ROME, April 20.—The newspapers say the Pope is horrified and indignant at the reports that the Germans intend to render fat and fertilizer from the bodies of dead soldiers. Belgians say this plan has already been adopted.

SUNDAY OPENING

MRS. DANFORD ANNOUNCES ADDITIONAL SERVICE FOR LIBRARY PATRONS

Mrs. Alma J. Danford, Glendale city librarian announces to the patrons of the library that beginning May 1, the reading room of the library will be open on Sunday afternoons from 2 until 5 o'clock. The time of closing evenings has been extended to nine o'clock. Mrs. Danford has felt the public demand for that increased service for some time but conditions that can be explained have prevented an earlier consummation of this plan. No books will be exchanged or given out on Sundays but there will be an attendant present able to answer questions pertaining to reference works and give other information. The schedule provides for opening at 9 a. m. also but owing to the fact that there is no separate juvenile room at the library, this early opening will have to be delayed on account of the Children's story hour which Mrs. Danford conducts during the summer months.

The patrons of the library have always found the staff eager to serve in any possible way and their endeavor to meet this difficult situation of increased hours should be appreciated.

The library and the work of the library has grown so rapidly without a corresponding increase in available funds, that it has taxed the staff to accomplish all that is demanded by changing conditions. A complete revision of the catalogue has been necessary and the books have been regrouped and reclassified. The entire card system was revised in accordance with modern library methods and the growth of the library. A strong point is made of grouping works relating to the same subject and those who use the reference books in the library find this a wonderful convenience. The books on horticulture and related subjects have been grouped and bulletins furnished the members of the Garden Society and others interested. The same plan has been followed along other lines.

No doubt the public will show their appreciation of this added service.

FREE SEEDS

To-morrow, Saturday, officials of the Glendale Garden Society will distribute free seeds from 9 to 12 a. m. and 2 to 4 p. m. at the Chamber of Commerce. These seeds are intended only for home gardens and not more than one packet of any kind will be given each applicant. There are five varieties of seed: carrot, radish, turnip, lettuce and musk melon. Applicants must have their gardens ready for planting before obtaining free seed. Owing to the enormous demand and consequent scarcity of seed of all kind, no seed ought to be wasted. Therefore each applicant must satisfy the Garden Society officials that the seeds obtained shall be used to the best possible advantage.

To those who can at all afford to purchase seed it is better to buy from a reliable local seedman, as he sells only those seeds which are specially adapted to this climate. Many people aver that government seed is not always as good as might be; therefore the advice is given to purchase seed locally when possible. But to those who cannot afford to buy, and especially so in the case of young people, free government seed is particularly applicable.

These free seeds were sent to the president of the Glendale Garden Society by Hon. Charles Randall and will be given to the public by the society officials to-morrow, as stated, and at other dates and hours to be mentioned in Monday's Evening News. Apply at Chamber of Commerce Saturday, 9-12 a. m. and 2-4 p. m.

CASA VERDUGO DRILL TEAM

W. B. Kelly reports that the Casa Verdugo drill team is doing good work. Seventy men were actively engaged in drilling at the last meeting. The drill nights are Tuesday and Thursday evenings at 7:30 on the Boulevard, and Sunday forenoon on the Central Ave., school grounds.

Alex Mitchell has been appointed chairman of the Wake-up Patriotic Day committee which has arranged for a patriotic program for Saturday, April 28. One of the features of the day's program will be the raising of a flag pole. Good speakers will deliver patriotic addresses. C. B. Guthrie in charge of the Boy Scouts will give a 30 minute drill. Announcements in detail will be published later.

AT THE HIGH SCHOOL

INTERCLASS ORATORICAL CONTEST TONIGHT—SENIOR PLAY MAY 3 AND 4

According to the annual custom all classes were dismissed today at noon, all of the afternoon being given over to the students for the purpose of decorating the auditorium in preparation for the Oratorical Contest, which takes place this evening. Each class has been allotted a certain space in the auditorium, the size of which was determined by the number of tickets sold to the members of the classes previous to 12 o'clock today. The Seniors drew the rear section, the Juniors the left wing, the Sophomores the right wing, and the Freshmen chose the middle section. The remainder of the auditorium will be open to the public, there being approximately seventy-five seats left unoccupied. Some very unique and novel plans are being carried out among the several classes, thus putting no easy task on the shoulders of the judges. However, nothing elaborate is being put into the decorations, as the faculty has been very strict in enforcing the law whereby no class can spend any more than five dollars for decorations.

The order of the speakers will be Frank Balthis, Sophomore, first; Harold Venske, Senior, second; Harold Durand, Junior, third; and Olive Taylor, last. Each one has spent a great deal of time on their speech, and as a result each one is already planning on how they will spend the twenty dollar prize. But, as there is only one first place to win, there will necessarily be three disappointed young orators when the judges render their decision.

Directly after the decision is given out the entire school has been invited by the Junior class to participate in a get-together feed in the gymnasium. Each corner of the room will serve as a lunch counter for one of the several classes, and will be decorated in the colors of the respective classes.

Two members of the faculty, Mr. Wight and Mr. Root, have been appointed as non-commissioned officers in the local Home Guard organization. Mr. Wight is first lieutenant, while Mr. Root is a corporal. Both men have had a great deal of military drilling and should prove efficient in their new positions.

"Amarilly of Clothes Line Alley." Doesn't it sound good? And it is good too, from the time that the curtain rises until it drops on Amarilly's romance. The play is one that you all will like and Amarilly will make you forget your troubles with her genuine sympathy, light heartedness and quaint philosophy. Of course you are all going to see it. The Senior class is giving it on the nights of May 3rd and 4th. Don't forget the dates and make reservations early or you may be disappointed.

CHILDREN'S VEGETABLE MARKET

The Glendale Garden Society, the pioneer of juvenile vegetable markets on the Pacific coast, voted enthusiastically last night to award a prize of \$2 for the most attractive booth to be displayed next Thursday afternoon April 26, on the Columbus avenue school grounds. This date will be an important occasion in Glendale, welcoming the first juvenile market of the many which are planned for the future. At the Garden Society meeting yesterday evening Mrs. Cora Taylor, principal of the Columbus avenue school, described the enthusiastic preparations of the pupils for this forthcoming event. Children may sell vegetables, cut flowers, eggs, poultry, homemade candy, in fact, any produce of their own garden or home. All the money goes into their own pockets, thus each child reaps the individual reward of his own exertions.

NANNO WOODS.

WILL CELEBRATE ANNIVERSARY

Glendale Lodge of Odd Fellows met as usual in their hall Thursday evening. The evening was characterized by a large attendance and an interesting meeting. The Glendale Lodge with their sister organization, the Carnation Rebekah lodge is planning for a joint celebration next Thursday evening, to observe the 96th anniversary of the founding of Odd Fellowship. A splendid program, the usual spread and a general good time is being arranged for.

WEATHER FORECAST—Increasing cloudiness tonight and Saturday. Northerly winds.

GLENDALE, CALIFORNIA, FRIDAY, APRIL 20, 1917

LARK FARMER'S FRIEND

When a farmer sees a flock of larks busy in his grain field he is apt to feel that all protection should be taken from these birds. He feels entirely justified in regarding them as an unmitigated pest.

On the other hand, in an orchard country, wise fruit growers look upon the lark as one of their best friends. It all depends on the point of view.

As a matter of fact the real decision as to the character of the lark must depend on whether he does more good than harm or more harm than good.

Fortunately we have some definite and authentic information on this subject. It was collected by the state fish and game commission and the University of California and it shows that 60 per cent. of the food of the lark for the entire year is made up of animal matter.

Practically every insect pest known to the farmers was represented in the lark's diet. But the bird also destroys an immense quantity of seeds of pernicious weeds.

In the summary of the result of the investigation Dr. Bryant, game expert of the state fish and game commission, said:

"When the benefits conferred by the western meadow lark are balanced with the injuries, there remains no doubt that the bird deserves protection and encouragement. Its value as a destroyer of injurious insects far exceeds its detriment as a destroyer of sprouting grain. The value of the western meadow lark living to one dead is as five pounds of insects (mostly injurious) and one-half pound of weed seed is to one and three-fourths pounds of grain, a considerable part of which is made up of wild oats and waste grain."

It would seem, then, that the meadow lark has a good economic reason for living. Certainly the sweet singer seems entitled to life on the showing made by the investigators.—Sacramento (Cal.) Union.

HAMBURG AND ONIONS

One pound hamburger steak, two cups bread crumbs, four tablespoons onions, two tablespoons cut parsley or celery top, one teaspoon salt, a little paprika. The beef suet is put through the food chopper with the beef, the bread crumbs covered with cold water and pressed dry at once; then add to the meat the other ingredients. Mix well and mold with floured hands into small cakes. Put in hot pan with a little drippings or beef suet. Sear quickly; then cover

and simmer slowly twenty minutes. Add a cup of water to make a gravy. Serve with one quart of onions which have been smothered and season to taste.—Mrs. Anna B. Scott in Philadelphia North American.

INCREASED USE OF ARTIFICIAL GAS

In the 17 years from 1898 to 1915 the consumption of artificial gas from by-product coke ovens and from coal, oil, and water gas plants increased more than fivefold. Very

NOTICE OF FORECLOSURE SALE.

Sheriff's Sale No. B 44655.
 Order of Sale and Decree of Foreclosure and Sale.
 Phebe McMartin, plaintiff, vs A. J. Hartfield, Mark-Lally Co., a corporation, Fletcher, a corporation, defendants.

Under and by virtue of an order of sale and decree of foreclosure and sale, issued out of the Superior Court of the County of Los Angeles, of the State of California, on the 12th day of March, A. D. 1917, in the above entitled action, wherein Phebe McMartin, the above named plaintiff, obtained a judgment and decree of foreclosure and sale against A. J. Hartfield, Mark-Lally Co., et al, defendants, on the 27th day of February, A. D. 1917, for the sum of Twenty-two hundred forty and 19-100 (\$2240.19) Dollars gold coin of the United States, which said decree was, on the 7th day of March, A. D. 1917, recorded in Judgment Book 388 of said Court, at page 308, I am commanded to sell all that certain lot, piece or parcel of land situate, lying and being in the County of Los Angeles, State of California, and bounded and described as follows:

Lot twenty-seven (27) of Central Park First Addition to Casa Verdugo Villa Tract, as per map recorded in book 12, page 166 of maps, in the office of the county recorder of Los Angeles County. Together with the tenements, hereditaments and appurtenances thereunto belonging or in anywise appertaining.

Public notice is hereby given that on Tuesday, the 17th day of April, A. D. 1917, at 12 o'clock M., of that day, in front of the Court House door of the County of Los Angeles, Broadway entrance, I will, in obedience to said order of sale and decree of foreclosure and sale, sell the above described property, or so much thereof as may be necessary to satisfy said judgment, with interests and costs, etc., to the highest and best bidder, for cash, gold coin of the United States.

Dated this 22nd day of March, 1917.

JNO. C. CLINE,

Sheriff of Los Angeles County.

By W. T. OSTERHOLT,

Deputy Sheriff.

Schwitzer & Hutton, Plaintiff's Attorney. 1764Frl

significant is the increasing use of artificial gas for fuel, and, since 1908, its decreasing use for illumination. The by-product coke oven saves the gas; the old beehive coke oven wastes it on the atmosphere. (U. S. Geological Survey, Department of the Interior.)

NOTICE OF AWARD OF CONTRACT

Pursuant to Statute and to Resolution of Award of the Board of Trustees of the City of Glendale, California, adopted the 19th day of April, 1917, directing this notice. Notice is hereby given that the said Board of Trustees, in open session, on the 19th day of April, 1917, opened, examined and publicly declared all sealed proposals offered for the following improvement, to-wit:

The improvement on a portion of Burchett street described in Resolution of Intention Number 938, to which said Resolution reference is hereby made for a description of said work.

The Board of Trustees of the City of Glendale determines that serial bonds shall be issued to represent assessments of twenty-five dollars (\$25.00) or over for the cost of said work or improvement; said serial bonds shall extend over a period ending nine (9) years from and after the second day of January next succeeding the date of said bonds, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after their date until the whole is paid; and the interest shall be payable semi-annually, by coupon, on the second day of January and July, respectively, of each year, at the rate of seven (7) per cent per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California entitled "An Act to provide a street system of street improvement bonds for the cost of street work and improvements within municipalities, and also for the payment of such bonds," approved February 27, 1893, and of all acts supplementary thereto and amendatory thereof.

And thereafter, to-wit: On the 19th day of April, 1917, awarded the contract for said work to the lowest regular responsible bidder, to-wit: To Peter L. Ferry at the prices named for said improvement in his proposal on file for said improvement, to-wit:

Grading, per linear foot 40 cents.
 Paving, per square foot 6 cents.
 Curb, "Class B," per linear foot 27 cents.
 Sidewalk, per square foot 10 cents.
 And that said award has been approved by the President of the Board of Trustees of said City of Glendale.

Clerk's office, City of Glendale, California, April 20th, 1917.

J. C. SHERER, City Clerk and Ex-officio Clerk of the Board of Trustees of the City of Glendale, California. 20011

NOTICE OF AWARD OF CONTRACT

Pursuant to Statute and to Resolution of Award of the Board of Trustees of the City of Glendale, California, adopted the 19th day of April, 1917, directing this notice. Notice is hereby given that the said Board of Trustees, in open session, on the 19th day of April, 1917, opened, examined and publicly declared all sealed proposals offered for the following improvement, to-wit:

The improvement on a portion of Elrose Avenue described in Resolution of Intention Number 941, to which said Resolution reference is hereby made for a description of said work.

The Board of Trustees of the City of Glendale determines that serial bonds shall be issued to represent assessments of twenty-five dollars (\$25.00) or over for the cost of said work or improvement; said serial bonds shall extend over a period ending nine (9) years from and after the second day of January next succeeding the date of said bonds, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after their date until the whole is paid; and the interest shall be payable semi-annually, by coupon, on the second day of January and July, respectively, of each year, at the rate of seven (7) per cent per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California entitled "An Act to provide a system of street improvement bonds to represent certain assessments for the cost of street work and improvements within municipalities, and also for the payment of such bonds," approved February 27, 1893, and of all acts supplementary thereto and amendatory thereof.

And thereafter, to-wit: On the 19th day of April, 1917, awarded the contract for said work to the lowest regular responsible bidder, to-wit: To Peter L. Ferry at the prices named for said improvement in his proposal on file for said improvement, to-wit:

Grading, per linear foot 40 cents.
 Paving, per square foot 6 cents.
 Curb, "Class B," per linear foot 28 cents.

Sidewalk, per square foot 10 cents.
 And that said award has been approved by the President of the Board of Trustees of said City of Glendale.

Clerk's office, City of Glendale, California, April 20, 1917.

Glendale Groceteria

Beating Back the Rising Cost of Living

by eliminating the overhead expense. This announcement should mean something to you.

This store has combined its buying power with Eighty-five other Groceries to reduce your cost of living.

Pause and think what that means. We do a business of generous proportions and our buying is large, but when it is multiplied eighty-five times, it becomes a tremendous force. Take Flour, Sugar, Coffee or Canned Corn for example, and think what the combined needs of Eighty-five Stores represents. Instead of buying in case lots, we buy in Carload lots.

Instead of paying a buying agent his profit and expenses and the jobber his profit and expenses, all added to the retail price which YOU have to pay, we buy direct from the producer.

We cut out the Middleman's Profit and add it to the Quality of the Goods. This large buying Commands the market.

It Dictates Quality It Maintains Standard

There is no way of getting greater value for your dollar. Do not depend on this statement to be convinced. Come and try our plan. Help yourself and get paid for it. It's a money saver for you.

Personals

If weeds are growing on your vacant lot, why?

It is estimated that the new Elks building will cost from \$40,000 to \$45,000.

There is extraordinary popularity attached to persons who use the rake and hoe this season. Be popular.

It has been officially stated that the new Methodist church in Glendale will be completed about June 1.

The Packer & Roman Studebaker salesroom and garage at the corner of Colorado Street and Brand Boulevard is nearing completion.

Contractors Retts & Boyd announce that the Ambrosini Inn at the corner of Broadway and Glendale Avenue, to be conducted by Mrs. Bertha Ginger, will be completed in about two weeks.

The Masonic orders, famous for their patriotic spirit, erected a fine flag staff surmounted with a gold ball, on top of their headquarters, Thursday and henceforth the stars and stripes will be flung to the breeze above the Masonic Temple.

At the meeting of the Eagle Rock Board of Trustees, Monday evening representatives of the recently organized Eagle Rock home guards were present and asked for an appropriation for equipment for the organization. The Board voted \$285 for the purchase of 60 Springfield rifles, ammunition and belts for the use of the Home Guard.

Dr. Henry R. Harrower has just returned from Coronado where he attended the annual meeting of the California State Medical Society and delivered an address upon the special branch of medicine in which he is particularly interested. He reports an interesting meeting with over five hundred physicians from all parts of the state in attendance.

Holman P. Midcalf, one of Glendale's well known young men, answered the call of Uncle Sam by enlisting last January in the California Coast Artillery Corps. He left Los Angeles Wednesday morning under sealed orders, for "somewhere" in this state. He is with Company 15, under command of Capt. Robt. M. Jones.

Hon. Mattison B. Jones who has been in Sacramento the past week attending the Grand Council, Royal and Select Masters of the Grand Chapter, Royal Arch Masons, and the Grand Commandery, Knights Templar of California is expected home this evening. Mr. Jones was elected Grand Captain of the Host in the Grand Chapter of Royal Arch Masons.

WHERE TO "TROUT" AND HOW TO GET THERE

By Albert Marple

The other day we noticed a fellow leaving a sporting goods house and in his hands was a rod and a reel, while upon his face was a smile of anticipation which simply will not be of worry on the part of the motorist thought we remembered that it will soon be May 1st, the day when the "big things are on". Even now the motorist-angler is beginning to tune up the old "boat", preparatory to the long-to-be-remembered trouting trip and the question of where to go and how to get there is this moment puzzling the brains of many motor owners.

With the aim of eliminating a lot of worry on the part of the motorist as to this "where and how", the Automobile Club of Southern California has carefully gone into this question of direction and distance, condition of road and chances for real sport, results of which investigation it cheerfully passes along to motorists of this section, be they members of the club or not. There are so many streams in this section in which there is good fishing, especially during the early part of the season, that it is rather hard for the angler who is not acquainted in "these parts" to decide just where to go. However, during the first month or so of this season good sport will be found at any of these streams. As to where the "best" fishing is to be obtained only the opening of the season will reveal. A number of popular fishing streams are located in the mountains lying north of the Foothill boulevard, the western terminus of the highway is at Pasadena. Running east to Azusa, 24 miles from Los Angeles, the motorist reaches the San Gabriel river. There is good fishing on this stream from the bridge up, although generally the fish are small, a good road paralleling the creek for 8 miles.

To get further up stream the motorist parks his car at the end of the stream and continues on foot. The West Fork and Coldwater Canyon, tributaries of this stream, are reached by stage or "footpower". Chances in these streams reported good.

Continuing along the Foothill boulevard to Upland we come to the San Antonio stream, where fishing, if any, will probably be poor. The next stream, is Lytle Creek, 60 miles. There are two roads into this canyon, one branching north at Etiwanda and continuing through Grapeland; the other is by way of San Bernardino and Cajon canyon. This latter road will be opened about May 1st, the Etiwanda road is now available.

Continuing east we come to San

Bernardino, north of which is located the Crest Route fishing country, including Little Bear and Big Bear Lakes. There are three ways to get into this section—Waterman Canyon, Mill Creek and Victorville. The Victorville road is now in good shape as far as Dobbie, but from that point there is considerable mud. There is 35 miles of desert road on this trip. The Waterman Canyon road is open as far as Little Bear Lake and it is expected that the Crest Route will be open about June 1st. Clark's grade, (Mill Creek) will probably be opened about May 1st. Beside the two lakes in this section there are the following streams: Little Mojave, Bear Creek, Hook Creek, Hoston Creek, Deep Creek and Holcomb Creek. The motor road does not run to any of these streams, and if the angler wants to "tackle" them he will have to "shaggit" for a greater or lesser distance. In any event he will be well repaid for his trouble.

Lying north of Los Angeles is the Big Tejuanga, 25 miles which promises good sport. Take San Fernando road through Tropic, Glendale, out Verdugo road through Montrose, Little Lands to Sunland. From this point branch north over good dirt road to the creek. Fishing is better up stream. To get to the Ventura county streams take San Fernando boulevard to a point beyond Saugus where State highway continues north. The motorist should continue west toward Ventura. The first stream encountered is the Castaic Creek, 29 miles. Park car near road and continue upstream on foot. Fair fishing from the main highway. The next stream is Piru creek, 8 miles beyond. Chances good this year. The Agua Blanca Creek, (Upper Piru) may be reached by trail. Farther along is the Lower Sespe, 59 miles. Fishing promises very good. Road continues quite a way up this creek. A little farther on we encounter the Santa Paula stream. A road runs for miles up this stream, eventually leaving it to branch to Nordhoff. Still farther along is the Ventura river, 84 miles. Big chances for good fishing here. The upper tributaries of the Ventura will be reached this year by new "high and dry" road which parallels stream. An 8 mile hike will take the angler from Wheeler's Camp to the Upper Sespe, where there is always good sport. All of the Ventura county streams look very good, and along them are many fine camping places.

West of Los Angeles we find the Topango Canyon creek and the Malibu. These are reached through Santa Monica by boulevard, thence via good dirt road along the coast. Topango is first reached; some say there will be a little fishing here. In the Malibu fishing is always good. Up to this time it has not been learned whether or not this stream will be open to the public. If opened, there will probably be a charge made for fishing.

So, Mr. Motorist-Angler, go to it. The chances are all in your favor. The touring department at the headquarters of the club or any of its branches will be glad to furnish the prospective angler with any further "last minute" information, if he will but call and make his wishes known.

MONEY TO LOAN
Plenty of 7% money to loan on city and farm property, 50% of actual values. See us.

DONER & WILKIN
1020 W. Broadway, Glendale, Calif.

Don't Get Hysterical

No one is going to starve. There is plenty for all if a few do not get stampeded and go to hoarding largely for the future. That would deplete the market and cause the prices to soar. So let's all be calm and temperate. Buy things that are reasonable in price. Beans are 17c a pound wholesale, but we still have baked ones at from 10c to 25c a can while they last.

Excellent rice at 6 1/4 to 10c a pound.
Package raisins, all kinds, are but 10c. Many stores sell them for 12 1/2 c.

Dried apples 10c a pound, finest of prunes 15c a pound, 2 for 25c, cluster raisins 10c a pound.

In canned goods we have stringless beans at 15c, hominy at 15c, pineapple at 10c to 25c, finest peaches, big cans, 15c and 20c, pears at 20c, and so on.

Meat Special

Best Boneless Pot Roasts of Beef, all pure meat, 20c a pound. Best Hamburger, not the kind they make up with filler and let soak over night, thereby doubling the weight, but 20c a pound. Other cuts in proportion.

Yours for safe and sane business.

OPEN AIR MEETING

Evangelist Catherwood who is preaching each night at the Baptist church will devote this evening to the interests of the young people. As many will be unavoidably detained by the High School contest, a special invitation is given to all, both young and old, to join in a lively out of door meeting at the corner of Brand and Broadway at 7:15 p. m. This will be followed by the regular service in the Baptist church which will be particularly adapted to the needs of the young people. Mr. Catherwood is specially adapted to such a theme, being not only a young man himself, but with a special love for young people, amongst whom he has a great influence where he is well known. His theme last night was "The saddest day in a young man's life," and as a result of his earnest appeal quite a number of the young people expressed the determination to live more consecrated lives, and at the same time one father of a family made an open confession of faith. There will be no meeting tomorrow night, but Mr. Catherwood will remain over Sunday and preach morning and evening as well as each night next week. The ordinance of baptism will be administered at the close of the morning sermon.

The preacher's remarkable versatility and adaptability was much in evidence on a recent night in the fact that he was moved very suddenly to change his theme, but no one could have judged from the powerful discourse which followed that the subject from which he spoke had not been always uppermost in his mind. There is a sparkle of Irish humor and ready wit in Mr. Catherwood's remarks that give zest to his sermons and make them of special interest to the general public. Withal, there is a devotion to Biblical truth and evangelistic fervor that justifies the claim to God's promise that his word "shall not return void." Accordingly, the messages are grasping and gripping those who are fortunate enough to be present, and it is confidently predicted there will be an overflowing house by Sunday. Everybody is invited and will be cordially welcomed.

TRUSTEE'S MEETING

(Continued from Page One)
even if the members of the home guard are sworn in as deputy sheriffs, they have not as a body the right to bear arms.

The City Attorney reported the winning of the case by the City of Glendale in the suit brought by the trustee of the Knox Automobile Company for a certain sum of money, plaintiff claimed to be due on a contract for the purchase of a fire engine in 1913, the money having been paid to the agents of the concern. In connection with this matter, the City Attorney expressed his appreciation of the value of the services rendered to the city and himself during the trial by Trustee Muhleman, who in his capacity as an attorney, had been of invaluable assistance, suggesting that it would be proper for the trustees to formally acknowledge Mr. Muhleman's services. On motion of Trustee Grist, it was ordered that the Board of Trustees hereby express to Mr. Muhleman, the appreciation of his services rendered to the city in this case.

The City Engineer made a report on bids for the improvement of Elrose Avenue and Burchett Street, to the effect that while the figures of the last bidder are high as compared with the cost of former work in the city, it is doubtful if better figures could be obtained by re-advertising under present conditions, and recommending that the bid of Peter L. Perry for the improvement of both of these streets be accepted.

On motion, Resolution No. 945, "A Resolution of award of contract for the improvement of a portion of Burchett Street," was taken up for reading. Upon motion of Trustee Jackson, the same upon being read, was adopted.

On motion, Resolution No. 946, "A Resolution of award of contract for the improvement of a portion of Elrose Avenue," was taken up for reading. Upon motion of Trustee Muhleman, the same upon being read, was adopted.

The Manager of the Public Service Department presented a contract between his department and the Verdugo Lighting District of Los Angeles County for the installation by the Public Service Department in that district of twelve bracket lights and two pipe standards with all appliances, and to furnish electric current for lighting the said lamps for a period ending September 2, 1918. On motion of Trustee Muhleman, the contract was ordered to be executed and the proper officers of the city instructed to sign the same.

The City Manager reported that a proposition had been received from General Manager McMillan of the Pacific Electric Railway Company by which the comfort station at the Pacific Electric Depot might be kept open on Sunday afternoons, on condition that the city provide a caretaker. On motion of Trustee Grist, the City Manager was instructed to confer with Mr. McMillan in regard to this matter.

The little child asked her teacher, "What about the ladies? We say God's perfect child and God's perfect man."

PAPER FROM GRASS

England has its paper troubles as well as America, and they are apparently more acute there than here. Although several of the largest mills in England have been forced to shut down because the government stopped the importation of pulpwood; many others have managed to keep going by utilizing grass

which they obtain from Scotland, the Fenlands and India.

Printing paper and note paper is being made from grass mixed with other materials. The cheapest fibre is obtained from rags, which are no longer exported. Rag cuttings are now worth \$140 a ton, which is still below the cost of wood pulp, now selling for \$150 a ton. It was \$40 a ton before the war.
