The record of attendance this year has been remarkably good.

Not absent during the year: Charles Burt, Louise Clapp, Marion Clapp, Raymond Hathaway, Mary Kingsley (two terms). Absent but one day, Henry Hathaway. Not tardy during year, Lillian Clapp, Marion Clapp, Frances Loud, John Hathaway, Joseph Hathaway, Winnie Hathaway, Howard Loud (one term). Tardy only once, Henry Hathaway, Evelyn Hathaway, Charles Burt, George Burt, Louise Clapp

Fay Montague has lost but one day during the year, and has had no tardy mark. Edward Montague, Henry and Mabel Bridgman have not had a tardy mark.

A coat of paint is very much needed on this schoolhouse and there will also be several repairs that will have to be made another year.

But one person in this district has visited the school during the year, and you can hardly expect a teacher to take as

much interest in the school if you do not, as she otherwise would.

Emily Hathaway has not been absent or tardy for the year. Myron Hathaway and Marion Williams have not been tardy. Raymond Howard and Arnold Williams, Wilbur and Walter Hathaway have but one tardy mark each for the year.

Although this schoolhouse is nearly a mile from any of the families in this district, some member of each family has visited the school during the year, and in several cases both of the parents have visited the school during the year, and over forty names of visitors are recorded.

Elgie Parsons was not absent or tardy during the year. Margaret Connolly, Ruth Dickinson and Lillian Graves were not absent or tardy for two terms.

This schoolhouse will need many repairs and ought to be painted inside and outside, and we hope to do this another year.

Gentlemen:—

I respectfully submit the annual report of the Superintendent of Schools for the past school year.

At the opening of the schools in September there were several changes in the list of teachers. The new teachers are: Miss Ella B Townsend at the Hill school, Miss Ethel E. Jordan at the South school, and Miss Edith E Grant at the Northeast school.

The work of the schools in general has been good. It is always true that the better the attendance, the better work the teacher can do. In most cases the number of children in each class is small, and if one or two are absent, it really delays the progress of the whole class. When the children that have been absent return, it is necessary to go over the

same ground again. It frequently happens when tests are given that one or two members of a class cannot do the work, and the teacher explains that the children have been absent. Of course absences are many times unavoidable because of sickness, but at other times parents can help the work of the school by seeing that the children are present when it is possible.

LOUDVILLE

According to agreement the school in Loudville is under the control of the Westhampton school committee, and the annual expense of maintaining the school is divided among the towns of Northampton, Easthampton, and Westhampton in proportion to the number of days of attendance by the pupils of the three towns.
