## Agreement at Spa On Coal Deliveries Is a Difficult Task

### Reparations Plan in General for Germany is Knotty Problem; Allied Premiers Try to Solve It; Conference at Spa May Continue Until Thursday.

Spa, July 12.—(Associated Press)—Prolongation of the Allied-German conference here for another day or two, and possibly longer, seemed probable to-day because of the inability of the conferees so far to reach an agreement on the question of coal deliveries by the Germans and the reparations plan in general. "I am not returning to Paris for the national fete on July 14," said Premier Millerand after this morning's meeting held by the Premiers without the presence of the German delegates. "I am going to stay and fight this thing out."

The Allied Premiers, following this meeting, countermanded the special trains they had ordered and it appeared that the conference probably would continue until Thursday at least.

The morning meeting of the conferees took the place of what had been expected to be a full session of the conference. The German delegates informed that the full meeting had been postponed until after the Allied Ministers of Finance and Foreign Minister Simons had held a conference without the presence of the other delegates.

## STRIKE OF SEAMEN DIRECTED AGAINST BRITISH THREATENED

Genoa, July 11.—(Via London, July 12)—Delegates to the International Seamen's Congress are threatening a strike and boycott against countries whose votes defeated the convention establishing a forty-eight-hour week. They propose organizing a vast campaign at the international seamen's meeting which will convene in Amsterdam, August 5, in order to compel British shipowners, who form the bulk of the opposition, to capitulate.

## Former Empress Eugenie Died Sunday in Madrid

Madrid, July 12.—The former Empress Eugenie of France died here yesterday morning.

Former Empress Eugenie was born in Granada, Spain, in 1826. Her father, Count de Montijo, was of a noble Spanish family, while her mother was of Scottish extraction, her maiden name being Kirkpatrick.

The ex-Empress was almost impatient for the end of her long lease of life, forty-four years of which were sparking in the successive roles of the Spanish Countess, Eugenie Marie de Montijo, traveling through Europe, a visitor to the French court, wife of Napoleon III, and an occasional regent of the French Empire. The next day the whole structure of imperial eminence collapsed. The other half of her life was mournful, so much so that Eugenie said: "I wish I had passed when the shadowy fabric of my dream fell apart."

September 4, 1870. That day of disaster was September 4, 1870, when she and all Paris had heard the defeat and capture of Napoleon at Sedan. The Empress was popularly accused of having brought on that disastrous war with Prussia. Historians have since declared that there is little to support such charges, but the riotous mobs of Paris, shouting for the new republic which the Deputies proclaimed, stormed the Palace of the Tuilleries and howled imprecations upon Eugenie's head until the Empress became convinced that her life was in peril. Flight was decided upon, but one plan after another failed until an exit was found by way of the Rhine.

The Empress, in disguise and accompanied by one of her ladies-in-waiting, whirled away in a cab to the residence of an American dentist, Dr. Thomas J. Evans. Lost to all Paris, the ladies spent the night in the protection of that chivalrous American, and the next day they were driven off in his carriage for a flight across France to the Channel, and the next day boarded a yacht for England.

London, July 12.—A dispatch last night said: Numerous outrages had occurred in and around Cork yesterday. Sergeant Seery was reported to be dying in the Cork military hospital from several bullet wounds received in an attack upon him while he was carrying the police mail to the Greeragh post office, near Cork. His assailants seized the mail and departed.

Sergeant Killed. The sergeant in charge of the Pathmore, Cork, barracks was killed by a bomb, and the constables were wounded while defending the police barracks from an attack.

Another police party returning from the postoffice to the barracks at Dunagee, on the Donegal border, with police mail, was attacked. Sergeant Moody's head and body were riddled with small shot. With the aid of his comrades he succeeded in reaching the barracks.

In Belfast yesterday quiet prevailed, and the military permitted the Derry Orangemen to carry out a foundation laying ceremony near the city. Previously the stone laying had been postponed in the fear of a demonstration.

A detail of troops was in possession of the Belfast City Hall, having occupied it last night, according to a dispatch from the Exchange Telegraph Company filed on Saturday.

The diplomatic authorities do not regard the position of the foreigners in Peking as jeopardized.

The veteran General Chang Kuei Lai, the dispatch adds, has proceeded to Pastingu, Chihli, where he is attempting to reconcile the opposing factions.

Harsh communication between Tientsin and Shanghai has been broken by the military, who have torn up the tracks near Tchow, Shantung.

Seven justices of the peace in Cavan County jointly tendered their resignations to the Lord Chancellor. In their letter they said: "We wish no longer to be associated with an executive whose actions are subversive of justice and equity and repugnant to the feelings of a vast majority of our fellow countrymen."

Seattle, July 12.—A dispatch from Juneau, Alaska, says that requests for information are being received by the Alaska Bureau of Publicity from capitalists in all parts of the country who are interested in pulpwood timber, mill sites and water power, presumably as a result of the recent intimation that the Department of Agriculture is about to propose thirty or thirty-five year leases to those desirous of engaging in the manufacture of pulpwood.

Tokyo, July 10.—More than 700 of the Japanese prisoners of war set free during the finding employment in Japan.

## \$1,000,000 FIRE IN CALIFORNIA TOWN; NO LIVES LOST

Willows, Cal., July 12.—One-third of the business section of the town of Willows, Glenn County, is in ruins as a result of the fire that swept Sunday afternoon. The district destroyed is just opposite the Southern Pacific Company's railroad station, and estimate of loss to-day reached more than \$1,000,000. There was no loss of life.

## BETTER PROVINCIAL ROADS POLICY NOW

Premier Oliver Speaks of Motor Tax During Speech in Ladder

Reviews Work of Government and Legislation Passed by House

Ladder, B. C., July 12.—"We are going to devote all that money to improving the roads of the Province. This was, perhaps, the most important declaration made by the Hon. John Oliver, Premier of the Province, during a speech lasting two hours and a half in Ladder on Saturday night. He expressed the opinion that for the purpose of carrying out a "good roads" policy every owner of an automobile could well afford the price of one-tire per annum, pointing out that motor traffic was very much hindered on the roads than were horse-drawn vehicles.

The meeting was largely attended, and the Premier was given an excellent hearing.

Reviewed Work. The speech was mainly a review of the work of the present Government, especially in connection with the last session of the Legislature. Declaring that the electorate had condemned the Bower administration on its land and railway policies, he went on to point out that the Liberal Party had created a Land Settlement Board in the determination of compelling speculators to cut up their large holdings.

"I am now in a position to state," he said, "that we expect to get the main results from the owners of the land themselves, in whose interest it is to get people on the land and thus escape the penal taxation. By this means," he contended, "large numbers of settlers were going on the land without it costing one dollar to the Government."

Railway Policy. Turning to the railway policy, he said Mr. Bower had been telling the people of the Province that the Liberal Party had created a Land Settlement Board in the determination of compelling speculators to cut up their large holdings.

Imperial Oil Seeks Canadian Supply. Spending Money to Make Supply Independent of Foreign Sources.

There is no need to fear a gasoline shortage in this Province, despite the fact that the Canadian supply is being drilled in the Western States, according to a dispatch from the Standard Oil Co. of Louisiana.

The Imperial Oil Co. is the Canadian company of the parent Standard Oil Co. of New Jersey. The Imperial Oil Company is the second greatest dividend earner of the Standard Oil group, being exceeded only by the Standard Oil Co. of Louisiana.

Mr. Mayer told The Times to-day of how the Imperial Oil Co. to make sure of the oil supplies for the future is drilling all likely parts of Western Canada in search for oil. Parties of geologists have been working for three years in the formations along the Alberta-British Columbia boundary between the mountains and the plains. They are tracing the formations that run north from the great oil lands in the Southern States. They expect to find oil in many quarters somewhere above the boundary line.

The geologists are not looking for oil around Vancouver, however, said Mr. Mayer.

Exploring Arctic Field. The other great oil field that the Imperial Oil Company is counting on is in the Arctic Circle, the territory in the Mackenzie River and Slave Lake basins. Parties are now actually drilling in these districts, 1,200 miles north of Edmonton.

Until these new oil properties are brought in the oil supply for British Columbia and Western Canada must continue to come from Peru, Mr. Mayer explained. The Canadian supply is well looked after. The loco refinery just above Vancouver is now running at 2,200 barrels a day. The capacity of this plant will be increased as soon as available tonnage can be secured.

The greatest difficulty at present is getting boats in which to transport crude oil," said Mr. Mayer. "There are lots of boats being built, according to reports, but it takes a long time before they are in operation."

"In Victoria the company has five weeks' supply of gasoline stocked. The supply would be larger than this if it were not for the difficulty in getting transportation from Burrard Inlet to Victoria. We could get shipments of American gasoline quite easily to bring across the gasoline, but such ships are not allowed to trade between two Canadian ports."

WISH TO STAY IN JAPAN. Tokyo, July 10.—More than 700 of the Japanese prisoners of war set free during the finding employment in Japan.

## MEXICO MAY BE NEXT COUNTRY TO JOIN "DRY" RANKS

Mexico City, July 12.—Legislation making all Mexico "dry" is being prepared for presentation to the next Congress at the office of Provisional President de la Huerta, says the newspaper "Universal."

The Provisional President has decided on this step," says the newspaper, "as a means of accomplishing the regeneration of the Indian and half-breed races, which are great consumers of alcohol."

## SERIOUS SITUATION IN MESOPOTAMIA

Dispatch From Teheran Says Basra-Bagdad Railway Line Cut

London, July 12.—A dispatch to The London Times from Teheran says the situation in Lower Mesopotamia is serious. It is reported in Teheran, the dispatch adds, that the Basra-Bagdad line has been cut in three places.

Armenia. Constantinople, July 12.—Armenian representatives in Constantinople have been advised that peace will be concluded at Moscow between the Bolsheviks and the Armenians and that consular and diplomatic relations will be resumed immediately. With the Bolshevik domination of Azerbaijan, the British evacuating Batum and Boshhevik Ministers in both Tiflis and Erivan, speedy domination of the entire Caucasus by the Bolsheviks seems inevitable.

At the Soviet Bureau this morning the Canadian Press was informed that plans were still in progress for the opening of an office in Canada which would be authorized for publication where definite announcement of the arrangements could be made.

It is said Dr. Ohso, head of the medical bureau in the month previous to the opening of the office, which were definite announcement of the arrangements could be made.

## Meighen Needs This Week to Complete List of Ministers

### Intimated at Ottawa New Cabinet Slate Will Not Be Completed By To-morrow Evening As Was Expected; New Armorial Bearings for the Dominion.

Ottawa, July 12.—(Canadian Press)—A few days probably will elapse before the remaining members of the new Meighen Cabinet are sworn in. It was at first intimated that the Cabinet slate probably would be complete by Tuesday evening. The statement is authoritatively made to-day, however, that all the vacancies possibly will not be filled until toward the end of the week.

To-day Sir Robert Borden was again in his office for a short while, clearing up some unfinished business. The last act of Sir Robert in Cabinet, it is interesting to note, was to recommend concurrence in the report of a special committee which for some time past had been studying the question of new armorial bearings for the Dominion.

## \$10,000,000 Soviet Gold to Dominion for Goods

New York, July 12.—(Canadian Press)—Ludwig C. A. I. Martens, chief of the Russian Soviet Bureau here, announced this morning that he had received a cablegram from the Soviet Embassy in London stating that satisfactory arrangements had been made with Canadian bankers for the transfer of \$10,000,000 in gold to Canada for the purchase of Canadian goods.

Mr. Martens stated that no further details in regard to the gold shipments were given in the cable, but he believed the arrangements had been made in London by Santeri Nuorteva, one of the Soviet representatives who recently toured Canada interviewing Canadian manufacturers and who afterwards went to London to conduct negotiations regarding the financing of contracts with Canadian firms. He said the gold would be shipped from Esthonia or from that deposited by the Soviet Government in Scandinavian banks. It would be sent to the Dominion, but he did not know which Canadian bank would handle it. That was a matter which was to have been arranged in London.

At the Soviet Bureau this morning the Canadian Press was informed that plans were still in progress for the opening of an office in Canada which would be authorized for publication where definite announcement of the arrangements could be made.

It is said Dr. Ohso, head of the medical bureau in the month previous to the opening of the office, which were definite announcement of the arrangements could be made.

## GOVERNMENT SELLS ADDITIONAL BONDS

### Another Transaction of \$1,300,000 Between Mr. Hart and Local Houses

To the same local syndicate which purchased \$1,500,000 British Columbia Government bonds last week the Hon. John Hart, Minister of Finance, has sold a further batch of \$1,300,000.

In the case of the last named transaction, however, the price obtained was par, as against 95.88 for the former. Both issues will yield six per cent. Interest on the new bonds will be applied to its satisfaction.

Those firms forming the syndicate which has now branched out into the local bond field in competition with the largest Eastern houses are the British American Bond Company, Gillespie, Hart & Todd and the Royal Finance Corporation of Vancouver.

Chicago, July 12.—Work on amalgamation of the various elements assembled here for the formation of a new party continued behind closed doors this morning while the conventions of the Committee of 48 and the National Labor Party marked time.

Everything appeared to be proceeding on schedule with the single note of excitement provided by a platform fight over the Irish question.

G. W. Thomason, a lecturer for the National Non-Partisan League, entertained the convention delegates with a recital of state enterprises initiated by the League administration since the first of January. He had given union labor all it had asked and some more.

Attacked Palmer. Swinburne Hale, of New York, talking about deportation proceedings of the Federal Government, attacked Attorney-General Palmer and won applause. Hale told his audience that Farley P. Christenson, of Utah, permanent chairman of the convention, was the first of the first defenders of the I. W. W. The delegates cheered at this until Chairman Christenson was forced to acknowledge them by bowing.

Eamon de Valera, who got a rousing reception as he entered the hall, cut short Hale's talk and was presented as "President of the Irish Republic."

Man Went Over Niagara In Barrel and Was Lost

Niagara Falls, Ont., July 12.—In another contest between man and the mighty Niagara the latter won. Charles Stephens, a barber, who came all the way from Bristol, England, to go over the falls in a barrel, took the leap Sunday morning and lost. A few pieces of the barrel eventually drifted in, but of Stephens no sign has been found.

He had made a contract with a Toronto moving picture concern and then completed local arrangements for the voyage, but in so-called secrecy as it was believed that the provincial police might forbid the trip.

The start was made at 8 a.m. Stephens appeared perfectly at his post, but had absolute confidence in the barrel and his oxygen supply outfit, which he was testing out for the inventor with a view to having the device ultimately used for divers.

A Hoop Broke. The oxygen device may have been all right, but the barrel was a failure. This was demonstrated while

## TRYING TO FORM A THIRD PARTY

### Committee of 48 and National Labor Party in States

Chicago, July 12.—Work on amalgamation of the various elements assembled here for the formation of a new party continued behind closed doors this morning while the conventions of the Committee of 48 and the National Labor Party marked time.

Everything appeared to be proceeding on schedule with the single note of excitement provided by a platform fight over the Irish question.

## VOLUNTEERS IN ULSTER ORGANIZE

### Getting Together Again to Oppose Sinn Feiners; Says Carson

London, July 12.—(Associated Press)—Sir Edward Carson, the Ulster Unionist leader, declared to-day that in the face of what he described as the inability of the Government to protect Ulster against the "machinations" of the Sinn Fein, "we will reorganize in our own defence the volunteers who lent you such splendid help to maintain the Empire during the war."

He said that 30,000 persons had been added to the Orangemen's ranks during the past year.

London, July 12.—A dispatch last night said: Numerous outrages had occurred in and around Cork yesterday. Sergeant Seery was reported to be dying in the Cork military hospital from several bullet wounds received in an attack upon him while he was carrying the police mail to the Greeragh post office, near Cork. ### TWO ESCAPED AT NEW WESTMINSTER

Van Horst and Montaniaro, Murder Convicts, Got Away From Penitentiary

New Westminster, July 12.—Two life-term men, both admitted into the penitentiary here in 1914 after having been convicted of murder, escaped from that institution some time between Saturday night and early Sunday morning, and are still at liberty.

The escaped men are Van Horst and Montaniaro. The former was convicted for throwing a man out of a boat on Burrard Inlet after having robbed him. The other shot a man in a row over a real estate deal, and was not discovered until about 8 a. m. Sunday, when one of the wardens went to the hospital cells to bring them to breakfast.

Instead of the men, two dummies were found rigged up in the respective beds.

Van Horst is the man who kept the police at bay on Vancouver Island for two weeks before he was finally captured. Little is known of the other man. He is an Italian.

### TO HANDLE LARGE QUANTITIES OF FISH

Edmonton, July 12.—Extensive operations involving the outfitting of nearly 500,000 and the maintenance of a big fishing fleet are planned by the Mackenzie Basin Fisheries, now establishing a cannery at Black Bay, Athabasca, equipped with modern machinery that will employ over 100 helpers, according to Captain Les Baxter, of Canning, Nova Scotia, who is on his way to Peace River to take charge of a river steamer loaded with supplies that will be used in the construction of the factory.

### PULPWOOD FROM NORTH SASKATCHEWAN

Regina, July 12.—An offer for pulpwood at a price of \$12 per cord (f.o.b. cars) Fort Frances, has been received by the Bureau of Labor and Industries. An inquiry will now be instituted as to the freight rates, points of shipment and other features with a view to finding a market, if possible, for the great quantities of this wood being cleared from the settlers' holdings in the northern part of this Province. At present this wood is being destroyed and a market would prove a source of revenue for settlers during the years the land is being cleared and before crops can be secured.

### TO PALESTINE.

Winnipeg, July 12.—Emigration of ninety Jewish families from Winnipeg to Palestine is being arranged by two societies, "Hokker" and "Hogker." It has been learned. The former has sent representatives to Palestine to purchase land, while the latter already owns 30,000 worth.

### DETECTIVES UNABLE TO SOLVE MYSTERY

J. B. Elwell Was Either Murdered or Committed Suicide in New York

New York, July 12.—Every element of the classic detective tale has appeared in its most dramatic setting in the Elwell case, which since June 11 has defied solution by the foremost sleuths of Broadway night life, beautiful women gowned and jeweled for the ball, the race track, the gaming table and, far removed from the frenzied whirl of the "bright lights," the doting parents in their vine-shaded home in the country—all these are woven and interwoven into what has become pronounced by detectives the deepest mystery of years.

In its most sinister guise, murder at the hands of an unknown and unsuspected assassin, death came to Joseph Bowne Elwell in middle age when his most engrossing career amounted to anxiety over a favorite race horse, some intricacy of his ruling passion, bridge whist, or an after-theatre engagement with "the woman in black" or "the lady-in-gray."

Colin's Special

Still breathing, though a large calibre bullet had ploughed through his brain, Elwell was discovered at 5.30 in the morning of June 11 clad in his pajamas and slumped in a chair against the wall of the reception room on the first floor of his three-story house in West 70th Street. He died several hours later without speaking a word which might betray the identity of his slayer.

He was found by Mrs. Marie Larsen, Elwell's housekeeper, arriving for her daily work of tidying up the house. On a table at his side were several letters, one of which, from a racing associate, had been removed from the envelope. The letters had been delivered by the postman at 7.35.

Shell and Cigarettes.

There was no weapon, no footprint, no evidence of a struggle, no possible clue except a 45 calibre shell, such as is ejected from an automatic pistol of the army type, and the stub of a cigarette different from those Elwell habitually smoked. Doors and windows were securely locked.

Experts declared that a suicide theory was untenable because Elwell far enough from his head to avoid powder burns, even were it possible to account for the disappearance of every rifle, every gun, every powder mark on the dying man's forehead but no burns.

The Hunt.

As soon as the idea of self-destruction was rejected the manhunt started. The investigation extended all over the country, into every circle of society and for years back into the dead man's past. Every relative, every friend, every casual acquaintance or servant, every one who had seen the dead turfman was found and examined. Every possible motive for his killing was explored. Love affairs long buried were exhumed and the principals grilled to discover a motive for the crime. Every real or suspected enemy was probed. All led to the same end—a wealth of information about the dead man's leisurely life, his reputation for suave good nature, his conquests of women's hearts. But not a ray of light on the crime itself.

The known facts of how Elwell spent the night before his death are few. During the early evening he was one of a dinner party at a large hotel. Other guests were Mr. and Mrs. Lewisohn, Miss Viola Kraus and a South American journalist who met Elwell for the first time that evening. At a nearby table sat Victor Von Schlegel, the divorced husband of Miss Kraus and Miss El Hope Anderson, a singer whose home is in Minneapolis.

No Tilt.

All who were present agreed afterward that there was no show of anything between Elwell and Von Schlegel, though they brushed shoulders on the dance floor several times with Von Schlegel's former wife dancing with the sportsman.

After leaving the hotel the Lewisohn party, including Elwell went to a roof garden theatre, where they remained until 1.30, when all left and Elwell was seen to start on foot toward his home. Here ends all unassailable evidence of the murder victim's movements.

A man told investigators he had seen Elwell and a woman in an upper Broadway dance hall at a much later hour. A neighbor claimed to have seen Elwell driven home by a man in a racing car at 2.30. A taxi-driver asserted he had driven the sportsman home directly after he left the Lewisohn party.

Telephone Calls.

More important evidence seemed to lie in the statements of Margaret Entler, a telephone operator, who declares she tried to put through two telephone calls from Elwell's home between 2 and 2.30 o'clock on the morning of the tragedy. The number called in each case was that of William H. Pendleton, a former racing partner of Elwell's. When interrogated he said he could not imagine why Elwell should have been so anxious to communicate with him during the early morning hours.

### SCHOOLS IN ALBERTA DID NOT OPERATE

Edmonton, July 12.—Due to lack of teachers and to certain conditions obtaining seventy-five schools in this Province were not operated last term. In some cases the schools districts are too much divided by rivers over which there are no bridges, and in others there is a lack of proper boarding places and for one reason or another, it is impracticable to send a teacher.

### WINNIPEG STREET CAR MEN TO HOLD WAGE REFERENDUM

Winnipeg, July 12.—At a meeting of the union of street railwaymen here last night a referendum of the entire membership was decided on as to whether the wage award of the Myers conciliation board should be accepted or rejected. The increase in the award does not approximate what the men asked for, and, as a result, R. S. Ward, representing the men, refused to sign the report.

### \$35,000 FIRE IN CITY OF WINNIPEG

Winnipeg, July 21.—Fire, which broke out shortly before midnight last night on the premises of the Crescent Furniture Company, Harvard Street, caused a loss of \$35,000. It was fully covered by insurance.

### CROP OPTIMISM IN SOUTH ALBERTA

Calgary, July 12.—An inch of rain fell in two hours and a half here last night, the downpour being general in the district. The most optimistic feeling prevails throughout the southern half of the province now on the crop situation. There has been little hail thus far.

### DESIRED DIVORCE.

Elwell's wife, who admitted she was contemplating divorce proceedings when she heard of Elwell's death, adhered to the suicide theory, and expressed indignation that the racing man had made no provision in his will for her son.

During the course of the investigation, Assistant District Attorney Joyce ordered the detention of Mrs. Larsen, the housekeeper, as a material witness. Many were convinced that the woman's anxiety "avoid scandal" was concealing evidence which might lead to the apprehension of the guilty person. Her release was ordered by District Attorney Swann, who said that no evidence sufficient to hold anyone had been secured.

### TRUSTEES UNDER BANKRUPTCY ACT

List of Tentative Appointments Issued at Ottawa; Act in Force

Ottawa, July 12.—(Canadian Press)—A list of trustees under the Bankruptcy Act, which came into force July 1, was issued to-day by the Department of the Secretary of State. The appointees are largely chartered accountants, auditors and financial agents, and they must deposit an individual bond of \$15,000 before the appointments are gazetted and before they will be able to act.

### WORK TRAIN WAS WRECKED BY THUGS

C.P.R. Engineer and Fireman Had Narrow Escape Near Ontario-Manitoba Line

Kenora, Ont., July 12.—As the result of the removal and spiking of a rail, a work train on the C. P. R. was wrecked last night just after 9 o'clock a few miles east of Ingolf, Ont. The train was made up of a locomotive, a work car and a caboose. Thirteen men were riding in the caboose, while the work car carried six.

### CANADA'S JUNE FIRE LOSS WAS \$1,424,319

Toronto, July 12.—Property destroyed by fire in Canada in June last totalled \$1,424,319, a decrease of \$1,911,211 compared with the loss in June, 1919, and the smallest monthly loss since October, 1919, when the total was \$1,023,238, according to an estimate of The Monetary Times.

### LABOR CANDIDATE

Winnipeg, July 12.—At a meeting of the provincial executive of the Dominion Labor Party on Saturday it was decided to contest the deferred election in the Pas against Hon. Edward Brown, Provincial Treasurer. The Labor men of the constituency will choose their own candidate, but workers and speakers will be sent in to carry on the campaign.

### DOCTOR CONDEMNS KISSING OF BABIES

Toronto Medical Officer of Health Issues Warning to Mothers

Toronto, July 12.—Toronto mothers are warned by Dr. C. J. Hastings, the local Officer of Health, not to kiss their babies on the mouth. "Babies are too precious to experiment on," counsels the Medical Officer of Health, and "therefore do not hesitate to ask your best friend to leave your baby alone."

He denounces in strong terms the pernicious practice of giving baby a "comforter" as a pacifier, and declares that the manufacture of comforters should be prohibited by law.

### BIG TANK EXPLODED AND KILLED TWO

Ammonia Cause of Two Deaths in Sydney, Nova Scotia

Sydney, N. S., July 12.—Two men were killed and a third was seriously injured and property damage estimated at many thousands of dollars was caused as a result of the explosion of an ammonia tank on the premises of the Harris Abattoir Company in this city on Saturday.

### FORMER EMPRESS EUGENIE DIED SUNDAY IN MADRID

(Continued from page 1.)

But exile was not enough. Misfortune came. The fall of the empire was followed by the death of the exiled Emperor Napoleon III. in England three years later, and the killing of her only son, the Prince Imperial, while fighting with the British in a battle against the Zulus.

### EDMONTON MAN KILLED BY AUTO

Edmonton, July 12.—William A. Ferguson, a well-known business man of this city, was instantly killed on Saturday evening when his automobile overturned on a road a few miles from Leduc. Ferguson's body was found pinned underneath the machine, the neck having been broken by the steering wheel. He was a native of Collingwood, Ont., and was in business in Kenora, Ont., before coming to Edmonton ten years ago.

### STEAMER REFOLOATED

Toledo, Ohio, July 12.—After having been stuck in the mud in Maumee Bay all during the night, the passenger steamer State of Ohio was refloated this morning. The passengers were removed and brought to Toledo during the night.

### THIS MOTHER AND DAUGHTER

Both Made Well by Lydia E. Pinkham's Vegetable Compound.

Steele, Ala.—"During the Change of Life I had hot flashes, was nervous, run down, and had sick headaches for two or three days at a time. I took Lydia E. Pinkham's Vegetable Compound and I am much stronger and better in every way than I was. My daughter's health broke down last June from teaching school without a rest, and she has taken Lydia E. Pinkham's Vegetable Compound and the Blood Medicine with good results. She is much better and teaching now and I give your medicine the praise."

For confidential advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of their forty years' experience is at your service.

### VICTORIA OFFICIAL SENT TO BORDER

Arising Out of Huntingdon Liquor Troubles, Officials take Action

Abbotsford, July 11.—Soon after revelations concerning scandalous conditions at Huntingdon had been made by the Abbotsford Board of Trade, the W.C.T.W., the Parent-Teachers' Association, and a petition from the Huntingdon citizens and one from the Sumas Municipality representatives of the Government, being five provincial policemen armed with government authority, visited the near-beer places of sale in Abbotsford, took samples of their stock for analysis and ordered them to be closed in future on Sundays.

### NEAR BEER WAS MUCH TOO STRONG

Provincial Police Made Raid at Huntingdon; Prosecutions to Follow

Vancouver, July 12.—A sheet of warrants is to be served on hotel keepers and others in the Huntingdon vicinity as the result of a raid on the "near-beer" saloons which was made by provincial police authorities a week ago. Samples of beer and stout then seized show that the nearest the near-beer came to conforming with the law was five per cent. The highest analysis shows it to have wandered up to the 5.49 mark.

Hundreds of persons were turned back by United States Immigration Inspector Roth at Sumas from crossing the border to celebrate July 4, that officer taking the attitude that the reason "to get a drink" was not a sufficient reason for permitting United States citizens to leave their own country.

With Sugar High In Price

Thoughtful people naturally turn to

Grape-Nuts for their cereal food

It contains its own sugar; and its sweet nut-like flavor developed from the grains make it attractive to the taste.

The cost is moderate. Every bit is eatable, and the sound building quality of Grape-Nuts, combined with easy digestibility, makes it a family favorite.

"There's A Reason"

Made by Canadian Postum Cereal Co., Ltd. Windsor, Ont.

If Strength Declines As Age Advances Follow This Suggestion

So many women grow old before their time, perhaps your wife or sister. A little while ago, buoyant, full of vigor and activity—she enjoyed life and imparted pleasure to the whole family; but now in a few short years she has faded and lost color and strength. She is just ready to develop some disease that will further weaken and debilitate. You remember how it began, failure of appetite, tired in the morning, found housework burdensome, always nervous and a little irritable. Its a shame to let her go down hill so quickly with Ferreros. The change back to health and vigor in a month or two will fatten up the thinnest, most run-down woman you can think of. Take Ferreros for lost color, for nervousness, for weakness—use it when run-down and feeling poorly—it will do you more lasting good, keep you in better health than anything else. Just as good for men and children, too, because Ferreros is harmless and safe 50c. per box or six for \$2.50, at all drug stores, or direct by mail from the Cattaraugus Co., Kingston, Ont.

NEW BRUNSWICK WILL REMAIN "DRY"

That Is Decision of Voters of Province Expressed on Saturday

St. John, N.B., July 12.—The prohibition plebiscite taken in New Brunswick Saturday resulted as follows: For prohibition—41,436; against 20,769. For beer and wine—23,713; against 38,525.

Thus with a majority of over 20,000 for the retention of the Provincial Prohibition Act, and a majority of nearly 15,000 against the sale of light wines and beer, the province of New Brunswick has given emphatic expression to its position regarding the great question of prohibition.

In Cities. The cities and larger towns, which may be termed the industrial centres and for which beer had been strongly argued, polled large majorities against beer and wine as well as being solidly for retention of the prohibitory law. The four counties: Restigouche, Madawaska, Gloucester and Kent, which had been practically conceded to the wets, upset all predictions, and with the exception of Madawaska, returned a verdict for prohibition and against wine and beer. Restigouche did, however, give a slight majority for beer and wine. These were the counties feared by the prohibitionists and the one expected to damage their cause.

For All Times. Workers for the cause of prohibition felt that the question has been settled for all time in this province and that it is now up to the Govern- ment to see that a rigid enforcement of the law is carried out.

The women of New Brunswick were most active in the campaign and at the polls. They were enthusiastic in support of the present law, and against wine and beer. They were all at the polling booths and worked diligently for the success of their cause.

We are placing in stock each day new arrivals in Home Furnishings that are moderate in price and have been carefully selected as to quality.

SMITH & CHAMPION THE BETTER VALUE STORE NEAR CITY HALL

**LOCAL ORANGEMEN  
MARK ANNIVERSARY  
OF BOYNE BATTLE**

Parade to Pantages Yesterday; Speeches and Sports Programme To-day

Under the auspices of the Victoria County Lodge, Loyal Order of Orangemen, nine lodges of the order, including the Ladies Benevolent Associations, celebrated the week-end, with parades yesterday, and will continue with the main programme to-day, the "Glorious Twelfth."

In the parade yesterday 150 were present, from the men's lodges, including the Victoria Lodge 1425, Saanich Lodge, 1537, Premier Lodge 1610, Sir Edward Carson Lodge 2394 and the Admiral Beroford Lodge 2497.

The ladies organizations will also take part in the proceedings to-day including the Purple Star, L.O.B.A., 184; Queen of the Island, L.O.B.A., 209; Loba, 212, and the united lodges of the Loyal True Blue Association, 163.

The parade formed up at 2:30 and, headed by the bagpipes, marched along Courtney to Douglas Street, thence to Yates and Government Streets, to the Pantages Theatre, where a service was held.

Commissioner Eadie, head of the Salvation Army in Western Canada, gave the address of the day, taking as his text "Love one another and 'Love thy neighbor as thyself.' The dissensions that split the whole of humanity into several factions, one against the other, was made the subject of a strong attack by Commissioner Eadie, who saw in the greater understanding and good fellowship engendered by the parade in the war, some hope of the revival of man's trust in his fellow man.

Pantages Theatre seated a large gathering, who had assembled to share in the Orange demonstration and to give encouragement to the occasion of their annual festival.

Plans for the anniversary of the Battle of the Boyne, included a parade from the Douglas Street Hall to Stadacona Park, forming at 1:30 o'clock. A platform had been erected on the grounds and addresses were given by the Rev. J. L. Batty and the Rev. Dr. Sipprell. A committee of delegates from all lodges are in charge of the arrangements for the sports to follow.

**Sports Programme.**  
The sports programme commenced at 2:30 o'clock to-day, and was as follows:

- Girls, 5 to 7 years.
- Boys, 5 to 7 years.
- Girls, 7 to 10 years, 50 yards.
- Boys, 7 to 10 years, 50 yards.
- Girls, 10 to 12 years, 50 yards.
- Boys, 10 to 12 years, 50 yards.
- Past masters race.
- Ladies' race, members.
- Wheel-barrow race, lady and gent, open.

Youn men's race, 300 yards, open.  
Fat men's race, 50 yards.  
Fat women's race.  
Thread the needle race, 50 yards.  
Sack race.  
Four-of-a-kind, eight men to team.  
First pull between Orange Lodges.  
Second, pull Orangemen vs. Policemen.

**Chilliwack Celebration.**  
Chilliwack, B. C., July 12.—Lower Mainland Orangemen are here to-day celebrating the "Glorious Twelfth." Lodges from Vancouver and district, New Westminster, and the Fraser Valley are represented. Following the arrival of special trains and boats conveying the various delegates a parade of the fair grounds was held, where the visitors were addressed by Mayor Ashwell, Hon. E. D. Barroff and F. B. Stacey, M. P. Afterwards the speakers of the day addressed the Orangemen, these being Grand Master Whittaker and W. A. Cantelon, of Vancouver. Alderman S. M. Carson was marshal of the parade and County Master McLean rode the white charger. A picnic was held following the speeches.

**Five Hundred at Church.**  
Vancouver, July 12.—Local Orangemen to the number of 500 last night attended service in Wesley Church, where they were addressed by Rev. Dr. Alexander Eiler. Members of the Order in full regalia, and headed by the Great War Veterans' band, marched from their headquarters to the church.

**MIGHT HAVE BEEN WORSE**  
Slowly better is not easily upset. On one occasion when his motorcar had come to a sudden stop he crawled underneath to see what was the matter.

Somehow or other some petrol ignited. A fierce and enveloping flame and smoke came forth, enveloping Slowly better. In the midst of the excitement he walked to one side with his usual slow and regular step. His face was black, his eyebrows and eyelashes were singed, and what was left of his hair and beard was a sight to behold.

Someone brought a mirror and he had a look at himself. As usual, however, he took matters philosophically. "Well," he said slowly and deliberately, "I was needing a shave and my hair cut anyway."

**A SUGGESTION**  
One of the best ways to bring back gasoline to 26c is to use a 1920 model walking stick.—New Haven Register.

**HEARTBURN**  
or heaviness after meals are most annoying manifestations of acid-dyspepsia.

**KI-MOIDS**  
pleasant to take, neutralize acidity and help restore normal digestion.

Women And Home

Local friends of the bridegroom will be interested in the following announcement from The Kamloops Standard-Sentinel:

On Wednesday evening at 8 o'clock in the Fourth Avenue Methodist Church, Ida, daughter of Mrs. Thos. Sweeney, became the bride of Dr. T. G. Keene, Rev. C. E. Batzold officiating. The bride, who wore a beautiful gown of white silk tricolette and white hat, was given away by her uncle, W. F. Palmer. Miss Mildred Sweeney was the bridesmaid and was charmingly attired in grey silk with old rose hair.

Gordon A. Cameron left on this afternoon's boat en route for Banff, where he will attend the Summer camp of the Alpine Club of Canada, which will open on July 20. After several weeks at the camp he will visit friends at Calgary and Edmonton and expects to return to Victoria in about five weeks' time.

A very pretty wedding was solemnized this morning at Our Lady of Lourdes, Oak Bay, by Rev. Father Buckley, when Miss Gertrude A. C. Devine, youngest daughter of Mr. and Mrs. J. Devine, of this city, was united in marriage to Charles F. Hill, youngest son of the late Mr. and Mrs. M. J. Hill, of Baltimore, Maryland. The bride was charmingly attired in a beautiful fawn suit of French serge, also a dainty white gorgette hat trimmed with lily of the valley. She carried a corsage bouquet of carnations and fern. The bride was given away by her father, and was attended by her sister, Mrs. Peter Ernest Hunt, of Victoria. After the ceremony a reception was held at the home of the bride's parents, where many of their friends assembled to offer them their congratulations.

Mr. and Mrs. Harry Jaques, of Central Apartments, with Mr. and Mrs. Peter McKay, are camping at Fowl Bay for the Summer. R. Beech and W. H. Graham, of Cowichan Lake, are visiting Victoria and are registered at the Dominion Hotel.

British Columbia Representative D. M. Doherty & Co., Vancouver

Is Leader in Preparations for Garden Fete

Mrs. R. S. Day, at whose residence, 1606 Rockland Avenue, the Great War Next-of-Kin Association will hold a garden fete on Wednesday afternoon next. Mrs. Day is president of the Association.

President of the Provincial branch, formally received the officers of the local association with about forty representative Guides and Brownies. Mrs. Albert F. Griffiths, the local Commissioner, presented the girls. Mrs. Prior, who was accompanied by the Lieutenant-Governor, made the presentation on behalf of the Dominion Council of a Badge of Merit to Miss Mabel Unwin, captain of the Fourth Victoria, Gonzales Company. This has been awarded to Miss Unwin in recognition of her invaluable work since the inception of the movement in Victoria.

MAY REORGANIZE DRAMATIC SOCIETY In view of the probability that N. Hincks will not return to Victoria to live permanently, the members of the company which he formerly directed will meet at half past seven on Wednesday evening at 722 Courthouse Street to discuss the advisability of dissolving the present temporary society, and forming a permanent organization.

GIRL GUIDES RECEIVED BY MRS. PRIOR SATURDAY In the beautiful gardens of Government House on Saturday afternoon, Mrs. E. G. Prior, who has been appointed vice-president of the Girl Guides Association for Canada, and

Since that time, however, word has been received to the effect that he probably will not make Victoria his permanent home. The former members of his cast, during his absence, have kept in touch with each other, through the medium of the Victoria Dramatic and Operatic Society—a temporary body formed simply for the purpose. The question which now arises, of course, is whether a permanent organization should be formed. Whatever action is taken Wednesday will be final.

PUBLIC INSTALLATION AT CITADEL TO-NIGHT To close the successful campaign conducted by Commissioner Eadie, of Winnipeg, there will be a musical festival in the Army Citadel this evening at 8 p. m. This will consist of selections by the Citadel bands, both junior and senior, also vocal and instrumental items.

D. M. Doherty & Co., Vancouver

## C. VANDERBILT WORKING HARD AS AN INVESTOR

Says Province Should Be Developed Sanely and Not Sensationally

### VISITS VICTORIA ON WRITING TOUR

One of the most unusual young men in the public eye to-day—though he would be the last to claim that distinction—is visiting Victoria at present—Cornelius Vanderbilt, Jr., of New York, who, though heir to millions, prefers to work, and work hard for his living and who even now, though concluding his honey moon is pounding out thousands of words a week for eager editors.

Mr. Vanderbilt, with his beautiful young wife, arrived in Victoria yesterday afternoon in the course of a tour through Canada and the United States as a writer for The New York Times. He intends to remain on the island for a week, investigating labor conditions—about which he has been writing a great deal—and the immigration problem as it affects the Dominion.

The "millionaire reporter," as Mr. Vanderbilt has been christened—he really detests what he calls "sloppy publicity"—is little more than of age, tall, fair, boyish and utterly unaffected. Most of all he is enthusiastic, enthusiastic chiefly about the newspaper business in which he intends to remain for life. After returning from the front in fact, he immediately started to write for a living and he is now in the process of preparing himself for a life time in journalism.

Instead of taking life as he found it he is simply putting in effect his belief that everyone who is born wealthy should work. As for the poor, however, it is up to them to do as the world believes. He believes that the newspaper business will offer him greater opportunities than any other occupation of giving something to the world. Putting his ideals into practical effect, he started at the very bottom of the ladder, too, and he has made it a practice to live on the money he earns himself, contrary to most people's notions about him.

Labor Conditions. After traveling over a large part of Canada and the United States "covering" labor conditions for The New York Times, and after having written more than he can remember in this connection, Mr. Vanderbilt, though he is diffident about airing his views, is well qualified to speak on the subject. In his opinion, labor conditions in Canada very satisfactory compared to those prevailing in the United States, he said when questioned by The Times to-day. "There are radicals, to be sure, and I met a number of them, but so far as I was able to observe, they are, generally speaking, of foreign extraction, from Russia, Poland, Austria and other European countries, though many of them claim to be Americans. The Canadian labor men, however, appeared to me to be a steady, hard-working class, and there appeared to be little of the tendency to overthrow the prevailing system of government as there is in other places I have visited."

"This is one of the reasons," Mr. Vanderbilt proceeded, "why I believe, and have pointed out to easterners, that Canada is a splendid country in which to invest. While I have written a great deal about the prairies, it seems to me that they are, relatively speaking, pretty well taken up. British Columbia's vast, unexploited resources, thus naturally will be the great attraction for American investors. But in this connection, it seems to me that the people of British Columbia will make a very grave mistake if they adopt the plan of 'booming' the Province sensationally, as was done in California. It is not a sort of dumping ground. It will be better, I think, if sound, sane, sensible people are attracted here to develop your resources. If on the other hand, the Province gets its reputation of being an over-estimated place, a place of wild-cat schemes and so on, the capital and the people you really want will stay away."

Oriental Immigration. Mr. Vanderbilt is very much interested in the question of Oriental immigration, a subject upon which he plans to write a number of articles. In fact, a great part of "This time here" will be in investigating immigration conditions and later he will study the Japanese problem, so serious in California. Having viewed conditions at close range in California, he can appreciate the danger of the Oriental, as he describes it, swamping either Canada or the United States, but he feels that it might be wise to utilize Oriental labor—perhaps indentured—in the development of a new country like this Province.

So far, Mr. Vanderbilt's training in the newspaper business has been chiefly in connection with trade and labor conditions, but next year he is going to "cover" politics. Consequently he has been a keen observer of politics in his own country. But he is not a party man. On the contrary, he wants to see the best man elected at the polls next November, and he thinks that the Republican candidate at that time was received, not with applause, but with biases and derision. It is violating no confidence to say that he does not approve of many of President Wilson's policies, and while he did not express his own opinion on the subject, he stated that he did not believe that the United States would become a member of the League of Nations. And he regretted that, at the present moment, American opinion was not over-friendly toward Britain. His own views on international relations, of course, have been broadened by his long service in the Allied cause in France, for he was "over there" long before his country entered the war. He makes no secret over his sorrow and disgust that the United States

## INVADE HOSPITALS TO SEEK VOTERS

Women Are Propped Up in Bed to Get Chance to Vote

Sick persons in all hospitals and other such institutions are being registered for the new voters list.

The hospital registration squad, under Sergt.-Major Pearce, D.C.M., has been active during the last few days. They have covered every person in the Royal Jubilee, St. Joseph's and Craigdarroch Hospitals. Sergt.-Major Pearce sees that the patients are propped up on pillows and made comfortable to sign the forms so that their signatures will be as natural as possible and show little variation from the normal signatures when they are out of hospital.

The registration squad invaded the operating rooms of the hospitals, in one operating room two men in their white hospital clothes were registered, besides several nurses and regular attendants. None of the men in the hospital registered although they were pressed to do so.

Sergt.-Major Pearce registered one woman who had been in hospital for three years. She told him she did not know whether it would be of any use for her to register as she would be in hospital for three years longer, but she wanted to be put down as a voter anyway. Attendants raised the woman and steadied her arm while she signed the form.

Persons who are at present confined to jails, penitentiaries, and asylums are not being registered for this list.

There was a rush to the registration booths Saturday night of persons who are not in hospitals. Up until 9 o'clock Saturday night 731 persons in Victoria registered, which is 300 to 400 more than the general run of daily registrants. In Esquimalt 59 persons registered, bringing the total up to 2,044.

The registration booths are open from 9 a.m. to 9 p.m. until Thursday.

## PHILIP M. WATSON GAINED 21 POUNDS

Says Tanlac Has Restored His Health Which Was Shattered in the Trenches

"When I think how I used to suffer until I just had to catch hold of the bed with both hands, I can hardly believe I am the same man, for Tanlac has built me up until I've gained twenty-one pounds in weight and am feeling fine," was the enthusiastic statement made by Philip M. Watson, of 209 Kennedy Street, Winnipeg, another veteran of the world war, who has realized the remarkable reconstructive powers of Tanlac.

"When the war broke out in 1914," said Mr. Watson, "I was in Liverpool, England, so I joined the Imperial Army, and was transferred to the trenches in France. I went through some rough campaigning, was wounded in my right hip in 1916, and was wounded again in 1917. I was almost a nervous wreck and for eight months lay on my back in a hospital. When I was transferred to a convalescent home in England I could scarcely drag one foot after the other, even with the aid of a stick, and had to have an escort. I had such terrific pains in my back and legs that at times I just screamed out and in fact, I had pains all through my body. My appetite left me entirely, and often even the sight of food would nauseate me. What I did manage to eat did me little good, and I was badly constipated. I was so nervous that I trembled like a leaf, and sleep was almost out of the question."

"Being advised that a change of climate might help me, I came back to Canada in 1918, and after reading where Tanlac was helping others I began taking it myself, although I didn't have much idea that it would help me, for I considered my case just about hopeless. Well, sir, it proved to be just what I needed, and to my great surprise, after taking eight bottles I have thrown my stick away and can get about as good as I ever could in my life. My appetite is splendid, I never have a pain of any kind, my nerves are as steady as a clock, and at night I sleep like a log. I used to have chronic headaches, but they've all disappeared, too, and I'm feeling like my old self again. I certainly bless the day I bought Tanlac for it has restored my health and strength, which I thought were gone for good."

Tanlac is sold in Victoria by D. E. Campbell, corner Fort and Douglas, and Lang's Drug Store, Esquimalt.

## "NONSPI" What Is It?

NONSPI is the new antiseptic liquid remedy for perspiration under the arms; two applications a week will keep the armpits normally dry and quite odorless; you can discard dress shields.

Don't "hope" that you are free of perspiration odors. Use NONSPI and "know" it.

Cormorant and Store Streets.

is paid by October 5 next. Nine years will then be given in which to pay the balance (one-tenth each year). Interest on these payments will be charged at six per cent. instead of eight per cent.

3. If taxes that are being paid on the installment plan are settled in full by the end of the fifth year, the total reduction that will be made in interest charges will be equal to fifty per cent. of the accrued interest on the general taxes and local improvement taxes before commencement of payments of installments.

4. Owners who are already paying their taxes on the ten-year installment plan will only be required to pay interest at six per cent on their installments from the 15th September 1919. Instead of eight per cent, as previously. These privileges will all cease at the date of the tax sale on the 5th October of the present year. Owners wishing to take advantage of these means of relief must do so before that date whether their properties are to be included in this year's tax sale or not. After October 5 owners who are in arrears and who have not availed themselves of these plans will have to settle in full and in the usual way, as no extension of the relief outlined will be given after that date. Where advantage has not been taken of these schemes, the interest on arrears of taxes will be eight per cent.

## WILD DRIVING ENDS IN COURT

Speeding Automobile Crashed Into Standing Street Car

The result of a ride down Government Street early this morning by Forbes Chambers, accompanied by another man, when the auto in which they were travelling crashed, traveling at thirty-five miles an hour, into a standing street car, cost the driver a fine of \$100 and a severe lecture on the inadvisability of driving while under the influence of liquor. George Curtis, motorman; A. Johnson, and F. Doherty, conductors of the B. C. E. R. by Deputy Chief Palmer testified to-day. The car apparently was driven at full speed.

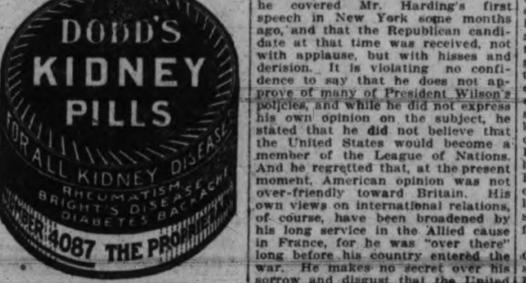

The motorman on an Elands car which was about to back into the car barn, stopped his car to let the auto get around the rear end, but falling in negotiating the turn the automobile crashed head on into the street car, smashing its front end, and ripping off a fender on the left side. The occupants of the automobile were unhurt, but the machine was badly crumpled.

All witnesses testified that the driver was under the influence of liquor. Magistrate Jay, in imposing a fine warned the accused that the second offence would mean imprisonment without that option. As necessary under the new regulations, the license has to be endorsed with the result of any convictions secured against the holder for offences under the new Motor Act.

"I have no hesitation in saying," Alderman Sargent stated, "that the special relief legislation in effect this year will not be renewed. These advantages will not be dealt out to people year after year. You may take it for granted that, the land upon which adjustment is not made, will be taken over by the city. If, however, people will only investigate their opportunity practically no land should be sold this year."

To avoid the sale of property on which there are arrears, Alderman Sargent explained that the following plans could be adopted by property owners:

1. If payment is made in full, ten per cent will be deducted from all general taxes, and the accrued interest will be cut in half. This is a great saving, and an opportunity none should miss.
2. If it is impossible to settle in full, ten per cent will be deducted from all general taxes, and accrued interest on same, if one-tenth of the remainder, together with interest at six per cent, from January 1, 1920,

## SHOULD BE ONLY SMALL TAX SALE

People Will Not Be Offered Tax Relief Schemes Again

If people will take advantage of the relief schemes which have been brought into effect, there should be no large tax sale this Fall, Alderman W. J. Sargent, Chairman of the Civic Finance Committee, declared, when discussing the taxation situation to-day. In fact, Alderman Sargent stated, in cases where owners allow their property to be sold for taxes, it can be taken for granted that the owner does not consider the property worth holding.

"Such are the relief plans offered by the city this year," Alderman Sargent explained, when outlining these schemes, that the persons coming under them are, in some cases, actually in a better position than the person who paid his taxes promptly the year they were due. In fact, the relief plans for persons who are in arrears, form the most reasonable proposition that could be formulated. Anyone who does not take advantage of these schemes really does not want to pay his taxes.

Net For Ever.

"I have no hesitation in saying," Alderman Sargent stated, "that the special relief legislation in effect this year will not be renewed. These advantages will not be dealt out to people year after year. You may take it for granted that, the land upon which adjustment is not made, will be taken over by the city. If, however, people will only investigate their opportunity practically no land should be sold this year."

To avoid the sale of property on which there are arrears, Alderman Sargent explained that the following plans could be adopted by property owners:

1. If payment is made in full, ten per cent will be deducted from all general taxes, and the accrued interest will be cut in half. This is a great saving, and an opportunity none should miss.
2. If it is impossible to settle in full, ten per cent will be deducted from all general taxes, and accrued interest on same, if one-tenth of the remainder, together with interest at six per cent, from January 1, 1920,

"Yes, but he had a chance to marry a widow with a five-year lease on an apartment."

### FREIGHT LEVY AT VANCOUVER WILL BENEFIT VICTORIA

Transportation Companies Strongly Opposed to Harbor Tariff at Mainland Port

Transportation companies are offering very strenuous objection to the tariff of cargo levied by the Vancouver Board of Harbor Commissioners. It would seem from the temper of the shipping companies that strong protests will be lodged against payment of the new harbor tax. In any event, it is stated in transportation circles, the new tariff, in addition to the tonnage tax, will work to the disadvantage of Vancouver and to the benefit of Victoria, where no such "frills" are levied against shipping.

Vancouver has got the luxury of a Harbor Commission and are now paying for it, declared a ship operator here today. The new tariff of the Vancouver Harbor Commissioners becomes effective August 1. The rates apply to merchandise landed or shipped in the harbor of Vancouver. Five cents per ton will be charged on all general merchandise. On agricultural implements and vehicles a charge of 10 cents each will be levied while bricks will net the Harbor Board from ten to fifteen cents per thousand. Other charges are: Cement, ten cents per ton of 2,000 pounds; coal, five cents per ton of 2,240 pounds; fish, five cents per ton of 2,000 pounds; gasoline, kerosene, distillate and high explosives, ten cents per ton of 2,000 pounds; grain, one cent per bushel of 56 pounds; hemp, five cents per ton of 2,000 pounds; hides, five cents per ton of 2,000 pounds; iron, five cents per ton of 2,240 pounds; lime, five cents per ton of 2,240 pounds; rice, ten cents per ton of 2,000 pounds; oil, ten cents per ton of 222 imperial gallons of 2,000 pounds; sand, gravel, crushed rock and undressed stone, five cents per ton of 2,240 pounds; sugar, ten cents per ton of 2,000 pounds. Under the heading of livestock, horses, per ton of 2,000 pounds, will be charged five cents per ton; cattle, per ton of 2,000 pounds, estimate three cents per ton; five cents; swine, per ton of 2,000 pounds, estimate ten cents per ton; five cents; sheep, per ton of 2,000 pounds, estimate fifteen cents per ton; five cents.

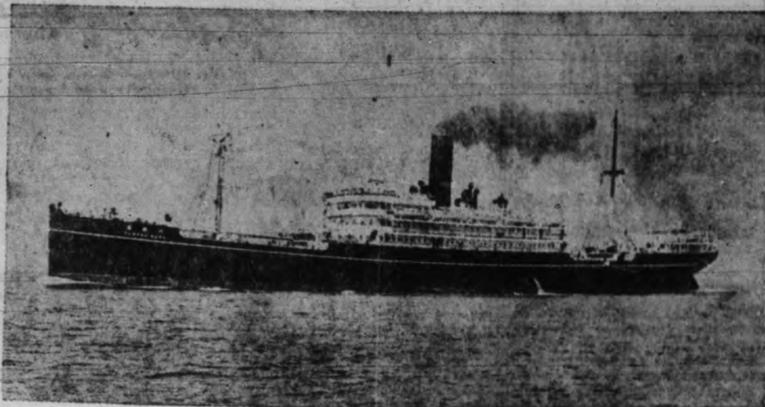

A levy of five cents per 1,000 board measurement feet will be placed on logs, piles, poles, and lumber; four cents on every cord of shingle bolts; one cent per bundle of shingles; one cent per bundle of lath and ten cents per 1,000 board measurement feet of hardwood.

In the case of inward vessels all duties must be paid before any cargo is discharged and in the case of outward vessels all charges must be paid before the ship is granted a clearance.

**TEES LAID UP.**  
The steamship Tees, of the C. P. & C. coasting fleet, is now laid up here for extensive repairs and refit. It is expected that she will be out of commission about a month.

**ALICE FOR ALASKA.**  
The C. P. & C. steamship Princess Alice left Vancouver Saturday night with a full list of tourists for Alaska.

### DUE IN PORT TO-MORROW NIGHT

N. Y. K. LINER FUSHIMI MARU

Latest advices from the Fushimi Maru at sea, state that she will make William Head at 8 p. m., Tuesday.

### Firemen Plunged Into Icy Waters of Strait

Two Members of Crew of Liner Chicago Maru Who Sought to Escape Believed to Have Perished Off William Head.

In a desperate attempt to escape ashore, two Japanese firemen, Yoneda Yonegoro and Ino Chometsu, slipped over the stern of the Osaka Shosen Kaisha liner Chicago Maru as the ship was off Race Rocks early this morning inbound from the Orient.

It is not known whether the deserters succeeded in reaching shore, but the ship's officers are inclined to think that they were drowned, as the liner was half a mile from the nearest land when the Japanese went over the side and a strong current was running in the straits.

It is considered highly improbable that the men would survive the shock from contact with the icy waters.

**Clambered Down Rope.**  
The two firemen were missed about 4 o'clock this morning as the Chicago Maru was ploughing her way up the straits and shortly before reaching William Head quarantine station.

Apparently no one saw the men make the get-away, but ropes dangling over the poop rail to the waterline left no doubt as to the method of escape from the ship. When the Chicago Maru docked at the Outer Docks at 7 o'clock the immigration officials were notified of the escape of the two firemen and a look-out is being kept at William Head in case the deserters may have succeeded in reaching shore.

**Fine Passage.**  
The Chicago Maru, Captain S. Yamane, reported an average trans-Pacific passage. She brought in nine cabin passengers and 134 steerage, and also carried a \$500,000 cargo of Oriental merchandise.

For Victoria, the liner has 649 tons; for Seattle 1,200 tons, and for Tacoma 3,700 tons. Thirty-nine steerage passengers came ashore here. The raw silk shipment on the

### CHICAGO MARU TO ENTER WORLD RUN

O.S.K. Liner Completes Her Last Inward Voyage in Transpacific Service

On September 6 next, the liner Chicago Maru, of the Osaka Shosen Kaisha fleet, will leave Kobe in the round-the-world service of the Japanese company. The liner is here today on her last inbound voyage in the trans-Pacific service between Japan and this coast.

With the withdrawal of the Chicago Maru, all old 6,000-tonners will be transferred from this route to be replaced by more modern 10,000-ton liners.

In the future the O.S.K. service on this route will be maintained by the Africa Maru, Arabia Maru, Manila Maru, Hawaii Maru, Arizona Maru and Alabama Maru. The Arizona and Alabama are the latest additions to the fleet and will shortly be put into commission on the British Columbia run.

**Arizona in August.**  
The Arizona is due here on her maiden voyage August 13.

The round-the-world service of the O.S.K. will be maintained by six vessels formerly in this trade, the Cahada Maru, Mexico Maru, Panama Maru, Seattle Maru, Tacoma Maru and Chicago Maru.

From Japan these vessels go to South America via Nagasaki, Hongkong, Saigon, Singapore, Calcutta, Colombo, Mauritius, Durban, Capetown, Rio de Janeiro and Buenos Ayres. On the homeward stretch the vessels touch at Rio de Janeiro, Santos, St. Lucia, Havana, New Orleans, Cristobal, Balboa, Los Angeles and across the Pacific to Yokohama and Kobe.

The Chicago Maru, the voyage takes seven months to complete.

### JAPAN IS LOSING SOUTH-SEA TRADE

Foreign Competition Slowly Forcing Her Out of Position

The influence of Japanese merchandise in the South Seas, it is said, has considerably fallen off owing largely to the resumption of operations by foreign shipping companies which were compelled to suspend their services to that part of the world during the war. In pre-war days Dutch and British ships dominated the shipping trade in the direction of the Dutch East Indies, Singapore, Bangkok and Hongkong, but during the war they were largely superseded by Japanese companies such as the Osaka Shosen Kaisha, the Mitsubishi Company and the Yamashita Kisen Kaisha. They maintained both regular and irregular services, the principal cargo carried being Java sugar and Bangkok rice. As a matter of fact, practically the whole of the Bangkok rice exported in 1918 from the producing centre, which amounted to about 1,200,000 tons, was carried by Japanese bottoms. Last year, however, restrictions were placed on the export of Bangkok rice, and moreover the foreign shipping companies which were formerly identified with the South Sea trade have resumed their operations. Naturally the Japanese companies have been seriously affected by the re-opening of foreign services, and even the Yamashita Kisen Kaisha, which had devoted great efforts to the extension of its operations in the South Seas, was compelled to abandon its services several months ago.

The position of Japanese ships has become worse owing to the fact that shippers have come to ship direct from the Dutch East Indies, instead of from Singapore, to Europe. The change in the practice of the shippers is due to the present condition of the exchange, which makes it more profitable for them to ship from the Dutch Indies. Japanese ships have gradually withdrawn from the South Seas trade, and the only Japanese concern now maintaining a regular service in that part of the world is the Osaka Shosen Kaisha, which is subsidized by the Government.

**MONTEAGLE DEPARTS.**  
The C. P. & C. liner Montezuma left port Sunday morning bound for the Orient. The next of the company's ships due to reach here will be the Empress of Russia, scheduled to arrive July 13.

**OUTLINES AIR FORCE ORGANIZATION PLAN**  
Major Pinder Speaks on Association Matters and Training Camp  
Major F. G. Pinder, of the headquarters staff of the Air Board, is in the city arranging details in connection with the Summer Air Training Camp at Borden. He stated that Captain G. M. Dean, with offices in 1518 Standard Bank Building, Vancouver, will act as secretary for the B. C. organization, and is in a position to receive names for training, and to attend to similar matters.  
Some 1,400 officers have applied to be members of the Canadian Air Force Association, with 47 per cent of these from Ontario. British Columbia has only 8.7 per cent, and July 31, it is stated, will be the closing date for applications in this connection.  
Major Pinder reiterated what has been published before as to the rates of pay and class of skilled employee that will be required by the Air Force for training purposes. He explained that the Air Force Association had been formed to assist the formation of the Air Force Militia, and was attaining ready support elsewhere in the Dominion. He made a plea for greater support on the part of the B. C. ex-servicing men.  
If all men were compelled to practice what they preach the majority of them would discontinue preaching.

**DAY STEAMER TO SEATTLE**

### BRIEF LOCALS

**Will Preach Here.**—Rev. Paul Mac-Reynolds, of the First Unitarian Church, Vancouver, will conduct the services at the First Unitarian Church here on Sunday morning.

**Civil Service Examination.**—The Rev. Dr. Campbell will begin tomorrow at 9 a. m. in the post office building, civil service examination for Dominion Government draftsmen.

**Change in Appointment.**—Captain T. H. Levey, C.A.D.C., according to Military Orders, has vacated the appointment of Assistant Director of Dental Services, Military District No. 11, and is detailed for duty, temporarily, as District Dental Officer, Military District No. 11.

**Celwood Women's Institute.**—Under the auspices of the Celwood Women's Institute a "Better Biscuits and Flower Show" will be held on Wednesday, July 14. Doors will open at 2 p. m. Tea and ice cream will be served.

**Families Make House Change.**—H. J. Scott has sold his residence at 1254 Craigdarroch and bought the home of J. D. O'Connell at 1027 Craigdarroch. Mr. O'Connell has now bought the home of former City Engineer C. H. Rust at 82 Trutch Street, at present occupied by Dr. Llewellyn Jones. The Scott and O'Connell families will move in about ten days.

**Knights of the Thistle Social.**—The Knights of the Thistle will hold their semi-annual concert and dance on Tuesday, July 13, at 8 p. m. The committee have arranged that the following artists will appear: Miss Agnes Wallace, Miss McIntyre, Mrs. P. M. Pettigrew, Jean Wallace, Messrs. Roberts, Jack McDonald, and E. T. Hughes. The accompanist will be D. Wallace. Refreshments will be served, followed by a dance.

**Musical Success.**—The pupils of Mrs. MacGovern, who successfully passed examinations in pianoforte music for the Canadian Academy and College of Music, Toronto, are: Preparatory Grade II.—Pass, Harvey Bailey and Alex. Noel. Primary Grade II.—Honors, Margaret Williams. Junior Grade IV.—Honors, Margaret Fawcett. Preparatory Grade V.—Honors, Dorothy Lowe. Miss Dorothy Lowe is the winner of the prize given by the school each year to the pupils of any teacher taking highest marks with honors.

**Make Jam Record.**—The Hamsterley Farm Cannery put up 460 cases of strawberry jam Saturday—a record for the season. More than 5,000 cases have been put up already since operation began this year. Saturday's operation meant that approximately \$2,000 worth of strawberry jam was produced an hour at the factory, but as yet the supply of fruit is not large enough to allow the factory to operate for a full day.

**In Police Court.**—Stella Bridges, whom the police found in an hotel with two men and some rye whiskey, was fined \$75 to-day in the police court. For the accused it was stated that the room was part of a suite of housekeeping rooms and that she considered it a legal place to have liquor. The contention of counsel was not upheld, a fine being imposed. Louis Downey and Walter Fosset, charged with vagrancy, were each remanded until tomorrow to permit of further police investigations. Alfred Williams was fined \$5 for drunkenness.

**Discuss Parcel Post.**—M. A. Winter, an official of the International Parcel Post Association, was in town on Saturday and called on the Secretary of the Board of Trade, P. Elworthy. He advocated the establishment of some further parcel post service between the two countries. Mr. Elworthy, after consultation with the President of the Board, J. L. Eckwith, informed the visiting official that the Board would take no action in support until it was assured that the need for such a further service was recognized at present there is a four-pound parcel post service to the United States, in addition to the express companies, and the local Board is of the opinion that any further extension might well be originated in the East.

**WILL NOT SPEAK HERE.**  
John D. Rockefeller, Jr., who is due with his family in Victoria on Wednesday, has declined the invitation of President John Cochrane to address the Canadian Club while in the city.

In reply to the invitation Mr. Rockefeller states that he greatly appreciates the invitation so courteously extended, "I am traveling slowly," he says, "to show my children the West, hence am devoting all my time to them." For that reason Mr. Rockefeller will not speak here.

### ORANGE CELEBRATION

Owing to the rain the special programme of speeches was delivered for the Orange celebration in the Orange Hall, and not at Stadium Park, as intimated elsewhere.

Police states he has declined other invitations of a similar character.

### VICTIM'S BODY IS RECOVERED NEAR GORDON RIVER BAR

Inspector Murray, of the Provincial Police, received word to-day of the recovery of the body of the late Alexander Christensen, who was accidentally drowned on the Gordon River Bar recently. The information came from T. B. Renfrew, there being no details beyond the actual finding of the body in the bay. Coroner Hart has ordered the interment of the remains at Port Renfrew, there being no relatives as far as can be ascertained.

### OBITUARY RECORD

The remains of the late Grace Mackie, whose death occurred on Wednesday last, were laid to rest Saturday afternoon. Services were held at the Thomson Funeral Home, at 2:30 o'clock, the Rev. J. G. Inkster officiating. There was a large attendance and numerous floral tributes, which testified to the esteem in which the deceased was held. The burial will be held at the "Peace" Chapel on Tuesday at 2 p. m. The following acted as pallbearers: T. Roberts, C. Minkler, R. Lowe, F. W. Nolte, H. Finlayson and D. A. Frazer.

Cornelius O'Neill, of 861 Wollaston Street, Esquimalt, passed away at the Jubilee Hospital on Saturday at the age of 86 years. The late Mr. O'Neill was born in the Province of Quebec and came to Victoria in 1906 from the Cariboo, where he has been mining for about 1879, and was well known to old-time miners and prospectors of the Cariboo. The funeral will be held from the B. C. Funeral Chapel on Tuesday at 2 p. m. Interment will be made in Ross Bay Cemetery.

### TO BECOME CANADIAN

Monsieur Louis Pauly Was Born in France and Fought in Russian War and Fought in Last.

Louis Pauly, of 2640 Cook Street, who was born in France in the year of the great war between France and Germany in 1870 and who after waiting years was finally given his chance to fight Germany in this war, made application to Judge Lamppan to-day for naturalization.

Monsieur Pauly was born in the village of Puy, Department of Creuse, France. As a little boy he came to Canada. In 1907 he came to Victoria where he has remained since, except for the time he was overseas fighting. While at the front he acted as interpreter for the 11th Division, 6th Borderers.

Judge Lamppan will deal with his application.

### C. N. RAILWAY'S FAST TRAIN

The Canadian National New Daily train to Winnipeg and Eastern Canada, known as "The National," leaves from New Station on Main Street at 8 p. m. (Standard time) and runs over the Grand Trunk Pacific Short Line Edmonton to Winnipeg. This train makes connections at Winnipeg, Toronto and Montreal for United States points.

The equipment of The National is modern and the very finest, consisting of Day Coaches, Tourist and Standard Sleepers, Dining and Observation Cars. An altogether popular train.

### TO DEFER ACTION ON CURFEW SCHEME

As the father of the curfew scheme, Alderman Joseph Patrick, is out of the city at present, it is probable that the City Council will defer action on the matter to-night when Alderman Dinsdale will move for the repeal of the Curfew by-law. Alderman Sangster, whose vote is considered the deciding factor in this question, stated to-day that he would favor deferring action until Alderman Patrick's return, and it is considered likely that such action will be adopted.

### RAIN POSTPONES GAME

The amateur baseball game between the Colliers-Vets and Yarrow, scheduled for to-night at the Stadium, has been postponed on account of rain. Wednesday's game between Knights of Columbus and Colliers-Vets will be played as scheduled.

### DOES NOT EXPECT TREATY WILL GET SENATE'S SUPPORT

Hon. William Sloan is Apprehensive About Salmon Fishing Protection

The Hon. William Sloan, Minister of Mines and Commissioner of Fisheries, has received a copy of the treaty signed in Washington last May by Great Britain, for Canada, and the United States for "the protection, preservation and propagation of the salmon fisheries in the waters contiguous to the United States and the Dominion of Canada."

The Other Treaty.

It will be recalled that a treaty for the protection of the salmon was originally signed in Washington, D. C., on September 2, 1899, and submitted to the United States Senate for approval, and that the President withdrew the treaty in April last, for the purpose of amending it to meet the objections raised by both Canadian and American fishermen to the provisions of Article II, that subjected them to arrest and trial by either Government for violations of the law, notwithstanding that they were fishing wholly within their native waters. Article II of the treaty as amended now reads as follows:

"The High Contracting Parties engage to put into operation and enforce by legislative and executive action, with as little delay as possible, the provisions of this convention and said regulations, and the date when the said regulations shall be put into operation shall be fixed by concurrent proclamations of the President of the United States and of the Governor-General of the Dominion of Canada in Council. Each of the High Contracting Parties may, by appropriate legislation, when and so long as the other High Contracting Parties enacts and enforces reciprocal legislation, provide for the trial, conviction, and punishment within its jurisdiction of any person found there who has contravened any of the provisions of this convention, and, or said regulations within the jurisdiction of the other High Contracting Party, and who has not been subjected to trial for such offence, resulting in conviction as aforesaid, or other judicial determination of the case, within the latter jurisdiction."

Not Altered.

The regulations attached to and made a part of the treaty have not been altered in any way, says the Provincial Commissioner, and have again been submitted to the Senate in connection with the treaty, while removing a minor objection made by Canadian and American fishermen, do not meet the principal objection raised by American fishermen, who under the proposed regulations are prohibited—and Mr. Sloan contends rightly—against the use of purse seines in American waters. In consequence the Purse-Seiners' Union expects to continue its opposition to the ratification of the treaty by the Senate.

Senator Jones, one of the two senators from the State of Washington, has publicly stated that he would oppose the treaty. Senator Pointdexter, the other senator from the State, has made no public statement of the subject but is understood to be opposed to it. Mr. Sloan points out that if both senators oppose its ratification the treaty will be rejected. Even the opposition of one of them will probably result in its rejection.

At the Annual Convention of the Canadian Fisheries Association, which the Hon. William Sloan opened at Vancouver in June, F. H. Darwin, the Commissioner of Fisheries for the State of Washington, stated that he and other authorities were opposed to the treaty. He acknowledged, however, that the salmon fisheries of the Fraser River district were in a deplorable state and that drastic action must be taken in order to prevent extermination.

Another Plan.

He stated that at the next session of the State Legislature, 1922, a concerted effort would be made to obtain the passage of an act placing the fisheries of the State under the control of a Board, with powers similar to the State Railway Commission, whereby the fishing regulations would be made by the Board, instead of the Legislature, and that if such an Act was passed an agreement with Canadian authorities to protect the salmon could be entered into without delay.

Mr. Sloan thinks it very doubtful that the United States Senate will approve of the treaty. The hope, held in some quarters, that the Washington State Legislature will enact such a measure as Commissioner Darwin advocates he considers so slim as scarcely to justify comment. If the representatives of Washington State in the Senate are sufficiently influential to shelve legislation of such vital international importance, as between the United States and Canada, how, Mr. Sloan asks, can the Washington State Legislature be expected to act differently?

Reactionary Powers.

"It was clear that effect of reactionary powers, evidenced at the Capital with unfortunate results, would be doubly felt in Washington State in regard to this question. In the meantime the extinction of the great asset which British Columbia possesses in the Fraser River salmon fishing industry is daily becoming more assured," Mr. Sloan concluded.

I. D. O. F. Installation To-night.—Victoria Lodge, No. 1, I. O. O. F., will hold their installation of officers for the ensuing year this evening. At the close a social hour will be spent, to which all members have been invited.

### BODY FLOATING STILL ON TIDE

Search Parties Discuss Ethics of Duty, While Remains Are Unclaimed

In a report to the city police last night Mr. Blazer stated that he saw a body floating in the waters of the Gorge, above the C. N. R. bridge, Selkirk water. Search parties were out this morning, but without success.

There appears to be considerable misunderstanding as to whose duty it is to secure the corpse, as the report shows that the body was floating up and down with the tide between the C. N. R. bridge, and the park.

The city police referred the matter to the Saanich and Esquimalt Police Departments, and the Provincial police state that they will lend a hand if the efforts of the others are unavailing. Meanwhile the body of the unknown is floating up and down the Arm.

### MAN PINNED BENEATH OVERTURNED TRUCK

Police Ambulance Attended Serious Accident to Wm. Thornton

William Thornton, driving one of the Reliable Messenger Trucks, had a narrow escape from death to-day, when his truck ran over a twelve foot embankment while he was in the act of cranking the engine. Thornton had stepped his truck on Douglas Street, on the hill between Boleskin and Ardenner Roads, and in starting the machine again had failed to see if the brakes were on.

When the engine fired, the truck gathered momentum, and pushed Thornton over the embankment, which at that point is about twenty feet from the roadway. The truck turned over on its side, pinning the driver beneath. He lay there for some time, but finally managed to extricate himself, just as the city police ambulance, with Sgt. Boulton and Constable Wood arrived.

Thornton was severely shaken up, but beyond having one leg slightly crushed, sustained little injury. The truck sustained little or no damage, and was taken back to town after being hauled back to the paved road.

Nanaimo—Mrs. F. R. E. DeHart, and her daughter Dianna, of Kelowna, are spending a few days with Mr. and Mrs. J. A. MacDonald, Wentworth Street.

**To Hear Mr. Fleming.**  
Cumberland—A special meeting of the Cumberland Board of Trade has been called for Tuesday evening next, in the Council Chambers, when H. S. Fleming, President of the Canadian Colliers (Dunsmuir), Limited, will address the members.

**Chief's House on Fire.**  
Cumberland—T. E. Banks, who is Fire Chief of the local fire brigade, feels that the fire which started on the roof of his house at 6:45 o'clock Thursday evening, used very poor judgment—almost as bad as picking the pocket of the Chief of Police! A spark evidently had lodged close to a chimney and ignited the shingles. The first intimation the family had of the occurrence was when the telephone operator called up Mrs. Banks and asked her if she was aware her house was on fire! Mrs. Banks did not know. The family were having supper at the time. At the same time an alarm had been sent in for the fire brigade and in a short time the brigade had manned the truck and rushed to the scene of the fire—but they were too late! Mr. Banks in the meantime had quenched the fire with the use of the garden hose.—Cumberland Islander.

**Back at Ladysmith.**  
Ladysmith—The many friends of Rev. Father McLoon were delighted to meet him when he paid a short visit to the city. The Rev. Father has fully recovered his health and for the past eighteen months has been devoting his time to theological studies.

They'll Have Shooting Yet If They Carry On

Lots of Rough Stuff Mars or Features Lacrosse Game Between Vancouver and New Westminster; Terminals Triumph By One Goal; Westminster Amateurs Win Over V. A. C.

New Westminster, July 12.—Vancouver stickhandlers have the famous Salmon-bellies on the run. They had them thus Dominion Day and again Saturday and they're out to keep them running next Saturday and on a few more Saturdays to come, they aver, following their clean-cut victory Saturday at Queen's Park, the scene of some great lacrosse in bygone days. The count was 5 to 1. Only one goal. Royal City folks will argue, but a Vancouver victory at New Westminster, any old time, is something to elate fandom.

Saturday's win was well earned. The Greenshirts, apparently beaten again, when the Royals got two in the first period, fought back gamely, had the count tied when the second period opened and outscored the champions, two to one in the final session. It was Vancouver's first victory of the season in New Westminster and their second straight in the championship race.

Lots of Hot Checking. The Royals did not go down Saturday without a fight. They handed out a lot of hard knocks and the Greenshirts handed a lot of them right back. In fact, the players tossed their clubs around in warlike fashion. Some of the checking was of the honest-to-goodness kind, stiff but fair, and some of it was deliberate, roughshot play which warrants more than a mere penalty. Players on both teams offended in this respect, and got away with a deal more than is good for the game.

Doughy Spring took a deliberate swing at Jake Davis, amidships after the latter had tossed the ball and the act escaped the referee's notice, although the Vancouver goalkeeper

SPECIAL MEETING OF B.C.A.A.U. TO-MORROW

George Warren, President of the local board of the B. C. A. A. U., has called a special emergency meeting for to-morrow night at 8 o'clock at his office, 510 Sayward Building. Urgent business is to come up for discussion, and all affiliated bodies are requested to have their delegates present.

went down for the count. Spring is too good a lacrosse player to have to make in this sort of play. McDonald and Spring started swinging sticks at one another's heads, and although they drew a penalty they started another rumpus later. George Peasey volplaned into the fracas, landing on his neck and he, too, got an enforced rest.

Poke in the Eye. Later Jack Gifford playfully injected the end of his stick into Carter's eye, and was banished. But penalties were coming thick and fast, so rapid in fact, that Referee George Matheson found it difficult to keep tab on all hands, and spectators witnessed the spectacle of managers rushing back and forth on the field.

Royal Amateurs Win. New Westminster, July 12.—New Westminster senior amateur Mann Cup contenders added another victory to their string on Saturday evening, when they downed the local V. A. C. twelve by the close score of 5 to 3. Securing a three-goal lead in the first quarter, adding another in the second, the Royal City team were in this manner able to stem off the belated rush of the V. A. C. boys in the final half, and finish two counters up. The game was fast and hotly contested, with the Westminsterers having a slight edge on the play. A big crowd attended.

Ottawa Looks Good. Ottawa, July 11.—The Ottawa lacrosse team, the Capitals, completely outclassed the Nationals of Montreal in an Eastern Canada Lacrosse Association game Saturday by a score of 12 to 2. On form the Ottawa team have, up to the present, completely outplayed all opposition in the newly organized league.

About 1,500 persons witnessed Saturday's game, which was clean throughout.

V.A.S.C. POLO TEAM WILL PLAY Y.M.C.A. The regular weekly handicap of the V. A. S. C. will be held to-morrow night at 7.30 o'clock at the Gorge. After the handicap the polo teams of the V. A. S. C. and Y. M. C. A. will meet in a friendly match.

HOW THEY LOOK TO-DAY International League

Table with 3 columns: Team, Wins, Losses. Rows: Yukima, Victoria, Vancouver, Tacoma, Spokane, Seattle.

WINS COVETED HONOR

MRS SWEENEY Winner of ladies golf championship for Pacific Northwest.

VICTORIA TAKES SIX OUT OF NINE GAMES

Trimmed Tigers Again Yesterday; Kelley Gets His Release; Zienki Going

Out of nine games played last week in Tacoma, Victoria grabbed six, while the Tigers only took three. This is a splendid average for a team playing away from home. If the Capitals can trim the Tigers so decisively on foreign grounds they ought to be just about cop all the remaining games scheduled for their home grounds.

On Saturday the Capitals lost by 11-2. Cy Young's ancient floaters once more coming to grief. Zienki went in and pitched a couple of frames. Yesterday the Capitals rapped the Tigers again, winning by 5-3. Wee Wee pitched the first eight innings. Lawson relieved him in the ninth. There was little of note in either of the week-end games.

Kelley Released. Jack Kelley, the pinch-hitter, has been given his release. With the signing of Grover Land there was no room for Kelley and he was sent on his way. Zienki will probably be handed his blue envelope this week. Cy Neighbors is hitting too fast to let Zienki get back in the game.

This week the Capitals are splitting a series with Vancouver in the two cities. To-day, to-morrow and Wednesday they perform in the Terminal and during the rest of the week they will be here.

Table with 3 columns: Team, Wins, Losses. Rows: Victoria, Tacoma, Seattle, Vancouver, Spokane, Portland.

MRS SWEENEY FINEST LADY GOLFER IN N. W.

Victorian Played Brilliant Golf at Vancouver Saturday and Won High Title

Vancouver, July 12.—Mrs. Sweeney, of Victoria, is the women's champion of the Pacific Northwest Golf Association. Miss Pheppe, Mrs. Sweeney's opponent, conceded the match on the sixteenth hole, when the score was 4 up and 2 to play, on Saturday afternoon.

A big gallery followed the match. The winner continued to display the excellent form she has shown throughout the tournament and early in the match it was seen that she would be returned the winner. Her driving throughout was magnificent and her putting about the best she has done all week. Miss Pheppe is an old tournament player, and put up a good game, but she was faced by an opponent without any apparent weaknesses, who was on top of her form.

In the women's championship Mrs. Mackenzie lost the right to compete in the semi-final when she lost to Mrs. Sweeney on the nineteenth hole. Mrs. Mackenzie played with the utmost pluck and gameness and her long game was very little, if at all, inferior to her famous opponent's.

Egan Triumphs. H. Chandler Egan, Portland, won the Pacific Northwest Amateur golf championship when he defeated Rudolph Wilhelm, Portland, by two up and one to go in a thirty-six hole match.

One of the largest galleries that has ever followed a match on local links was time and again thrilled with shots of the most spectacular order. Although Wilhelm lost, his courage and pluck were worthy of a privileged to witness what was probably the keenest battle that has ever been fought out on a local golf course. It was a case of Wilhelm's pluck and skill against Egan's mastery manipulation of golfing science that has made him twice winner of the United States National championship. On Egan's showing Saturday he is conceded to be a worthy opponent for any golfer on either continent.

At the thirty-fourth hole Egan was one up, and got on the green in two, lying about ten feet from the hole, holing out in four. Wilhelm was on the edge on the three, having lost one in the rough, and then holed out a thirty-foot putt, halving the hole.

The gallery was visibly affected by the play and expressions of appreciation swept away the barriers of restraint. On the thirty-fifth hole, with Egan one up, Wilhelm sliced his drive and played a full iron by which he got to the edge of the green; from there he had a running clip-shot to lay down a birdie. Wilhelm was a real miser by either player during the round.

FIFTH REGIMENT SHOOT The weekly spoon shoot of the Fifth Regiment took place on Saturday afternoon at the Heat's Rifle range. The weather conditions were good except at 500 yards, when the light was rather poor.

Mr. Gave won the spoon with a fine score of 97, which included a possible at 500 yards.

The scores were as follows: Mr. Gave, 97; Sgt. Hutchison, 92; Sgt. Llewellyn, 86; Lieut. de Carteret, 80; Cpl. Culross, 77; Cpl. Dunan, 75; Sgt. Stuckey, 74; E. S. M. Clarke, 72; Cpl. Winby, 67.

YARROWS AND VETS TO STAGE GAME TO-NIGHT At 8.30 o'clock to-night Yarrows and Colliers-Vets will clash at the Stadium in an amateur league fixture. These teams furnish the best battles of any of the amateurs, and the beams has swung both ways. The Vets to-night intend to take a stronger hold on the league leadership, while Yarrows are going out with their clubs to knock Dave Macfarlane's crew down a notch.

MINERS BEATS CELTICS LEAD FOOTBALL LEAGUE Vancouver, July 12.—With the big four soccer season nearing the end, Nanaimo on Saturday won their match against the Celtics by a score of one to nil.

Nanaimo has been in good form on every appearance and are leading the league with a total of 14 points out of 15 possible, they having dropped but two games to date.

WON EASILY. Calgary, Alta., July 12.—Jackson Walton, last year's city golf champion, retained the championship Saturday by defeating Sid McCullough 11 up and 10 to go.

BREAKS WORLD'S AUTO RECORD ON DIRT TRACK Edmonton, Alta., July 12.—Sig Haugah, driving a 200-horsepower Fiat, broke the world's five-mile record for a half-mile dirt track, at the automobile race Saturday, doing the distance in 5.15 1-5. The previous record of 5.25 4-5, was established at St. Louis two years ago.

The Canadian two-mile record for a half-mile track, established at Montreal two years ago, also went by the board. Haugah doing the distance in 2.09 4-5. The previous Canadian record was 2.14 4-5.

Seventy Crack Oarsmen to Compete at Shawnigan

Victoria Will Be Strongest With Twenty-two Entrants; Portland Comes Next; Special Train to Carry Hundreds From Victoria Who Wish to Witness Great Events.

Seventy of the greatest oarsmen in the Pacific Northwest will row in the N. P. A. O. regatta which is to be held at Shawnigan Lake on Friday and Saturday of this week. The J. B. A. A. will have the largest number of entries. Twenty-two of its fastest and strongest rowers will compete against the pick from the other cities. This is the largest number of entries that the Bays have ever had in an N. P. A. O. competition, and it is gratifying to Victorians to know that their premier oarsmen's club had recuperated its forces so strongly after its very active participation in the Great War.

Portland will have twenty oarsmen at the Lake and every one is of championship calibre. It is from the Hudson City crews that the Bays expect the keenest competition. All their men have had experience in N. P. A. O. regattas and have many trophies to their credit. Vancouver is sending across sixteen oarsmen and Coeur d'Alene will be represented by three men.

Interest Becoming Keen. Interest in the regatta is becoming particularly keen. Hundreds of Victorians are arranging to spend the week-end at the Lake, and many others are planning to take advantage of the special excursion which is to be run by the Bays. A special train will leave here at 1.15 o'clock on Saturday afternoon. The fare will be 75 cents return for adults, and children under twelve years half fare. In order to cater to the convenience of many parents who are taking their children along, provision has been made to have one train return at 5 o'clock in the evening. The second train will leave the Lake for Victoria on Sunday morning, and this will give the younger folks a chance to attend the dance. Shawnigan Lake has ideal picnic grounds, and this combined with the opportunity of witnessing the greatest rowing events in the history of the West, will attract large numbers. Special arrangements have been made by the Bays to provide luncheons for the visitors.

Cups at Stakes. The last N. P. A. O. regatta was held in 1914 at Portland, Ore., and the Portland Rowing Club captured five of the main honors and the J. B. A. A. took three. The cups at stake in the coming regatta are: the present holders are as follows: Senior Fours—Buchanan Perpetual Trophy and Association Cup, held by P. R. C. Junior Fours—Henry Weinhart Perpetual Trophy and Association Cup, held by J. B. A. A. Senior Doubles—P. J. Webb Perpetual Trophy and Association Cup, held by J. B. A. A. Senior Singles—Hudson's Bay Perpetual Trophy and Association Cup, held by J. B. A. A. 140-lb. Fours—John Arbutnot Perpetual Trophy, held by P. R. C. Grand Aggregate—P. M. Dewar Perpetual Trophy, held by P. R. C. Junior Doubles—Association Cup, held by P. R. C. Junior Singles—Association Cup, held by P. R. C.

Arrive on Wednesday. The Portland and Coeur d'Alene crews will arrive in Victoria on the Sol Duc on Wednesday morning, and will be taken care of by the reception committee of the Bays. On Wednesday afternoon the Vancouver oarsmen will arrive. During the day oarsmen from the four clubs will load their shells in a special car at the E. & N. depot.

The crews will leave for Shawnigan Lake on Thursday morning, and after getting their accommodation will rig their shells and do light training on the Lake.

Junior Events Friday. On Friday the junior event will be rowed and in the evening a dance will be held at the Shawnigan Lake Athletic Club on Saturday night. The races will be held. These will be supplemented by a large number of general events, which include an exhibition of surf-riding. On Saturday evening a big flannel dance will be held at the Shawnigan Lake Athletic Club.

Club. Between the dance opens on Saturday evening His Honor the Lieutenant-Governor will present the prizes to the winners of the regatta.

Great Contests Looked For. One of the prettiest contests on the Lake will be between Pfander, of Portland, and Billie Kennedy, of Victoria, in the single sculls. These two oarsmen have been keen rivals for years. In 1912 and 1913, Pfander defeated Kennedy in the singles, but in 1914, Kennedy rowed away from his rival at Portland. Pfander thinks he is still capable of taking the present-champion's sculls. Kennedy has been rowing steadily all Summer at Cortez Island and is in perfect shape. He arrived here this afternoon.

The Bays will be represented in the senior fours by the strongest crew they have had in recent years. Jack Simpson is reputed to be one of the best bow men in the West and has had much experience, having rowed since 1905. Moses at No. 2 is a new man, but impressed Coach O'Sullivan as much by his strength and fine style that he has been given a place in the boat. W. S. Day is the youngest member of the crew, but has had a great deal of experience in rowing. He was a member of the crew which ran away with the junior fours at Portland in 1914, and has competed in many other championship events. The Argonauts of Toronto, and with the Winnipeg Rowing Club. He was a member of the Winnipeg eight, which went to Henley in 1913. Last

Cheaper Than Car Fare—Quicker Than Walking

There can be no denying these advantages of owning a bicycle. This week, make up your mind to own a bicycle. See the Canadian-made "Perfect" at this store. Its price only \$65.00 cash or \$76.00 on terms of \$5.00 down and \$5.00 a month.

Got One on Saturday and Another Yesterday; Within Two of Last Year's Record

AMERICAN LEAGUE. New York, July 12.—New York made it three out of four from Detroit yesterday, winning the final game of the series 6 to 5. In the third inning Ruth made his twenty-seventh home run of the season and was passed three times intentionally. He made his twenty-sixth home run in Saturday's game.

Cleveland Going Well. Washington, July 12.—Cleveland made it five out of six from Washington by winning yesterday 4 to 0. Morton scoring his second victory of the series.

National League. Cincinnati, July 12.—Daubert's home run in the ninth inning yesterday broke a tie score and gave the Cincinnati an even break in the series with Boston. The drive sent in two runners ahead of Daubert, and all three tallies counted under the new rules. Score: Cincinnati 5, Boston 5.

Chicago, July 12.—New York defeated Chicago 3 to 2 in the final game of the series here yesterday. Score: New York 3, Chicago 2.

St. Louis, July 12.—St. Louis could do nothing with Marquard after the first inning to-day and Brooklyn won 2 to 1, the fourth victory out of five games played here.

Western Canada League. Saturday's Game. At Calgary: R. H. E. Saskatoon 1 3 1 Calgary 2 2 2 Sweeney and Wirtz; Watson and Bachant.

## GARRISON SPRINGS CRICKET SURPRISE

### Came Within Nine Runs of Beating Congos, Who Fielded Badly

(By Veritas).

The Garrison on Saturday caused considerable excitement in the Congo camp by keeping so close to their opponents that when the game terminated they were only nine runs behind. This is the narrowest win that the Congos have had this season. The Garrison batted first, and ran up 97 runs, the best partnership being that of Watson and Stein, while the highest individual score was Wyndham's 31 not out.

The fielding of the Congos was poor in the extreme. Watson was dropped twice before he had scored many runs and other batsmen also had "lives" and had the Congos lost it would have been no more than they deserved on account of their fielding. There was one notable exception and that was George Wells, who played a fine game all round, and whose consistent bowling gave him the fine analysis of eight wickets for 45 runs.

On taking their turn at the wickets the Congos started very disastrously only nine runs being registered when the third wicket fell. E. R. Lock and A. H. Adams came together and while Adams hit hard, Lock played careful cricket before being bowled by a beauty from Captain Clarke. This stand put a different complexion on the game, but the Congos were not yet out of the wood. George Wells followed up his good bowling by a well-played innings for 18 not out, and it was well for side that he did so, as he had nobody to stay with him for any length of time after Wells was dismissed.

The fielding of the Garrison team was very fine, and many runs were saved. It was a smart piece of work by Watson behind the wickets, which resulted in Gardier being stumped and Stevens dismissed. Wells with a fine catch. The Congo innings closed for 106, or just nine runs more than their opponents.

**Victoria in Form.**

At Jubilee Hospital Victoria proved much too good for the Albions, most of the Albion batsmen finding the bowling of "Giddy" Goward unplayable, with the result that he secured six wickets for 19 runs. The innings of the Albion team came to a close for 72 runs, 45 of which were scored by two men, Walton and Freeman, who made 29 and 25 respectively.

Victoria made 152 runs, no less than seven players obtaining double figures, Matson and McAdam each scoring 21 runs. E. W. Ismay with four wickets for 25 runs, and Jordan, four wickets for 30 runs, were the Albions' most successful trundlers.

At Work Point Barracks, the Five C's proved victorious over the Army and Navy team, in a match which was too one-sided to be interesting. It may be stated in extension that the Veterans were weakened by the inability of several good players to turn out on this occasion.

**DECATHLON RECORD**

New York, July 12.—A new American record for the Decathlon competition of 7,022 points was established on Saturday in the Olympic final tryout by Brutus Hamilton, of the University of Missouri. The former record of 6,858 was made by A. W. Richards, of Ogden, Utah, in San Francisco in 1915.

## JOHNSON MAKES FINE LEAP IN HIGH JUMP

### Clear Bar at 5 1/2 Feet at Scottish Sports Saturday; Small Crowd

It seems as though the day when Victorians took an interest in track athletics has passed, judging from the disappointing attendance at the Stadium on Saturday afternoon when the St. Andrew and Caledonian Societies staged a special field day. There was only a handful of spectators in the stands and the efforts of the athletes received little encouragement.

Dudley Johnson, who made quite a name for himself while attending school, cleared the bar in the high jump at 5 feet 6 inches, which is equal to that made at the Winnipeg Olympic trials. This is not to be compared with the records made across the line, but it goes to prove the contention made that Victoria has been sidetracked in the work of the Olympic representatives in picking a team. Johnson has it in him to beat the best Canadian records, but he has not been given a chance to show his ability against the rest of the Canadian jumpers.

**Hutchinson Wins Marathon.**

George Hutchinson beat Harwood in the five-mile road race by a beautiful sprint on the last lap at the Stadium. When the runners entered the Stadium Harwood was leading with Watt second and Hutchinson hanging back. On the second lap Hutchinson drew level with Harwood and passed him in a sprint.

H. A. Eckardt won the handsome cup presented by the Army and Navy Athletic Association for the best all-around athlete.

The prizes were presented at the end of the meet by D. J. Clark, head of the A. & N. Association.

The results were as follows:

Five mile race, open—1st, J. Hutchinson; 2nd, E. J. Harwood; 3rd, T. Watt; 4th, L. Everett; 5th, H. S. Halton.

Boys' race, ten and under—1st, A.

## Scott; 2nd, R. Stewart; 3rd, W. Wilson.

Girls' race, ten and under—1st, May Leitch; 2nd, Mary Buchanan; 3rd, Charlotte McIntosh.

Boys' race, fourteen and under—1st, J. Shanks; 2nd, J. D'Arcy; 3rd, J. McHardy.

Girls' race, fourteen and under—1st, May McIntosh; 2nd, May Dobie; 3rd, Winnie Durrant.

One hundred yards dash, open—1st, Brooke Vaio, time 16.93; 2nd, H. A. Eckardt; 3rd, W. Stewart.

Old men's race—1st, W. Wilson; 2nd, J. K. Lindsay; 3rd, W. Linkler.

Married ladies—1st, Mrs. Laughtland; 2nd, Mrs. Dirom; 3rd, Mrs. Minnes.

Tug-of-war—1st, Victoria Police Force; 2nd, St. Andrew's and Caledonians.

One mile bicycle race—1st, T. Peden; 2nd, C. Staple; 3rd, A. McIntyre.

220-yard dash—1st, B. Vaio; 2nd, T. Rickinson; 3rd, A. Robson.

One mile, open—1st, E. J. Harwood; 2nd, G. Hutchinson; 3rd, A. Muir; 4th, L. Everett.

Three mile cycle race—1st, McIntyre; 2nd, Peden; 3rd, Staples.

Putting the shot—1st, J. McDermid; 2nd, V. Heather; 3rd, W. C. McPhail; 4th, H. Eckardt.

Sixteen pound shot put—1st, H. A. Eckardt; 32.4 feet; 2nd, V. Heather; 31.2 feet; 3rd, W. C. McPhail, 30.1 feet.

Fifty-six pound shot—1st, J. McDermid, 31.1 feet; 2nd, J. McNeill, 18.11 feet; 3rd, V. Heather, 17.9 feet.

High jump—1st, H. D. Johnson, 5.5 feet; 2nd, McIntyre, 5.1 feet; 3rd, H. A. Eckardt, 5.1 feet.

Abstacle race—1st, Eckardt; 2nd, Allen; 3rd, Shanks.

Football, five-a-side—1st, Metropolitan; 2nd, Comrades of Great War.

Relay race—Y. M. C. A. represented by Alex. Robson, E. J. Harwood, G. Hutchinson, H. H. Eckardt, run against G. W. V. A.

Slow bicycle race—1st, A. McIntyre; 2nd, Marchbank; 3rd, C. Stupis.

Committee race—1st, James Walker; 2nd, R. Balfour; 3rd, T. Alexander.

440, open—1st, Hutchinson; 2nd, Robson; 3rd, Harwood.

Backward and forward race—1st, T. Rickinson; 2nd, N. Allen; 3rd, T. McGregor.

Best dressed Highlander—James Ross, Vancouver.

Highland fling—1st, Miss McLaughlin; 2nd, Miss Murray; 3rd, N. McHardy.

Salior's, hornpipe—1st, N. Mc-

## Hardy; 2nd, Miss McLaughlin; 3rd, Miss Murray.

Strathpeys and reels—1st, Agnes Wallace; 2nd, J. McKay; 3rd, J. Gray.

Marches, amateur—1st, Gray; 2nd, McGregor; 3rd, Ross.

Irish jig—1st, Miss Shearer; 2nd, Miss Murray; 3rd, N. McHardy.

Marches, open—1st, Miss Wallace; 2nd, Mr. Gray; 3rd, Mr. McKay.

Strathpeys and reels, amateur—1st, Gray; 2nd, Dunsmuir; 3rd, McGregor.

## SCOTTISH-CANADIAN SHOOT.

The Canadian Scottish Rifle Association held their weekly spoon shoot at Heil's range Saturday. W. H. Wood was the winner of the "A" class spoon, with a score of 91. C. Coutts took the "B" class spoon with a score of 89.

The following are the scores made in the competition:

Name	200	500	600	Yds.	Yds.	Yds.	Tl.
W. H. Wood	25	30	32	91			
H. W. Burtop	20	28	31	80			
C. Coutts	30	21	28	85			
R. G. Monteith	23	22	25	86			
F. Richardson	26	22	22	86			
H. Gould	26	20	24	84			
A. E. Ashie	30	25	27	82			
S. Henson	25	24	24	81

## RAIN PREVENTS GAMES

Eastbourne, Eng., July 12.—The tennis matches to have been played to-day by the American and French Davis Cup teams were cancelled because of rain.

As the Americans on Saturday eliminated the French team, the remaining matches will be merely in the nature of exhibition play.

## BE SUSPICIOUS OF TENDER GUMS

Be suspicious of any tenderness or bleeding of the gums. This is usually the first stage of Pyorrhea—an insidious disease of the gums that destroys the teeth and undermines bodily health.

Gradually the gums become spongy. They inflame, then shrink, thus exposing the unnameable tooth-base to the ravages of decay. Tiny openings in the gums form gateways for disease germs to enter the system. Medical science has traced many ills to these infecting germs in the gums weakened by Pyorrhea.

They are now known to be a frequent cause of indigestion, anaemia, rheumatism and other serious conditions.

So watch carefully for that first tenderness or bleeding of the gums. Try Forhan's immediately. It positively prevents Pyorrhea (Riggs' Disease) if used in time and used consistently.

And in preventing Pyorrhea—it guards against other ills.

Forhan's (For the Gums) cleans teeth scientifically as well. Brush your teeth with it. It keeps the teeth white and clean.

If gum-shrinkage has already set in, start using Forhan's and consult a dentist immediately for special treatment.

35c and 60c tubes in Canada and U. S. If your druggist cannot supply you, send price to us direct and we will mail tube postpaid.

FORHAN'S, LTD., Montreal

REALISTIC WRECK  
IN FARNUM FEATURE

Film Is Based on Louis  
Tracy's Novel; at Royal  
Victoria

William Farnum will be seen in his newest William Fox photodrama, "Wings of the Morning," at the Royal Victoria Theatre, commencing to-day. The story is a dramatization of the novel of the same name by Louis Tracy.

One of the greatest scenes in this drama of the sea is a shipwreck—one of the most realistic incidents, it is said, ever photographed for a motion picture. The many perils and adventures that Mr. Farnum, as the hero, has to undergo, coupled with a delightful love story, bid fair to give the admirers of this screen star a great evening's entertainment.

A huge floating set, the facsimile of an ocean liner, was built by the technical department of the William Fox studios at Balboa, California, to be used in one of the thrilling scenes in the newest William Farnum super-

### TO-DAY'S AMUSEMENTS

Royal Victoria—"Wings of the Morning."  
Pantages—"The Woman Game."  
Dominion—"Mary's Ankle."  
Variety—"Girl of the Sea."  
Columbia—"The Peddler of Lies."

production, "Wings of the Morning," directed by J. Gordon Edwards.

This, the largest floating set ever built, was 110 feet long, 44 feet beam, 52 feet from the top of the smoke stack to the water, and cost \$30,000 to build. The ship was constructed on a huge barge and arranged in such a way as to slip easily from the barge into the sea.

For many weeks a large force of artisans was engaged in erecting this costly set. On the day the great shipwreck scene was to be filmed, every precaution had been taken by Director Edwards to guard against injuring his star, Mr. Farnum, and hundreds of men and women who figured in the scene when the ship was lifted on a huge wave and smashed against the rocky shore. A corps of life-savers was distributed at every vantage point and swift launches and tugs were in readiness to rush to the rescue of any person in trouble. Although a powerful swimmer, Mr. Farnum, unknown to him, was constantly watched by two expert life-savers who had orders not to let the star out of sight from the time the boat hit the jutting rocks until he was washed up on the beach.

The destruction of this ship was one of the most spectacular incidents ever filmed for the edification of a motion picture audience, and it was also the first time that lifeboats filled with men, women and children were tipped and dung into the waves to give an added touch of realism to so wonderfully dramatic a scene.

### FOLLOWS THEME OF POPULAR STORY

Columbia Presents "The Peddler of Lies," From Well-known Magazine

"The Peddler of Lies," Universal's latest photoplay, will have its first showing at the Columbia Theatre to-night. The audience will find much to amuse and interest them in this unusual offering.

Special interest is attached to this production because it recently was published as "The Peddler," in The Saturday Evening Post. Many screen patrons already have visualized the various character and incidents and the credit of Universal it must be said that the audience will not be disappointed. H. Tipton Steck, who wrote the scenario, followed the original story very closely, and William C. Dowlan, who directed it, retained all the atmosphere and mystery of the printed novel.

In the role of Clamp, the peddler, Frank Mayo gave a clean cut characterization, carrying out the illusion of the itinerant merchant with quaint and jovial humor. Ora Carew, as Diana Kirkland, who first patronizes Clamp, then likes him, then despises him and finally loves him, shared stellar honors with Mayo.

Many beautiful exterior scenes are shown on a local screen in "The Peddler of Lies." They were taken at a wealthy seaside colony.

### WOMAN USES MAN'S BUSINESS SYSTEM

Maintains She Has Equal Right to use of Shrewd Tactics in Matrimony

That matrimony is "the woman game" in the same sense that business is "the man game," and that a woman may use any weapon in her power to obtain her objective the same as a man operating in Wall Street and carrying on any sort of business is the theme in "The Woman Game," the latest Selznick picture-play, starring beautiful Elaine Hammerstein, which is playing at the Pantages Theatre to-day and Tuesday. This is a novel theme and has been handled in a most unusual way, making a photo-drama filled with highly dramatic moments and much real heart interest.

Elaine Hammerstein is seen in the role of an impoverished society beauty, who seeks to make a good marriage because of the lameness of her mother who impresses upon the girl that this is her duty.

The story is based upon the idea that it is no more than fair that a woman should be entitled to pursue the same tactics in her business in life—which is the matrimonial game—as the man does in his.

The authors, Leighton Osmun and Frank Dazey, have brought out every possible angle to the situation. As Amy, Miss Hammerstein is splendid. She is surrounded by a capable cast and the entire production is another big success for Selznick's studios. The wealth of detail noticeable in all Selznick's pictures is present and the usual wonderful interior scenes are much in evidence.

## "Wings of the Morning"

A SCREEN CREATION FROM THE FAMOUS NOVEL BY LOUIS TRACY

A sea story that for dramatic suspense, hair-raising battles with the angry sea, a man's determination to cheat the ocean of its prey, and a love story of intense human interest and heart appeal, seldom has been equalled.

Interwoven throughout this appealing story are some of the most masterful scenic and technical effects ever flashed on a screen.

### MISS PAGE AS

### IRISH COLLEEN

Princess Will Present This Week "My Irish Cinderella"

One of the most beautiful plays of the year, "My Irish Cinderella," will be seen at the Princess Theatre, commencing next Wednesday evening for the remainder of the week, with a Saturday matinee.

### GORGE PARK BOATHOUSE

ERIC HAMILTON, Prop.  
Finest Stock of Rental

Rowing Skiffs on the Coast  
RATES REASONABLE  
We Have Several Splendid Motor Canoes for Sale

Mildred Page will play the title role of Paddy, and as the big crowds who attended all Irish plays during former engagements in this city demonstrated that Victorians love an "Irish Colleen," "Paddy" is sure to receive a warm welcome.

This play comes recommended as one of the finest of all Irish comedy dramas. A special programme of Irish melodies is being arranged for this sweet play, and "Irish atmosphere" will permeate throughout the entire performance. The lady members of the company will be seen in pretty gowns, and all the players will be seen at their best, as there is a splendid part for each one.

Miss Birkley, as the fortune-hunting widow, will be seen to great advantage. Miss Nina Guilbert, who has made so many friends during her brief stay, will again delight them in one of her breezy ingenuo characterizations. Mr. Tom Sullivan has in the role of Lord Sutton, a part particularly well suited to him.

Mr. George Cleveland, as the lovable old vicar, is preparing a character study which will add to the laurels he won as the bishop in "Nothing but the Truth."

### MISS COOPER IN NEW GINGHAM ROLE

Miriam Cooper, whose sly-eyed loveliness adorned R. A. Walsh's "The Deep Purple," will play an important role in the producer's next

**NEW PICTURE WITH  
YOUNG INCE STARS**

May Tully Stage Farce Said  
to Provide Excellent Vehicle  
at Dominion

May Tully's well known stage farce, "Mary's Ankle," has been adapted into what is claimed to be a hilariously funny Thomas H. Ince motion picture and will be shown all week at the Dominion Theatre with Douglas MacLean and Doris May as the co-stars. These young people for themselves already made a name for themselves in "Twenty-Three and a Half Hours' Leave," said by many to be the best comedy picture of the season.

"Mary's Ankle" is about a doctor without funds and patients who was persuaded by friends to announce his marriage in order to collect a fortune from a rich uncle. When the uncle announces his coming, the youth is unable to produce the bride. But fate causes a pretty girl to sprain her ankle in front of his office, and then the fun commences. Mr. Maclean and Miss May are

noted for the youth and vivacity that they inject into their work, and "Mary's Ankle" is said to provide an excellent vehicle. Victor Potel, Neal Burns, James Gordon, Lizette Thorne and Ida Lewis are included in the supporting cast. Lloyd Ingraham directed the picture, which is a Paramount Artercraft, and Luther B. Reed furnished the scenario.

**FIGHT BETWEEN  
DIVER AND OCTOPUS**

Terror of the Seas is Depicted in Variety Film

George Noble, famous marine expert, believes that octopuses or cuttlefish destroyed the United States naval collier Cyclops that sailed away from the West Indies on March 2, 1915, with 295 men, whose fate has remained an utter mystery ever since. He points out that these octopuses have committed similar depredations in the region where the Cyclops was lost.

"Denys de Montfort, the French writer," Noble says, "declared that

Polks all grow up—but they do not all grow straight. The boy Amy Terrell thought she liked well enough to marry was not the man she thought he was when the time came. It is all in "The Woman Game," the feature attraction for the Pantages screen to-day and Tuesday only.

SIX men-of-war, captured from the French by Admiral Rodney in the West Indies April 12, 1812, together with four British ships, were suddenly engulfed by colossal octopuses. He also records a statement of Jean Magnus Deus, a trader to China, of an instance when the captain was becalmed while crossing from St. Helena to Cape Negro.

The story runs that three men were standing on planks slung over the side when an enormous cuttlefish rose from the water and threw one of its arms around two of the sailors whom it tore away with the scaffolding on which they stood. With another arm it seized the third man, who held on tightly to the rigging and screamed for help. His shipmates ran to his assistance and succeeded in rescuing him by cutting away the creature's arms with axes and knives, but he died delirious on the following night.

The captain tried to save the other two sailors by killing the animal, and drove several harpoons into it, but they broke away and the men were carried down by the monster. The arm cut off was said to have been twenty-five feet long and to have had on it suckers as big as saucapan lids.

One of the exciting features of "Girl of the Sea," on the screen at the Variety Theatre this week, is a fight between an octopus and a diver. It was photographed by J. E. Williamson, of the Submarine Film Corporation.

**"TRUMPET ISLAND."**

Tom Terriss, who recently completed "Trumpet Island," the Vitagraph special production based on the story by Gouverneur Morris, soon will begin another special production with an all-star cast. It is "Dead Men Tell No Tales," by E. W. Hornung, author of "Raffles" and other successful stories.

**VARIETY** ALL THIS WEEK  
The Submarine Film Corporation Presents Something Different

**"GIRL OF THE SEA"**

*Williamson at His Best*

That's what you will find in "GIRL OF THE SEA"—and that's going some! That means the screen novelty of the season.

J. E. Williamson's previous pictures have been but tests and tryouts when compared with this production. Practice makes perfect—"GIRL OF THE SEA" proves it.

"20,000 Leagues Under the Sea" and "The Submarine Eye" were pictures out of the ordinary—but in this production Williamson, the master genius, has surpassed everything that he has ever done before.

**No Woman Should Deny Herself Good-Looking Teeth**

It is unwise and unnecessary, for under modern conditions the care of one's teeth is quite an inexpensive matter.

Aside from the question of looks, sound teeth are necessary in order to insure perfect health. Decayed, unsightly teeth are a menace to the whole system, for they can poison every particle of food taken.

If YOUR teeth have been neglected, come and have a talk with me this week. You will not regret it.

**Dr. Albert R. Clarke**  
Office in Reynolds Building, Corner Yates and Douglas Streets—Phone 802—Residence 581R

**FIFTEEN CARS A DAY**

Motor Tourists Are Now Streaming Through Victoria Up the Island.

Fifteen automobile touring parties are now passing through Victoria on their way up the Island every day, according to figures given out by Charles L. Harris, secretary of the Island Automobile Association. Most of the parties are American.

Fear of a gasoline famine in British Columbia has now been dispelled. People from districts in Washington and Oregon short of

gasoline feared to cross here for a few weeks. But the fact that this Province has an ample gasoline supply for this summer has been advertised to newspapers down the coast by telegrams from Mr. Harris. These messages are having their effect.

Copies of British Columbia's speed regulations are being issued to all visitors. These point out that the speed limit in cities, settlements and wooded country is fifteen miles an hour, and in open country it is thirty miles an hour.

A woman never reads the story until after she has read the type.

**PAULIST CHOIR TO GIVE BIG PROGRAMME**

Wonderful Aggregate to Sing at Willows Arena on Thursday

The seat plan for the recital to be given by the Paulist Choir at the Arena on Thursday evening opened at the Arena Company's office, 1210 Douglas Street, this morning with a big rush of applications for seats. Together with the applications for reservations have come many requests for special numbers to be sung by the choirsters, sent in by Victorians who were so fortunate as to have heard this wonderful choir on the occasion of its previous visit here. The complete programme follows:

Introductory Note:  
Emitta, Spiritum Tuum..... Schuetky

Part I.  
Sacred Music (Medieval).  
1. Kyrie... Palestrina-Roman School  
2. Gloria in Excelsis.....  
3. Palestrina-Roman School  
4. Vere Langue..... Antonia Lotti  
5. Alla Trinita..... Tommaso Vittoria  
6. Ancient Italian Melody

Part II.  
Sacred Music (More Modern).  
1. Tota Pulchra Ex Maria.....  
2. Ave Maria Stella..... Grieg  
3. The Day of Judgment.....  
4. Light Divine..... Kastalsky  
5. Sing Ye to the Lord (Fugue)..... Bach  
6. Christ in Flanders, Ward Stephens

Part III.  
Secular Music.  
1. Down St. Peter's Road.....  
2. Russian Folk Song (Arranged by Kurt Schindler). Soloists: Mr. Finnegan, and Masters Thos Coates and Billy Master Thomas Coates and Billy Probat.  
3. The Queen of April (Quartette)..... Old French Folk Song (Arranged by Kurt Schindler).  
4. Selected..... Tenor Aris Mr. John Finnegan.  
5. Duet from Mde Butterfly..... Puccini  
6. Kolyada (Russian Carol)..... Rimsky-Korsakoff (Arranged by Kurt Schindler). "God Save the King."

**AUSTRALIAN ABORIGINE WHO STUDIES SCIENCE AND LOVES MUSIC**

"Perhaps the cleverest and most intellectual aborigine in Australia is David, Unalpon, a member of the Nanyeri tribe, who was brought up at the Point Macleay Mission Station, in Southern Australia. Unalpon, who is a full-blooded blackfellow, is a man of superior attainments—a philosopher, inventor, and musician—who devotes his spare time to a study of evolution. He has developed a remarkable mechanical bent, and has invented an improved mechanical motion device, which gives a lateral or parallel motion, or curvilinear motion, as a patent agent has described it. The invention has been highly spoken of by mechanical experts. Unalpon is a man of many parts. Complex problems that have claimed his attention are the polarization of light and the concentration of light at a given point. He believes it to be possible to hurl electricity, like Nature does, for instance, in the shape of lightning. Then he is a musician of no mean ability, and may be frequently heard on the organ, interpreting some of Mendelssohn's masterpieces with a finish envied by many another player. He is a student of Newton, Huxley, Darwin, Wallace, Drummond, and other evolutionists and philosophers, and is a perfect, and his reasoning sound and logical."—Sydney Mail.

**ALLAYING HIS FEARS**

Mrs. Goodie—My husband always says a short prayer before each meal.

New Cook—Shure, there's no nade of 'him doin' that while O'm here. O'm no cooking school graduate.—Boston Transcript.

**It's a Long Jump**

from the woman who stood by the river beating the clothes on a stone to the modern complicated laundry.

By the former method clothes were washed, but by the latter they are both washed and sterilized—a most important matter to-day.

**Corsets of Comfort**  
At Popular Prices

To be correctly, yet comfortably corseted during warm weather is the problem of the moment. It is not necessary to hold a figure in close restraint in order to secure perfection of line, as it is the construction of the corset—not the boning—which produces this effect, without confining the body, if the construction is correct. Our Summer corsets are so constructed as to provide the right foundation for the Summer frock.

- AT \$2.50**—Corsets to fit the slender and average figures; made of pink and white coutil; medium and low bust styles; sizes 21 to 30.
- AT \$3.25**—P.C. Corsets, suitable for the stout figure, medium bust, full skirt, and well boned. Sizes 23 to 30.
- AT \$3.50**—D & A Maternity Corset, made of strong white coutil, with two adjustable lacings at each side. Sizes 23 to 30.
- AT \$4.50**—D & A Mari-mola Belt Corset, suitable for the average to stout figures. Medium bust; full skirt and abdominal support. Sizes 23 to 36.
- AT \$5.50**—La Diva Corsets, to fit the average to stout figures, made with graduated front clasp; well boned and wide elastic inset over hips. Sizes 25 to 36.
- AT \$2.50**—D & A Nursing Corset, made of white coutil with adjustable clasp at bust; well boned; sizes 21 to 28.
- AT \$2.50**—Pink Bandeaux, made of super-quality wash satin, with ribbon straps; front fastenings.
- 75c to 95c**—Bandeaus, made of pink repp and cotton, with elastic inset at back and under arms. Sizes 34 to 42.
- 85c to 95c**—Good fitting Brassieres, made of strong cotton, reinforced; trimmed with lace and embroidery. Front and back fastening. Sizes 36 to 44.
- AT \$1.25**—Brassieres made of strong cotton, with heavy adjustable lacing at sides, under arms; trimmed with embroidery. Front fastening. Sizes 36 to 44.
