The freight statistics (Table B) shows a decrease in tonnage of 716,933 tons, or 7.8 per cent.

The average rate per ton per mile is exactly one mill more than in 1882, so that notwithstanding the decrease in tonnage, the freight earnings show an increase of \$457,517, or 3.8 per cent.

The earnings of passenger trains, from passengers, mails and express, were

In 1882	\$ 6,008,370.
In 1883	5,784,127.
Decrease	\$ 224,243.

being 3.7 per cent.

OPERATING EXPENSES.

There were laid in the track in 1883 11,004 tons (107.73 miles) steel rails, and 773,157 (276 miles) cross ties. The cost of these, together with all other expenditures necessary to the maintenance and improvement of the plant, were charged to operating expenses, yet the per cent. of operating expenses in 1883, including all taxes, was 59.43 as against 60.67 in 1882 and 62.76 in 1881.

A noteworthy expenditure in 1883 was the cost of a coating of lake gravel upon the road between Cleveland and Erie, which has effectually abated the dust nuisance hitherto so annoying.

CLASSIFICATION OF DIRECTORS.

At the last annual meeting of stockholders, May 2d, 1883, a resolution was adopted, classifying the board of directors as follows :

Five directors, term to expire May, 1886.

Four directors, term to expire May, 1885.

Four directors, term to expire May, 1884.

In accordance with this resolution, at the annual meeting of stockholders, May 7, 1884, an election will be held for four directors in place of those whose term expires, and one to fill the vacancy caused by the death of Augustus Schell, who was in the three years class.

JOHN NEWELL,
President.

W. K. VANDERBILT,
Chairman.

CLEVELAND, MAY, 1884.

AUGUSTUS SCHELL.

DIED—March 27th, 1884, Augustus Schell, an active Director of this Company, and for thirteen years its Vice President.

Although this sad event occurred after the close of the year for which this report is made, it is, nevertheless, deemed appropriate to insert in this report the following record adopted by this Company jointly with three others with which Mr. Schell was prominently connected :

At a special meeting of the Boards of Directors of the New York Central and Hudson River Railroad Company, the Lake Shore and Michigan Southern Railway Company, the Michigan Central Railroad Company and the New York and Harlem Railroad Company, jointly assembled at the Grand Central Depot on the 28th day of March, 1884, the death of the Hon. Augustus Schell was announced as having occurred on the 27th day of March, instant, whereupon it was resolved that the following minutes be entered at length upon the Records of each corporation :

Augustus Schell, who died in New York City on the 27th instant, was born at Rhinebeck, Dutchess County, August 1, 1812. He was graduated with high honors from Union College, and adopted the profession of the law. An able and upright counsel, he soon entered upon a large and successful practice. Always deeply interested in public affairs, he has been for forty years one of the controlling minds of his party, and in positions of great power, responsibility and trust. By wise and patriotic administration he strengthened the confidence of his friends, and received the official approval of his political enemies. Modest and unobtrusive in his charities, his election as Trustee and President of many of our most beneficent institutions and his continuance in such trusts for over a third of a century are enduring testimonials to the benevolent work of his life. In 1862 Mr. Schell entered upon his railway career as a Director of the Harlem Railroad Company. The railway development of the country was then comparatively in its infancy, but he foresaw the future and embarked his fortune in and gave his time and mind to these great enterprises. In the most important part of this work during these eventful twenty-five years he has been an important factor.

His clear judgment, unswerving fidelity and ever hopeful temper were the help and reliance of his associates during the whole of this long period. He possessed in the highest degree these rare qualities of common sense and unerring discernment which made him invaluable as an adviser and makes his loss irreparable. His firmness and fixedness of purpose in sustaining his principles in prosperity and adversity, in prosecuting what his judgment approved, regardless of defeats or discouragements, were only equalled by his devotion to his friends. As directors we lament [the death of one whose mind and integrity peculiarly fitted him to be the manager and custodian of great interests. Years of association and intimacy deepened our respect and increased our friendship for him, and each of us in his own way was bound to him by a thousand tender ties.

Mrs. Schell and the family have in this sad bereavement our profoundest sympathy.

Resolved, That a copy of this Record be sent to Mrs. Schell.

E. D. WORCESTER, *Secretary*.
