Dear Sir,

With further reference to the case of the "IXIA", (ex "HAGEN"), we have seen the boilers, which are in good order, and are generally similar to those of the s.s. "BOCHUM", whose plans were sent to us for reference.

We propose in this case to waive having a hydraulic test on the boilers, and shall be glad to hear that this will be in order.

We are, Dear Sir,

Yours faithfully,

The Surveyors,
