Revised Def. Doc. No. 602-A-2

Exhibit No. _____

EXCERPT from INTERROGATION of HASHIMOTO, Kingoro

17 January 1946

A..... I was in a fog at about 4,000 meters and I shot at the ships not knowing one was the British gunboat; I stopped when I knew its identity.

Q. What did you think the identity of the ships was when you fired?

A. I believed them to be Yangtze River ferries the Chinese were using for ferrying troops....
