TOYUSHIMA PREFECTURE ADMINISTRATIVE REVIEW

Date Sept. 19, 1949 Visited Mikita Town Office District Kaifu District
 By Takahashi Official interviewed Mr. A. Nada
 Met with:

1. No. of cases receiving public assistance 93
 2. Intake and closing during past month

Type of Assistance	Applications Received	Applications Rejected	Applications Approved	Aid Dis-continued	Present case
Living Expense	1	0	1	3	93
Medical Aid	5	0	5	3	12 (11 cases are receiving liv-
Birth Aid	0	0	0	0	ing aid)
Funeral Aid	0	0	0	0	
Occupational Aid	0	0	0	0	
Total	6	0	6	6	93

3. Number of Minsei-iin: Men 9 Women 2
 4. Number of appeals during past two calendar months 0
 5. Number of appeals resulting in case openings 0
 a. Appeal procedure:

6. No. of cases reviewed by Minsei-iin or P.W. Official during the past month:
 All cases by Minsei-iin, but records of visiting are kept by each Minsei-iin, but not in the BY type office.
 All cases were visited by the official in Sept., but no cases in Aug.
 7. Number visits properly recorded during past 30 days No visits were recorded.
 Number cases in such poor condition no review possible None
 8. Number of cases properly budgeted according to latest family budget 93
 Over-budgeted Under-budgeted
 Why? Explain: The records were made following the Hatsu-Sha 120, and the 10th revision has not yet been completed.
 9. Are case records kept confidential Yes.

10. Number of reviewed cases visited by M.G. investigator 15 cases!
 11. Number of cases that agree with records and visits 1 cases.
 12. Publicity and understanding of Daily Life Security Law by public.
 The townspeople are informed about the Law at various meetings in the town. Minsei-iin make efforts to let the poor people understand the Law.
 13. How long does it takes to receive public assistance after they have applied for it? Less than half a month.
 What action being taken during the meantime?
 Only in urgent cases, especially in medical aids, assistances are given immediately.
 14. If a case is closed and needs to be opened, how is this done? Former record is used again if it is available, and handled as an ordinary case.
 15. Are cases closed properly, with explanatory remarks as to why the case is closed? If not, why? Yes. Detailed explanation is given by Minsei-iin, and, on the other hand, written notification is sent from the office.

16. Community data a. Total population 6,019 b. Total families 1,330
 c. Total families receiving assistance 93
 d. Percent of families receiving assistance 7%
 e. Average welfare payments ¥270 f. Relation to prefecture average welfare payments ¥63 less
 g. For last fiscal year, amount of money appropriated for public assistance ¥ 1,681,000.00
 h. Amount of money spent for public assistance ¥ 1,106,763.40

17. Are budgets submitted to prefectural fiscal section? They are submitted to the district office.
 Is money received monthly or regularly?
 The national subsidy and the prefectural one are coming smoothly.

18. Staff set-up: Assistances are given on 10th of every month.

Title	Background	Duties	Efficiency
Clerk.	40 years old. Working in the public welfare section 3 years & 4 months. He was formerly chief of the public health sec.	Public Welfare	Though he was only graduated from a senior primary school, he seems to be pretty efficient.

- Yes. (In the early part of every month)
19. Is there regular Minsei-iiin's meeting held in the community?
 a. Topic of discussion at last minsei-iiin meeting and next meeting.
 * See the margin.
 b. Have they any training program for the Minsei-iiin?
 They are trained at the monthly meeting, but they have no other plan.
20. Minsei-iiin:
 Impressions and comments on age, ability, interest, attendance at meetings, attitudes: The age of Minsei-iiin averages around 56. One or two Minsei-iiin are absent from the regular meeting having unavoidable reasons. The official states that all of them are earnestly fulfilling their duties with much interest.
 Explain Kodomo Minsei-iiin's activities:
 * See the margin.
- There are 60 Kodomo Minsei-iiin covered by 5 schools in the town.
21. Is there any disaster relief plan and disaster relief squad organized in the community? They have only rough plan for disaster plan, but not detailed activity plan. The official states that the squad is actually functioning in case of disaster.
22. Special problem handling: Relatives, bank accounts, occupational, housing problem, homeless persons, etc.
 A Korean went back to his country leaving his Japanese wife and three children. They are now receiving public assistance.
 No other special problem handling.
23. Important Community Data: Economics, etc.
 This town is a fishing community; about 80 families are engaged in fishing. 350 men went of 1330 families were killed in the front.
24. Additional Data: a. Use of Local Public employment Security Office Used?
 b. Periodic reporting Number of unemployed is sometimes
 c. Refused employment None. d. Percent securing jobs through reports
 Local Labor Exchange? Very few. e. Use of Social Insurance?
 Not enforced. The official have a desire to open it next spring.
 A public hearing is scheduled in near future.
25. Misc.
 There is a work shop which is now suspended owing to the material shortage. It will be reopened next January. There are three day-nursery attached to elementary schools.
 All members of the Mothers' Club, about 300, are also members of the Women's Association. No foster parents in the town.
26. ~~RECOMMENDATIONS:~~
 x. * 19. a. Topics of discussion at minsei-iiin meeting in Aug.
 1. About the 10th revision which is going to be enforced recently (HatsuSha 49).
 2. About unemployed children who were graduated from junior high school last spring.
 3. About inspection of poor mother & child.
 4. Discussion on distribution of relief funds for disaster.
 5. Inspection on Minsei-iiin's opinion for P.W. wrk.
 19. b. Topics of discussion at minsei-iiin meeting in Sept.
 1. About the aid for the recent repatriates.
 2. About the plan for the next Community Chest Campaign.
 3. About the reinvestigation on relief recipients this year (All over from Sept. 12 to 17)
- * Kodomo Minsei-iiin's activities:
 1. Taking care for lower class students in case of disaster.
 2. Establishing sign-posts.
 3. Prevention of drowning at swimming place.
 4. Athletic tournament (in Oct.)
 5. Night watch. (from December to February)
 6. Thanksgiving festival (in March)
 7. Helping farmers.
 8. Road cleaning.

Recommendations: The records are in not so poor shape, but there are some points which have not correctly followed the Hatsu-Sha 49.

Resources plus aid	1,630	630	Explain differences between (3) and (4). The record was made for the family of 3 persons. (Before the son had been repatriated) It was not correctly followed the and resources plus assistances. Hatsusha 49.			
Difference between recorded requirements	Total column (1) ¥1,630		Total column (4) ¥1,690			
Greater by			Greater by ¥ 60			

Why is this a public assistance case? Explain.
 Although the son has been repatriated at the end of August this year, he is not healthy enough to support the family. He is suffering from the alimentary disorder.
 Special problems.
 They have an agricultural land of about 230 squar yards, from where they get some vegetables.

Attitude of Minsei-iin, officials: Good.
 Frequency of visits: Sometimes.
 Regularity of assistance grants: Regular.
 Other comments: This case is going to be discussed at the next Minsei-iin meeting as the sn has already repatriated. The official
 Remarks and Evaluation: is on the opinion that more aid should be given until the repatriated son will begin to work, and that a medical aid should be given. He is a ship carpenter, and his income will be large enough when he get the job.

Medical Aid	1	0	1	0	3
Birth Aid	1	0	1	0	1
Funeral Aid	0	0	0	0	0
Occupational Aid	0	0	0	0	0
Total	2	0	2	1	25

3. Number of Minsei-in: Men 11 Women 1
 4. Number of appeals during past two calendar months None
 5. Number of appeals resulting in case openings None
 a. Appeal procedure: writing application is offered to village head-man
 6. No. of cases reviewed by Minsei-in or P.W. Official during the past month: None case by P.W. chief
 By type _____
 7. Number visits properly recorded during past 30 days None
 Number cases in such poor condition no review possible None
 8. Number of cases properly budgeted according to latest family budget
3 Over-budgeted 0 Under-budgeted 18
 Why? Explain: _____

9. Are case records kept confidential? Yes, they are all kept confidential.
 10. Number of reviewed cases visited by M.G. investigator 11 cases
 11. Number of cases that agree with records and visits 2 cases
 12. Publicity and understanding of Daily Life Security Law by public.
No special publicity has been taken since April.

13. How long does it take to receive public assistance after they have applied for it? The number of days differs according to applied date.
 That action being taken during the meantime? Minsei-in inspect applicant at the first place. Also P.W. chief visits the case and close inspection is taken again. Afterwards the case is discussed at monthly meeting.
 14. If a case is closed and needs to be opened again, how is this done? An application is offered to village head-man through Minsei-in and P.W. section.
 15. Are cases closed properly, with explanatory remarks as to why the case is closed? If not, why? Yes, Minsei-in explains the reason one month in advance. Afterwards writing information is sent to recipient from P.W. section.

16. Community data a. Total population 3,735 as of August Total families _____
 b. Total families receiving assistance 21 cases
 c. Percent of families receiving assistance 3 percent
 d. Average welfare payments 152 yen per person per month Relation to prefecture _____
 e. Average welfare payments 181 yen less than For last fiscal year Amount _____
 of money appropriated for public assistance ¥ 189,201
 h. Amount of money spent for public assistance ¥ 291,757

17. Are budgets submitted to prefectural fiscal section?
P.W. chief does not know particularly because she had ^{got} this work Is money received monthly or regularly? in April of this year.
Yes, regularly, every three month.

18. Staff set-up:

Title	Background	Duties	Efficiency
<u>Clerk</u>	<u>Graduated from girls' commercial high school at Kobe. About 5 months in P.W. section.</u>	<u>Public Welfare, Public Health</u>	<u>She has been not familiar but she is earnest and has ability.</u>

19. Is there regular Minsei-iin's meeting held in the community? *Yes, monthly, once a month*
 a. Topic of discussion at last minsei-iin meeting and next meeting. *9/20 (1) About wide-survey of this area autumn. (2) Explanation C.W.A. (3) About community chest. next meeting.*
 b. Have they any training program for the Minsei-iin? *No special program at village office.*
20. Minsei-iin: *Such training is taken by district office.* (1) Discussion of the Impressions and comments on age, ability, interest, attendance at meetings, *amount of aid.* attitudes: *The average age of minsei-iin is around 45 years old. The percentage at meeting is 90 percent. All minsei-iin have ability and interest in social work and they are all earnest, Explain Kodomo Marsu-iin's activities. P.W. chief said. At present they have no special activity.*
21. Is there any disaster relief plan and disaster relief squad organized in the community? *Yes, the squad has been organized. Disaster relief plan for this year has been not made as yet.*
22. Special problem handling: Relatives, bank accounts, occupational, housing problem, homeless persons, etc.
There is no special problem at present.
23. Important Community Data: Economics, etc.
This village is agricultural community and the economics is lower than other town and village in this district.
24. Additional Data: a. Use of Local Public Employment Security Office Yes, Use
 b. Periodic reporting As occasion arises
 c. Refused employment Yes
 d. Percent securing jobs through Local Labor Exchange? No
 e. Use of Social Insurance? Not used.
25. Mis.
Mother's club has been organized. There are no welfare institution and foster-parents in this village.
26. Recommendations:
 a. *Although the case record on 9th revision was made by former P.W. chief in April, there are no record of determination by*
 b. *minsei-iin and village head-man.*
 c. *New record on 10th revision is making now by present P.W. chief.*
The amount of assistance in this village are generally low.

Living aid	500	500			
Resources plus aid	2900	2900			

Explain differences between (3) and (4).

she has about 5 ta field and staple foods and some of other foods are supplied by themselves and resources plus assistances.

Difference between recorded requirements
 Total column (1) 2900
 Greater by _____

Total column (4) 3262.24
 Greater by 562.24

Why is this a public assistance case?

Explain.

The family owns five tan of rice and wheat farm but the householder is not able to work for she is blind in one eye and moreover rheumatic. Her first son (age 19) and first daughter (age 16) are working on farms of labor. Therefore they have to hire paid labors. Thus it become difficult for them to sufficient cost of living.

Attitude of Minsei-in, officials:

Frequency of visits: once a month good
 Regularity of assistance grants: yes
 Other comments: monthly

Remarks and Evaluation:

 Greater by 1,114 Greater by 1,114
 Why is this a public assistance case? Explain.

Her husband is suffering from tuberculosis and in bed for 11 years. Her son is weak, too. Tomiko farms her own rice field so she can't earn so much money, although she works as a day-labour sometimes. The family's monthly requirements are not covered by her income and daughter's income.

Attitude of Minsei-in, officials: kind.
 Frequency of visits: The minsei-in has not visited as yet because he has become minsei-in in this month. Today is his first visit.
 Regularity of assistance grants: yes, monthly.
 Other comments:

Remarks and Evaluation: Sometimes this family does not receive ration foods because he has some rice field and there is no need to buy vegetables. So they can live on their income and small aid.

 Met with: and Marikawa

1. No. of cases receiving public assistance 61 cases (living aid) + cases (medical aid)
 2. Intake and closing during past month

Type of Assistance	Applications Received	Applications Rejected	Applications Approved	Aid Dis-continued	Present case
Living Expense	<u>2</u>	<u>0</u>	<u>2</u>	<u>1</u>	<u>61</u>
Medical Aid	<u>2</u>	<u>0</u>	<u>1</u>	<u>0</u>	<u>5</u>
Birth Aid	<u>0</u>	<u>0</u>	<u>0</u>	<u>0</u>	<u>0</u>
Funeral Aid	<u>1</u>	<u>0</u>	<u>1</u>	<u>0</u>	<u>1</u>
Occupational Aid	<u>0</u>	<u>0</u>	<u>0</u>	<u>0</u>	<u>0</u>
Total	<u>5</u>	<u>0</u>	<u>4</u>	<u>1</u>	<u>67</u>

3. Number of minsei-in: Men 8 Women 2
 4. Number of appeals during past two calendar months one
 5. Number of appeals resulting in case openings None
 a. Appeal procedure: writing application is offered to village head-man.

6. No. of cases reviewed by Minsei-in or P.W. Official during the past month 5 cases by P.W. chief
By type living aid (4) Medical aid (1) it was not taken up.

7. Number visits properly recorded during past 30 days None
 Number cases in such poor condition no review possible None
 8. Number of cases properly budgeted according to latest family budget
 Over-budgeted None Under-budgeted None
 Why? Explain: Because there is no latest family budget sheet.

9. Are case records kept confidential Yes, they are all kept confidential.

10. Number of reviewed cases visited by M.G. investigator 6 cases.
 11. Number of cases that agree with records and visits None

12. Publicity and understanding of Daily Life Security Law by public.
Explanation on D.L.S.A and activity of minsei-in were published in pamphlet form. They know about 80 percent. C.W.L. has been out published as yet.

13. How long does it takes to receive public assistance after they have applied for it? The number of days varies according to the applied date.
What action being taken during the meantime? In urgent case, assistance is given P.W. Chief inspects about applicant at once. to recipient at once.

14. Afterwards the case is discussed at monthly meeting.
 If a case is closed and needs to be opened, how is this done?
The case appeals reopening of P.A. to minsei-in. Minsei-in offers an application to Village Head-man. And same actions are taken again.
 15. Are cases closed properly, with explanatory remarks as to why the case is closed? If not, why? Yes, a writing information is sent to recipient. Also minsei-in explains orally the reason to the case.

16. Community data a. Total population 4,432. as of Sept. Total families 712
 c. Total families receiving assistance 61.
 d. Percent of families receiving assistance
 e. Average welfare payments 332.50 (as of July) per person per month. Relation to prefecture
 average welfare payments 61 yen less than 800 per person per month. highest fiscal year Amount
 of money appropriated for public assistance ¥ 630,000.
 h. Amount of money spent for public assistance ¥ 595,000.

17. Are budgets submitted to prefectural fiscal section?
Yes, they are all submitted to local office.
 Is money received monthly or regularly?
Yes, regularly, every 3 months.

18. Staff set up:

Title	Background	Duties	Efficiency
<u>Clerk</u>	<u>Graduated from technical school at Manchuria. About 3 years in P.W. section.</u>	<u>Public Welfare Social Education.</u>	<u>Efficient person.</u>

19. Is there regular Minsei-iin's meeting held in the community? *Yes, monthly.*
- a. Topic of discussion at last minsei-iin meeting and next meeting. *Once a month. 8/17. (1) Explain of D.L.S.A and C.W.A. for new minsei-iin. (2) Discussion of all cases. (3) About distribution of pamphlets for P.A. recipient.*
- b. Have they any training program for the minsei-iin? *A training about inspection of recipient will be next meeting decide not yet.*
20. Minsei-iin; *taken for new minsei-iin.*
 Impressions and comments on age, ability, interest, attendance at meetings, attitudes: *The average age of minsei-iin is 53 years old. The attendance at meeting has 90 percent. All minsei-iin have ability and interest in social work but some new minsei-iin are not familiar with this work. They are studying now.*
 Explain Kodomo Minsei-iin's activities: *Sometimes P.W. chief attends a meeting of Kodomo-minsei-iin. They have no special activity at present, but they always help poor*
21. Is there any disaster relief plan and disaster relief squad organized in the community? *Yes, the squad has been organized. disaster relief plan for flood has been made.* *classmate though Kodomo minsei-iin.*
22. Special problem handling: Relatives, bank accounts, occupational, housing problem, homeless persons, etc.
There is no special problem at present.
23. Important Community Data: Economics, etc.
This village is an agricultural community and the economics is just lower than the middle situation.
24. Additional Data: a. Use of Local Public Employment Security Office Yes, use
 b. Periodic reporting Monthly
 c. Refused employment No
 d. Percent securing jobs through Local Labor Exchange? Not clear
 e. Use of Social Insurance? The National Health Insurance is planning.
25. Mis.
Mother's club has been organized. There are no foster-parents and welfare institution in this village.
26. Recommendations:
 a. *There is no latest record except a ^{case} record which was made on 3 April. Although P.W. chief is planning*
 b. *to make determination of 10th revision, both determination records on 9th and ^{record} 10th revision have been not made as yet.*
 c. *Few minsei-iin seem to not visit recipients' house. They should visit once a month at least.*

Explain differences between (3) and (4).
 This record was not made according to the standard.
 This family has a small vegetable field and resources plus assistances.
 Total column (4) 1,650
 Greater by

Difference between recorded requirements
 Total column (1) 2,900
 Greater by 1,250

Why is this a public assistance case?
 User son was killed in battle and daughter-in-law married again.
 So the householder must take care of grand-children.
 Grand-son and daughter works and earn some money, but the income is meagre to cover monthly requirement.

Attitude of Minsai-in, officials: Kind.
 Frequency of visits: This family has no minsai-in's visit.
 Regularity of assistance grants: yes, monthly.
 Other comments: None

Remarks and Evaluation: Properly aided.

Remarks and Evaluation: Properly aided

TOKUSHIMA PREFECTURE ADMINISTRATIVE REVIEW

Date 6 Sept 1949 Visited Ataru Village District Itano Gun
 By Konishi, Moriharu Official interviewed Mr. Shimada (P.W. chief)
 Met with: Mr. Yoshinari (standing minsei-in)

1. No. of cases receiving public assistance 69 cases (Living aid)
 2. Intake and closing during past month 4 cases (Medical aid) These cases receive back aid

Type of Assistance	Applications Received	Applications Rejected	Applications Approved	Aid Dis-continued	Present case
Living Expense	<u>2</u>	<u>0</u>	<u>2</u>	<u>0</u>	<u>69</u>
Medical Aid	<u>4</u>	<u>0</u>	<u>4</u>	<u>0</u>	<u>4</u>
Birth Aid	<u>0</u>	<u>0</u>	<u>0</u>	<u>0</u>	<u>0</u>
Funeral Aid	<u>0</u>	<u>0</u>	<u>0</u>	<u>0</u>	<u>0</u>
Occupational Aid	<u>0</u>	<u>0</u>	<u>0</u>	<u>0</u>	<u>0</u>
Total	<u>6</u>	<u>0</u>	<u>6</u>	<u>0</u>	<u>73</u>

3. Number of minsei-in: Men 9 Women 1
 4. Number of appeals during past two calendar months None
 5. Number of appeals resulting in case openings None
 a. Appeal procedure: An application is offered in writing to village head-man. Such a case has been not made.
 6. No. of cases reviewed by Minsei-in or P.W. Official during the past month: 9 cases by P.W. chief By type Living aid
 7. Number visits properly recorded during past 30 days None
 Number cases in such poor condition no review possible 69 cases. Because
 8. Number of cases properly budgeted according to latest family budget 0
 Over-budgeted 0 Under-budgeted 69
 Why? Explain: Case record of 10th revision has been not completed as yet.

9. Are case records kept confidential Yes, they are all kept confidential.
 10. Number of reviewed cases visited by M.G. investigator 12 cases
 11. Number of cases that agree with records and visits None. Because no record.
 12. Publicity and understanding of Daily Life Security Law by public. D.L.S.A. and C.W.A. were published in pamphlet form. Also the explanation was given to villagers by liaison man in every block. The villagers know just out-line.
 13. How long does it takes to receive public assistance after they have applied for it? It takes about 10 days.
 What action being taken during the meantime? P.W. chief hears about applicant from minsei-in and neighbours. Also he inspects closely about their living circumstance.
 14. If a case is closed and needs to be opened, how is this done? New application is offered again and same action as the first one are taken. Former record is discussed at monthly meeting.
 15. Are cases closed properly, with explanatory remarks as to why the case is closed? If not, why? Writing information is sent to recipient by village head-man through P.W. section. Also the reason is explained by minsei-in.
 16. Community data a. Total population 5542 b. Total families 967
 c. Total families receiving assistance 69
 d. Percent of families receiving assistance 6 percent
 e. Average welfare payments 229 yen per person per month Relation to prefecture average welfare payments 104 yen less than
 f. For last fiscal year Amount of money appropriated for public assistance ¥ 750,000.
 h. Amount of money spent for public assistance ¥ 724,570

17. Are budgets submitted to prefectural fiscal section? Yes, they are all submitted to local office at the first place. Afterwards they are sent to prefectural fiscal section by the local office.
 Is money received monthly or regularly? Yes, regularly.

18. Staff set-up:

Title	Background	Duties	Efficiency
<u>Clerk</u>	<u>Graduated from higher commercial school. About 2 years and 2 months in P.W. section</u>	<u>Public Welfare Social General affairs of social works Developing Housing</u>	<u>Efficient person</u>

19. Is there regular Minsei-ian's meeting held in the community? *Yes, monthly.*
 a. Topic of discussion at last minsei-ian meeting and next meeting. *Once a month. 3 Sept. (1) About the National Health Insurance.*
 b. Have they any training program for the Minsei-ian?
No special program at present except minsei-ian meeting.
20. Minsei-ian: *Training for minsei-ian is taken three times a year.*
 Impressions and comments on age, ability, interest, attendance at meetings, attitudes: *The average year of minsei-ian is around 50 years old.*
Attendance at minsei-ian meeting has 100 percent.
Minsei-ian who have ability and interest in welfare work were selected, so they are all earnest, P.W chief said.
 Explain Kodomo ~~Minsei-ian~~ activities:
At present they have no special activity.
21. Is there any disaster relief plan and disaster relief squad organized in the community? *Yes, the squad has been organized and the plan has been made.*
22. Special problem handling: Relatives, bank accounts, occupational, housing problem, homeless persons, etc.
It is planning to build 4 houses for poor house.
There are no other problems (relatives, bank account, occupational and homeless person.)
23. Important Community Data: Economics, etc.
This village is an agricultural community. The economics is the middle situation.
24. Additional Data: a. Use of Local Public Employment Security Office _____
Yes, use. b. Periodic reporting *Monthly*
 c. Refused employment *None* d. Percent securing jobs through Local Labor Exchange? *3 persons in August.* e. Use of Social Insurance?
The National Health Insurance is planning now.
25. Mis.
Mother's Club has been organized.
There are two foster-parents in this village.
Poor house for P.A. recipient and repatriates was built in March of this year.
26. Recommendations: *Also there is a job training school. (Making rope and broom)*
 a. *Although the determination record on 10th revision was made on 30-31 August, there were no record on standard and their monthly requirements.*
 b.
 c.

 Why is this a public assistance case? Explain.

This old couple removed from Osaka to this village. They have no child and relative who support them. Although Ugo makes money by fishing, the income is irregular and meagre, so this case is on P.A.

Attitude of Minsei-in, officials: Kind
 Frequency of visits: Once a month
 Regularity of assistance grants: yes, monthly, at the village office.
 Other comments: None

Remarks and Evaluation: According to neighbour and the circumstance, they can live on his income and public assistance.

Why is this a public assistance case? Explain.
Wide's husband died of sickness some years ago. She is taken care by adopted daughter but the daughter is feeble minded person and her conduct is no good, so she can't earn much money.

Attitude of Minsei-iin, officials: Kind. of birth is taken with Eugenic Protection Law.
 Frequency of visits: Once a month.
 Regularity of assistance grants: Yes, monthly.
 Other comments: None

Remarks and Evaluation: Official judgment is correct.

TOYUSHIMA PREFECTURE ADMINISTRATIVE REVIEW

Date Aug. 23, '49 Visited Kitajima Town District Itano District
 By S. Takahashi Official interviewed Mr. I. Bando
 Met with:

1. No. of cases receiving public assistance 53

2. Intake and closing during past month

Type of Assistance	Applications Received	Applications Rejected	Applications Approved	Aid Dis-continued	Present case
Living Expense	4	0	4	8	53
Medical Aid	3	0	3		3 (included in living aid)
Birth Aid	0	0	0		
Funeral Aid	0	0	0		
Occupational Aid	0	0	0		
Total	7	0	7	8	56

3. Number of Minsei-in: Men 13 Women 1

4. Number of appeals during past two calendar months 0

5. Number of appeals resulting in case openings 0

a. Appeal procedure:

6. No. of cases reviewed by Minsei-in or P.W. Official during the past month:
 All cases by Minsei-in, but no visit is recorded on the office.
 Chief stated that visiting type was recorded in Minsei-in's handbooks.
 No case was reviewed by the official, but he met them at the office.

7. Number visits properly recorded during past 30 days No visit was recorded
 Number cases in such poor condition no review possible None.

8. Number of cases properly budgeted according to latest family budget 53
 Over-budgeted 0 Under-budgeted 0

Why? Explain: Although there are some differences between incomes and requirements, discrepancies are negligible.

9. Are case records kept confidential Yes.

10. Number of reviewed cases visited by H.G. investigator 14

11. Number of cases that agree with records and visits 5

12. Publicity and understanding of Daily Life Security Law by public.
 It has been publicized at various meetings of the townspeople.
 All of them are well aware of the Law, the chief believes.

13. How long does it takes to receive public assistance after they have applied for it? About 10 days.

What action being taken during the meantime?

If they are in need of money ^{urgently} immediately, assistances are given at once.

14. If a case is closed and needs to be opened, how is this done?

It is handled about same as a new opening.

15. Are cases closed properly, with explanatory remarks as to why the case is closed? If not, why? Yes. Explanation is given by Minsei-in, and a written notification is sent from the office.

16. Community data a. Total population 8,126 b. Total families 1,293

c. Total families receiving assistance 53

d. Percent of families receiving assistance 4.1%

e. Average welfare payments ¥430

f. Relation to prefecture average welfare payments ¥97 higher than avg. For last fiscal year, amount of money appropriated for public assistance ¥ 847,500.00

h. Amount of money spent for public assistance ¥ 784,890.00

17. Are budgets submitted to prefectural fiscal section?

They are submitted to district office.

Is money received monthly or regularly?

The subsidies are recently coming to the office pretty smoothly.

18. Staff set-up:

Title	Background	Duties	Efficiency
Secretary	36 years old. Transferred from the General Affairs Section one and ten months ago.	Public Welfare, General Affairs, Town assembly	Good.

19. Is there regular Minsei-iin's meeting held in the community? Yes. Monthly
- Topic of discussion at last minsei-iin meeting and next meeting.
About the abolition of district welfare section, about poor mothers and children.
 - Have they any training program for the Minsei-iin? and children.
No course is planned in the office. No plan for the next.
20. Minsei-iin: They are trained at regular meeting. meeting.
Impressions and comments on age, ability, interest, attendance at meetings, attitudes: The age of Minsei-iin averages around 54. One or two Minsei-iin out of 14 are absent from the monthly meeting.
All of them are earnestly fulfilling their duties with good understandings of the public welfare work.
Explain Kodomo Minsei-iin's activities: The town is divided in-to 33 blocks. In every block, there are 2 Minsei-iin, 1 boy and 1 girl. They are making efforts for road cleaning, mutual understandings, kind attitude toward the old and the young, etc.
21. Is there any disaster relief plan and disaster relief squad organized in the community? Disaster activities plan has not yet been made in the office. The official afraid it is difficult to gather all the members of the relief squad in case of a big disaster.
22. Special problem handling: Relatives, bank accounts, occupational, housing problem, homeless persons, etc.
No special problem of these kinds.
23. Important Community Data: Economics, etc. Economically speaking, this town is said to be pretty rich one. There is a rayon plant which has 2840 employees, and 8% of them are from this village.
24. Additional Data: a. Use of Local Public employment Security Office. Townspeople use the office. b. Periodic reporting Report on unemployed person is done. c. Refused employment None. d. Percent securing jobs through Local Labor Exchange? Unkn. e. Use of Social Insurance? done.
The national health insurance is not enforced.
25. Misc.
There are no welfare institutions in the town. No foster parents registered. Mothers' Club has not yet been organized. It is expected to be established in near future.
26. Recommendations:
- Disaster plan for 1949 should be made as soon as possible.
 - Although the amount of expenses seems to be almost properly determined, standards, clients and Minsei-iin's determination haven't been recorded.
 -

TOKUSHIMA PREFECTURE ADMINISTRATIVE REVIEW

Date 8/30 '49 Visited Kawauchi Village District Itoya - District
 By Takahashi, Kazuhiko Official interviewed Mr. Fujimoto
 Met with: Marikawa

1. No. of cases receiving public assistance 82 cases (living aid) 9 cases (Medical aid)

2. Intake and closing during past month

Type of Assistance	Applications Received	Applications Rejected	Applications Approved	Aid Discontinued	Present case
Living Expense	4	0	4	0	82
Medical Aid	3	0	3	0	9
Birth Aid	0	0	0	0	0
Funeral Aid	0	0	0	0	0
Occupational Aid	0	0	0	0	0
Total	7	0	7	0	91

3. Number of Minsei-in: Men 15 Women 1

4. Number of appeals during past two calendar months None

5. Number of appeals resulting in case openings None

a. Appeal procedure: An application is offered in writing. Such a case has been not made since May.

6. No. of cases reviewed by Minsei-in or P.W. Official during the past month:

5 cases by chief By type living and medical aid

7. Number visits properly recorded during past 30 days None

Number cases in such poor condition no review possible None

8. Number of cases properly budgeted according to latest family budget

82 Over-budgeted 0 Under-budgeted 0

Why? Explain: The wide-survey for 10th revision was done on 14 July.

9. Are case records kept confidential Yes, they are all kept confidential.

10. Number of reviewed cases visited by H.G. investigator 9 cases

11. Number of cases that agree with records and visits 8 cases ~~4 cases~~ 2 cases

12. Publicity and understanding of Daily Life Security Law by public.

Sometimes training of D.L.S.A. is given to public welfare workers at village office. They are active for social work in every block. Also an explanation on these law is given to villagers at information meeting.

13. How long does it takes to receive public assistance after they have applied for it? It takes about 2 weeks. In urgent case, at once. C.W.L. is publicized at mother's club.

What action being taken during the meantime? Minsei-in's information is taken seriously but P.W. chief inspect closely about applicant, also. Afterwards the case is discussed at minsei-in meeting.

14. If a case is closed and needs to be opened, how is this done? New application is offered again. The section has no such case at present.

Are cases closed properly, with explanatory remarks as to why the case is closed? If not, why? Writing information is sent to recipient. Also minsei-in orally explains the reason to the case.

16. Community data a. Total population 9,427 b. Total families

1,355 c. Total families receiving assistance 80 (as of July)

d. Percent of families receiving assistance 5.9 percent (as of July)

e. Average welfare payments 140 yen f. Relation to prefecture average welfare payments

g. For last fiscal year, amount of money appropriated for public assistance ¥ 1,037,700.

h. Amount of money spent for public assistance ¥ 812,210.30.

17. Are budgets submitted to prefectural fiscal section?

Yes.
 Is money received monthly or regularly? Money is sent every 3 month, but it is always delayed.

18. Staff set-up:

Title	Factor	Duties	Efficiency
<u>Chief</u>	<u>Graduated from Tokushima Middle School. About 3 months in P.W. section. Formerly was in the taxation section.</u>	<u>Public Welfare Election Education Information.</u>	<u>Not so familiar now, But very earnest person, so he is studying now.</u>

19. Is there regular Minsei-in's meeting held in the community? *Yes, monthly, once or twice a month.*
- a. Topic of discussion at last minsei-in meeting and next meeting. *8/8 (1) Election of new standing minsei-in. (2) Discussion about a recipient (an widow) 8/30 (next meeting)*
- b. Have they any training program for the minsei-in? *Although there is no program at present. The trainings were taken twice since May. (1) About way of providing with school expenses. (2) Discussion of new cases.*
20. Minsei-in: *for the minsei-in were taken twice since May.* Impressions and comments on age, ability, interest, attendance at meetings, attitudes: *The average age of minsei-in is around 52 years old. Attendance of minsei-in meeting is 90 percent. They are all earnest and have ability but some new minsei-in are not familiar with P. U. S. A.*
- Explain minsei-in's activities: *At present, they have not special activity. Sometimes they attend at monthly meeting of minsei-in at village office.*
21. Is there any disaster relief plan and disaster relief squad organized in the community? *Yes, the squad has been organized and the plan has been made.*
22. Special problem handling: Relatives, bank accounts, occupational, housing problem, homeless persons, etc. *There are some relative problems, so P.W. chief has touched with them. It is planning to build 4 houses for repatriates.*
23. Important Community Data: Economics, etc. *This is an agricultural community and the economics is higher than other town and village in Itano district.*
24. Additional Data: a. Use of Local Public Employment Security Office *Yes, use* b. Periodic reporting *As occasion arises*
- c. Refused employment *No* d. Percent securing jobs through Local Labor Exchange? *Not clear* e. Use of Social Insurance? *The National Health Insurance is planning.*
25. Misc. *Mother's club has been organized. There is no institution and foster-parent. Each minsei-in have inspection note. They inspect their recipients monthly and the records are kept on the note.*

TOKUSHIMA PREFECTURE ADMINISTRATIVE REVIEW

Date 8/22 '49 Visited Natsunohige Village District Itano - Gun
 By Takahashi, Kazuhiko Official interviewed Mr. Sato
 Met with: Merikawa

1. No. of cases receiving public assistance 66 cases (having aid) 6 cases (medical aid)
 2. Intake and closing during past month

Type of Assistance	Applications Received	Applications Rejected	Applications Approved	Aid Discontinued	Present case
Living Expense	2	0	2	0	66
Medical Aid	6	0	6	0	6
Birth Aid	0	0	0	0	0
Funeral Aid	0	0	0	0	0
Occupational Aid	0	0	0	0	0
Total	8	0	8	0	72

3. Number of Minsei-in: Men 8 Women 1
 4. Number of appeals during past two calendar months One
 5. Number of appeals resulting in case openings One
 a. Appeal procedure: Appeal is almost done orally by applicant.
The appeal was for raising the amount of living assistance.
 6. No. of cases reviewed by Minsei-in or P.W. Official during the past month:

3 cases by P.W. chief By type living aid

7. Number visits properly recorded during past 30 days 3 cases
 Number cases in such poor condition no review possible None
 8. Number of cases properly budgeted according to latest family budget
59 Over-budgeted 0 Under-budgeted 7
 Why? Explain:

9. Are case records kept confidential Yes, they are all kept confidential.

10. Number of reviewed cases visited by H.G. investigator 15 cases
 11. Number of cases that agree with records and visits 8 cases
 12. Publicity and understanding of Daily Life Security Law by public.

No special publicity on D.L.S.A. except minsei-in meeting. Sometimes a lecture on C.W.A. is given by C.W. worker at mother's club meeting. The villagers know their law just out-line.

13. How long does it take to receive public assistance after they have applied for it? It takes about 7 days.
 What action being taken during the meantime?

14. If a case is closed and needs to be opened, how is this done? Close inspection about applicant is taken by minsei-in, standing commissioner and P.W. chief. and the case is discussed at monthly meeting. New application is offered again and same actions as the first one are taken, also.

15. Are cases closed properly, with explanatory remarks as to why the case is closed? If not, why? Information is offered in writing to recipient by P.W. section.

16. Community data a. Total population 6,620 b. Total families
1,314 c. Total families receiving assistance 66
 d. Percent of families receiving assistance 5 percent
 e. Average welfare payments ¥76.06 per person per month f. Relation to prefecture
 average welfare payments g. For last fiscal year, amount
 of money appropriated for public assistance ¥ 699,100.
 h. Amount of money spent for public assistance ¥ 658,604.

17. Are budgets submitted to prefectural fiscal section?
Yes, they are submitted to the local office at the first place.
 Is money received monthly or regularly?

- Although money is sent every 3 months, it is always delayed.

18. Staff set-up:

Title	Background	Duties	Efficiency
<u>Clerk</u>	<u>Graduated from agricultural school.</u>	<u>Public Welfare Social Education</u>	<u>O.K.</u>
	<u>4 years 4 months in P.W. section.</u>	<u>Information</u>	

19. Is there regular Minsei-in's meeting held in the community? *Yes, monthly, once a month.*
 a. Topic of discussion at last minsei-in meeting and next meeting. *7/21 "1" Explain of 10th revision. 8/28 (next meeting)*
 b. Have they any training program for the Minsei-in? *Topic decided not yet.*

20. Minsei-in:
 Impressions and comments on age, ability, interest, attendance at meetings, attitudes: *The average age of minsei-in is 53 years old. Minsei-in's attendance has 100 percent. They are all ability and interest in social work, P.W. chief said.*
 Explain Kodomo Minsei-in's activities:

P.W. section has no information about their activities.

21. Is there any disaster relief plan and disaster relief squad organized in the community? *Yes, the squad has been organized and disaster relief plan has been made.*

22. Special problem handling: Relatives, bank accounts, occupational, housing problem, homeless persons, etc.

There are no special problems at present.

23. Important Community Data: Economics, etc.
This is agricultural and fishing village. The economics is the middle situation.

24. Additional Data: a. Use of Local Public Employment Security Office *Yes, use*
 b. Periodic reporting *As occasion demands*
 c. Refused employment *One*
 d. Percent securing jobs through Local Labor Exchange? *Not clear*
 e. Use of Social Insurance? *National Health Insurance is planning*

25. Misc.

Mother's club has been organized. There is no foster-parent and welfare institution (job training school).

26. Recommendations:

- a.
- b.
- c.

d. <u>Land(farming)</u>			Medical	<u>322</u>	<u>200</u>
e. <u>Aid from</u>			Housing Expenses	<u>85</u>	<u>30</u>
Relatives			Fuel	<u>330</u>	<u>500</u>
f. <u>Savings</u>			School Expenses	<u>127.91</u>	<u>72</u>
g. <u>Other(Itemize)</u>	<u>200</u>		Other(Itemize)	<u>40</u>	<u>0</u>
TOTAL RESOURCES	<u>2700</u>	<u>1000</u>	TOTAL	<u>5737.91</u>	<u>4500</u>
Living aid	<u>2873</u>	<u>2873</u>			
Resources plus aid	<u>5573</u>	<u>3873</u>			

Explain differences between (3) and (4).
A part of other foods are supplied by themselves.

Difference between recorded requirements and resources plus assistances.	
Total column (1)	<u>¥ 5,573</u>
Greater by	<u>¥ 825.95</u>
Total column (4)	<u>¥ 4945.25</u>
Greater by	

Why is this a public assistance case? Explain.
Although they have been trying to make bean-curd for about 1 month, they have neither experience nor tools in a complete set. The householder cannot work hard because he is a war-wounded.

Attitude of Minsei-in, officials: good.
 Frequency of visits: monthly
 Regularity of assistance grants: regularly
