MONTHLY
BIBLIOGRAPHY ON EXOTIC ANIMAL DISEASES

COMPILED BY: B. BALASSA, LIBRARIAN

APRIL 1968

U.S. DEPARTMENT OF AGRICULTURE
LIBRARY

SEP 5 1968

GREENPORT, LONG ISLAND, NEW YORK

UNITED STATES DEPARTMENT OF AGRICULTURE
AGRICULTURAL RESEARCH SERVICE
ANIMAL DISEASE AND PARASITE RESEARCH DIVISION
PLUM ISLAND ANIMAL DISEASE LABORATORY
POST OFFICE BOX 848
GREENPORT, LONG ISLAND, NEW YORK 11944

EXPLANATORY NOTE

1. ENTRIES ARE ARRANGED IN ALPHABETICAL ORDER BY DISEASE.
2. DISEASES ARE INDICATED AT THE BEGINNING OF EACH GROUP.
3. UNDER DISEASE, ENTRIES ARE ARRANGED IN ALPHABETICAL ORDER BY AUTHOR'S NAME.
4. ON THE RIGHT MARGIN, "PIL", "NUMBER", AND "LIBRARY CLASSIFICATION CALL NUMBER" INDICATE ARTICLE APPEARS IN A PERIODICAL (JOURNAL) IN THE LIBRARY, PUBLICATION IS AVAILABLE IN THE "REPRINT-FILE" UNDER THE INDICATED NUMBER, AND BOOK IS AVAILABLE IN THE LIBRARY.

AFRICAN SWINE FEVER

PLOWRIGHT, W., PARKER J., and STAPLE, R.F.

The growth of a virulent strain of African swine fever virus in domestic pigs.

J. Hyg.(Lond.) 66(1):117-134, 1968.

PIL

TASSELLI, E., TASSI, P., and PEZZA, F.

La peste suina africana in provincia di Siena.

(African swine fever in the province of Siena.)

English summary, p. 551.

Zooprofilassi 22(11/12):461-472, 1967.

PIL

CAPRINE PLEUROPNEUMONIA

MANCHEE, R.J., and TAYLOR-ROBINSON, D.

Haemadsorption and haemagglutination by mycoplasmas.

J. Gen. Microbiol. 50(3):465-478, 1968.

PIL

CONTAGIOUS AGALACTIA OF SHEEP AND GOATS

MANCHEE, R.J., and TAYLOR-ROBINSON, D.

Haemadsorption and haemagglutination by mycoplasmas.

J. Gen. Microbiol. 50(3):465-478, 1968.

PIL

TORIO, J.-P.

Contribution a l'etude de l'agalaxie contagieuse en basse Navarre. (Study of contagious agalactia in the lower Navarre Spain.)

Theses - Fac. Med. Toulouse, 1966.

Rec. Med. Vet. (Alfort) 143(5):519, 1967.

Biores. Index No. 3:1294(19461), 1968.

PIL

CONTAGIOUS BOVINE PLEUROPNEUMONIA

CONNOLE, M.D., LAWS, L., and HART, R.K.

Mastitis in cattle caused by a Mycoplasma sp.

Aust. Vet. J. 43(5):157-162, 1967.

PIL

MANCHEE, R.J., and TAYLOR-ROBINSON, D.

Haemadsorption and haemagglutination by mycoplasmas.

J. Gen. Microbiol. 50(3):465-478, 1968.

PIL

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is crucial for ensuring the integrity of the financial statements and for providing a clear audit trail.

2. The second part of the document outlines the various methods used to collect and analyze data. It includes a detailed description of the sampling process and the statistical techniques employed to interpret the results.

3. The third part of the document provides a comprehensive overview of the findings. It highlights the key trends and patterns observed in the data, as well as the implications of these findings for the organization's overall performance.

PIL

CASTRO, M.P. de, and KOSEKI, I.

Evolution of the chromosome complement of the
 swine cell line IB-RS-2.

Arq. Inst. Biol. (S. Paulo) 34(4):285-294, 1967.

S 191 B2

CASTRO, M.P. de, and PISANI, R.C.B.

Variation on the susceptibility of cell clones
 derived from the IB-RS-2 swine cell line
 to the foot-and-mouth disease virus.

Arq. Inst. Biol. (S. Paulo) 34(4):295-299, 1967.

S 191 B2

COWAN, K.M., and GRAVES, J.H.

Immunochemical studies of foot-and-mouth disease.
 III. Acridine orange staining of agar gel
 precipitin reactions.

Virology 34(3):544-548, 1968.

PIL

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is essential for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for consistent data collection procedures and the use of advanced analytical techniques to derive meaningful insights from the data.

3. The third part of the document focuses on the role of technology in data management and analysis. It discusses how modern software solutions can streamline data collection, storage, and processing, thereby improving efficiency and accuracy.

4. The fourth part of the document addresses the challenges associated with data management, such as data quality, security, and privacy. It provides strategies to mitigate these risks and ensure that the data remains reliable and secure throughout its lifecycle.

5. The fifth part of the document concludes by summarizing the key findings and recommendations. It stresses the importance of a data-driven approach in decision-making and the need for continuous monitoring and improvement of the data management process.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be supported by a valid receipt or invoice. This ensures transparency and allows for easy verification of the data.

In the second section, the author outlines the various methods used to collect and analyze the data. This includes both manual and automated processes. The goal is to ensure that the information is both reliable and up-to-date.

The third part of the report details the results of the analysis. It shows a clear upward trend in the data over the period covered. This indicates that the current strategy is effective and should be continued.

Finally, the document concludes with a series of recommendations for future actions. These include further investment in technology to improve data collection and more frequent reviews of the data to catch any potential issues early on.
