Mr. Kieckhefer - Spr. On Feb 19<sup>th</sup> and 20<sup>th</sup>  
The Secretary worked in Springfield  
on the opening of the Springfield Branch Office.  
The logical place for rooms seems to be  
in the vicinity of the State Free Employment  
Office, which lies half way between  
the Station quarter and that occupied  
by the Poles, Jews, etc.

This, also is directly opposite the  
rooms of the Springfield Chamber of  
Commerce, through whose co-operation  
much will have to be done.

An Advisory Committee of five is  
to be appointed and the following  
names were suggested:

- (1) Henry Lasker - a former Pres. of Board of Aldermen
- (2) A Jewish Attorney - rec by Dr. Tupper
- (3) Judge Heddy - of the local Municipal Court
- (4) George Foss - Secretary of the local Chamber of  
Commerce
- (5) Ex-Mayor Hayes, - highly rec by Judge Carroll
- (6) Beundred Smyth and  
A. W. Gilbert of the Chapman Valve Co  
- a manufacturer highly interested  
in the work of this type.

In addition, information was gathered  
concerning Henry Pearson, of the  
Wason Mfg. Co. \*

His office was above one now occupied by Bureau but in addition to this office he had branch offices in immigrant centers in Springfield & adjoining towns. While speakers were often available from Inter. College he endeavored to use other speakers also since this institution was looked upon with suspicion in some quarters.
