PREFACE

The book herewith presented is the result of a keenly felt want for a handy, pocket sized volume containing a compilation of all of the various Acts of Congress pertaining to the lands and affairs of the Five Civilized Tribes of Indians and the Osage Nation. We have endeavored to supply this want, and have here compiled all of such Acts of Congress, commencing with the Act of 1889 establishing the first United States Court in the Indian Territory. We have then set forth all subsequent Acts, parts of Acts, Treaties and Agreements, of more than mere local, temporary or individual significance, pertaining to the affairs of the Five Civilized Tribes and the Osage Nation, which have been passed and approved up to and including the year 1912. We have also set forth the laws of descent of the various Indian Tribes. Each Act of Congress, construed, cited or referred to, has been carefully annotated, the annotations covering the following reports: All of the decisions of the Court of Appeals for the Indian Territory; The decisions of the Supreme Court of Oklahoma, up to and including Volume 33 of the Oklahoma Reports, and Volume 129 of the Pacific Reporter; The decisions of the United States Courts for the Eastern District of Oklahoma and of the Circuit Court of Appeals for the Eighth Circuit, up to and including Volume 200 of the Federal Reporter; the decisions of the Supreme Court of the United States up to and including Volume 225 of the United States Reports. We have had inserted at the conclusion of various Acts, blank pages to permit of further annotations by one sufficiently interested. We believe that this book will prove to be a time and labor saver, and trust that it will meet with the approval of the profession.

THE OKLAHOMA TERRITORY AND THE INDIAN TERRITORY
TO THE ENID AND ANADARKO RAILWAY COMPANY, AND FOR

Act of Congress, Approved February 28, 1902.

(32 Stat. L. 43.)

Right of Way—Location—Construction.

BE IT ENACTED BY THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES OF AMERICA IN CONGRESS ASSEMBLED, That the Enid and Andarko Railway Company, a corporation created under and by virtue of the laws of the Territory of Oklahoma, be, and the same is hereby invested and empowered with the right of locating, constructing, owning, equipping, operating, using, and maintaining a railway and telegraph and telephone line through the Territory of Oklahoma and the Indian Territory, beginning at a point on its railway between Anadarko and Watonga, in the Territory of Oklahoma, thence in an

easterly direction by the most practicable route to a point on the eastern boundary of the Indian Territory near Fort Smith, in the State of Arkansas, together with such branch lines to be built from any point on the line above described to any other point in the Indian Territory as said railway company may at any time hereafter decide to construct, with the right to construct, use, and maintain such tracks, turn-outs, sidings, and extensions as said company may deem it to its interest to construct along and upon the right of way and depot grounds hereby granted.

Right of Way—Width—Stations—Reversion for Nonuser.

SECTION 2. That said corporation is authorized to take and use for all purposes of a railway, and for no other purpose, a right of way one hundred feet in width through said Oklahoma Territory and said Indian Territory, and to take and use a strip of land two hundred feet in width; with a length of two thousand feet, in addition to right of way, for stations, for every eight miles of road, with the right to use such additional ground where there are heavy cuts or fills, as may be necessary for the construction and maintenance of the roadbed, not exceeding one hundred feet in width on each side of said right of way, or as much thereof as may be included in said cut or fill: Provided, That no more than said addition of land shall be taken for any one station: Provided further, That no part of the lands herein authorized to be taken shall be leased or sold by the company, and they shall not be used except in such manner and for such purposes only as shall be necessary for the construction and convenient operation of said railway, telegraph, and telephone lines; and when any portion thereof shall cease to be so used such portion shall revert to the nation or tribe of Indians from which the same shall have been taken.

Damages—Compensation—Condemnation—Appraisal—Appeal.

SEC. 3. That before said railway shall be constructed through any lands held by individual occupants according to

the laws, customs, and usages of any of the Indian nations or tribes through which it may be constructed, full compensation shall be made to such occupants for all property to be taken or damage done by reason of the construction of such railway. In case of failure to make amicable settlement with any occupant, such compensation shall be determined by the appraisalment of three disinterested referees, to be appointed, one (who shall act as chairman) by the Secretary of the Interior, one by the chief of the nation to which said occupant belongs, and one by said railway company, who, before entering upon the duties of their appointment, shall take and subscribe, before a district judge, clerk of a district court, or United States commissioner, an oath that they will faithfully and impartially discharge the duties of their appointment, which oath, duly certified, shall be returned with their award to and filed with the Secretary of the Interior within sixty days from the completion thereof; and a majority of said referees shall be competent to act in case of the absence of a member, after due notice. And upon the failure of either party to make such appointment within thirty days after the appointment made by the Secretary of the Interior, the vacancy shall be filled by a judge of the United States court for the Indian Territory upon the application of the other party. The chairman of said board shall appoint the time and place for all hearings within the nation to which such occupant belongs: Each of said referees shall receive for his services the sum of four dollars per day for each day they are engaged in the trial of any case submitted to them under this Act, with mileage at five cents per mile. Witnesses shall receive the usual fees allowed by the courts of said nations. Costs, including compensation of the referees, shall be made a part of the award, and be paid by such railway company. In case the referees can not agree, then any two of them are authorized to make the award. Either party being dissatisfied with the finding of the referees shall have the right, within ninety days after the making of the award and notice of the same.

Before such referees shall proceed with the assessment of damages, for any right of way or other lands condemned under this Act, twenty days' notice of the time when the same shall be condemned shall be given to all persons interested, by publication in some newspaper in general circulation nearest said property in the district where said right of way or said lands are situated, or by ten days' personal notice to each person owning or having any interest in said lands or right of way: Provided, That such notice to any tribe or nation may be served on the principal chief or governor of the tribe. The provisions of section three of this Act with respect to the condemnation of right of way through tribal or individual lands shall, except as in this section otherwise provided, apply to proceedings to acquire the right to cross or connect with another railroad. Upon the hearing of any such application to cross or connect with any other railroad, either party or the referees may call and examine witnesses in regard to the matter, and said referees shall have the same power to administer oaths to witnesses that is now possessed by the United States commissioners in said Territory, and said referees shall, after such hearing and a personal examination of the locality where a crossing or connection is desired, determine whether there is a necessity for such crossing, or not, and if so, the place thereof, whether it shall be over or under the existing railroad, or at grade, and in other respects the manner of such crossing and the terms upon which the same shall be made and maintained: Provided, That no crossing shall be made through the yards or over the switches or side tracks of any existing railroad if a crossing can be effected at any other place that is practicable. If either party shall be dissatisfied with the terms of the order made by said referees it may appeal to the United States court of the Indian Territory for the district wherein

such crossing or connection is sought to be made in the same manner as appeals are allowed from a judgment of a United States commissioner to said court, and said appeal and all subsequent proceedings shall only affect the amount of compensation, if any, and other terms of crossing fixed by said referees, but shall not delay the making of said crossing or connection: Provided, That the corporation desiring such crossing or connection shall deposit with the clerk of the court the amount of compensation, if any is fixed by said referees, and shall execute and file with said clerk a bond of sufficient security to be approved by the court or a judge thereof in vacation, to pay all damages and comply with all terms that may be adjudged by the court. Any railway company which shall violate or evade any of the provisions of this section shall forfeit for every such offense, to the person, company, or corporation injured thereby, three times the actual damages sustained by the party aggrieved.

terstate Commerce Commissioners, if the system of works and fixtures which it is proposed to erect by said company are, in the opinion of the Commission, sufficient and proper, to grant such permission.

Railroad Crossings—Signals.

SEC. 19. That any railroad company which has obtained permission to introduce a system of interlocking or automatic signals at its crossing at a common grade with any other railroad, as provided in the last section, may, after thirty days' notice, in writing, to such other railroad company, introduce and erect such interlocking or automatic signals or fixtures; and if such railroad company, after such notification, refuses to join with the railroad company giving such notice in the construction of such works or fixtures, it shall be lawful for said company to enter upon the right of way and tracks of such second company, in such manner as to not unnecessarily impede the operation of such road, and erect such works and fixtures, and may recover in any action at law from such second company one-half of the total cost of erecting and maintaining such interlocking or automatic signals or works or fixtures on both of said roads.

Railroad Mortgages to Be Recorded.

SEC. 20. That all mortgages executed by any railway company conveying any portion of its railway, with its franchises, that may be constructed in said Indian Territory, shall be recorded in the Department of the Interior, and the record thereof shall be evidence and notice of their execution, and shall convey all rights, franchises, and property of said company as therein expressed.

And where the time for the completion of a railroad in Indian Territory under any Act granting a right of way therefor has expired, or shall hereafter expire, in advance of the construction of such railroad, or of any part thereof, the Secretary of the Interior may, upon good cause shown, extend the time for the completion of such railroad, or of any part thereof, for a time not exceeding two years from the date of such extension.

Repeals—Act Applicable to Osage Nation.

SEC. 23. That an Act entitled "An Act to provide for the acquiring of rights of way by railroad companies through Indian reservations, Indian lands, and Indian allotments, and for other purposes," approved March second, eighteen hundred and ninety-nine, so far as it applies to the Indian Territory and Oklahoma Territory, and all other Acts or parts of Acts inconsistent with this Act are hereby repealed: Provided, That such repeal shall not affect any railroad company whose railroad is now actually being constructed, or any rights which have already accrued: but such railroads may be completed and such rights enforced in the manner provided by the laws under which such construction was commenced or under which such rights accrued: And provided further, That the provisions of this Act shall apply also to the Osages' Reservation and other Indian reservations and allotted Indian lands in the Territory of Oklahoma, and all judicial proceedings herein authorized, may be commenced and prosecuted in the courts of said Oklahoma Territory which may now or

Allotment of Surface by Dawes Commission.

SEC. 11. That when the roll of citizenship of any one of said nations or tribes is fully completed as provided by law, and the survey of the lands of said nation or tribe is also completed, the Commission heretofore appointed under acts of Congress, and known as the "Dawes Commission," shall proceed to allot the exclusive use and occupancy of the surface of all the lands of said nation or tribe susceptible of allotment

among the citizens thereof, as shown by said roll, giving to each, so far as possible, his fair and equal share thereof, considering the nature and fertility of the soil, location, and value of same; but all oil, coal, asphalt, and mineral deposits in the lands of any tribe are reserved to such tribe, and no allotment of such lands shall carry the title to such oil, coal, asphalt, or mineral deposits; and all town sites shall also be reserved to the several tribes, and shall be set apart by the Commission heretofore mentioned as incapable of allotment. There shall also be reserved from allotment a sufficient amount of lands now occupied by churches, schools, parsonages, charitable institutions, and other public buildings for their present actual and necessary use, and no more, not to exceed five acres for each school and one acre for each church and each parsonage, and for such new schools as may be needed; also sufficient land for burial grounds where necessary. When such allotment of the lands of any tribe has been by them completed, said Commission shall make full report thereof to the Secretary of the Interior for his approval: Provided, That nothing herein contained shall in any way affect any vested legal rights which may have been heretofore granted by act of Congress, nor be so construed as to confer any additional rights upon any parties claiming under any such act of Congress: Provided further, That whenever it shall appear that any member of a tribe is in possession of lands, his allotment may be made out of the lands in his possession, including his home if the holder so desires: Provided further, That if the person to whom an allotment shall have been made shall be declared, upon appeal as herein provided for, by any of the courts of the United States in or for the aforesaid Territory, to have been illegally accorded rights of citizenship, and for that or any other reason declared to be not entitled to any allotment, he shall be ousted and ejected from said lands; that all persons known as intruders who have been paid for their improvements under existing laws and have not surrendered possession thereof who may be found under the provisions of this

act to be entitled to citizenship shall, within ninety days thereafter, refund the amount so paid them, with six per centum interest, to the tribe entitled thereto; and upon their failure so to do said amount shall become a lien upon all improvements owned by such person in such Territory, and may be enforced by such tribes; and unless such person makes such restitution no allotments shall be made to him: Provided further, That the lands allotted shall be nontransferable until after full title is acquired and shall be liable for no obligations contracted prior thereto by the allottee, and shall be nontaxable while so held: Provided further, That all towns and cities heretofore incorporated or incorporated under the provisions of this act are hereby authorized to secure, by condemnation or otherwise, all the lands actually necessary for public improvements, regardless of tribal lines; and when the same can not be secured otherwise than by condemnation, then the same may be acquired as provided in sections nine hundred and seven and nine hundred and twelve, inclusive, of Mansfield's Digest of the Statutes of Arkansas.

Coal, Asphalt and Oil Lands and Leases.

SEC. 13. That the Secretary of the Interior is hereby authorized and directed from time to time to provide rules and regulations in regard to the leasing of oil, coal, asphalt, and other minerals in said Territory, and all such leases shall be made by the Secretary of the Interior; and any lease for any such minerals otherwise made shall be absolutely void. No lease shall be made or renewed for a longer period than fifteen years, nor cover the mineral in more than six hundred and forty acres of land, which shall conform as nearly as possible to the surveys. Lessees shall pay on each oil, coal, asphalt, or other mineral claim at the rate of one hundred dollars per annum, in advance, for the first and second years; two hundred dollars per annum, in advance, for the third and fourth years, and five hundred dollars, in advance, for each succeeding year thereafter, as advanced royalty on the mine or claim on which they are made. All such payments shall be a credit on royalty when each said mine is developed and operated and its production is in excess of such guaranteed annual advanced payments; and all lessees must pay said annual advanced payments on each claim, whether developed or undeveloped; and should any lessee neglect or refuse to pay such advanced annual royalty for the period of sixty days after the same becomes due and payable on any lease, the lease on which default is made shall become null and void, and the royalties paid in advance shall then become and be the money and property of the tribe. Where any oil, coal, asphalt, or other min-

eral is hereafter opened on land allotted, sold, or reserved, the value of the use of the necessary surface for prospecting or mining, and the damage done to the other land and improvements, shall be ascertained under the direction of the Secretary of the Interior and paid to the allottee or owner of the land, by the lessee or party operating the same, before operations begin: Provided, That nothing herein contained shall impair the rights of any holder or owner of a leasehold interest in any oil, coal rights, asphalt, or mineral which have been assented to by act of Congress, but all such interest shall continue unimpaired hereby, and shall be assured to such holders or owners by leases from the Secretary of the Interior for the term not exceeding fifteen years, but subject to payment of advance royalties as herein provided, when such leases are not operated, to the rate of royalty on coal mined, and the rules and regulations to be prescribed by the Secretary of the Interior, and preference shall be given to such parties in renewals of such leases: And provided further, That when, under the customs and laws heretofore existing and prevailing in the Indian Territory, leases have been made of different groups or parcels of oil, coal, asphalt, or other mineral deposits, and possession has been taken thereunder and improvements made for the development of such oil, coal, asphalt, or other mineral deposits, by lessees or their assigns, which have resulted in the production of oil, coal, asphalt, or other mineral in commercial quantities by such lessees or their assigns, then such parties in possession shall be given preference in the making of new leases, in compliance with the directions of the Secretary of the Interior; and in making new leases due consideration shall be made for the improvements of such lessees, and in all cases of the leasing or renewal of leases of oil, coal, asphalt, and other mineral deposits preference shall be given to parties in possession who have made improvements. The rate of royalty to be paid by all lessees shall be fixed by the Secretary of the Interior.

Incorporation of Towns—Taxation.

SEC. 14. That the inhabitants of any city or town in said Territory having two hundred or more residents therein may proceed, by petition to the United States court in the district in which such city or town is located, to have the same incorporated as provided in chapter twenty-nine of Mansfield's Digest of the Statutes of Arkansas, if not already incorporated thereunder; and the clerk of said court shall record all papers and perform all the acts required of the recorder of the county, or the clerk of the county court, or the secretary of State, necessary for the incorporation of any city or town, as provided in Mansfield's Digest, and such city or town government, when so authorized and organized, shall possess all the powers and exercise all the rights of similar municipalities in said State of Arkansas. All male inhabitants of such cities and towns over the age of twenty-one years, who are citizens of the United States or of either of said tribes, who have resided therein more than six months next before any election held under this act, shall be qualified voters at such election. That mayors of such cities and towns, in addition to their other powers, shall have the same jurisdiction in all civil and criminal cases arising within the corporate limits of such cities and towns as, and coextensive with, United States commissioners in the Indian Territory, and may charge, collect, and retain the same fees as such commissioners now collect and account for to the United States; and the marshal or other executive officer of such city or town may execute all processes issued in the exercise of the jurisdiction hereby conferred, and charge and collect the same fees for similar services, as are allowed to constables under the laws now in force in said Territory.

All elections shall be conducted under the provisions of chapter fifty-six of said digest, entitled "Elections," so far as

the same may be applicable; and all inhabitants of such cities and towns, without regard to race, shall be subject to all laws and ordinances of such city or town governments, and shall have equal rights, privileges, and protection therein. Such city or town governments shall in no case have any authority to impose upon or levy any tax against any lands in said cities or towns until after title is secured from the tribe; but all other property, including all improvements on town lots, which for the purposes of this act shall be deemed and considered personal property, together with all occupations and privileges, shall be subject to taxation. And the councils of such cities and towns, for the support of the same and for school and other public purposes, may provide by ordinance for the assessment, levy, and collection annually of a tax upon such property, not to exceed in the aggregate two per centum of the assessed value thereof, in manner provided in chapter one hundred and twenty-nine of said digest, entitled "Revenue," and for such purposes may also impose a tax upon occupations and privileges.

Such councils may also establish and maintain free schools in such cities and towns, under the provisions of sections sixty-two hundred and fifty-eight to sixty-two hundred and seventy-six, inclusive, of said digest, and may exercise all the powers conferred upon special school districts in cities and towns in the State of Arkansas by the laws of said State when the same are not in conflict with the provisions of this act.

For the purposes of this section all the laws of said State of Arkansas herein referred to, so far as applicable, are hereby put in force in said Territory; and the United States court therein shall have jurisdiction to enforce the same, and to punish any violation thereof, and the city or town councils shall pass such ordinances as may be necessary for the purpose of making the laws extended over them applicable to them and for carrying the same into effect: Provided, That nothing in this act, or in the laws of the State of Arkansas, shall authorize or permit the sale, or exposure for sale, of any intoxicating

liquor in said Territory, or the introduction thereof into said Territory; and it shall be the duty of the district attorneys in said Territory and the officers of such municipalities to prosecute all violators of the laws of the United States relating to the introduction of intoxicating liquors into said Territory, or to their sale, or exposure for sale, therein: Provided further, That owners and holders of leases or improvements in any city or town shall be privileged to transfer the same.

Townsite Commissions—Sale of Lots—Improvements.

SEC. 15. That there shall be a commission in each town for each one of the Chickasaw, Choctaw, Creek, and Cherokee tribes, to consist of one member to be appointed by the executive of the tribe, who shall not be interested in town property, other than his home; one person to be appointed by the Secretary of the Interior, and one member to be selected by the town. And if the executive of the tribe or the town fail to select members as aforesaid, they may be selected and appointed by the Secretary of the Interior.

Said commissions shall cause to be surveyed and laid out town sites where towns with a present population of two hundred or more are located, conforming to the existing survey, so far as may be, with proper and necessary streets, alleys, and public grounds, including parks and cemeteries, giving to each town such territory as may be required for its present needs and reasonable prospective growth; and shall prepare correct plats thereof, and file one with the Secretary of the Interior, one with the clerk of the United States court, one with the

authorities of the tribe, and one with the town authorities. And all town lots shall be appraised by said commission at their true value, excluding improvements; and separate appraisements shall be made of all improvements thereon; and no such appraisement shall be effective until approved by the Secretary of the Interior, and in case of disagreement by the members of such commission as to the value of any lot, the Secretary may fix the value thereof.

The owner of the improvements upon any town lot, other than fencing, tillage, or temporary buildings, may deposit in the United States treasury, Saint Louis, Missouri, one-half of such appraised value; ten per centum within two months and fifteen per centum more within six months after notice of appraisement, and the remainder in three equal annual installments thereafter, depositing with the Secretary of the Interior one receipt for each payment, and one with the authorities of the tribe, and such deposit shall be deemed a tender to the tribe of the purchase money for such lot.

If the owner of such improvements on any lot fails to make deposit of the purchase money as aforesaid, then such lot may be sold in the manner herein provided for the sale of unimproved lots; and when the purchaser thereof has complied with the requirements herein for the purchase of improved lots he may, by petition, apply to the United States court within whose jurisdiction the town is located for condemnation and appraisement of such improvements, and petitioner shall, after judgment, deposit the value so fixed with the clerk of the court; and thereupon the defendant shall be required to accept same in full payment for his improvements or remove same from the lot within such time as may be fixed by the court.

All town lots not improved as aforesaid shall belong to the tribe, and shall be in like manner appraised, and, after approval by the Secretary of the Interior, and due notice, sold to the highest bidder at public auction by said commission, but not for less than their appraised value, unless ordered by the Secretary of the Interior; and purchasers may in like manner make

deposits of the purchase money with like effect, as in case of improved lots.

The inhabitants of any town may, within one year after the completion of the survey thereof, make such deposit of ten dollars per acre for parks, cemeteries, and other public grounds laid out by said commission with like effect as for improved lots; and such parks and public grounds shall not be used for any purpose until such deposits are made.

The person authorized by the tribe or tribes may execute or deliver to any such purchaser, without expense to him, a deed conveying to him the title to such lands or town lots; and thereafter the purchase money shall become the property of the tribe; and all such moneys shall, when titles to all the lots in the towns belonging to any tribe have been thus perfected, be paid per capita to the members of the tribe: Provided, however, That in those town sites designated and laid out under the provisions of this act where coal leases are now being operated and coal is being mined there shall be reserved from appraisement and sale all lots occupied by houses of miners actually engaged in mining, and only while they are so engaged, and in addition thereto a sufficient amount of land, to be determined by the appraisers, to furnish homes for the men actually engaged in working for the lessees operating said mines and a sufficient amount for all buildings and machinery for mining purposes: And provided further, That when the lessees shall cease to operate said mines, then, and in that event, the lots of land so reserved shall be disposed of as provided for in this act.

And the United States district attorneys in said Territory are required to see that the provisions of said sections are strictly enforced, and they shall at once proceed to dispossess all persons of such excessive holding of lands and to prosecute them for so unlawfully holding the same.

That the commission hereinbefore named shall have authority to employ, with approval of the Secretary of the Interior, all assistance necessary for the prompt and efficient performance of all duties herein imposed, including competent surveyors to make allotments, and to do any other needed work, and the Secretary of the Interior may detail competent clerks to aid them in the performance of their duties.

Martin v. U. S., 168 Fed. 198.

Rolls of Citizenship—Method of Making.

SEC. 21. That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their

parents were so admitted; and they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws.

It shall make a roll of Cherokee freedmen in strict compliance with the decree of the Court of Claims rendered the third day of February, eighteen hundred and ninety-six.

Said Commission is authorized and directed to make correct rolls of the citizens by blood of all the other tribes, eliminating from the tribal rolls such names as may have been placed thereon by fraud or without authority of law, enrolling such only as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to Choctaw and Chickasaw citizenship under the treaties and the laws of said tribes.

Said Commission shall have authority to determine the identity of Choctaw Indians claiming rights in the Choctaw lands under article fourteen of the treaty between the United States and the Choctaw Nation concluded September twenty-seventh, eighteen hundred and thirty, and to that end they may administer oaths, examine witnesses, and perform all other acts necessary thereto and make report to the Secretary of the Interior.

The roll of Creek freedmen made by J. W. Dunn, under authority of the United States, prior to March fourteenth, eighteen hundred and sixty-seven, is hereby confirmed, and said Commission is directed to enroll all persons now living whose names are found on said rolls, and all descendants born since the date of said roll to persons whose names are found thereon, with such other persons of African descent as may have been rightfully admitted by the lawful authorities of the Creek Nation.

It shall make a correct roll of all Choctaw freedmen entitled to citizenship under the treaties and laws of the Choctaw

Nation, and all their descendants born to them since the date of the treaty.

It shall make a correct roll of Chickasaw freedmen entitled to any rights or benefits under the treaty made in eighteen hundred and sixty-six between the United States and the Choctaw and Chickasaw tribes and their descendants born to them since the date of said treaty, and forty acres of land, including their present residences and improvements, shall be allotted to each, to be selected, held, and used by them until their rights under said treaty shall be determined in such manner as shall be hereafter provided by Congress.

The several tribes may, by agreement, determine the right of persons who for any reason may claim citizenship in two or more tribes, and to allotment of lands and distribution of moneys belonging to each tribe; but if no such agreement be made, then such claimant shall be entitled to such rights in one tribe only, and may elect in which tribe he will take such right; but if he fail or refuse to make such selection in due time, he shall be enrolled in the tribe with whom he has resided, and there be given such allotment and distributions, and not elsewhere.

No person shall be enrolled who has not heretofore removed to and in good faith settled in the nation in which he claims citizenship: Provided, however, That nothing contained in this act shall be so construed as to militate against any rights or privileges which the Mississippi Choctaws may have under the laws of or the treaties with the United States.

Said Commission shall make such rolls descriptive of the persons thereon, so that they may be thereby identified, and it is authorized to take a census of each of said tribes, or to adopt any other means by them deemed necessary to enable them to make such rolls. They shall have access to all rolls and records of the several tribes, and the United States court in Indian Territory shall have jurisdiction to compel the officers of the tribal governments and custodians of such rolls and records to deliver same to said Commission, and on their

refusal or failure to do so to punish them as for contempt; as also to require all citizens of said tribes, and persons who should be so enrolled, to appear before said Commission for enrollment, at such times and places as may be fixed by said Commission, and to enforce obedience of all others concerned, so far as the same may be necessary, to enable said Commission to make rolls as herein required, and to punish anyone who may in any manner or by any means obstruct said work.

The rolls so made, when approved by the Secretary of the Interior, shall be final, and the persons whose names are found thereon, with their descendants thereafter born to them, with such persons as may intermarry according to tribal laws, shall alone constitute the several tribes which they represent.

The members of said Commission shall, in performing all duties required of them by law, have authority to administer oaths, examine witnesses, and send for persons and papers; and any person who shall wilfully and knowingly make any false affidavit or oath to any material fact or matter before any member of said Commission, or before any other officer authorized to administer oaths, to any affidavit or other paper to be filed or oath taken before said Commission, shall be deemed guilty of perjury, and on conviction thereof shall be punished as for such offense.

SEC. 29. That the agreement made by the Commission to the Five Civilized Tribes with commissions representing the Choctaw and Chickasaw tribes of Indians on the twenty-third day of April, eighteen hundred and ninety-seven, as herein amended, is hereby ratified and confirmed, and the same shall be of full force and effect if ratified before the first day of December, eighteen hundred and ninety-eight, by a majority

of the whole number of votes cast by the members of said tribes at an election held for that purpose; and the executives of said tribes are hereby authorized and directed to make public proclamation that said agreement shall be voted on at the next general election, or at any special election to be called by such executives for the purpose of voting on said agreement; and at the election held for such purpose all male members of each of said tribes qualified to vote under his tribal laws shall have the right to vote at the election precinct most convenient to his residence, whether the same be within the bounds of his tribe or not: Provided, That no person whose right to citizenship in either of said tribes or nations is now contested in original or appellate proceedings before any United States court shall be permitted to vote at said election: Provided further, That the votes cast in both said tribes or nations shall be forthwith returned duly certified by the precinct officers to the national secretaries of said tribes or nations, and shall be presented by said national secretaries to a board of commissioners consisting of the principal chief and national secretary of the Choctaw Nation, the governor and national secretary of the Chickasaw Nation, and a member of the Commission to the Five Civilized Tribes, to be designated by the chairman of said Commission; and said board shall meet without delay at Atoka, in the Indian Territory, and canvass and count said votes and make proclamation of the result; and if said agreement as amended be so ratified, the provisions of this act shall then only apply to said tribes where the same do not conflict with the provisions of said agreement; but the provisions of said agreement, if so ratified, shall not in any manner affect the provisions of section fourteen of this act, which said amended agreement is as follows:

This agreement, by and between the Government of the United States, of the first part, entered into in its behalf by the Commission to the Five Civilized Tribes, Henry L. Dawes, Frank C. Armstrong, Archibald S. McKennon, Thomas B. Cabaniss, and Alexander B. Montgomery, duly appointed and

authorized thereunto, and the governments of the Choctaw and Chickasaw tribes or nations of Indians in the Indian Territory, respectively, of the second part, entered into in behalf of such Choctaw and Chickasaw governments, duly appointed and authorized thereunto, viz., Green McCurtain, J. S. Standley, N. B. Ainsworth, Ben Hampton, Wesley Anderson, Amos Henry, D. C. Garland, and A. S. Williams, in behalf of the Choctaw Tribe or Nation, and R. M. Harris, I. O. Lewis, Holmes Colbert, P. S. Mosely, M. V. Cheadle, R. L. Murray, William Perry, A. H. Colbert, and R. L. Boyd, in behalf of the Chickasaw Tribe or Nation.

ALLOTMENT OF LANDS.

Witnesseth, That in consideration of the mutual undertakings, herein contained, it is agreed as follows:

That all the lands within the Indian Territory belonging to the Choctaw and Chickasaw Indians shall be allotted to the members of said tribes so as to give to each member of these tribes so far as possible a fair and equal share thereof, considering the character and fertility of the soil and the location and value of the lands.

That all the lands set apart for town sites, and the strip of land lying between the city of Fort Smith, Arkansas, and the Arkansas and Poteau rivers, extending up said river to the mouth of Mill Creek; and six hundred and forty acres each, to include the buildings now occupied by the Jones Academy, Tushkahoma Female Seminary, Wheelock Orphan Seminary, and Armstrong Orphan Academy, and ten acres for the capitol building of the Choctaw Nation; one hundred and sixty acres each, immediately contiguous to and including the buildings known as Bloomfield Academy, Lebanon Orphan Home, Harley Institute, Rock Academy, and Collins Institute, and five acres for the capitol building in the Chickasaw Nation, and the use of one acre of land for each church house now erected outside of the towns and eighty acres of land each for J. S. Murrow, H. R. Schermerhorn, and the widow of R. S.

Bell, who have been laboring as missionaries in the Choctaw and Chickasaw nations since the year eighteen hundred and sixty-six, with the same conditions and limitations as apply to lands allotted to the members of the Choctaw and Chickasaw nations, and to be located on lands not occupied by a Choctaw or a Chickasaw, and a reasonable amount of land, to be determined by the town-site commission, to include all court-houses and jails and other public buildings not hereinbefore provided for, shall be exempted from division. And all coal and asphalt in or under the lands allotted and reserved from allotment shall be reserved for the sole use of the members of the Choctaw and Chickasaw tribes, exclusive of freedmen: Provided, That where any coal or asphalt is hereafter opened on land allotted, sold, or reserved, the value of the use of the necessary surface for prospecting or mining, and the damage done to the other lands and improvements, shall be ascertained under the direction of the Secretary of the Interior and paid to the allottee or owner of the land by the lessee or party operating the same, before operations begin. That in order to such equal division. the lands of the Choctaws and Chickasaws shall be graded and appraised so as to give to each member, so far as possible, an equal value of the land: Provided further, That the Commission to the Five Civilized Tribes shall make a correct roll of Chickasaw freedmen entitled to any rights or benefits under the treaty made in eighteen hundred and sixty-six between the United States and the Choctaw and Chickasaw tribes and their descendants born to them since the date of said treaty, and forty acres of land, including their present residences and improvements, shall be allotted to each, to be selected, held, and used by them until their rights under said treaty shall be determined, in such manner as shall hereafter be provided by act of Congress.

That the lands allotted to the Choctaw and Chickasaw freedmen are to be deducted from the portion to be allotted under this agreement to the members of the Choctaw and Chickasaw tribes so as to reduce the allotment to the Choctaws and Chickasaws by the value of the same.

That the said Choctaw and Chickasaw freedmen who may be entitled to allotments of forty acres each shall be entitled each to land equal in value to forty acres of the average land of the two nations.

That in the appraisement of the lands to be allotted the Choctaw and Chickasaw tribes shall each have a representative, to be appointed by their respective executives, to co-operate with the Commission to the Five Civilized Tribes, or anyone making appraisements under the direction of the Secretary of the Interior in grading and appraising the lands preparatory to allotment. And the land shall be valued in the appraisement as if in its original condition, excluding the improvements thereon.

That the appraisement and allotment shall be made under the direction of the Secretary of the Interior, and shall begin as soon as the progress of the surveys, now being made by the United States Government, will admit.

That each member of the Choctaw and Chickasaw tribes, including Choctaw and Chickasaw freedmen, shall, where it is possible, have the right to take his allotment on land the improvements on which belong to him, and such improvements shall not be estimated in the value of his allotment. In the case of minor children, allotments shall be selected for them by their father, mother, guardian, or the administrator having charge of their estate, preference being given in the order named, and shall not be sold during his minority. Allotments shall be selected for prisoners, convicts, and incompetents by some suitable person akin to them, and due care taken that all persons entitled thereto have allotments made to them.

All the lands allotted shall be nontaxable while the title remains in the original allottee, but not to exceed twenty-one years from date of patent, and each allottee shall select from his allotment a homestead of one hundred and sixty acres, for which he shall have a separate patent, and which shall be inalienable for twenty-one years from date of patent. This provision shall also apply to the Choctaw and Chickasaw freedman

to the extent of his allotment. Selections for homesteads for minors to be made as provided herein in case of allotment, and the remainder of the lands allotted to said members shall be alienable for a price to be actually paid, and to include no former indebtedness or obligation—one-fourth of said remainder in one year, one-fourth in three years, and the balance of said alienable lands in five years from the date of the patent.

That all contracts looking to the sale or incumbrance in any way of the land of an allottee, except the sale hereinbefore provided, shall be null and void. No allottee shall lease his allotment, or any portion thereof, for a longer period than five years, and then without the privilege of renewal. Every lease which is not evidenced by writing, setting out specifically the terms thereof, or which is not recorded in the clerk's office of the United States court for the district in which the land is located, within three months after the date of its execution, shall be void, and the purchaser or lessee shall acquire no rights whatever by an entry or holding thereunder, and no such lease or any sale shall be valid as against the allottee unless providing to him a reasonable compensation for the lands sold or leased.

That all controversies arising between the members of said tribes as to their right to have certain lands allotted to them shall be settled by the commission making the allotments.

That the United States shall put each allottee in possession of his allotment and remove all persons therefrom objectionable to the allottee.

That the United States shall survey and definitely mark and locate the ninety-eighth (98th) meridian of west longitude between Red and Canadian rivers before allotment of the lands herein provided for shall begin.

MEMBERS' TITLES TO LANDS.

That, as soon as practicable after the completion of said allotments, the principal chief of the Choctaw Nation and the governor of the Chickasaw Nation shall jointly execute, under their hands and the seals of the respective nations, and deliver to each of the said allottees patents conveying to him

all the right, title, and interest of the Choctaws and Chickasaws in and to the land which shall have been allotted to him in conformity with the requirements of this agreement, excepting all coal and asphalt in or under said land. Said patents shall be framed in accordance with the provisions of this agreement, and shall embrace the land allotted to such patentee and no other land, and the acceptance of his patents by such allottee shall be operative as an assent on his part to the allotment and conveyance of all the lands of the Choctaws and Chickasaws in accordance with the provisions of this agreement, and as a relinquishment of all his right, title, and interest in and to any and all parts thereof, except the land embraced in said patents, except also his interest in the proceeds of all lands, coal, and asphalt herein excepted from allotment.

That the United States shall provide by law for proper record of land titles in the territory occupied by the Choctaw and Chickasaw tribes.

RAILROADS.

The rights of way for railroads through the Choctaw and Chickasaw nations to be surveyed and set apart and platted to conform to the respective acts of Congress granting the same in cases where said rights of way are defined by such acts of Congress but in cases where the acts of Congress do not define the same, then Congress is memorialized to definitely fix the width of said rights of way for station grounds and between stations, so that railroads now constructed through said nations shall have, as near as possible, uniform rights of way; and Congress is also requested to fix uniform rates of fare and freight for all railroads through the Choctaw and Chickasaw nations; branch railroads now constructed and not built according to acts of Congress to pay the same rates for rights of way and station grounds as main lines.

TOWN SITES.

It is further agreed that there shall be appointed a commission for each of the two nations. Each commission shall con-

sist of one member, to be appointed by the executive of the tribe for which said commission is to act, who shall not be interested in town property other than his home, and one to be appointed by the President of the United States. Each of said commissions shall lay out town sites, to be restricted as far as possible to their present limits, where towns are now located in the nation for which said commission is appointed. Said commission shall have prepared correct and proper plats of each town, and file one in the clerk's office of the United States district court for the district in which the town is located, and one with the principal chief or governor of the nation in which the town is located, and one with the Secretary of the Interior, be approved by him before the same shall take effect. When said towns are so laid out, each lot on which permanent, substantial, and valuable improvements, other than fences, tilage, and temporary houses, have been made, shall be valued by the commission provided for the nation in which the town is located at the price a fee-simple title to the same would bring in the market at the time the valuation is made, but not to include in such value the improvements thereon. The owner of the improvements on each lot shall have the right to buy one residence and one business lot at fifty per centum of the appraised value of such improved property, and the remainder of such improved property at sixty-two and one-half per centum of the said market value within sixty days from date of notice served on him that such lot is for sale, and if he purchases the same he shall, within ten days from his purchase, pay into the Treasury of the United States one-fourth of the purchase price, and the balance in three equal annual installments, and when the entire sum is paid shall be entitled to a patent for the same. In case the two members of the commission fail to agree as to the market value of any lot, or the limit or extent of said town, either of said commissioners may report any such disagreement to the judge of the district in which such town is located, who shall appoint a third member to act with said commission, who is not interested in town lots, who shall act with them to determine said value.

If such owner of the improvements on any lot fails within sixty days to purchase and make the first payment on same, such lot, with the improvements thereon, shall be sold at public auction to the highest bidder, under the direction of the aforesaid commission, and the purchaser at such sale shall pay to the owner of the improvements the price for which said lot shall be sold, less sixty-two and one-half per cent of said appraised value of the lot, and shall pay the sixty-two and one-half per cent of said appraised value into United States Treasury, under regulations to be established by the Secretary of the Interior, in four installments, as hereinbefore provided. The commission shall have the right to reject any bid on such lot which they consider below its value.

All lots not so appraised shall be sold from time to time at public auction (after proper advertisement) by the commission for the nation in which the town is located, as may seem for the best interest of the nations and the proper development of each town, the purchase price to be paid in four installments, as hereinbefore provided for improved lots. The commission shall have the right to reject any bid for such lots which they consider below its value.

All the payments herein provided for shall be made under the direction of the Secretary of the Interior into the United States Treasury, a failure of sixty days to make any one payment to be a forfeiture of all payments made and all rights under the contract: Provided, That the purchaser of any lot shall have the option of paying the entire price of the lot before the same is due.

No tax shall be assessed by any town government against any town lot unsold by the commission, and no tax levied against a lot sold, as herein provided, shall constitute a lien on same till the purchase price thereof has been fully paid to the nation.

The money paid into the United States Treasury for the sale of all town lots shall be for the benefit of the members of the Choctaw and Chickasaw tribes (freedmen excepted), and

at the end of one year from the ratification of this agreement, and at the end of each year thereafter, the funds so accumulated shall be divided and paid to the Choctaws and Chickasaws (freedmen excepted), each member of the two tribes to receive an equal portion thereof.

That no law or ordinance shall be passed by any town which interferes with the enforcement of or is in conflict with the laws of the United States in force in said Territory, and all persons in such towns shall be subject to said laws, and the United States agrees to maintain strict laws in the territory of the Choctaw and Chickasaw tribes against the introduction, sale, barter, or giving away of liquors and intoxicants of any kind or quality.

That said commission shall be authorized to locate, within a suitable distance from each town site, not to exceed five acres to be used as a cemetery, and when any town has paid into the United States Treasury, to be part of the fund arising from the sale of town lots, ten dollars per acre therefor, such town shall be entitled to a patent for the same, as herein provided for titles to allottees, and shall dispose of same at reasonable prices in suitable lots for burial purposes, the proceeds derived from such sales to be applied by the town government to the proper improvement and care of said cemetery.

That no charge or claim shall be made against the Choctaw or Chickasaw tribes by the United States for the expenses of surveying and platting the lands and town sites, or for grading, appraising, and allotting the lands, or for appraising and disposing of the town lots as herein provided.

That the land adjacent to Fort Smith, and lands for courthouses, jails, and other public purposes excepted from allotment, shall be disposed of in the same manner and for the same purposes as provided for town lots herein, but not till the Choctaw and Chickasaw councils shall direct such disposition to be made thereof, and said land adjacent thereto shall be placed under the jurisdiction of the city of Fort Smith, Arkansas, for police purposes.

There shall be set apart and exempted from appraisement and sale in the towns, lots upon which churches and parsonages are now built and occupied, not to exceed fifty feet front and one hundred feet deep for each church or parsonage: Provided, That such lots shall only be used for churches and parsonages, and when they cease to be used shall revert to the members of the tribes to be disposed of as other town lots: Provided further, That these lots may be sold by the churches for which they are set apart if the purchase money therefor is invested in other lot or lots in the same town, to be used for the same purpose and with the same conditions and limitations.

It is agreed that all the coal and asphalt within the limits of the Choctaw and Chickasaw nations shall remain and be the common property of the members of the Choctaw and Chickasaw tribes (freedmen excepted), so that each and every member shall have an equal and undivided interest in the whole; and no patent provided for in this agreement shall convey any title thereto. The revenues from coal and asphalt, or so much as shall be necessary, shall be used for the education of the children of Indian blood of the members of said tribes. Such coal and asphalt mines as are now in operation, and all others which may hereafter be leased and operated, shall be under the supervision and control of two trustees, who shall be appointed by the President of the United States, one on the recommendation of the principal chief of the Choctaw Nation, who shall be a Choctaw by blood, whose term shall be for four years, and one on the recommendation of the governor of the Chickasaw Nation, who shall be a Chickasaw by blood, whose term shall be for two years; after which the term of appointees shall be four years. Said trustees, or either of them, may at any time be removed by the President of the United States for good cause shown. They shall each give bond for the faithful performance of their duties, under such rules as may be prescribed by the Secretary of the Interior. Their salaries shall be fixed and paid by their respective nations, each of whom shall make full report of all his acts to

the Secretary of the Interior quarterly. All such acts shall be subject to the approval of said Secretary.

All coal and asphalt mines in the two nations, whether now developed or to be hereafter developed, shall be operated, and the royalties therefrom paid into the Treasury of the United States, and shall be drawn therefrom under such rules and regulations as shall be prescribed by the Secretary of the Interior.

All contracts made by the national agents of the Choctaw and Chickasaw nations for operating coal and asphalt with any person or corporations which were, on April twenty-third, eighteen hundred and ninety-seven, being operated in good faith, are hereby ratified and confirmed, and the lessee shall have the right to renew the same when they expire, subject to all the provisions of this act.

All agreements heretofore made by any person or corporation with any member or members of the Choctaw or Chickasaw nations, the object of which was to obtain such member or members permission to operate coal or asphalt, are hereby declared void: Provided, That nothing herein contained shall impair the rights of any holder or owner of a leasehold interest in any oil, coal rights, asphalt, or mineral which have been assented to by act of Congress, but all such interests shall continue unimpaired hereby, and shall be assured by new leases from such trustees of coal or asphalt claims described therein by application to the trustees within six months after the ratification of this agreement, subject, however, to payment of advance royalties herein provided for.

All leases under this agreement shall include the coal or asphaltum or other mineral, as the case may be, in or under nine hundred and sixty acres, which shall be in a square as nearly as possible and shall be for thirty years. The royalty on coal shall be fifteen cents per ton of two thousand pounds on all coal mined, payable on the 25th day of the month next succeeding that in which it is mined. Royalty on asphalt shall be sixty cents per ton, payable same as coal: Provided, That the Secretary of the Interior may reduce or advance roy-

alties on coal and asphalt when he deems it for the best interests of the Choctaws and Chickasaws to do so. No royalties shall be paid except into the United States Treasury, as herein provided.

All lessees shall pay on each coal or asphalt claim at the rate of one hundred dollars per annum, in advance, for the first and second years; two hundred dollars per annum, in advance, for the third and fourth years; and five hundred dollars for each succeeding year thereafter. All such payments shall be treated as advanced royalty on the mine or claim on which they are made, and shall be a credit as royalty when each said mine is developed and operated and its production is in excess of such guaranteed annual advance payments, and all persons having coal leases must pay said annual advanced payments on each claim whether developed or undeveloped: Provided, however, That should any lessee neglect or refuse to pay such advanced annual royalty for the period of sixty days after the same becomes due and payable on any lease, the lease on which default is made shall become null and void, and the royalties paid in advance thereon shall then become and be the money and property of the Choctaw and Chickasaw nations.

In surface, the use of which is reserved to present coal operators, shall be included such lots in towns as are occupied by lessees' houses—either occupied by said lessees' employees or as offices or warehouses: Provided, however, That in those town sites designated and laid out under the provision of this agreement where coal leases are now being operated and coal is being mined, there shall be reserved from appraisement and sale all lots occupied by houses of miners actually engaged in mining, and only while they are so engaged, and in addition thereto a sufficient amount of land, to be determined by the town-site board of appraisers, to furnish homes for the men actually engaged in working for the lessees operating said mines and a sufficient amount for all buildings and machinery for mining purposes: And provided further, That when the lessees shall cease to operate said mines, then and in that event

the lots of land so reserved shall be disposed of by the coal trustees for the benefit of the Choctaw and Chickasaw tribes.

That whenever the members of the Choctaw and Chickasaw tribes shall be required to pay taxes for the support of schools, then the fund arising from such royalties shall be disposed of for the equal benefit of their members (freedmen excepted) in such manner as the tribes may direct.

It is further agreed that the United States courts now existing, or that may hereafter be created, in the Indian Territory shall have exclusive jurisdiction of all controversies growing out of the titles, ownership, occupation, possession, or use of real estate, coal, and asphalt in the territory occupied by the Choctaw and Chickasaw tribes; and of all persons charged with homicide, embezzlement, bribery and embracery, breaches or disturbances of the peace, and carrying weapons, hereafter committed in the territory of said tribe, without reference to race or citizenship of the person or persons charged with such crime; and any citizen or officer of the Choctaw or Chickasaw nations charged with such crime shall be tried and, if convicted, punished as though he were a citizen or officer of the United States.

And sections sixteen hundred and thirty-six to sixteen hundred and forty-four, inclusive, entitled "Embezzlement," and sections seventeen hundred and eleven to seventeen hundred and eighteen, inclusive, entitled "Bribery and embracery," of Mansfield's Digest of the Laws of Arkansas, are hereby extended over and put in force in the Choctaw and Chickasaw nations; and the word "officer," where the same appears in said laws, shall include all officers of the Choctaw and Chickasaw governments; and the fifteenth section of the act of Congress entitled "An act to establish United States courts in the Indian Territory, and for other purposes," approved March first, eighteen hundred and eighty-nine, limiting jurors to citizens of the United States, shall be held not to apply to United States courts in the Indian Territory held within the limits of the Choctaw and Chickasaw nations; and all members of the

Choctaw and Chickasaw tribes, otherwise qualified, shall be competent jurors in said courts: Provided, That whenever a member of the Choctaw and Chickasaw nations is indicted for homicide, he may, within thirty days after such indictment and his arrest thereon, and before the same is reached for trial, file with the clerk of the court in which he is indicted his affidavit that he can not get a fair trial in said court; and it thereupon shall be the duty of the judge of said court to order a change of venue in such case to the United States district court for the western district of Arkansas, at Fort Smith, Arkansas, or to the United States district court for the eastern district, of Texas, at Paris, Texas, always selecting the court that in his judgment is nearest or most convenient to the place where the crime charged in the indictment is supposed to have been committed, which courts shall have jurisdiction to try the case; and in all said civil suits said courts shall have full equity powers; and whenever it shall appear to said court, at any stage in the hearing of any case, that the tribe is in any way interested in the subject-matter in controversy, it shall have power to summon in said tribe and make the same a party to the suit and proceed therein in all respects as if such tribe were an original party thereto; but in no case shall suit be instituted against the tribal government without its consent.

It is further agreed that no act, ordinance, or resolution of the council of either the Choctaw or Chickasaw tribes, in any manner affecting the land of the tribe, or of the individuals, after allotment, or the moneys or other property of the tribe or citizens thereof (except appropriations for the regular and necessary expenses of the government of the respective tribes), or the rights of any persons to employ any kind of labor, or the rights of any persons who have taken or may take the oath of allegiance to the United States, shall be of any validity until approved by the President of the United States. When such acts, ordinances, or resolutions passed by the council of either of said tribes shall be approved by the governor thereof, then it shall be the duty of the national secretary of

said tribe to forward them to the President of the United States, duly certified and sealed, who shall, within thirty days after their reception, approve or disapprove the same. Said acts, ordinances, or resolutions, when so approved, shall be published in at least two newspapers having a bona fide circulation in the tribe to be affected thereby, and when disapproved shall be returned to the tribe enacting the same.

It is further agreed, in view of the modification of legislative authority and judicial jurisdiction herein provided, and the necessity of the continuance of the tribal governments so modified, in order to carry out the requirements of this agreement, that the same shall continue for the period of eight years from the fourth day of March, eighteen hundred and ninety-eight. This stipulation is made in the belief that the tribal governments so modified will prove so satisfactory that there will be no need or desire for further change till the lands now occupied by the Five Civilized Tribes shall, in the opinion of Congress, be prepared for admission as a State to the Union. But this provision shall not be construed to be in any respect an abdication by Congress of power at any time to make needful rules and regulations respecting said tribes.

That all per capita payments hereafter made to the members of the Choctaw or Chickasaw nations shall be paid directly to each individual member by a bonded officer of the United States, under the direction of the Secretary of the Interior, which officer shall be required to give strict account of such disbursements to said Secretary.

That the following sum be, and is hereby, appropriated, out of any money in the Treasury not otherwise appropriated, for fulfilling treaty stipulations with the Chickasaw Nation of Indians, namely:

For arrears of interest, at five per centum per annum, from December thirty-first, eighteen hundred and forty, to June thirtieth, eighteen hundred and eighty-nine, on one hundred and eighty-four thousand one hundred and forty-three dollars and nine cents of the trust fund of the Chickasaw Nation erro-

neously dropped from the books of the United States prior to December thirty-first, eighteen hundred and forty, and restored December twenty-seventh, eighteen hundred and eighty-seven, by the award of the Secretary of the Interior, under the fourth article of the treaty of June twenty-second, eighteen hundred and fifty-two, and for arrears of interest, at five per centum per annum, from March eleventh, eighteen hundred and fifty, to March third, eighteen hundred and ninety, on fifty-six thousand and twenty-one dollars and forty-nine cents of the trust fund of the Chickasaw Nation erroneously dropped from the books of the United States March eleventh, eighteen hundred and fifty, and restored December twenty-seventh, eighteen hundred and eighty-seven, by the award of the Secretary of the Interior, under the fourth article of the treaty of June twenty-second, eighteen hundred and fifty-two, five hundred and fifty-eight thousand five hundred and twenty dollars and fifty-four cents, to be placed to the credit of the Chickasaw Nation with the fund to which it properly belongs: Provided, That if there be any attorneys' fees to be paid out of same, on contract heretofore made and duly approved by the Secretary of the Interior, the same is authorized to be paid by him.

It is further agreed that the final decision of the courts of the United States in the case of the Choctaw Nation and the Chickasaw Nation against the United States and the Wichita and affiliated bands of Indians, now pending, when made, shall be conclusive as the basis of settlement as between the United States and said Choctaw and Chickasaw nations for the remaining lands in what is known as the "Leased District," namely, the land lying between the ninety-eighth and one hundredth degrees of west longitude and between the Red and Canadian rivers, leased to the United States by the treaty of eighteen hundred and fifty-five, except that portion called the Cheyenne and Arapahoe country, heretofore acquired by the United States, and all final judgments rendered against said nations in any of the courts of the United States in favor of the United States or any citizen thereof shall first be paid out

of any sum hereafter found due said Indians for any interest they may have in the so-called "Leased District."

It is further agreed that all of the funds invested, in lieu of investment, treaty funds, or otherwise, now held by the United States in trust for the Choctaw and Chickasaw tribes, shall be capitalized within one year after the tribal governments shall cease, so far as the same may legally be done, and be appropriated and paid, by some officer of the United States appointed for the purpose, to the Choctaws and Chickasaws (freedmen excepted) per capita, to aid and assist them in improving their homes and lands.

It is further agreed that the Choctaws and Chickasaws, when their tribal governments cease, shall become possessed of all the rights and privileges of citizens of the United States.

ORPHAN LANDS.

It is further agreed that the Choctaw orphan lands in the State of Mississippi, yet unsold, shall be taken by the United States at one dollar and twenty-five cents (\$1.25) per acre, and the proceeds placed to the credit of the Choctaw orphan fund in the Treasury of the United States, the number of acres to be determined by the General Land Office.

In witness whereof the said commissioners do hereunto affix their names, at Atoka, Indian Territory, this the twenty-third day of April, eighteen hundred and ninety-seven.

AGREEMENT WITH MUSCOGEE OR CREEK TRIBE OF INDIANS.

Approved June 28, 1898.

(30 Stat. L. 514.)

(The following Section 30 was rejected by Creek Nation at an election held November 1st, 1898, it therefore never became effective.)

Allotment of Lands—Titles and Patents—Townsites—Jurisdiction of Courts—Enactments of Council.

SECTION 30. That the agreement made by the Commission to the Five Civilized Tribes with the commission representing the Muscogee (or Creek) tribe of Indians on the twenty-seventh day of September, eighteen hundred and ninety-seven, as herein amended, is hereby ratified and confirmed, and the same shall be of full force and effect if ratified before the first day of December, eighteen hundred and ninety-eight, by a majority of the votes cast by the members of said tribe at an election to be held for that purpose; and the executive of said tribe is authorized and directed to make public proclamation that said agreement shall be voted on at the next general election, to be called by such executive for the purpose of voting on said agreement; and if said agreement as amended be so ratified, the provisions of this Act shall then only apply to said tribe where the same do not conflict with the provisions of said agreement; but the provisions of said agreement, if so ratified, shall not in any manner affect the provisions of section fourteen of this Act, which said amended agreement is as follows:

This agreement by and between the Government of the United States of the first part, entered into in its behalf by the Commission to the Five Civilized Tribes, Henry L. Dawes, Frank C. Armstrong, Archibald S. McKennon, Alexander B. Montgomery, and Tams Bixby, duly appointed and authorized thereunto, and the government of the Muscogee or Creek Nation in the Indian Territory of the second part, entered into in

behalf of such Muscogee or Creek government, by its commission, duly appointed and authorized thereunto, viz., Pleasant Porter, Joseph Mingo, David N. Hodge, George A. Alexander, Roland Brown, William A. Sapulpa, and Conchartie Micco.

Witnesseth, That in consideration of the mutual undertakings herein contained, it is agreed as follows :

GENERAL ALLOTMENT OF LAND.

1. There shall be allotted out of the lands owned by the Muscogee or Creek Indians in the Indian Territory to each citizen of said nation one hundred and sixty acres of land. Each citizen shall have the right, so far as possible, to take his one hundred and sixty acres so as to include the improvements which belong to him, but such improvements shall not be estimated in the value fixed on his allotment, provided any citizen may take any land not already selected by another ; but if such land, under actual cultivation, has on it any lawful improvements, he shall pay the owner of said improvements for same, the value to be fixed by the commission appraising the land. In the case of a minor child, allotment shall be selected for him by his father, mother, guardian, or the administrator having charge of his estate, preference being given in the order named, and shall not be sold during his minority. Allotments shall be selected for prisoners, convicts, and incompetents by some suitable person akin to them, and due care shall be taken that all persons entitled thereto shall have allotments made to them.

2. Each allotment shall be appraised at what would be its present value, if unimproved, considering the fertility of the soil and its location, but excluding the improvements, and each allottee shall be charged with the value of his allotment in the future distribution of any funds of the nation arising from any source whatever, so that each member of the nation shall be made equal in the distribution of the lands and moneys belonging to the nation, provided that the minimum valuation to

be placed upon any land in the said nation shall be one dollar and twenty-five cents (\$1.25) per acre.

3. In the appraisement of the said allotment, said nation may have a representative to co-operate with a commission, or a United States officer, designated by the President of the United States, to make the appraisement. Appraisements and allotments shall be made under the direction of the Secretary of the Interior, and begin as soon as an authenticated roll of the citizens of the said nation has been made. All citizens of said nation, from and after the passage of this Act, shall be entitled to select from the lands of said nation an amount equal to one hundred and sixty acres, and use and occupy the same until the allotments therein provided are made.

4. All controversies arising between the members of said nation as to their rights to have certain lands allotted to them shall be settled by the commission making allotments.

5. The United States shall put each allottee in unrestricted possession of his allotment and remove therefrom all persons objectionable to the allottee.

6. The excess of lands after allotment is completed, all funds derived from town sites, and all other funds accruing under the provisions of this agreement shall be used for the purpose of equalizing allotments valued as herein provided, and if the same be found insufficient for such purpose, the deficiency shall be supplied from other funds of the nation upon dissolution of its tribal relations with the United States, in accordance with the purposes and intent of this agreement.

7. The residue of the lands, with the improvements thereon, if any there be, shall be appraised separately, under the direction of the Secretary of the Interior, and said lands and improvements sold in tracts of not to exceed one hundred and sixty acres to one person, to the highest bidder, at public auction, for not less than the appraised value per acre of land; and after deducting the appraised value of the lands, the remainder of the purchase money shall be paid to the owners of the improvement.

8. Patents to all lands sold shall be issued in the same manner as to allottees.

SPECIAL ALLOTMENTS.

9. There shall be allotted and patented one hundred and sixty acres each to Mrs. A. E. W. Robertson and Mrs. H. F. Buckner (nee Grayson) as special recognition of their services as missionaries among the people of the Creek Nation.

10. Harrell Institute, Henry Kendall College, and Nazareth Institute, in Muscogee, and Baptist University, near Muscogee, shall have free of charge, to be allotted and patented to said institutions or to the churches to which they belong, the grounds they now occupy, to be used for school purposes only and not to exceed ten acres each.

RESERVATIONS.

11. The following lands shall be reserved from the general allotment hereinbefore provided:

All lands hereinafter set apart for town sites; all lands which shall be selected for town cemeteries by the town-site commission as hereinafter provided; all lands that may be occupied at the time allotment begins by railroad companies duly authorized by Congress as railroad rights of way; one hundred sixty acres at Okmulgee, to be laid off as a town, one acre of which, now occupied by the capitol building, being especially reserved for said public building; one acre for each church now located and used for purposes of worship outside of the towns, and sufficient land for burial purposes, where neighborhood burial grounds are now located; one hundred sixty acres each, to include the building sites now occupied, for the following educational institutions: Eufaula High School, Wealaka Mission, New Yaka Mission, Wetumpka Mission, Euchee Institute, Coweta Mission, Creek Orphan Home, Tallahassee Mission (colored), Pecan Creek Mission (colored), and Colored Orphan Home. Also four acres each for the six court-houses now established.

TITLES.

12. As soon as practicable after the completion of said allotments the principal chief of the Muscogee or Creek Nation shall execute under his hand and the seal of said nation, and deliver to each of said allottees, a patent, conveying to him all the right, title, and interest of the said nation in and to the land which shall have been allotted to him in conformity with the requirements of this agreement. Said patents shall be framed in accordance with the provisions of this agreement and shall embrace the land allotted to such patentee and no other land. The acceptance of this patent by such allottee shall be operative as an assent on his part to the allotment and conveyance of all the land of the said nation in accordance with the provisions of this agreement, and as a relinquishment of all his rights, title, and interest in and to any and all parts thereof, except the land embraced in said patent; except, also, his interest in the proceeds of all lands herein excepted from allotment.

13. The United States shall provide by law for proper record of land titles in the territory occupied by the said nation.

TOWN SITES.

14. There shall be appointed a commission, which shall consist of one member appointed by the executive of the Muscogee or Creek Nation, who shall not be interested in town property other than his home, and one member who shall be appointed by the President of the United States. Said commission shall lay out town sites, to be restricted as far as possible to their present limits, where towns are now located. No town laid out and platted by said commission shall cover more than four square miles of territory.

15. When said towns are laid out, each lot on which substantial and valuable improvements have been made shall be valued by the commission at the price a fee-simple title to the same would bring in the market at the time the valuation is

made, but not to include in such value the improvements thereon.

16. In appraising the value of town lots, the number of inhabitants, the location and surrounding advantages of the town shall be considered.

17. The owner of the improvements on any lot shall have the right to buy the same at fifty per centum of the value within sixty days from the date of notice served on him that such lot is for sale, and if he purchase the same he shall, within ten days from his purchase, pay into the Treasury of the United States one-fourth of the purchase price and the balance in three equal annual payments, and when the entire sum is paid he shall be entitled to a patent for the same, to be made as herein provided for patents to allottees.

18. In any case where the two members of the commission fail to agree as to the value of any lot they shall select a third person, who shall be a citizen of said nation and who is not interested in town lots, who shall act with them to determine said value.

19. If the owner of the improvements on any lot fail within sixty days to purchase and make the first payment on the same, such lot, with the improvements thereon (said lot and the improvements thereon having been theretofore properly appraised), shall be sold at public auction to the highest bidder, under the direction of said commission, at a price not less than the value of the lot and improvements, and the purchaser at such sale shall pay to the owner of the improvements the price for which said lot and the improvements thereon shall be sold, less fifty per centum of said appraised value of the lot, and shall pay fifty per centum of said appraised value of the lot into the United States Treasury, under regulations to be established by the Secretary of the Interior, in four installments, as hereinbefore provided. Said commission shall have the right to reject a bid on any lot and the improvements thereon which it may consider below the real value.

20. All lots not having improvements thereon and not so appraised shall be sold by the commission from time to time

at public auction, after proper advertisement, as may seem for the best interest of the said nation and the proper development of each town, the purchase price to be paid in four installments, as hereinbefore provided for improved lots.

21. All citizens or persons who have purchased the right of occupancy from parties in legal possession prior to the date of signing this agreement, holding lots or tracts of ground in towns, shall have the first right to purchase said lots or tracts upon the same terms and conditions as is provided for improved lots, provided said lots or tracts shall have been theretofore properly appraised, as hereinbefore provided for improved lots.

22. Said commission shall have the right to reject any bid for such lots or tracts which is considered by said commission below the fair value of the same.

23. Failure to make any one of the payments as heretofore provided for a period of sixty days shall work a forfeiture of all payments made and all rights under the contract; provided that the purchaser of any lot may pay full price before the same is due.

24. No tax shall be assessed by any town government against any town lot unsold by the commission, and no tax levied against a lot sold as herein provided shall constitute a lien on the same until the purchase price thereof has been fully paid.

25. No law or ordinance shall be passed by any town which interferes with the enforcement of or is in conflict with the constitution or laws of the United States, or in conflict with this agreement, and all persons in such towns shall be subject to such laws.

26. Said commission shall be authorized to locate a cemetery within a suitable distance from each town site, not to exceed twenty acres; and when any town shall have paid into the United States Treasury for the benefit of the said nation ten dollars per acre therefor, such town shall be entitled to a patent for the same, as herein provided for titles to allottees.

and shall dispose of same at reasonable prices in suitable lots for burial purposes; the proceeds derived therefrom to be applied by the town government to the proper improvement and care of said cemetery.

27. No charge or claim shall be made against the Muscogee or Creek Nation by the United States for the expenses of surveying and platting the lands and town site, or for grading, appraising and allotting the land, or for appraising and disposing of the town lots as herein provided.

28. There shall be set apart and exempted from appraisal and sale, in the towns, lots upon which churches and parsonages are now built and occupied, not to exceed fifty feet front and one hundred and fifty feet deep for each church and parsonage. Such lots shall be used only for churches and parsonages, and when they cease to be so used, shall revert to the members of the nation, to be disposed of as other town lots.

29. Said commission shall have prepared correct and proper plats of each town, and file one in the clerk's office of the United States district court for the district in which the town is located, one with the executive of the nation, and one with the Secretary of the Interior, to be approved by him before the same shall take effect.

30. A settlement numbering at least three hundred inhabitants, living within a radius of one-half mile at the time of the signing of this agreement, shall constitute a town within the meaning of this agreement. Congress may by law provide for the government of the said towns.

CLAIMS.

31. All claims, of whatever nature, including the "Loyal Creek Claim" made under article 4 of the treaty of 1866, and the "Self Emigration Claim," under article 12 of the treaty of 1832, which the Muscogee or Creek Nation, or individuals thereof, may have against the United States, or any claim which the United States may have against the said nation,

shall be submitted to the Senate of the United States as a board of arbitration; and all such claims against the United States shall be presented within one year from the date hereof, and within two years from the date hereof the Senate of the United States shall make final determination of said claim; and in the event that any moneys are awarded to the Muscogee or Creek Nation, or individuals thereof, by the United States, provision shall be made for the immediate payment of the same by the United States.

JURISDICTION OF COURTS.

32. The United States courts now existing, or that may hereafter be created in the Indian Territory, shall have exclusive jurisdiction of all controversies growing out of the title, ownership, occupation, or use of real estate in the territory occupied by the Muscogee or Creek Nation, and to try all persons charged with homicide, embezzlement, bribery, and embracery hereafter committed in the territory of said Nation, without reference to race or citizenship of the person or persons charged with any such crime; and any citizen or officer of said nation charged with any such crime shall be tried, and, if convicted, punished as though he were a citizen or officer of the United States; and the courts of said nation shall retain all the jurisdiction which they now have, except as herein transferred to the courts of the United States.

ENACTMENTS OF NATIONAL COUNCIL.

33. No act, ordinance, or resolution of the council of the Muscogee or Creek Nation in any manner affecting the land of the nation, or of individuals, after allotment, or the moneys or other property of the nation, or citizens thereof (except appropriations for the regular and necessary expenses of the government of the said nation), or the rights of any person to employ any kind of labor, or the rights of any persons who have taken or may take the oath of allegiance to the United States, shall be of any validity until approved by the President

of the United States. When such act, ordinance, or resolution passed by the council of said nation shall be approved by the executive thereof, it shall then be the duty of the national secretary of said nation to forward same to the President of the United States, duly certified and sealed, who shall, within thirty days after receipt thereof, approve or disapprove the same, and said act, ordinance, or resolution, when so approved, shall be published in at least two newspapers having a bona fide circulation throughout the territory occupied by said nation, and when disapproved shall be returned to the executive of said nation.

MISCELLANEOUS.

34. Neither the town lots nor the allotment of land of any citizen of the Muscogee or Creek Nation shall be subjected to any debt contracted by him prior to the date of his patent.

35. All payments herein provided for shall be made, under the direction of the Secretary of the Interior, into the United States Treasury, and shall be for the benefit of the citizens of the Muscogee or Creek Nation. All payments hereafter to be made to the members of the said nation shall be paid directly to each individual member by a bonded officer of the United States, under the direction of the Secretary of the Interior, which officer shall be required to give strict account for such disbursements to the Secretary.

36. The United States agrees to maintain strict laws in the territory of said nation against the introduction, sale, barter, or giving away of liquors and intoxicants of any kind or quality.

37. All citizens of said nation, when the tribal government shall cease, shall become possessed of all the rights and privileges of citizens of the United States.

38. This agreement shall in no wise affect the provisions of existing treaties between the Muscogee or Creek Nation and the United States, except in so far as it is inconsistent therewith.

In witness whereof, the said Commissioners do hereunto affix their names at Muscogee, Indian Territory, this the twenty-seventh day of September, eighteen hundred and ninety-seven.

2. All lands belonging to the Creek tribe of Indians in the Indian Territory, except town sites and lands herein reserved for Creek schools and public buildings, shall be appraised at

their true value, excluding only improvements on lands in actual cultivation. The appraisement shall be made under direction of the Dawes Commission by such number of committees, with necessary assistance, as may be deemed necessary to expedite the work, one member of each committee to be appointed by the principal chief; and if the members of any committee fail to agree as to the value of any tract of land, the value thereof shall be fixed by said Commission. Each Committee shall make report of its work to said Commission, which shall from time to time prepare reports of same, in duplicate, and transmit them to the Secretary of the Interior for his approval, and when approved one copy thereof shall be returned to the office of said Commission for its use in making allotments as herein provided.

One hundred and sixty acres of land, valued at six dollars and fifty cents per acre, shall constitute the standard value of an allotment, and shall be the measure for the equalization of values, and any allottee receiving lands of less than such standard value may, at any time, select other lands which, at their appraised value, are sufficient to make his allotment equal in value to the standard so fixed.

If any citizen select lands, the appraised value of which, for any reason, is in excess of such standard value, the excess of value shall be charged against him in the future distribution of the funds of the tribe arising from all sources whatsoever,

and he shall not receive any further distribution of property or funds of the tribe until all other citizens have received lands and money equal in value to his allotment. If any citizen select lands the appraised value of which is in excess of such standard value, he may pay the overplus in money, but if he fail to do so, the same shall be charged against him in the future distribution of the funds of the tribe arising from all sources whatsoever, and he shall not receive any further distribution of property or funds until all other citizens shall have received lands and funds equal in value to his allotment; and if there be not sufficient funds of the tribe to make the allotments of all other citizens of the tribe equal in value to his, then the surplus shall be a lien upon the rents and profits of his allotment until paid.

TOWN SITES.

Townsites—Surveys—Townsite Commissions.

10. All towns in the Creek Nation having a present population of two hundred or more shall, and all others may, be surveyed, laid out, and appraised under the provisions of an act of Congress entitled "An act making appropriations for the current and contingent expenses of the Indian Department and for fulfilling treaty stipulations with various Indian tribes for the fiscal year ending June thirtieth, nineteen hundred and one, and for other purposes," approved May thirty-first, nineteen hundred, which said provisions are as follows:

"That the Secretary of the Interior is hereby authorized, under rules and regulations to be prescribed by him, to survey, lay out, and plat into town lots, streets, alleys and parks the sites of such towns and villages in the Choctaw, Chickasaw, Creek, and Cherokee nations, as may at that time have a population of two hundred or more, in such manner as will best subserve the then present needs and the reasonable prospective growth of such towns. The work of surveying, laying out, and platting such town sites shall be done by competent surveyors, who shall prepare five copies of the plat of each town site, which, when the survey is approved by the Secretary of the Interior, shall be filed as follows: One in the office of the Commissioner of Indian Affairs, one with the principal chief of the nation, one with the Clerk of the court within the territorial jurisdiction of which the town is located, one with the Commission to the Five Civilized Tribes, and one with

the town authorities, if there be such. Where in his judgment the best interests of the public service require, the Secretary of the Interior may secure the surveying, laying out, and platting of town sites in any of said nations by contract.

“Hereafter the work of the respective town-site commissions provided for in the agreement with the Choctaw and Chickasaw tribes ratified in section twenty-nine of the act of June twenty-eighth, eighteen hundred and ninety-eight, entitled ‘An act for the protection of the people of the Indian Territory, and for other purposes,’ shall begin as to any town site immediately upon the approval of the survey by the Secretary of the Interior, and not before.

“The Secretary of the Interior may, in his discretion, appoint a town-site commission consisting of three members for each of the Creek and Cherokee nations, at least one of whom shall be a citizen of the tribe and shall be appointed upon the nomination of the principal chief of the tribe. Each commission, under the supervision of the Secretary of the Interior, shall appraise and sell for the benefit of the tribe the town lots in the nation for which it is appointed, acting in conformity with the provisions of any then existing act of Congress or agreement with the tribe approved by Congress. The agreement of any two members of the commission as to the true value of any lot shall, constitute a determination thereof, subject to the approval of the Secretary of the Interior, and if no two members are able to agree the matter shall be determined by such Secretary.

“Where in his judgment the public interests will be thereby subserved, the Secretary of the Interior may appoint in the Choctaw, Chickasaw, Creek, or Cherokee Nation a separate town-site commission for any town, in which event as to that town such local commission may exercise the same authority and perform the same duties which would otherwise devolve upon the commission for

that nation. Every such local commission shall be appointed in the manner provided in the act approved June twenty-eighth, eighteen hundred and ninety-eight, entitled 'An act for the protection of the people of the Indian Territory.'

"The Secretary of the Interior, where in his judgment the public interests will be thereby subserved, may permit the authorities of any town in any of said nations, at the expense of the town, to survey, lay out, and plat the site thereof, subject to his supervision and approval, as in other instances.

"As soon as the plat of any town site is approved, the proper commission shall, with all reasonable dispatch and within a limited time, to be prescribed by the Secretary of the Interior, proceed to make the appraisement of the lots and improvements, if any, thereon, and after the approval thereof by the Secretary of the Interior, shall, under the supervision of such Secretary, proceed to the disposition and sale of the lots in conformity with any then existing act of Congress or agreement with the tribe approved by Congress, and if the proper commission shall not complete such appraisement and sale within the time limited by the Secretary of the Interior, they shall receive no pay for such additional time as may be taken by them, unless the Secretary of the Interior for good cause shown shall expressly direct otherwise.

"The Secretary of the Interior may, for good cause, remove any member of any town-site commission, tribal or local, in any of said nations, and may fill the vacancy thereby made or any vacancy otherwise occurring in like manner as the place was originally filled.

"It shall not be required that the town-site limits established in the course of the platting and disposing of town lots and the corporate limits of the town, if incorporated, shall be identical or coextensive, but such town-site limits and corporate limits shall be so established as

to best subserve the then present needs and the reasonable prospective growth of the town, as the same shall appear at the times when such limits are respectively established: Provided further, That the exterior limits of all town sites shall be designated and fixed at the earliest practicable time under rules and regulations prescribed by the Secretary of the Interior.

“Upon the recommendation of the Commission to the Five Civilized Tribes the Secretary of the Interior is hereby authorized at any time before allotment to set aside and reserve from allotment any lands in the Choctaw, Chickasaw, Creek, or Cherokee nations, not exceeding one hundred and sixty acres in any one tract, at such stations as are or shall be established in conformity with law on the line of any railroad which shall be constructed or be in process of construction in or through either of said nations prior to the allotment of the lands therein, and this irrespective of the population of such town site at the time. Such town sites shall be surveyed, laid out, and platted, and the lands therein disposed of for the benefit of the tribe in the manner herein prescribed for other town sites: Provided further, That whenever any tract of land shall be set aside as herein provided which is occupied by a member of the tribe, such occupant shall be fully compensated for his improvements thereon under such rules and regulations as may be prescribed by the Secretary of the Interior: Provided, That hereafter the Secretary of the Interior may, whenever the chief executive or principal chief of said nation fails or refuses to appoint a town-site commissioner for any town or to fill any vacancy caused by the neglect or refusal of the town-site commissioner appointed by the chief executive or principal chief of said nation to qualify or act, in his discretion, appoint a commissioner to fill the vacancy thus created.”

"Creek citizens may rent their allotments, for strictly nonmineral purposes, for a term not to exceed one year for grazing purposes only and for a period not to exceed five years for agricultural purposes, but without any stipulation or obligation to renew the same. Such leases for a period longer than one year for grazing purposes and for a period longer than five years for agricultural purposes, and leases for mineral purposes may also be made with the approval of the Secretary of the Interior, and not otherwise. Any agreement or lease of any kind or character violative of this paragraph shall be absolutely void and not susceptible of ratification in any manner, and no rule of estoppel shall ever prevent the asser-

tion of its invalidity. Cattle grazed upon leased allotments shall not be liable to any tribal tax, but when cattle are introduced into the Creek Nation and grazed on lands not selected for allotment by citizens, the Secretary of the Interior shall collect from the owners thereof a reasonable grazing tax for the benefit of the tribe, and section 2117 of the Revised Statutes of the United States shall not hereafter apply to Creek lands."

FURTHER ANNOTATIONS.

SEMINOLE AGREEMENT.

December 16, 1897.

Approved by Act of Congress July 1, 1898.

(30 Stat. L. 567.)

AN ACT TO RATIFY THE AGREEMENT BETWEEN
THE DAWES COMMISSION AND THE SEMINOLE NATION
OF INDIANS.**Preamble.**

Whereas an agreement was made by Henry L. Dawes, Tams Bixby, Frank C. Armstrong, Archibald S. McKennon, Thomas B. Needles, the Commission of the United States to the Five Civilized Tribes, and Allison L. Aylesworth, secretary, John F. Brown, Okchan Harjo, William Cully, K. N. Kinkehee, Thomas West, Thomas Factor, Seminole Commission, A. J. Brown, secretary, on the part of the Seminole Nation of Indians, on December sixteenth, eighteen hundred and ninety-seven, as follows:

AGREEMENT BETWEEN THE UNITED STATES COMMISSIONERS TO NEGOTIATE WITH THE FIVE CIVILIZED TRIBES, AND THE COMMISSIONERS ON THE PART OF THE SEMINOLE NATION.

**Allotment of Lands—Restrictions on Alienation—Reservations—
Patents—Courts.**

This agreement by and between the Government of the United States of the first part, entered into in its behalf by the Commission to the Five Civilized Tribes, Henry L. Dawes, Tams Bixby, Frank C. Armstrong, Archibald S. McKennon, and Thomas B. Needles, duly appointed and authorized thereunto, and the government of the Seminole Nation in Indian Territory, of the second part, entered into on behalf of said government by its commission, duly appointed and authorized thereunto, viz., John F. Brown, Okchan Harjo, William Cully, K. N. Kinkehee, Thomas West, and Thomas Factor;

Witnesseth, That in consideration of the mutual undertakings herein contained, it is agreed as follows:

All lands belonging to the Seminole tribe of Indians shall be divided into three classes, designated as first, second, and third class; the first class to be appraised at five dollars, the second class at two dollars and fifty cents, and the third class at one dollar and twenty-five cents per acre, and the same shall be divided among the members of the tribe so that each shall have an equal share thereof in value, so far as may be, the location and fertility of the soil considered; giving to each the right to select his allotment so as to include any improvements thereon, owned by him at the time; and each allottee shall have the sole right of occupancy of the land so allotted to him, during the existence of the present tribal government, and until the members of said tribe shall become citizens of the United States. Such allotments shall be made under the direction and supervision of the Commission to the Five Civilized Tribes in connection with a representative appointed by the tribal government; and the chairman of said Commission shall execute and deliver to each allottee a certificate describing therein the land allotted to him.

All contracts for sale, disposition, or encumbrance of any part of any allotment made prior to date of patent shall be void.

Any allottee may lease his allotment for any period not exceeding six years, the contract therefor to be executed in triplicate upon printed blanks provided by the tribal government, and before the same shall become effective it shall be approved by the principal chief and a copy filed in the office of the clerk of the United States court at Wewoka.

No lease of any coal, mineral, coal oil, or natural gas within said nation shall be valid unless made with the tribal government, by and with the consent of the allottee and approved by the Secretary of the Interior.

Should there be discovered on any allotment any coal, mineral, coal oil, or natural gas, and the same should be

operated so as to produce royalty, one half of such royalty shall be paid to such allottee and the remaining half into the tribal treasury until extinguishment of tribal government, and the latter shall be used for the purpose of equalizing the value of allotments; and if the same be insufficient therefor, any other funds belonging to the tribe, upon extinguishment of tribal government, may be used for such purpose, so that each allotment may be made equal in value as aforesaid.

The town site of Wewoka shall be controlled and disposed of according to the provisions of an act of the general council of the Seminole Nation, approved April 23rd, 1897, relative thereto; and on extinguishment of the tribal government, deeds of conveyance shall issue to owners of lots as herein provided for allottees; and all lots remaining unsold at that time may be sold in such manner as may be prescribed by the Secretary of the Interior.

Five hundred thousand dollars (\$500,000) of the funds belonging to the Seminoles, now held by the United States, shall be set apart as a permanent school fund for the education of children of the members of said tribe, and shall be held by the United States at five per cent interest, or invested so as to produce such amount of interest, which shall be, after extinguishment of tribal government, applied by the Secretary of the Interior to the support of Mekasuky and Emahaka academies and the district schools of the Seminole people; and there shall be selected and excepted from allotment three hundred and twenty acres of land for each of said academies and eighty acres each for eight district schools in the Seminole country.

There shall also be excepted from allotment one-half acre for the use and occupancy of each of twenty-four churches, including those already existing and such others as may hereafter be established in the Seminole country, by and with consent of the general council of the nation; but should any part of same, at any time, cease to be used for church purposes, such part shall at once revert to the Seminole people and be added to the lands set apart for the use of said district schools.

One acre in each township shall be excepted from allotment and the same may be purchased by the United States, upon which to establish schools for the education of children of noncitizens when deemed expedient.

When the tribal government shall cease to exist the principal chief last elected by said tribe shall execute, under his hand and the seal of the nation, and deliver to each allottee a deed conveying to him all the right, title, and interest of the said nation and the members thereof in and to the lands so allotted to him, and the Secretary of the Interior shall approve such deed, and the same shall thereupon operate as relinquishment of the right, title, and interest of the United States in and to the land embraced in said conveyance, and as a guarantee by the United States of the title of said lands to the allottee; and the acceptance of such deed by the allottee shall be a relinquishment of his title to and interest in all other lands belonging to the tribe, except such as may have been excepted from allotment and held in common for other purposes. Each allottee shall designate one tract of forty acres, which shall, by the terms of the deed, be made inalienable and nontaxable as a homestead in perpetuity.

All moneys belonging to the Seminoles remaining after equalizing the value of allotments as herein provided and reserving said sum of five hundred thousand dollars for school fund shall be paid per capita to the members of said tribe in three equal installments, the first to be made as soon as convenient after allotment and extinguishment of tribal government, and the others at one and two years, respectively. Such payments shall be made by a person appointed by the Secretary of the Interior, who shall prescribe the amount of and approve the bond to be given by such person; and strict account shall be given to the Secretary of the Interior for such disbursements.

The loyal Seminole claim shall be submitted to the United States Senate, which shall make final determination of same, and, if sustained, shall provide for payment thereof within two years from date hereof.

There shall hereafter be held at the town of Wewoka, the present capital of the Seminole Nation, regular terms of the United States court, as at other points in the judicial district of which the Seminole Nation is a part.

The United States agrees to maintain strict laws in the Seminole country against the introduction, sale, barter, or giving away of intoxicants of any kind or quality.

This agreement shall in no wise affect the provisions of existing treaties between the Seminole Nation and the United States, except in so far as it is inconsistent therewith.

The United States courts now existing, or that may hereafter be created, in Indian Territory shall have exclusive jurisdiction of all controversies growing out of the title, ownership, occupation, or use of real estate owned by the Seminoles, and to try all persons charged with homicide, embezzlement, bribery, and embracery hereafter committed in the Seminole country, without reference to race or citizenship of the persons charged with such crime; and any citizen or officer of said nation charged with any such crime, if convicted, shall be punished as if he were a citizen or officer of the United States, and the courts of said nation shall retain all the jurisdiction which they now have, except as herein transferred to the courts of the United States.

When this agreement is ratified by the Seminole Nation and the United States, the same shall serve to repeal all the provisions of the act of Congress approved June seventh, eighteen hundred and ninety-seven, in any manner affecting the proceedings of the general council of the Seminole Nation.

It being known that the Seminole Reservation is insufficient for allotments for the use of the Seminole people, upon which they, as citizens, holding in severalty, may reasonably and adequately maintain their families, the United States will make effort to purchase from the Creek Nation, at one dollar and twenty-five cents per acre, two hundred thousand acres of land, immediately adjoining the eastern boundary of the Seminole Reservation and lying between the North Fork

and South Fork of the Canadian River, in trust for and to be conveyed by proper patent by the United States to the Seminole Indians, upon said sum of one dollar and twenty-five cents per acre being reimbursed to the United States by said Seminole Indians; the same to be allotted as herein provided for lands now owned by the Seminoles.

This agreement shall be binding on the United States when ratified by Congress and on the Seminole people when ratified by the general council of the Seminole Nation.

In witness whereof the said commissioners have hereunto affixed their names at Muskogee, Indian Territory, this sixteenth day of December, A. D. 1897.

Therefore,

BE IT ENACTED BY THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES OF AMERICA IN CONGRESS ASSEMBLED, That the same be, and is hereby, ratified and confirmed, and all laws and parts of laws inconsistent therewith are hereby repealed.

25. After the opening of a land office for allotment purposes in both the Choctaw and the Chickasaw nations any citizen or freedman of either of said nations may appear before the Commission to the Five Civilized Tribes at the land office in the nation in which his land is located and make application for his allotment and for allotments for members of his family and for other persons for whom he is lawfully authorized to apply for allotments, including homesteads, and after the expiration of ninety days following the opening of such land offices any such applicant may make allegation that the land or any part

of the land that he desires to have allotted is held by another citizen or person in excess of the amount of land to which said citizen or person is lawfully entitled, and that he desires to have said land allotted to him or members of his family as herein provided; and thereupon said Commission shall serve notice upon the person so alleged to be holding land in excess of the lawful amount to which he may be entitled, said notice to set forth the facts alleged and the name and post-office address of the person alleging the same, and the rights and consequences herein provided, and the person so alleged to be holding land contrary to law shall be allowed thirty days from the date of the service of said notice in which to appear at one of said land offices and to select his allotment and the allotments he may be lawfully authorized to select, including homestead; and if at the end of the thirty days last provided for the person upon whom said notice has been served has not selected his allotment and allotments as provided, then the Commission to the Five Civilized Tribes shall immediately make or reserve said allotments for the person or persons who have failed to act in accordance with the notice aforesaid, having due regard for the best interest of said allottees; and after such allotments have been made or reserved by said Commission, then all other lands held or claimed, or previously held or claimed by said person or persons, shall be deemed a part of the public domain of the Choctaw and Chickasaw nations and be subject to disposition as such: Provided, That any persons who have previously applied for any part of said lands shall have a prior right of allotment of the same in the order of their applications and as their lawful rights may appear.

If any citizen or freedman of the Choctaw and Chickasaw nations shall not have selected his allotment within twelve months after the date of the opening of said land offices in said nations, if not herein otherwise provided, and provided that twelve months shall have elapsed from the date of the approval of his enrollment by the Secretary of the Interior, then the Commission to the Five Civilized Tribes may immediately pro-

ceed to select an allotment, including a homestead for such person, said allotment and homestead to be selected as the Commission may deem for the best interest of said person, and the same shall be of the same force and effect as if such selection had been made by such citizen or freedman in person, and all lands held or claimed by persons for whom allotments have been selected by the Commission as provided, and in excess of the amount included in said allotments, shall be a part of the public domain of the Choctaw and Chickasaw nations and be subject to disposition as such.

Garfield v. Goldsly, 211 U. S. 249, 52 L. Ed. 168.

Citizenship Court—Creation of.

31. It being claimed and insisted by the Choctaw and Chickasaw nations that the United States courts in the Indian Territory, acting under the act of Congress approved June 10, 1896, have admitted persons to citizenship or to enrollment as such citizens in the Choctaw and Chickasaw nations, respectively, without notice of the proceedings in such courts being given to each of said nations; and it being insisted by said nations that, in such proceedings, notice to each of said nations was indispensable, and it being claimed and insisted by said nations

that the proceedings in the United States courts in the Indian Territory, under the said act of June 10, 1896, should have been confined to a review of the action of the Commission to the Five Civilized Tribes, upon the papers and evidence submitted to such Commission, and should not have extended to a trial de novo of the question of citizenship; and it being desirable to finally determine these question, the two nations, jointly, or either of said nations acting separately and making the other a party defendant, may, within ninety days after this agreement becomes effective, by a bill in equity filed in the Choctaw or Chickasaw citizenship court hereinafter named, seek the annulment and vacation of all such decisions by said courts. Ten persons so admitted to citizenship or enrollment by said courts, with notice to one, but not to both of said nations, shall be made defendants to said suit as representatives of the entire class of persons similarly situated, the number of such persons being too numerous to require all of them to be made individual parties to the suit; but any person so situated may, upon his application, be made a party defendant to the suit. Notice of the institution of said suit shall be personally served upon the chief executive of the defendant nation, if either nation be made a party defendant as aforesaid, and upon each of said ten representative defendants, and shall also be published for a period of four weeks in at least two weekly newspapers having general circulation in the Choctaw and Chickasaw nations. Such notice shall set forth the nature and prayer of the bill, with the time for answering the same, which shall not be less than thirty days after the last publication. Said suit shall be determined at the earliest practicable time, shall be confined to a final determination of the questions of law here named, and shall be without prejudice to the determination of any charge or claim that the admission of such persons to citizenship or enrollment by said United States courts in the Indian Territory was wrongfully obtained as provided in the next section. In the event said citizenship judgments or decisions are annulled or vacated in the test suit hereinbe-

fore authorized, because of either or both of the irregularities claimed and insisted upon by said nations as aforesaid, then the files, papers, and proceedings in any citizenship case in which the judgment or decision is so annulled or vacated, shall, upon written application therefor, made within ninety days thereafter by any party thereto, who is thus deprived of a favorable judgment upon his claimed citizenship, be transferred and certified to said citizenship court by the Court having custody and control of such files, papers, and proceedings, and, upon the filing in such citizenship court of the files, papers and proceedings in any such citizenship case, accompanied by due proof that notice in writing of the transfer and certification thereof has been given to the chief executive officer of each of said nations, said citizenship case shall be docketed in said citizenship court, and such further proceedings shall be had therein in that court as ought to have been had in the court to which the same was taken on appeal from the Commission to the Five Civilized Tribes, and as if no judgment or decision had been rendered therein.

Wallace v. Adams, 204 U. S. 420, 51 L. Ed. 547.

Citizenship Court—Jurisdiction—Appeals.

32. Said citizenship court shall also have appellate jurisdiction over all judgments of the courts in Indian Territory rendered under said act of Congress of June tenth, eighteen hundred and ninety-six, admitting persons to citizenship or to enrollment as citizens in either of said nations. The right of appeal may be exercised by the said nations jointly or by either of them acting separately at any time within six months after this agreement is finally ratified. In the exercise of such appellate jurisdiction said citizenship court shall be authorized to consider, review, and revise all such judgments, both as to

findings of fact and conclusions of law, and may, wherever in its judgment substantial justice will thereby be subserved, permit either party to any such appeal to take and present such further evidence as may be necessary to enable said court to determine the very right of the controversy. And said court shall have power to make all needful rules and regulations prescribing the manner of taking and conducting said appeals and of taking additional evidence therein. Such citizenship court shall also have like appellate jurisdiction and authority over judgments rendered by such courts under the said act denying claims to citizenship or to enrollment as citizens in either of said nations. Such appeals shall be taken within the time hereinbefore specified and shall be taken, conducted, and disposed of in the same manner as appeals by the said nations, save that notice of appeals by citizenship claimants shall be served upon the chief executive officer of both nations: Provided, That paragraphs thirty-one and thirty-two, and thirty-three hereof shall go into effect immediately after the passage of this act by Congress.

Citizenship Court—Powers—Procedure.

33. A court is hereby created, to be known as the Choctaw and Chickasaw citizenship court, the existence of which shall terminate upon the final determination of the suits and proceedings named in the last two preceding sections, but in no event later than the thirty-first day of December, nineteen hundred and three. Said court shall have all authority and power necessary to the hearing and determination of the suits and proceedings so committed to its jurisdiction, including the authority to issue and enforce all requisite writs, process, and orders, and to prescribe rules and regulations for the transaction of its business. It shall also have the powers of a circuit

court of the United States in compelling the production of books, papers, and documents, the attendance of witnesses, and in punishing contempt. Except where herein otherwise expressly provided, the pleadings, practice, and proceedings in said court shall conform, as near as may be, to the pleadings, practice, and proceedings in equity causes in the circuit courts of the United States. The testimony shall be taken in court or before one of the judges, so far as practicable. Each judge shall be authorized to grant, in vacation or recess, interlocutory orders and to hear and dispose of interlocutory motions not affecting the substantial merits of the case. Said court shall have a chief judge and two associate judges, a clerk, a stenographer, who shall be deputy clerk, and a bailiff. The judges shall be appointed by the President, by and with the advice and consent of the Senate, and shall each receive a compensation of five thousand dollars per annum, and his necessary and actual traveling and personal expenses while engaged in the performance of his duties. The clerk, stenographer, and bailiff shall be appointed by the judges, or a majority of them, and shall receive the following yearly compensation: Clerk, two thousand four hundred dollars; Stenographer, twelve hundred dollars; bailiff, nine hundred dollars. The compensation of all these officers shall be paid by the United States in monthly installments. The moneys to pay said compensation are hereby appropriated, and there is also hereby appropriated the sum of five thousand dollars, or so much thereof as may be necessary, to be expended under the direction of the Secretary of the Interior, to pay such contingent expenses of said court and its officers as to such Secretary may seem proper. Said court shall have a seal, shall sit at such place or places in the Choctaw and Chickasaw nations as the judges may designate, and shall hold public sessions, beginning the first Monday in each month, so far as may be practicable or necessary. Each judge and the clerk and deputy clerk shall be authorized to administer oaths. All writs and process issued by said court shall be served by the United

States marshal for the district in which the service is to be had. The fees for serving process and the fees of witnesses shall be paid by the party at whose instance such process is issued or such witnesses are subpoenaed, and the rate or amount of such fees shall be the same as is allowed in civil causes in the circuit court of the United States for the Western district of Arkansas. No fees shall be charged by the clerk or other officers of said Court. The clerk of the United States Court in Indian Territory, having custody and control of the files, papers, and proceedings in the original citizenship cases, shall receive a fee of two dollars and fifty cents for transferring and certifying to the citizenship court the files, papers, and proceedings in each case, without regard to the number of persons whose citizenship is involved therein, and said fee shall be paid by the person applying for such transfer and certification. The judgment of the citizenship court in any or all of the suits or proceedings so committed to its jurisdiction shall be final. All expenses necessary to the proper conduct, on behalf of the nations, of the suits and proceedings provided for in this and the two preceding sections shall be incurred under the direction of the executives of the two nations, and the Secretary of the Interior is hereby authorized, upon certificate of said executives, to pay such expenses as in his judgment are reasonable and necessary out of any of the joint funds of said nations in the Treasury of the United States.

34. During the ninety days first following the date of the final ratification of this agreement the Commission to the Five Civilized Tribes may receive applications for enrollment only of persons whose names are on the tribal rolls, but who have not heretofore been enrolled by said Commission, commonly

known as "delinquents," and such intermarried white persons as may have married recognized citizens of the Choctaw and Chickasaw nations in accordance with the tribal laws, customs, and usages on or before the date of the passage of this act by Congress, and such infant children as may have been born to recognized and enrolled citizens on or before the date of the final ratification of this agreement; but the application of no person whomsoever for enrollment shall be received after the expiration of the said ninety days: Provided, That nothing in this section shall apply to any person or persons making application for enrollment as Mississippi Choctaws, for whom provision has herein otherwise been made.

Limitation of Enrollments and Allotments.

35. No person whose name does not appear upon the rolls prepared as herein provided shall be entitled to in any manner participate in the distribution of the common property of the Choctaw and Chickasaw tribes, and those whose names appear thereon shall participate in the manner set forth in this agreement: Provided, That no allotment of land or other tribal property shall be made to any person, or to the heirs of any person, whose name is on the said rolls, and who died prior to the date of the final ratification of this agreement. not as temporary allotments, but as final allotments, and in the event that it shall be finally determined in said suit that the Chickasaw freedmen are not, independently of this agreement, entitled to allotments in the Choctaw and Chickasaw lands, the Court of Claims shall render a decree in favor of the Choctaw and Chickasaw nations according to their respective interests, and against the United States, for the value of the lands so allotted to the Chickasaw freedmen as ascertained by the appraisal thereof made by the Commission to the Five Civilized Tribes for the purpose of allotment, which decree shall take the place of the said lands and shall be in full satisfaction of all claims by the Choctaw and Chickasaw nations against the United States or the said freedmen on account of the taking of the said lands for allotment to said freedmen: Provided, That nothing contained in this paragraph shall be construed to affect or change the existing status or rights of the two tribes as between themselves respecting the lands taken for allotment to freedmen, or the money, if any, recovered as compensation therefor, as aforesaid.

45. The Choctaw and Chickasaw tribes hereby assent to the act of Congress approved May 31, 1900 (31 Stats., 221),

Townsites—Vacancies in Townsite Commissions.

49. Whenever the chief executive of the Choctaw or Chickasaw Nation fails or refuses to appoint a town-site commissioner for any town, or to fill any vacancy caused by the neglect or refusal of the town-site commissioner appointed by the chief executive of the Choctaw or Chickasaw Nation to qualify or act, or otherwise, the Secretary of the Interior, in his discretion, may appoint a commissioner to fill the vacancy thus created.

Surveys of Townsites Confirmed.

58. Within six months after the final ratification of this agreement the Secretary of the Interior shall ascertain, so far as may be practicable, what lands are principally valuable because of their deposits of coal or asphalt, including therein all lands which at the time of the final ratification of this agreement shall be covered by then existing coal or asphalt leases, and within that time he shall, by a written order, segregate and reserve from allotment all of said lands. Such segregation and reservation shall conform to the subdivisions of the Government survey as nearly as may be, and the total segregation and reservation shall not exceed five hundred thousand acres. No lands so reserved shall be allotted to any member or freedman, and the improvements of any member or freedman existing upon any of the lands so segregated and reserved at the time of their segregation and reservation shall be appraised under the direction of the Secretary of the Interior, and shall be paid for out of any common funds of the two tribes in the Treasury of the United States, upon the order of the Secretary of the Interior. segregated and reserved, shall be deemed a part of the land and shall pass to the allottee or other person who may lawfully acquire title to such lands.

Sale of Segregated Coal and Asphalt Lands.

59. All lands segregated and reserved under the last preceding section, excepting those embraced within the limits of a town site, established as hereinbefore provided, shall, within three years from the final ratification of this agreement and before the dissolution of the tribal governments, be sold at public auction for cash, under the direction of the President, by a commission composed of three persons, which shall be appointed by the President, one on the recommendation of the principal chief of the Choctaw Nation, who shall be a Choctaw by blood, and one on the recommendation of the governor of the Chickasaw Nation, who shall be a Chickasaw by blood. Either of said commissioners may, at any time, be removed by the President for good cause shown. Each of said Commissioners shall be paid at the rate of four thousand dollars per annum, the Choctaw commissioner to be paid by the Choctaw Nation, the Chickasaw commissioner to be paid by the Chickasaw Nation, and the third commissioner to be paid by the United States. In the sale of coal and asphalt lands and coal and asphalt deposits hereunder, the commission shall have the right to reject any or all bids which it considers below the value of any such lands or deposits. The proceeds arising from the sale of coal and asphalt lands and coal and asphalt deposits shall be deposited in the Treasury of the United States to the credit of said tribes and paid out per capita to the members of said tribes (freedmen excepted) with the other moneys belonging to said tribes in the manner provided by law. The lands embraced within any coal or asphalt lease shall be separately sold, subject to such lease, and the purchaser shall succeed to all the rights of the two tribes of every kind and character, under the lease, but all advanced royalties received by the tribes shall be retained by them. The lands so segregated

and reserved, and not included within any existing coal or asphalt lease, shall be sold in tracts not exceeding in area a section under the Government survey.

Time of Sale.

60. Upon the recommendation of the chief executive of each of the two tribes, and where in the judgment of the President it is advantageous to the tribes so to do, the sale of any coal or asphalt lands which are herein directed to be sold may be made at any time after the expiration of six months from the final ratification of this agreement, without awaiting the expiration of the period of two years, as hereinbefore provided.

Leases of Coal and Asphalt Lands Prohibited.

61. No lease of any coal or asphalt lands shall be made after the final ratification of this agreement, the provisions of the Atoka agreement to the contrary notwithstanding.

Sorrels v. Jones, 26 Okla. 569, 110 Pac. 743.

Sale of Reserved Coal and Asphalt Lands.

62. Where any lands so as aforesaid segregated and reserved on account of their coal or asphalt deposits are in this agreement specifically reserved from allotment for any other reason, the sale to be made hereunder shall be only of the coal and asphalt deposits contained therein, and in all other respects the other specified reservation of such lands herein provided for shall be fully respected.

Coal and Asphalt Lands—Patents to Purchasers.

63. The chief executives of the two tribes shall execute and deliver with the approval of the Secretary of the Interior, to each purchaser of any coal or asphalt lands so sold, and to each purchaser of any coal or asphalt deposits so sold, an appropriate patent or instrument of conveyance, conveying to the purchaser the property so sold.

Such other lands as may be embraced in a town site at that point shall be disposed of in the manner provided in the Atoka agreement for the disposition of town sites. Within ninety days after the selection of the lands so ceded there shall be deposited in the Treasury of the United, to the credit of the two tribes, from the unappropriated public moneys of the United States, twenty dollars per acre for each acre so selected, which shall be in full compensation for the lands so ceded, and such moneys shall, upon the dissolution of the tribal governments, be divided per capita among the members of the tribes, freedmen excepted, as are other funds of the tribes. All improvements upon the lands so selected which were lawfully there at the time of the ratification of this agreement by Congress shall be appraised, under the direction of the Secretary of the Interior, at the true value

thereof at the time of the selection of said lands, and shall be paid for by warrants drawn by the Secretary of the Interior upon the Treasurer of the United States. Until otherwise provided by law, the Secretary of the Interior may, under rules prescribed for that purpose, regulate and control the use of the water of said springs and creeks and the temporary use and occupation of the lands so ceded. No person shall occupy any portion of the lands so ceded or carry on any business thereon, except as provided in said rules, and until otherwise provided by Congress the laws of the United States relating to the introduction, possession, sale, and giving away of liquors or intoxicants of any kind within the Indian country or Indian reservations shall be applicable to the lands so ceded, and said lands shall remain within the jurisdiction of the United States court for the southern district of Indian Territory: Provided, however, That nothing contained in this section shall be construed or held to commit the Government of the United States to any expenditure of money upon said lands or the improvements thereof, except as provided herein, it being the intention of this provision that in the future the lands and improvements herein mentioned shall be conveyed by the United States to such Territorial or State organization as may exist at the time when such conveyance is made.

AN ACT TO PROVIDE FOR THE SALE OF THE SURFACE OF THE SEGREGATED COAL AND ASPHALT LANDS OF THE CHOCTAW AND CHICKASAW NATIONS, AND FOR OTHER PURPOSES.

Lands to Be Sold for not Less than Appraised Value—Appraisal—Procedure.

BE IT ENACTED BY THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES OF AMERICA IN CONGRESS ASSEMBLED, That the Secretary of the Interior is hereby authorized to sell at not less than

the appraised price, to be fixed as hereinafter provided, the surface, leased and unleased, of the lands of the Choctaw and Chickasaw Nations in Oklahoma segregated and reserved by order of the Secretary of the Interior dated March twenty-fourth, nineteen hundred and three, authorized by the Act approved July first, nineteen hundred and two. The surface herein referred to shall include the entire estate save the coal and asphalt reserved. Before offering such surface for sale the Secretary of the Interior, under such regulations as he may prescribe, shall cause the same to be classified and appraised by three appraisers, to be appointed by the President, at a compensation to be fixed by him, not to exceed for salary and expenses for each appraiser the sum of fifteen dollars per day for the time actually engaged in making such classification and appraisal. The classification and appraisal of the surface shall be by tracts, according to the Government survey of said lands, except that lands which are especially valuable by reason of proximity to towns or cities may, in the discretion of the Secretary of the Interior, be subdivided into lots or tracts containing not less than one acre. In appraising said surface the value of any improvements thereon belonging to the Choctaw and Chickasaw Nations, except such improvements as have been placed on coal or asphalt lands leased for mining purposes, shall be taken into consideration. The surface shall be classified as agricultural, grazing, or as suitable for town lots. The classification and appraisal provided for herein shall be completed within six months from the date of the passage of this Act, shall be sworn to by the appraisers, and shall become effective when approved by the Secretary of the Interior: Provided, That in the proceedings and deliberation of said appraisers in the process of said appraisal and in the approval thereof the Choctaw and Chickasaw Nations may present for consideration facts, figures, and arguments bearing upon the value of said property.

Holder's Preference Right to Purchase—Failure to Exercise Preference.

SEC. 2. That after such classification and appraisal has been made each holder of a coal or asphalt lease shall have a right for sixty days, after notice in writing, to purchase, at the appraised value and upon the terms and conditions hereinafter prescribed, a sufficient amount of the surface of the land covered by his lease to embrace improvements actually used in present mining operations or necessary for future operations up to five per centum of such surface, the number, location, and extent of the tracts to be thus purchased to be approved by the Secretary of the Interior: Provided, That the Secretary of the Interior may, in his discretion, enlarge the amount of land to be purchased by any such lessee to not more than ten per centum of such surface: Provided further, That such purchase shall be taken and held as a waiver by the purchaser of any and all rights to appropriate to his use any other part of the surface of such land, except for the purpose of future operations, prospecting, and for ingress and egress, as hereinafter reserved: Provided further, That if any lessee shall fail to apply to purchase under the provisions of this section within the time specified the Secretary of the Interior may, in his discretion, with the consent of the lessee, designate and reserve from sale such tract or tracts as he may deem proper and necessary to embrace improvements actually used in present mining operations, or necessary for future operations, under any existing lease, and dispose of the remaining portion of the surface within such lease free and clear of any claim by the lessee, except for the purposes of future operations, prospecting, and for ingress and egress, as hereinafter reserved.

Condition of Sales—Procedure.

SEC. 3. That sales of the surface under this Act shall be upon the conditions that the Choctaw and Chickasaw Nations, their grantees, lessees, assigns, or successors, shall have the right at all times to enter upon said lands for the purpose

of prospecting for coal or asphalt thereon, and also the right of underground ingress and egress, without compensation to the surface owner, and upon the further condition that said nations, their grantees, lessees, assigns, or successors, shall have the right to acquire such portions of the surface of any tract, tracts, or rights thereto as may be reasonably necessary for prospecting or for the conduct of mining operations or for the removal of deposits of coal and asphalt upon paying a fair valuation for the portion of the surface so acquired. If the owner of the surface and the then owner or lessee of such mineral deposits shall be unable to agree upon a fair valuation for the surface so acquired, such valuation shall be determined by three arbitrators, one to be appointed, in writing, a copy to be served on the other party by the owner of the surface, one in like manner by the owner or lessee of the mineral deposits, and the third to be chosen by the two so appointed; and in case the two arbitrators so appointed should be unable to agree upon a third arbitrator within thirty days, then and in that event, upon the application of either interested party, the United States district judge in the district within which said land is located shall appoint the third arbitrator: Provided, That the owner of such mineral deposits or lessee thereof shall have the right of entry upon the surface so to be acquired for mining purposes immediately after the failure of the parties to agree upon a fair valuation and the appointment, as above provided, of an arbitrator by the said owner or lessee.

Sales at Public Auction—When to Be Made.

SEC. 4. That upon the expiration of two years after the lands have been first offered for sale the Secretary of the Interior, under rules and regulations to be prescribed by him, shall cause to be sold to the highest bidder for cash the surface of any lands remaining unsold and of any surface lands forfeited by reason of nonpayment of any part of the purchase price, without regard to the appraised value thereof: Provided, That the Secretary of the Interior is authorized to sell

at not less than the appraised value to the McAlester Country Club, of McAlester, Oklahoma, the surface of not to exceed one hundred and sixty acres in section seventeen, township five north, range fifteen east: Provided further, That the mineral underlying the surface of the lands condemned for the State penitentiary at McAlester, Oklahoma, under the Indian appropriation Act approved March third, nineteen hundred and nine, shall be subject to condemnation, under the laws of the State of Oklahoma, for State penitentiary purposes: And Provided further, That said mineral shall not be mined for other than State penitentiary purposes.

Sales at Public Auction—Procedure—Terms of Payment.

SEC. 5. That the sales herein provided for shall be at public auction under rules and regulations and upon terms to be prescribed by the Secretary of the Interior, except that no payment shall be deferred longer than two years after the sale is made. All agricultural lands shall be sold in tracts not to exceed one hundred and sixty acres, and deeds shall not be issued to any one person for more than one hundred and sixty acres of agricultural land, grazing lands in tracts not to exceed six hundred and forty acres, and lands especially valuable by reason of proximity to towns or cities may, in the discretion of the Secretary of the Interior, be sold in lots or tracts containing not less than one acre each. All deferred payments shall bear interest at five per centum per annum, and if default be made in any payment when due all rights of the purchaser thereunder shall, at the discretion of the Secretary of the Interior, cease and the lands shall be taken possession of by him for the benefit of the two nations, and the money paid as the purchase price of such lands shall be forfeited to the Choctaw and Chickasaw Tribes of Indians.

Sales—Procedure—Issuance of Patents.

SEC. 6. That if the mining trustees of the Choctaw and Chickasaw Nations and the three appraisers herein provided for, or a majority of the said trustees and appraisers, shall find

that such tract or tracts can not be profitably mined for coal or asphalt and can be more advantageously disposed of by selling the surface and the coal and asphalt together, such tract or tracts may be sold in that manner, in the discretion of the Secretary of the Interior, and patents issued for said lands as provided by existing laws: Provided, That this section shall not apply to land now leased for the purpose of mining coal or asphalt within the segregated and reserved area herein described.

Issuance of Patents.

SEC. 7. That when full purchase price for any property sold herein is paid, the chief executive of the two tribes shall execute and deliver, with the approval of the Secretary of the Interior, to each purchaser an appropriate patent or instrument of conveyance conveying to the purchaser the property so sold, and all conveyances made under this Act shall convey the fee in the land with reservation to the Choctaw and Chickasaw Tribes of Indians of the coal and asphalt in such land, and shall contain a clause or clauses reciting and containing the reservations, restrictions, covenants, and conditions under which the said property was sold, as herein provided, and said conveyance shall specifically provide that the reservations, restrictions, covenants, and conditions therein contained shall run with the land and bind the grantees, successors, representatives, and assigns of the purchaser of the surface: Provided, That the purchaser of the surface of any coal or asphalt land shall have the right at any time before final payment is due to pay the full purchase price on the surface of said coal or asphalt land, with accrued interest, and shall thereupon be entitled to patent therefor, as herein provided.

Appropriations.

SEC. 8. That there is hereby appropriated out of any moneys in the Treasury not otherwise appropriated belonging to the Choctaw and Chickasaw Tribes of Indians, the sum of fifty thousand dollars to pay expenses of the classification, appraise-

ment, and sales herein provided for, and the proceeds received from the sales of lands hereunder shall be paid into the Treasury of the United States to the credit of the Choctaws and Chickasaws and disposed of in accordance with section seventeen of an Act entitled "An Act to provide for the final disposition of the affairs of the Five Civilized Tribes in Indian Territory, and for other purposes," approved April twenty-sixth, nineteen hundred and six, and the Indian Appropriation Act approved March third, nineteen hundred and eleven.

Secretary of Interior to Prescribe Rules and Regulations.

SEC. 9. That the Secretary of the Interior be, and he is hereby, authorized to prescribe such rules, regulations, terms, and conditions not inconsistent with this Act as he may deem necessary to carry out its provisions, including the establishment of an office during the sale of this land at McAlester, Pittsburg County, Oklahoma.

Dawes Commission Created—Purpose and Authority of.

SEC. 16. The President shall nominate and, by and with the advice and consent of the Senate, shall appoint three commissioners to enter into negotiations with the Cherokee Nation, the Choctaw Nation, the Chickasaw Nation, the Muskogee (or Creek) Nation, the Seminole Nation, for the purpose of extinguishment of the national or tribal title to any lands within that territory now held by any and all of such nations or tribes, either by cession of the same, or some part thereof to the

United States, or by the allotment and division of the same in severalty among the Indians of such nations or tribes, respectively, as may be entitled to the same, or by such other method as may be agreed upon between the several nations and tribes aforesaid, or each of them, with the United States, with a view to such an adjustment, upon the basis of justice and equity, as may, with the consent of such nations or tribes of Indians, so far as may be necessary, be requisite and suitable to enable the ultimate creation of a State or States of the Union which shall embrace the lands within the said Indian Territory.

Such commissioners shall, under such regulations and directions as shall be prescribed by the President, through the Secretary of the Interior, enter upon negotiation with the several nations of Indians as aforesaid in the Indian Territory, and shall endeavor to procure, first, such allotment of lands in severalty to the Indians belonging to each such nation, tribe or band, respectively, as may be agreed upon as just and proper to provide for each such Indian a sufficient quantity of land for his or her needs, in such equal distribution and apportionment as may be found just and suited to the circumstances; for which purpose, after the terms of such an agreement shall have been arrived at, the said commissioners shall cause the land of any such nation or tribe, or band to be surveyed and the proper allotment to be designated; and secondly, to procure the cession, for such price and upon such terms as shall be agreed upon, of any lands not found necessary to be so allotted or divided, to the United States; and to make proper agreements for the investment or holding by the United States of such moneys as may be paid or agreed to be paid to such nation, or tribes, or bands, or to any of the Indians thereof, for the extinguishment of their (interests) therein. ultimate creation of a territory of the United States with a view to the admission of the same as a State in the Union.

**Dawes Commission Continued—Rolls of Citizenship—Appeals—
Government of Indian Territory.**

That said commission is further authorized and directed to proceed at once to hear and determine the application of all persons who may apply to them for citizenship in any of said nations, and after such hearing they shall determine the right of such applicant to be so admitted and enrolled: Provided, however, That such application shall be made to such Commissioners within three months after the passage of this Act. The said commission shall decide all such applications within ninety days after the same shall be made. That in determining all such applications said commission shall respect all laws of the several nations or tribes, not inconsistent with the laws of the United States, and all treaties with either of said nations or tribes, and shall give due force and effect to the rolls, usages, and customs of each of said nations or tribes: And Provided, further, That the rolls of citizenship of the several tribes as now existing are hereby confirmed, and any person who shall claim to be entitled to be added to said rolls as a citizen of either of said tribes and whose right thereto has either been denied or not acted upon, or any citizen who may within three months from and after the passage of this Act

desire such citizenship, may apply to the legally constituted court or committee designated by the several tribes for such citizenship, and such court or committee shall determine such application within thirty days from the date thereof.

In the performance of such duties said Commission shall have power and authority to administer oaths, to issue process and compel the attendance of witnesses, and to send for persons and papers, and all depositions and affidavits and other evidence in any form whatsoever heretofore taken where the witnesses giving said testimony are dead or now residing beyond the limits of said Territory, and to use every fair and reasonable means within their reach for the purpose of determining the rights of persons claiming such citizenship, or to protect any of said nations from fraud or wrong, and the rolls so prepared by them shall be hereafter held and considered to be the true and correct rolls of persons entitled to the rights of citizenship in said several tribes; Provided, That if the tribe, or any person, be aggrieved with the decision of the tribal authorities or the commission provided for in this Act, it or he may appeal from such decision to the United States district court: Provided, however, That the appeal shall be taken within sixty days, and the judgment of the court shall be final.

That the said commission, after the expiration of six months, shall cause a complete roll of citizenship of each of said nations to be made up from their records, and add thereto the names of citizens whose right may be conferred under this Act, and said rolls shall be, and are hereby, made rolls of citizenship of said nations or tribes, subject, however, to the determination of the United States courts, as provided herein.

The commission is hereby required to file the lists of members as they finally approve them with the Commissioner of Indian Affairs to remain there for use as the final judgment of the duly constituted authorities. And said commission shall also make a roll of freedmen entitled to citizenship in said tribes and shall include their names in the lists of members to

be filed with the Commissioner of Indian Affairs. And said commission is further authorized and directed to make a full report to Congress of leases, tribal and individual, with the area, amount and value of the property leased and the amount received therefor, and by whom and from whom said property is leased, and is further directed to make a full and detailed report as to the excessive holdings of members of said tribes and others.

It is hereby declared to be the duty of the United States to establish a government in the Indian Territory which will rectify the many inequalities and discriminations now existing in said Territory and afford needful protection to the lives and property of all citizens and residents thereof.

Surveying lands in the Indian Territory: For the completion of the survey of the lands in the Indian Territory, two hundred thousand dollars, or so much thereof, as may be necessary, to be immediately available: Provided, That the surveys herein authorized, or any part of them, in the Indian Territory shall be made under the supervision of the Director of the Geological Survey by such persons as may be employed by or under him for that purpose. And such surveys shall be executed under instructions to be issued by the Secretary of the Interior, and subdivisional surveys shall be executed under the rectangular system, as now provided by law: Provided further, That when any surveys shall have been so made and plats and field notes thereof prepared, they shall be approved and certified to by the Director of the Geological Survey, and two copies thereof shall be returned, one for filing in the Indian Office and one in the General Land Office; and such surveys, field notes, and plats shall have the same legal force and effect as heretofore given to the acts of surveyors general: Provided further, That all laws inconsistent with the provisions hereof are hereby declared to be inoperative as respects such surveys: Provided further, That hereafter, in the public

land surveys of the Indian Territory, iron or stone posts shall be erected at each township corner, upon which shall be recorded the usual marks required to be placed on township corners by the laws and regulations governing public land surveys; also, that similar monuments shall be established at the corners of the townships that have been already surveyed by the Geological Survey: And Provided further, That the entire cost and transportation of such monuments to the Indian Territory shall not exceed five thousand dollars, and the cost of the setting of the monuments in the areas already surveyed shall not exceed two thousand five hundred dollars: Provided further, That hereafter it shall be unlawful for any person to destroy, deface, change, or remove to another place any section corner, quarter-section corner, or meander post, on any Government line or survey, or to cut down any witness tree or any tree blazed to mark the line of a Government survey, or to deface, change, or remove any monument or bench mark of any Government survey. That any person who shall offend against any of the provisions of this paragraph shall be deemed guilty of a misdemeanor, and upon conviction thereof in any court shall be fined not exceeding two hundred and fifty dollars, or be imprisoned not more than one hundred days. All the fines accruing under this paragraph shall be paid into the Treasury, and the informer in each case of conviction shall be paid the sum of twenty-five dollars.

But it shall not receive, consider, or make any record of any application of any person for enrollment as a member of any tribe in Indian Territory who has not been a recognized citizen thereof, and duly and lawfully enrolled or admitted as such, and its refusal of such applications shall be final when approved by the Secretary of the Interior: Provided, That any Mississippi Choctaw duly identified as such by the United States Commission to the Five Civilized Tribes shall have the right, at any time prior to the approval of the final rolls of the Choctaws and Chickasaws by the Secretary of the Interior, to make

Ikard v. Minter, 4 I. T. 214, 69 S. W. 852.

Redbird v. U. S. 203, U. S. 80, 51 L. Ed. 96.

To pay all expenses incident to the survey, platting and appraisement of town sites in the Choctaw, Chickasaw, Creek, and Cherokee nations, Indian Territory, as required by sections fifteen and twenty-nine of an Act entitled "An Act for the protection of the people of the Indian Territory, and for other purposes," approved June twenty-eight, eighteen hundred and ninety-eight, for the balance of the current year and for the year ending June thirtieth, nineteen hundred and one, the same to be immediately available, sixty-seven thousand dollars, or so much as may be necessary: Provided, That the Secretary of the Interior is hereby authorized, under rules and regulations to be prescribed by him, to survey, lay out, and plat into town lots, streets, alleys, and parks, the sites of such towns and villages in the Choctaw, Chickasaw, Creek, and Cherokee nations, as may at that time have a population of two hundred or more, in such manner as will best subserve the then present needs and the reasonable prospective growth of such towns. The work of surveying, laying out, and platting such town sites shall be done by competent surveyors, who shall prepare five copies of the plat of each town site which when the survey is approved by the Secretary of the Interior, shall be filed as follows: One in the office of the Commissioner of Indian Affairs, one with the principal chief of the nation, one with the clerk of the court within the territorial jurisdiction of which the town is located, one with the Commission to the Five Civilized Tribes, and one with the town authorities. if

there be such. Where in his judgment the best interests of the public service require, the Secretary of the Interior may secure the surveying, laying out, and platting of town sites in any of said nation by contract.

Hereafter the work of the respective town-site commissions provided for in the agreement with the Choctaw and Chickasaw tribes ratified in section twenty-nine of the Act of June twenty-eight, eighteen hundred and ninety-eight, entitled "An Act for the protection of the people of the Indian Territory, and for the other purposes," shall begin as to any town site immediately upon the approval of the survey by the Secretary of the Interior and not before.

The Secretary of the Interior may in his discretion appoint a town-site commission consisting of three members for each of the Creek and Cherokee nations, at least one of whom shall be a citizen of the tribe and shall be appointed upon the nomination of the principal chief of the tribe. Each Commission, under the supervision of the Secretary of the Interior, shall appraise and sell for the benefit of the tribe the town lots in the nation for which it is appointed, acting in conformity with the provisions of any then existing Act of Congress or agreement with the tribe approved by Congress. The agreement of any two members of the commission as to the true value of any lot shall constitute a determination thereof, subject to the approval of the Secretary of the Interior, and if no two members are able to agree the matter shall be determined by such Secretary.

Where in his judgment the public interests will be thereby subserved, the Secretary of the Interior may appoint in the Choctaw, Chickasaw, Creek or Cherokee Nations a separate town-site commission for any town, in which event as to that town such local commission may exercise the same authority and perform the same duties which would otherwise devolve upon the commission for that Nation. Every such local commission shall be appointed in the manner provided in the Act approved June twenty-eight, eighteen hundred and ninety-

eight, entitled "An Act for the protection of the people of the Indian Territory."

The Secretary of the Interior, where in his judgment the public interests will be thereby subserved, may permit the authorities of any town in any of said nations, at the expense of the town, to survey, lay out, and plat the site thereof, subject to his supervision and approval, as in other instances.

As soon as the plat of any town site is approved, the proper commission shall, with all reasonable dispatch and within a limited time, to be prescribed by the Secretary of the Interior, proceed to make the appraisement of the lots and improvements, if any, thereon, and after the approval thereof by the Secretary of the Interior, shall, under the supervision of such Secretary, proceed to the disposition and sale of the lots in conformity with any then existing Act of Congress or agreement with the tribe approved by Congress, and if the proper commission shall not complete such appraisement and sale within the time limited by the Secretary of the Interior, they shall receive no pay for such additional time as may be taken by them, unless the Secretary of the Interior for good cause shown shall expressly direct otherwise.

The Secretary of the Interior may, for good cause, remove any member of any townsite commission, tribal or local, in any of said nations, and may fill the vacancy thereby made or any vacancy otherwise occurring in like manner as the place was originally filled.

It shall not be required that the townsite limits established in the course of the platting and disposing of town lots and the corporate limits of the town, if incorporated, shall be identical or coextensive, but such townsite limits and corporate limits shall be so established as to best subserve the then present needs and the reasonable prospective growth of the town, as the same shall appear at the times when such limits are respectively established: Provided further, That the exterior limits of all townsites shall be designated and fixed at the earliest practic-

able time under rules and regulations prescribed by the Secretary of the Interior.

Upon the recommendation of the Commission to the Five Civilized Tribes the Secretary of the Interior is hereby authorized at any time before allotment to set aside and reserve from allotment any lands in the Choctaw, Chickasaw, Creek, or Cherokee nations, not exceeding one hundred and sixty acres in any one tract, at such stations as are or shall be established in conformity with law on the line of any railroad which shall be constructed or be process of construction in or through either of said nations prior to the allotment of the lands therein, and this irrespective of the population of such townsite at the time. Such townsites shall be surveyed, laid out, and platted, and the lands therein disposed of for the benefit of the tribe in the manner herein prescribed for other townsites: Provided further, That whenever any tract of land shall be set aside as herein provided which is occupied by a member of the tribe, such occupant shall be fully compensated for his improvements thereon under such rules and regulations as may be prescribed by the Secretary of the Interior.

Nothing herein contained shall have the effect of avoiding any work heretofore done in pursuance of the said Act of June twenty-eighth, eighteen hundred and ninety-eight, in the way of surveying, laying out, or platting of townsites, appraising or disposing of town lots in any of said nations, but the same, if not heretofore carried to a state of completion, may be completed according to the provisions hereof.

Any such purchaser shall, without unreasonable delay, apply to select as an allotment the land upon which the improvements purchased by him are located, and shall submit with his application satisfactory proof that he has in good faith purchased such improvements.

That the Secretary of the Interior be, and he is hereby, authorized and directed, upon the sale of lands in Indian Territory covered by coal and asphalt leases, to sell such lands subject to the right of the lessee to use so much of the surface as may be needed for coke ovens, miners' houses, store and supply buildings, and such other structures as are generally used in the production and shipment of coal and coke. Lessees may use the tipples and underground workings located on any lease in the production of coal and coke from adjoining leases, and

are hereby authorized to surrender leased premises to the owner thereof on giving sixty days' notice in writing to such owner and paying all charges and royalties due to the date of surrender: Provided, however, That nothing herein contained shall release the lessee from the payment of the stipulated royalty so long as such lessee remains in possession of any of the surface of the lands included in his lease for any purposes whatever: And provided, That any lessee may remove or dispose of any machinery, tools or equipment the lessee may have upon the leased lands. . . .

All unleased lands which are by section fifty-nine of an Act entitled "An Act to ratify and confirm an agreement with the Choctaw and Chickasaw tribes of Indians, and for other purposes," approved July first, nineteen hundred and two, directed to "be sold at public auction for cash," and all other unleased lands and deposits of like character in said nations segregated under any Act of Congress, shall, instead, be sold under direction of the Secretary of the Interior in tracts not exceeding nine hundred and sixty acres to each person, after due advertisement, upon sealed proposals, under regulations to be prescribed by the Secretary of the Interior and approved by the President, with authority to reject any or all proposals: Provided, That the President shall appoint a commission of three persons, one on the recommendation of the principal chief of the Choctaw Nation who shall be a Choctaw by blood, and one upon the recommendation of the governor of the Chickasaw Nation, who shall be a Chickasaw by blood, which commission shall have a right to be present at the time of the opening of bids and be heard in relation to the acceptance or rejection thereof.
