Agenda

- Discussing and divide activities to be performed by each member.
- discussing about new model.

Minutes

Group leader praveen came up with a new idea of SSV .because there were too many changes to be made in model SSV, so he suggested to make an all-new model, with new and attractive SSV model. All team members also agreed, because old model was very simple, we decided them not only working but also outlook of the solar car matters. All come up with new ideas even thought it was the 3rd SSV model.
