## California in Congress.

California in Congress. In our extracts from papers received from the States, in to-days issue, will be found a ynopsis of the bill introduced by Senator Gyrst, on the 10th of Dec., as a substitute for the one proposed by Mr. FARNON, dur-ing the last serion, "to ascortain and settle the private land claims in the State of Cali-fornia." On Mondex we bell multible the

ing the last session, "to ascortain and settle the private land claims in the State of Cali-fornia." On Monday we shall publish the bill entire, with the corrections mude by the Senator himself after it was printed. Our private address from Washington as-ware us that the kill introduced by Mr. Gwars will poss, and that it probably would be acted upon at an early day. We also learn from a source entitled to surrendering to California the revenues col-lected before her admission into the fuin-surrendering to California the revenues col-lected before her admission into the fuin-and the state from of intelliguene will be ex-oedly graitfying, and if it should meet with a fuorable reception by Congress. as it should do it would at one relieve California from her present embarrassments, and place her completely in the road to prosperity. We shall not yet despir for receiving at least partial justies at the hands of the rep-resentatives of the Chasprake and the Euders.

Return of the Chesapeake and the En The propeller Chesapeake, which left this et on Sunday last for Gold Bluff, returned port on Sunday last for Gold Bluit, returned into port yesterday morning, in a leaky con-

From a passenger on board of her, we learn that on Tuesday, the third day out, the wind blew almost a gale from west and north-west, so that the vessel made no headway, the same land being in sight at night

Not never, the same land being in reaser way, the same land being in a digit it an inju-that was seen in the morning. This next day, the stemmer " hore too" and was taking water vary fast, the crew bailing with buck-ets, and working the hard pump, the engines not working, the first having been pations by the water. During the night she rolled bearly, and took much water, and the pumps choked up with coal. On Thursday, the water was still above the formaces, but about 2 colock in the afternoon she was put under the best sail that could be rigged, which was had enough, and stood in for land, the passengers and crew still bailing with buckets, and passing the water over the sides. At dark, the water was low mongho build fray, and she was yot under steam about 9 colock, and made for San Francisco, the wind being more molerate.

tor can Francisco, the wind being more moderate. Nearly one-half the mules on board died, and were throw normhand. The passengers complain much of the unseaworthy coulding of the boat when she left port. About 6 o'clock last evening, another of the foat boat, the Fudora, returned into part, having started seme days since an a similar trip. After passing the Chesspacke, on Wednesday, the passengers became frigh-tured, and withed to return. The captain, however, assured them there was no danger, and determined to prosecute the trip, de-clining to comply with the writter request of the passengers to "boat ship" for San Francisco.

Fraveisco. Subsequently, the passengers went on deck in a body, took possession of the vessel, super-ceded the captain, put the first mate in command, and made headway for this pert, arriving and and sound hat evening.

seriving ants and sound last evening. The Warns Lor Bitt....In our columns this morning, will be found another letter from our San Jose correspondent, much of which is devoted to the subject of granting to the city the beach and water lots. In giving place to the views of an individual correspondent, we treat the subject as are design to do every other—giving all an im-partial hearing, and an opportunity for free discussion. But is should not be understood flat we endowe everything that is published ever the signature of a correspondent. We shall hereafter have something to say upon the and/or. aubject.

Surpress or TREASURE. - The strame Isthmus takes forward to-day \$500,000. The amount carried by the Oregon we were una-ble to ascertain up to the hour of going to grees. Apars & Co, send \$150,000; GRad-ex, \$43,000; Donar & Co, \$31,000.

THE ISTHMUS.—By a list of passengers in is morning's paper, it will be seen that is favorite steamer goes down loaded. She ill leave Law's Wharf promptly at the our named in the advertisement. this will

of the Pacific Ne Blionof the Pade Nrss: Before your Monday's issue can reach us another of the great questions for the session will have been solved. I can have no doubt that the choice will fall on Hon. JOHN C. FREMONT. There have been other candidates in the

Pearlies villans. CAPTURED. — Miuwizi, the Portugnese, whom we mentioned yesterday as having robbed a lady on Jackson attectod a quantity of jeweiry and dother property, was arcsted yesterday afternoon, in Pacific street, by officer Gocira, and lodged in the station house. Some of the jowelry was found on his person, but the two gold watches multitle shared, the most valuable of the property stolen, has not yet been recovered.

satota, has not yet been recovered. PAPERS FROM THE STATES.— We have received from Messes. Boessternt. & Winker rox, late numbers of the Allany Datchman, Bell's Life in London, Buschtruted London News, and the London Panch, together with several other late publications. They can be had at their store in the post office build-ing, on the plaza.

Bowne A FARND. - An Englishman was incarcerated in the 2d district station house, yesterday, charged with robbing an associate and friend of a considerable sum of money We did not learn his name.

LATE PAPERS - Messes, Burgerss, Svill & Coskos have furnished us with some late copies of the Washington, Louisville, Phila delphia, and New York papers, for which they will please accept our thanks. WIT RUN MAD-D. RANE's third Hom-bre has made in a programme. Use their of the

bre has made its appearance. Its wit is as pointless as ever, or else whittled so sharp as

nontices as ever, or else whitled so sharp as not to be perceptible. VALENTINES -- COOKE & LECOUNT, Bock-sellers and Stationers, in Montgomery street, received per steamer has evening, a groat variety of rich laced and gilded valentines. By EXPRESS. -- GREGORY will receive pack-ages and correspondence up to half-past 3 o'clock this afternoon, to be forwarded by express. 3440

CONSTITUTION. We are gratified in being able to announce this morning, the arrival of the propeller constitution. Lieut. BISPLI, commanding, from San Diego, Diriging the passengers of the stanner Colfornia. The Constitution left. San Diego at 8 ordeok, on the evening of the 5th linst, the California having reached that port the day previous, under sail. Sbo hims, 107 bagod hetters and papers, in charge of Col. McLass, as U. 8. Mill Agent. The dates from the Atlantic side, by this articular the Dater than these received on the 5th linst., by the steamer Isthmus, but we are enabled to give a more full compac-dism of intelligence than previously re-ceived.

The matching of the steamer parimets, but we are called to give a more full compar-dism of intelligence than previously re-civered. A Mixr I's New Yorz.—The bill for the establishment of a Mint in the eity of New York, was made the special order of the day in the House of Representatives, for the second Taceday in January, by a vote of 104 to 37. This vote is considered as a favora-ble sign for the final passage of the bill, despito of all opposition. The New Yorkers have cortainly straggied long and hard enough for this object, and we see no good reason with we should not have it. The N.Y. Son thinks it will pass the present session "almost without opposition." APPOSITED COMPTONICLES.—The Comptonlersky of that Nuck made years by the resigna-tion of Wasmaxrow Hysr, Governor elect. **Restore BESTON** In assubmitted his report and plan to Comprosite the lite resigna-tion of Wasmaxrow Hysr, Governor elect. **Restore BESTON** has submitted his report and plan to Comprosite a relived to the Pacific, in opposition to that of WirmSar's. The main fasteres of Coll. So plan are as a full with a speech in its favor.—The reading the the Bay of Sun Franciscom the hardis with highly extending to frequencies and full to the Bay of Sun Franciscom the Bay for the strates of the Pacific true, to extend in meanly a literet line, to the Bay of Sun Franciscom the hardis with spectra and the add hightway. For the main road, a strip of land one isometred and fifty milloss of a force—the to proposed that covers for add, and for the branches a strip fifty millos wide for each, to the astore the hand lang have add for each to the extent of the marker of the add layburged the strates of the proposed the reads would be alout one hundred and fifty milloss read for the the strate and the reversion and strate for add of the roots and the reversion and strate for add of the roots and her-erection and strates for add the destored and fifty milloss was read with the Sante and the reversion and strate for add of the roots and the reversion an

tion." This bill was read twice in the Senate and referred to the Committee on Roads and Canals.

Canals. The New York Sun is opposed to Benton's plan, while it favors that of Whitney's. The San says Whitney asks but sixty miles width of laud, while Benton asks one hun-dred miles width.

worm or taute, while Benton acks one hun-deed miles with.
 Ture New Yuns Courson Hotss Arenon-WENTS — A correspondent of the N. Y. Tri-burs, writing from Washington, under date Dee. 20th, ago: "Somebody, I see, has tolegraphied to a New York proper that the Courson House ap-pointments of Mr. MaxwarL. have been confirmed by the Nevertary of the Trassary. This is a great mistake, as the nonimitors of the Calleton have not yet been acted the Secretary of We Been acted the number proposed to be removed. It has here are down at forty and fifty, whereas that a more This you will find a chirdy reliable.

that annote: This you will had entirely reliable: The New Hampshire Convection has declared in favor of electing all judicitary officers by the people. Outo Lastistarus AND U.S. STATOR.— The Legislature is occupying its time in ensing unsuccessful ballots for a 'United States Senator in the place of Thomas Ex-ing, whose term expires in March next. The chances of an election during the present ession are very alim. The Legislature has yold down. 38 to 33, a proposition instruct-ing their Congressmen in favor of a repeal of the fugitive slave law.
