

Lectori salutem,

I understood from Henk Eggers who made my Wiki page that there was a problem with the copyright of these pictures which I allowed him to use. I agree to use by WIKI.

I hope this solved the problems for him and that the pictures can stay on the WIKI pages.

With high regards

Ben Naafs (the Dutch WIKI page)

Met opmerkingen [BN1]: This picture was taken from me by the Dutch Society for tropical Medicine. It was agreed it could be used for the WIKI page made about me
